## FOREWORD

When the Honourable Mr. Justice Hardie-Boys addressed the School and friends on October 11th, he mentioned this little Magazine several times, and drew some illustrations from its contents. We are grateful for his kindly interest, and feel encouraged to prepare once again another Number in which we record the worthy happenings of the year, as well as the names of the many who are responsible for those happenings.

His Honour told a story about a teacher who had some difficulty in explaining the meaning of the word "Miracle". After she had told of a man who fell off a multi-storeyed building not once but time after time, and still survived, the youngster could only regard it as nothing more than a habit.

The thought has been left with us — a miracle becoming a habit. As I suppose is the case everywhere else, we are always expecting miracles to become habits. The thing that at first seems marvellous, almost impossible, we sincerely hope will be accepted as nothing out of the ordinary. I am referring here to matters of conduct, although there is something of it in the breaking of records year by year.

But in the setting of the highest standards, we sometimes feel that we are aiming at the moon. And why not? If we try long enough and hard enough, we shall get there; and the seemingly impossible will become the generally accepted thing. Someone has said that there is no such word as "impossible" — What is meant is just something a little more difficult.

To those who have worked conscientiously, patiently, and with ability to make this such a pleasant and successful year, go our very grateful thanks and our best wishes for the future.

E. M. MARSHALL.

*Principal.*

## GENERAL NOTES

*STAFF:*

Members of Staff who have left over the past twelve months are:—

Mr. P. F. M. Rowlands, B.Sc. (Science); Mr. T. F. Hutchinson (Bursar); Miss E. Gifford (Domestic Manageress); Miss D. Rogers (Office Assistant).

The following have come on to the Staff, and to these we extend a very warm welcome:—

Mr. A. Vivian, M.Com., A.R.A.N.Z.; Mr. D. Hallum, M.A., Dip. Ed.; Mr. A. C. Tremain; Mr. K. Rowe; Mr. and Mrs. L. Dynes (Domestic Managers); Mrs. A. Vivian (Part-time office Assistant).

*YOUTH CLUBS:*

*The Ambulance Division* has had to go into recess on account of Staffing, and the formation of another club.

*The Scout Troop* has flourished, thanks to the interest taken by a Staff Scout Committee, and the quality of boy-leadership in the Troop.

*A Boys' Brigade Company* has been formed under the leadership of Mr. A. Vivian, assisted by Mr. D. Hallum.

*Dancing classes* have been given to fifty senior boys again this year — by the Dorice Dower School of Dancing, Auckland.

*The Billy Graham Crusade* meetings held in Auckland at Easter time were well attended by the boys of the College. Many inquiries were made, and it is felt that generally much good was done.

*EXTENSIONS AND IMPROVEMENTS:*

The first part of the *new driveway* has been formed. It runs from the main road, along the northern side of the Sports Field to its eastern corner. Authority has now been given to continue its formation past the Orchard and fowl-runs to the main drive leading to the Dairy.

All the trees along the northern side of the Sports Field have been felled, and some of these are to be milled for College purposes.

The *Farm Manager's house* was completed last May. This brings the number of residences at the College to eleven.

Approval has been given to the making of an *Arts and Crafts room* by the Workshops. This will make it possible to extend our work to include pottery-making, modelling, as well as painting, carving, lino-cutting, etc..

Plans are being considered for the building of a new *poultry house* on the site of the present ones.

The Board is giving attention at present to the next stage in our Extension programme. It is possible that this will include the erection of *extra class-rooms*, thus relieving other rooms for *recreation* and *library* purposes.

#### MAKING THE COLLEGE BETTER KNOWN:

In an endeavour to let more people know that the Methodist Church has a boys' Boarding School, and that it is a School of which they might well be proud, we this year went further afield than we have been before.

In another part of this Magazine there is an account of the Tour around the North Island, in which fifty-two boys with Staff presented Concerts and took Services in many places.

Then in the August Holidays, the Principal and Mrs. Marshall travelled two thousand miles by car to bring the College to the South Island. Twenty groups of people were addressed. These included two Synods, (North and South Canterbury); showing coloured slides of the College in ten places (Dunsandel, Willowby, Geraldine, Temuka, Timaru, Waimate, Oamaru, North Beach New Brighton, Bryndwyr, and the public meeting of North Canterbury Synod); Conducting Church Services (Durham Street, Dunsandel, Ashburton, Woodlands Street, Timaru, Rangiora, Bryndwyr).

The reception given to the College parties was very warm. The boys undoubtedly benefitted greatly, and the whole venture from a College point of view has been an unqualified success.

#### BITS AND PIECES:

As usual we find plenty of unconscious humour in work that is handed in to be corrected. Here are some unexpurgated extracts:—

"In ten year's time I shall have reached the years of transgression."

"A man of letters is only another name for the postman."

"Hallowed is God's Christian name."

"In our class-rooms there are many widows all down on one side."

"When you die suddenly, you are cross-examined by a Coroner."

"Surely to goodness mercy shall follow me all the days of my life."

What was John Newton before he became a Christian?

A sinner, says one; a teacher, says another; a Methodist, says still another!

### CHAPEL AND CHURCH AFFAIRS

Each year we have outlined some of the activities centering on the Chapel, and in the Diary we have listed the Special services held there.

This year good and faithful work has been done by Staff and Monitors, in the maintenance of the Chapel itself, in the conducting of Services, and in the taking of Bible Classes. The Women's Missionary Auxiliary has met regularly throughout the year; Church Membership classes have been conducted in the Third Term; and a strong Divinity Group has met each Sunday for Study and planning.

Those whose names should be mentioned in particular:—

Society Steward and Church Organist: Miss P. A. Marshall, Mus. Bac. L.T.C.L.

Visiting preacher: Rev. L. Divers, Pukekohe.

Preachers taking services (other than Mr. Divers and the Principal): Mr. E. A. Crane, M.A.; Mr. K. Rowe, Mr. R. C. Sandford, Mr. E. Fraser. Evening Prayers: Rev. E. M. Marshall, Messrs. H. Marshall, E. A. Crane, K. Rowe, D. Hallum, A. Vivian, C. Tremain.

Chapel Monitors: W. Vernon, C. E. Glover, T. B. Madsen, G. W. Bennett, W. D. G. Cocker.

Organists (other than Miss Marshall): Miss F. Stark, Mus. Bac., L.T.C.L., Miss E. Marshall, Mr. J. Marshall.

Sunday School Officers: Miss P. A. Marshall (Superintendent), Miss E. Marshall.

Missionary Auxiliary Officers—President: Mrs. H. Marshall; Secretary: Mrs. E. Marshall; later, Mrs. E. A. Crane; Treasurer: Mrs. M. B. Knott.

Received as Members of the Church in December, 1958: Elizabeth Marshall, F. S. Flatt, T. B. Madsen, R. H. Thompson, D. A. Civil, R. A. Winstone.

It is significant that we hold so many Services and Church functions here, and that we go beyond College boundaries so much

on Church affairs. It could not be done unless religion were a real and vigorous force in College life. It would be inadequate unless we had devoted men and women on the estate who are prepared to give of their time and energy in this way. It is hoped that this little tribute will be accepted as genuine appreciation by boys and Board for what is being done.

### COMMEMORATION, 1959

The Annual Commemoration Service has become an important celebration in our Calendar of Events each year.

"It is held to Commemorate the Founding of the College in 1844; and to remember with gratitude those who have contributed so much since then to bring the College to its present status."

So runs the invitation that was sent this year to parents and friends. There was a good response on October 11; the weather was fine; and the College was looking at its best.

Our Guest Speaker was the Honourable Mr. Justice Hardie-Boys. In a style and manner that captured the attention of all, His Honour spoke on Tradition, and stressed the importance of these years in the life of the boys — for now "we stand in the midst of history." The School is grateful indeed to His Honour for addressing us.

Afternoon tea was served in the Dining Hall, and inspection of the School was invited.

## THE Tour

That is what has been on the lips of most boys in the school for many months—ever since in fact it was known that this year the boys were going to have one. **THE** Tour!

At a quarter to one on Thursday, July 9, 52 happy, singing boys left the College by chartered bus. The weather was unkind, and the prospects were dim for a comfortable trip; but that did not stop the boys from giving three cheers for the College as they passed the Office.

The party consisted of choir boys, non-choir boys taking part in the plays, and the adults: The Principal and Mrs. Marshall, Miss F. Stark, Mr. E. A. Crane, Mr. M. B. Knott, and Mr. J. Shaw the driver.

The trip extended through from Thursday to Tuesday, July 14. Over 600 miles were covered. There were good attendances at all places, and the hospitality everywhere was excellent. Mr. Marshall had made all arrangements beforehand, so that when we arrived at a town where we were to stay, we found the Methodist Minister waiting for us, with a list of billets in his hand, and most of the people there with their cars. We were taken to our homes, given a meal and made to feel very much one of the family, then taken to the Hall where we were to put on the Concert. After it was all over, we were taken back for supper, and according to reports, more often than not found we had a hot-water bottle for

our feet, and had our breakfast in bed next day! When we had time to spare, our hosts took us for a ride to see the sights. They asked us plenty of questions about ourselves and the school, and made us feel that they would not mind having us back again.

Our first port of call was at Te Kuiti. Here it was still raining, but we managed to find our way to the High School Hall eventually. We were received by the audience very well. This was the first time we had presented the Concert anywhere, and we were naturally a bit nervous. The programme was a long one—2½ hours. But there was plenty of variety, and it seemed to give enjoyment.

Two miles out of Stratford. Mt. Egmont in the distance.

From Friday morning on the weather was perfect. We made the journey to Stratford easily and without mishap, calling in at Waitara to see Miss Marshall (now Mrs. Craig) in her home there. At the Stratford Concert, the chemists preparing the smokes for the "Invisible Duke" nearly asphyxiated the players and choked the audience! The Hall was packed to the doors that night.

On the Saturday morning, Egmont was looking at us in all her beauty, and some of the boys were fortunate enough to be taken up its slopes, before we set off for Hawera.

Outside Hawera Church.

At Hawera, a surprise awaited us. We had been asked to call in at the Methodist Youth Centre. There we were met by the Chairman of the District, Rev. R. Patchett, and by Mr. G. Whareaitu, an Old Boy of the College and now Manager of a Cheese Factory near Hawera. He had arranged this gathering, and had provided us with a wonderful "spread" for our lunch. We sang for them, and I don't think we sang anywhere so well.

We stopped at Lake Virginia before stopping at the Church at Wanganui. The Concert at Wanganui was put on under some difficulty, but it seemed to be appreciated. By this time we had cut the time for the concert to two hours and twenty minutes, and had also got the chemicals under better control.

On Sunday morning, we all met at Trinity Church which was full for morning worship. Here the Principal conducted the Service, and we sang our anthems, Miss Stark playing for the Service. Back we went to our hosts for dinner, and at 2.0 p.m. set off for Palmerston North. Here as at other places the organisation was excellent. We were whisked out to our homes, and brought in later to St. Paul's Church for the evening service. The Principal again conducted the service, and we sang our anthems. On the Monday, we had free time, and most of us made good use of it. Two of our number even attended the Rotary Club meeting, independently of Mr. Marshall too.

We put on the Concert that night to a full hall again, and felt that the kindly remarks of the Minister, Rev. G. Goodman, made a fine climax to the Tour. On Tuesday we set off for home, 300 miles through Taihape, Taupo, and Hamilton. The mountains were beautiful. We made an unscheduled stop on the Desert Road, so that the boys might feel snow, and have a fight in it if they liked. They liked.

The first of the Tourists arrived back at 8.0 p.m., the main force coming in about half an hour later.

It was a memorable trip. We owe thanks to many people—to all the Ministers of the Churches concerned, to the hosts and hostesses, and to other helpers in each place. We are grateful to those of our own number who did so much—to Miss Stark who produced the plays, and accompanied on the piano; to Mrs. Marshall who assisted with wardrobe; to the ladies who helped with costumes before we took to the road; to Mr. Laurie for his training of the choir; to Mr. Knott and Mr. Crane for their care of us on the trip; and to Mr. Marshall who arranged it all, and was responsible for our well-being throughout.

A happy and successful tour such as this we shall not forget, and it is hoped that it will not be too long before we shall find there is another one arranged.

## THE SCOUT TROOP, 1959

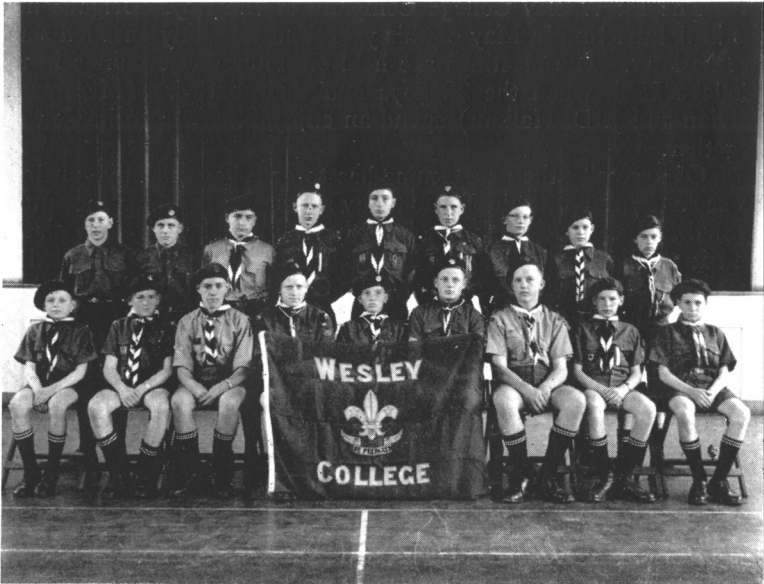

## ROLL:

Troop Leader—T. Madsen.

Patrol Leader—Kiwi: D. McKay; Seconder: A. Williamson; Patrol: B. Sobey, A. Happy, J. Mayson.

Patrol Leader—Ruru: K. Field; Seconder: A. Parker; Patrol: M. Stokes, W. Alley, L. Knowles, R. Thode.

Patrol Leader—Kotare: R. McClay; Seconder: D. Moor; Patrol: R. Clayton, B. Gower, J. Appleby, R. Guiniven.

## ACTIVITIES

T. Madsen and D. McKay went for their First Class Journey during the year. Madsen qualified for his First Class badge, and McKay has just a little further to go.

The Troop has this year been without a Scout-Master, but a Committee of Staff members has kept its eye on activities, and, although progress has been slow, some boys have qualified:

One boys with his First Class; five with Second Class; and four with Tenderfoot.

Twelve boys went to a Camp on the College farm for three days. Seven of these were new to camping life, and thoroughly enjoyed this experience. During Labour Day weekend, the same twelve attended the Annual Combined Scout Camp at Helvetia, and came second in the Lawson Shield Competition.

The Scout Knife has been awarded to W. Alley for making most progress during the year.

It has been a difficult year, but we are grateful for all the help that has been given, and we look forward to the day when we shall be strong again, and have a Scout Master from the Staff as we used to.

### THE BOYS' BRIGADE

The 1st Wesley College Company of the Boys' Brigade held its initial meeting in May of this year, and was duly enrolled some weeks later. The meetings are held on Thursday evenings in the College Hall, when the 22 boys and their officers (Messrs. A. Vivian and J. D. Hallum) spend an enjoyable and profitable time together.

Of necessity the programme has to date been mostly confined to basic training, the aim being to lay strong foundations for future growth. Into this work the boys have entered with enthusiasm, and it should not be long before the activities can be widened to include most of what a normal B.B. Company undertake.

The thanks of the Company are due to Mr. E. A. Crane who has helped with Physical Education, to Miss Stark for piano accompaniments, and to the Principal who has given full help and encouragement to this new venture, which we hope will play its full part in College life in the days that lie ahead.

## SPORT IN THE COLLEGE

Sport provides the main out-of-class interest for the boys of Wesley College. In Summer a walk round the College would reveal boys endlessly hitting tennis balls against the brick walls of the shelter-shed, playing table-tennis in the basement, smashing shuttlecocks over the net in the hall, playing tennis on the three courts, running round the softball diamond, or practising cricket at the nets. In Winter marbles has an irresistible appeal from the youngest even to the Sixth Formers, and table tennis continues unabated; but the main attraction is the excitement of pitting scrum against scrum and of eluding opponents to carry the ball over the line in the grand game of rugby.

In order to provide the continual competition that sport requires there are two organisations: inter-House sport and inter-School sport.

*Inter-House Sport and the Winstone Cup:*

To stimulate interest in inter-House sport, Mr. G. Winstone many years ago donated a cup. Throughout the year School and Simmonds House compete for this Winstone Cup by playing nine rugby and nine cricket games (three in each of the three grades); tennis, table tennis, softball games in three grades; and points are allotted to competitors in the athletics, and swimming sports and the cross-country race for inter-House competition. As badminton is a new game it is not played as yet on an inter-House basis. Also to encourage entrants into our speech and debating contest, points are gained for their respective Houses by the winners.

*Inter-School Sport and the S.A.S.S.S.A.*

Most of our inter-school sport—cricket, rugby, swimming, tennis, athletics, cross-country, and table tennis—is organised by the South Auckland Secondary Schools' Sports Association. In this competition we play against Papakura, Pukekohe, and Papatotē High School; Waiuku, Onewhere and Maramarua District High Schools, St. Stephens School.

Our First XI however, is in a competition organised by the Franklin Cricket Association. Both of these associations make continual use of our three rugby and two cricket grounds, and often the inter-school athletics sports are held on our grounds.

In addition we have a number of sporting commitments outside the Franklin area. Various rugby teams play against Huntly College, and our First XV plays against Ardmore Teachers' College 2nd XV, Port Albert, and Trinity College, while our First XI plays against Henderson High School.

In order to organize and control all this activity coaching, refereeing, and umpiring must be provided, gear has to be looked after, boys have to be transported all over the place, and records have to be kept. Our thanks are due to the following coaches for the arduous and faithful service they have given throughout the year.

Mr. E. A. Crane: 1st XV, 2nd XI, Tennis, Badminton.

Mr. H. P. Lee: 1st XI, 4th XV.

Mr. J. D. Hallum: 3rd XV, 3rd XI.

Mr. B. K. Rowe: 2nd XV, Athletics, Table Tennis.

Mr. J. L. Browning: 5th XV.

Mr. A. C. Tremain: Athletics.

Mr. H. Baker: Swimming.

Also we wish to thank Mr. H. H. Marshall for organizing the Athletic Sports; Mr. M. Knott and J. Connolly for always getting the boys safely home again in the College truck; Miss A. M. Greene for seeing that the boys' football jerseys and athletic singlets were always in order. All have combined to make this a year of most successful enjoyable sport.

## RUGBY, 1959

### FIRST XV:

Our First XV has had a very successful and enjoyable year, and the enthusiasm of the boys to represent the school in the "Firsts" has at times embarrassed the selector. The success of the team was largely due to the forceful running of the outside backs, as it was their dash, combined with the spectacular penetration of the first five-eighth that gave the team 30 of the 41 tries scored.

The backs were largely successful because of the excellent service given to them from the half-back, M. Bennett who passed accurately and ran very elusively. D. Cocker, at first five-eight was a good link with the outside backs and his quickness to see an opening earned him 8 tries. Pihama, the second five-eight was top scorer of the team scoring 45 points, 39 of them with his boot. D. Tupou, centre, was a very able captain, and with his deceptive swerve was able to score 8 tries. Vuibau, on the left wing, ran fearlessly, scoring 8 tries: the occasion when he broke through two tackles on his own 25 and ran 75 yards to score against St. Stephen's 1st XV must surely be the classic try of the school's history. Te Kuru played well on the right wing, and Thompson at full back saved many a try by his superb tackling.

The forwards played well in the lineouts, though they still have not gained the art of quick, co-ordinated scrumming. C. Cocker was a tower of strength as a leader and as hooker. He was well supported in the front row by B. Passau and Taylor. Moon, Cameron, and Tonga,

locks, gave good service in the lineouts and scrums, Moon making some determined bursts with the ball. The team was well served with its breakaways, Hosking, Walford, and G. Smith, Hosking particularly

being on hand to carry on some fine attacking movements and score three tries. Ward always played a vigorous game as No. 8, tireless not only on attack but also often upsetting the opposing backs with his cover-defence.

In the inter-school games College lost only two games. The first game against Pukekohe High School was lost narrowly by 6-5, but the second was won convincingly by 16-3. Both games against Papakura High School were won 6-0, and 11-8; and there were two victories against St. Stephens 2nd XV 9-3, and 34-6. For the first time Thames High School visited the College, and an enjoyable game ended in victory for the College 19-13.

The most exciting match of the year was against St. Stephens 1st XV when College almost succeeded in breaking the unbeaten record of St. Stephens by losing only 6-3 after a very evenly fought game.

College defeated Old Boys by the convincing score of 28-3; and also retained the Port Albert Shield by defeating Port Albert 19-6 and 11-10.

Actually the team seemed to play its most inspiring football when it was being beaten. This was particularly so against St. Stephens; against Port Albert when College was losing 10-0 until about 20 minutes before the end of the game when it piled on 11 points; and against the two Restricted Junior teams of Papakura (lost 11-0) and Ardmore Teachers' College 2nd XV (lost 12-6). It was not true, however, when a weekend 1st XV lost to Trinity College 19-16.

The record of the team was:

Played 14 games. Won 9. Lost 5. Points for: 183. Points against: 108.

**SECOND XV NOTES**

Team: Cheeseman (Captain), Axtens, Dudding, Harris, Hunia, Jones, Kirner, Koroheke I, Mayes, McClay, Papakura, Pokere, Stokes III, Wilson III, Smith II, Tonga, Rosemergy.

The Second XV experienced an enjoyable, if not particularly successful, season. Beginning on a high note with two good wins, we concluded equally as high, overcoming a strong Papatoetoe First XV. However during the intervening period we were not as successful, partly due to the First XV's habit of taking our star players—and also because of our better opponents.

Stalwarts of the team were Pokere and Cheeseman in the backs and Smith and Tonga in the forwards.

**Games:**

v. Waiuku 1st XV .....	won	8- 3
v. Papakura 2nd XV .....	won	14- 0

v. Papakura 2nd XV .....	lost	0-16
v. St. Stephens 3rd XV .....	lost	3- 6
v. Waiuku 1st XV .....	lost	0- 9
v. Papatoetoe 1st XV .....	won	6- 3

Games played .....	10
Games won .....	3
Games lost .....	7
Points for .....	31
Points against .....	119

**THIRD XV NOTES**

Team: Bradey-Robinson (Captain), Bayes, Bennett II, Crosbie, Dixon, Fatafehi, Newman, Madsen I, Helms, Hansen, Haldane, Passau II, Paki, Wellington, Hilton, Clark, Grahame, Field, Denize, Koroheke II.

The opposing teams were, in most cases, heavier than our team particularly when we played against Pukekohe High School Second XV, and Onewhero District High School 1st XV. Consequently we lost heavily in the four games we played against them. However when we played Huntly College 2nd XV we won 8-5, and Papakura High School 3rd XV we drew one game 3-3 and lost the other games narrowly. Games were all played in a good spirit and the boys played tenaciously right to the end.

**FOURTH XV NOTES**

Team: Alley, Appleby, Brown, De Jongh I, Duncan I, Nicholls II, Johnson II, Moor, Parker I, Simmons I, Smith III, Sobey, Strickland, Williams I, Withers, Whitmore.

**Comments:**

Although results were disappointing and the team lost all the nine games it played, many of the games were much more even than the final scores suggest, and the team was unlucky not to win two or three matches. In the face of the statistics, the boys are to be commended for their eagerness to play and for the spirit with which they lost throughout the season.

**FIFTH XV NOTES**

Although we had only eighteen boys in the whole School between seven and eight stone we decided to enter a team in the competition to give these boys a chance to play rugby. However, some boys almost immediately became unavailable for various reasons, and we were not able to field a complete team. Consequently the best boys in this grade were chosen for the fourths.

We were, however, able to play three games by calling on members of the Sixth XV when they had a bye, and each of these games, though gallantly fought, was lost.

**SIXTH XV NOTES**

Team: Madsen II (Captain), Carter I, (Vice-Captain), Clayton, Coster, Crickett, Duncan II, Fraser, Gower, Hunt, Knowles, Kinsells, Pearsall, Royal, Sandford, Smith I, Stokes I, Wells, Wycherley.

**Record:** Played nine. Won five. Lost three. Drew one.

**Second Place:** Counties Secondary Schools' Competition (Fifth Grade).

This team made a good start, and finished strongly, but form was lost badly in mid-season. Outstanding player was Carter I, who scored nine tries, while Madsen II proved an enthusiastic and capable captain. Others who played well were Gower, an efficient-jersey boy, Pearsall, Smith I, Dobb, Wycherley kicked eight goals.

**CRICKET, 1958-59**
**FIRST XI**

Among the highlights of the 1958-59 season were the dismissal of Waiuku-Glenbrook B for 9, largely at the hands of the Captain, D. Tupou (6 for 2), Manurewa B (R. Tupou 66, M. Ward 56, B. Rosemergy 26).

At the end of 1958 we farewelled Mr. R. Burrow, coach since 1955, and, R. Tupou, G. Taiepa, M. Smith and A. Pankhurst.

The resultant weakening of, in particular, our batting strength was felt in the new year, although the arrival of R. Moon and the development of those who had shown promise compensated enough for the team to be runner-up in the Franklin B Competition, and to win the Haslam Cup for the best Secondary School performance in the county.

Encouraging signs for the future are the development of Rosemergy as a leg-spinner and useful batsman, and the ability of Ward to play sound strokes, restraining his natural tendency to hit out until the right ball arrives.

M. Bennett, R. Moon and G. Axtens have had spells of bad luck, but are all likely to run up a big score in the near future. Ward will be a particularly dangerous quick bowler when he learns to vary his pace and swing.

#### MATCHES

- Papakura Camp:** College 69 (Mr. Burrow 16, D. Tupou 15). Camp 71 (Elia 5 for 18, Mr. Burrow 3 for 8). Result, loss on first innings.
- Pukekohe B:** Pukekohe 77 (D. Tupou 6 for 46, Ward 2 for 24). 2nd innings 61 for 5 (D. Tupou 2 for 16). College 67. Result, loss on first innings.
- Kingseat:** Kingseat first innings 37 (D. Tupou 7 for 21, Ward 3 for 11). 2nd innings 73 (Rosemergy 4 for 6, Elia 4 for 14). College 128 (Mr. Burrow 34 not out, Taiepa 25). Result, outright win.
- St. Stephen's:** St. Stephen's 71 (D. Tupou 6 for 30). College 139 (R. Tupou 42, D. Tupou 24). Result, win on first innings.
- Waiuku-Glenbrook B:** Waiuku-Glenbrook 1st innings 40 (D. Tupou 7 for 9). 2nd innings 9. College 143 (Thompson 39, R. Tupou 34 not out, Moon 22). This match gave D. Tupou the remarkable bowling figures of 13 wickets for 11 runs. Result, outright win.
- Papakura High School:** Papakura 58 (Ward 6 for 19, D. Tupou 4 for 33). College 72 (R. Tupou 18). Result, win on first innings.
- Manurewa B:** Manurewa 90 (D. Tupou 7 for 34). College 234. Result, win on first innings.
- Hunua:** Hunua 1st innings 52 (D. Tupou 6 for 9). 2nd innings 92 (Rosemergy 3 for 10). College 1st innings 72 (Elia 17), 2nd innings 39 for 4 (Ward 18 not out). Result, outright win.

- Waiuku-Glenbrook B:** Waiuku-Glenbrook 104 (Pokere 5 for 42, D. Tupou 5 for 26). College 81 (D. Tupou 19, Bennett 18). Result, loss on first innings.
- Papakura Camp:** 1st innings 58 (Rosemergy 18). 2nd innings 48. Camp 1st innings 89 (Rosemergy 5 for 20). 2nd innings 19 for 1. Result, outright loss.
- St. Stephen's:** St. Stephen's 96 (D. Tupou 6 for 33, Rosemergy 4 for 25). College 99 for 4 (Thompson 31 not out, Moon 17, Bennett 17). Result, win on first innings.
- Manurewa B:** Manurewa 72 (Pokere 5 for 16, D. Tupou 3 for 24). College 122 (Rosemergy 39, D. Tupou 33). Result, win on first innings.

### RESULTS

Played 12, Won 8, Lost 4.

### SECOND ELEVEN

Team: Cheeseman (Capt.) Tonga, Graham, Bradey-Robinson, G. Smith, Kirner, Pihama, Bennett II, Passau II, Stevens, Stokes III, Wycherley.

The team has had a very successful year. It played three games against Papakura High School 2nd XI and won them all. It was not able to lower the colours of Pukekohe High School 1st XI.

Passau II, Cheeseman, Smith II, and Tonga have all been forceful batsmen at times. The team has been well served by Graham as a fast bowler, Bradey-Robinson, Tonga, and Kirner as medium-paced bowlers, and Wycherley as a slow bowler.

### THIRD ELEVEN

Team: Sobey (Capt.), Clark, Fatafehi, Carter II, Helms, Field, Haldane, Palamountain, Kahui, Watts, McClay, Henderson, Madsen II, Qoloni.

The team has played keenly throughout the year and the boys are profiting by their experience. They have defeated Papatoetoe High School 2nd XI by 2 runs, and Papakura High School 3rd XI by 29 runs; they lost narrowly to Papakura High School 3rd XI on their second game by game runs, and were defeated by Pukekohe High School 2nd XI by more than an innings.

The best batsmen have been Clark and Palamountain, and the best bowlers Carter II, Helms, Feild, Palamountain and Fatafehi.

### FOURTH ELEVEN

Team: Jones (Capt.), Moor, Cowan, Kinsella, Crickett, Knowles, Gower, Burton, Smith I, Parker II, Guiniven, Stokes I, Young, Williams II.

The 4th XI, consisting mainly of raw recruits, has had the difficult task of acquiring skills from a background of little or no experience. Therefore we have been very gratified by the performance of this team this year. The Fourths started off the year with a brilliant win over Papatoetoe 4ths who were dismissed for 3 runs in the first innings and 10 in the second. As they then gained 68 runs for only 4 wickets, they won by an innings and 55 runs. Their match against Papatoetoe 2nd XI was abandoned through rain; and they lost against Papakura High School 4th XI.

## ATHLETICS

The Annual Athletics Sports were held on the College Grounds on 14th March, 1959. The weather was threatening but remained fine. As usual a large number of parents, friends, and Old Boys attended the Sports and were entertained at afternoon tea later.

The Inter-House Tabloid Sports and ten Championship events had been decided before 14th March. The results on the day were:—

In addition to our internal Athletics Sports our athletes have taken part in three athletic activities outside the College.

**I. The Franklin Athletic Club:** Near the end of last year, through the good offices of Mr. Pearsall of Pukekohe, we were permitted to enter into the Junior Section of the Franklin Athletic Club. So keen was this Club to sponsor athletics that each Thursday evening two or three members of the Club, particularly Mr. Neville Harris, and Mr. J. Montgomery, would come out to the College and coach the boys in all branches of athletics.

Each Monday night a truckload of boys would travel into Pukekohe and throughout the season competed in both the Points and Championship competitions of the Club. At the conclusion of the season the following boys were awarded prizes or certificates for winning these events:—

Junior Boys: K. Field—1st in High Jump (both Points and Championship).

Boys 15 and under: M. Ward—1st in Long Jump, 1st in High Jump, 1st in 440 yards, 2nd in 2 miles (Championship). M. Bennett—1st in 440 yards (Points).

Junior Men—Championship events: J. Cameron—1st Shot Put, 1st Hop, Step and Jump, 2nd 100 yards. Points Events—2nd in High Jump, 2nd in 100 yards, 1st in Hop, Step and Jump.

Junior Men: G. Hosking—2nd in Mile (Points), 2nd in High Jump (Championship). P. Hansen—3rd in Mile (Points).

12 years and under: W. Pearsall—1st in 100 yards (Points).

Four boys from the College were chosen to represent the Pukekohe Athletics Club in Inter-Club Competition. They were P. Hansen, R. Thompson, M. Ward, and J. Cameron. The boys all ran well but owing to the better ability and more experience of the other runners, only Cameron was able to gain two thirds in the 100 yards and long jump.

**II. The Bryart Memorial Inter-Secondary Schools Athletics Meeting:** As schools from all over the Auckland province compete in this annual event at Pukekohe the standard is very high and our small team was not able to win any events. We were pleased though that K. Field gained 2nd place in the Junior High Jump, and that our Senior Relay team, consisting of J. Cameron, G. Hosking, D. Taylor and D. Cocker came third.

**III. The Franklin Inter-Secondary Schools Athletics Sports:** We had a bigger representation at this meeting which met at Papakura and the Athletics teams sent were:—

Senior: D. Tupou, M. Walford, J. Pihama, P. Hansen, N. Williams, A. Tonga, D. Taylor, D. Cocker.

Intermediate: G. Smith, T. Clark, M. Bennett, G. de Jongh.

Junior: K. Smith, K. Field, Kevin Smith, G. Carter I, W. Paki, J. Fatafehi, P. Dixon,

The following were place-getters:—

- A. Tonga: 2nd in Senior High Jump.
- D. Cocker: 3rd in Senior 440 yards, 2nd in Senior Hurdles.
- D. Taylor: 3rd in Senior 220 yards.
- K. Field: 1st in Junior High Jump.
- M. Bennett: 3rd in Intermediate Long Jump.
- J. Cameron, D. Taylor, D. Cocker, D. Tupou: Senior Relay, 3rd.

## SWIMMING

Swimming this year was a popular sport. Good use was made of the School baths for practices and in class physical education periods. There were two events in which our swimmers competed:—

**The School Swimming Sports:** These were held at the Pukekohe baths on 23rd February. Results were:

### Handicap Events—

**Under 13 Handicap, 25 yards Freestyle:** Williams II 1, Neale 2, Thode 3.

**Junior Handicap, 25 yards Freestyle:** Fatafehi 1, Carter I 2, Guiniven 3.

**Intermediate Handicap, 25 yards Freestyle:** Winstone II 1, Kapoor 2, Fraser 3.

**Senior Handicap, 25 yards Freestyle:** Vernon 1, Dick 2, Glover 3.

## CHAMPIONSHIP EVENTS

**Seniors:** 25 yards Freestyle, Hilton 1, Cameron 2, Thompson 3 (13.4 sec). 50 yards Freestyle, Hilton 1, Cameron 2, Te Kuru and Hansen equal 3 (29.8 sec). 100 yards Freestyle, Hilton 1, Hansen 2, Taylor 3 (1 min 11.2 sec). 225 yards Freestyle, Hansen 1, Hooper 2 (4 min 10.6 sec). 50 yards Backstroke, Thompson 1, Tupou 2, Tonga 3 (43 sec). 50 yards Breaststroke, Hooper 1, Tupou 2 (49.4 sec). 75 yards Medley, Te Kuru 1, Thompson 2, Pihama 3 (1 min 7.7 sec). Dive, Rosemergy and Stevens equal 1, Tupou 3.

**BADMINTON, 1959**

Badminton continues to grow in popularity and has turned many dull rainy afternoons into happy active occasions for the many followers of the flying shuttlecock. The standard of play has definitely improved and the finals of our championships resulted in some brilliant play. This was particularly so in the Senior Finals when G. de Jongh, who was an Intermediate, after leading for most of the game, was just beaten by D. Tupou by 31-28.

**Results:**

Junior Singles: C. de Jongh defeated M. Passau 31—25.  
 Intermediate Singles: G. de Jongh defeated G. Smith 31—23.  
 Senior Singles: D. Tupou defeated G. de Jongh 31—28.

**TENNIS, 1959**

As it was decided to hold the Inter-Secondary School Tournament in the first rather than the third terms this year, tennis was a popular game right from the beginning of the year. New boys keen to show off their prowess and old boys keen to get into the school tennis teams thronged the three courts at every available opportunity. To select the school teams a tournament was held in the three grades and as a result of that the following were selected:—

Senior—A Team: D. Tupou, D. Cccker; B Team: B. Rosemergy, J. Cameron.  
 Intermediate—A Team: R. Moon, M. Bennett; B. Team: G. de Jongh, M. Ward.  
 Junior—A Team: W. Paki, C. de Jongh; B Team: G. Wycherley, M. Passau.

Although none of our teams won its grade in the Inter-School tournament, C. de Jongh won his way to the Junior finals, D. Tupou to the Senior semi-finals, and the Senior A, Junior A and Junior B teams won their way to the Doubles semi-finals.

Other tennis activities throughout the year have been the Inter House competitions which were all won by School House in the three grades, and the School Championships which are not yet completed.

### TABLE TENNIS, 1959

Table Tennis has continued to hold its popularity among all boys and with increasing keenness greater skills are developing. An account of the game can be given under four headings:—

(1) **General:** Table tennis is a very good game for filling in the spare moments and so the constant clicking of ball and bat can be heard early and late in the hall, hobbies room, in the shelter shed, and even out in the sunshine at times.

(2) **The School Championships:** Large numbers of boys entered and the finals resulted as follows:—

Senior: Singles—D. Tupou beat D. Taylor.

Doubles—D. Tupou and D. Taylor beat V. Te Kuru and P. Hansen.

Intermediate: Singles—R. Moon beat J. Winstone.

Doubles—R. Moon and G. Smith beat J. Winstone and L. Fraser.

Junior: Singles—W. Paki beat V. Fatafehi.

Doubles—W. Paki and V. Fatafehi beat K. Kahui and G. Carter II.

(3) **The Inter-House Tournament:** This is proceeding at present and only the Juniors have been decided, being won by School House.

(4) **The Franklin Inter-Secondary Schools Tournament:** Unfortunately the members of the First XI were not available for this so we could not enter our strongest teams. But the three teams that we did enter (A: Winstone, Hansen, Dick, Koroheke I; B: Clark, Wycherley, Kirner, Fatafehi; C: de Jongh I, Fraser, Carter II, Kahui) played enthusiastically and acquitted themselves well, though they were not able to win any championships.

### CROSS COUNTRY, 1959

The Annual School Championships were held on 30th September, over the usual course of farm land, bog, gorse, and clay road. As it was compulsory for all, apart from the medically excused, the race drew some large fields, although those who were keen soon distinguished themselves from the "conscripts".

Results:

Senior: P. Hansen 1, M. Walford 2, D. Tupou 3, E. Hilton 4, D. Taylor 5, R. Cheeseman 6 (17 min 26 sec).

Intermediate: M. Ward 1, G. Hosking 2, M. Bennett 3, L. Helms 4, G. Wellington 5, G. Axtens 6 (17 min 16 sec).

Congratulations to M. Ward for winning in faster time than the Seniors over the same course.

Junior: M. Passau 1, G. B. Carter 2, R. Field 3, W. Pearsall 4, A. Coster 5, W. Gower 6 (13 min 15 sec).

M. Passau ran a very strong race and finished about 150 yards ahead of the second boy home.

**Inter-Secondary Championships:**

These were held at Pukekohe on October 3rd. Of the six schools competing in the Junior race of two and a quarter miles, Wesley came fifth. M. Passau, after leading the field for two-thirds of the race, finished up 10th of the 36 runners.

Of the five schools competing in the Intermediate race, Wesley came 4th. Hosking and Helms performed creditably, coming 8th and 10th respectively. Walford was the best of our Senior runners, coming 8th in a field of 24, over a course of three and a quarter miles.

### THE FARM

This year has seen the first stage of development of a new farm entrance. With the growth of the College some concern was felt at the amount of heavy traffic using the main entrance. Some anxiety had been felt regarding the danger to pupils, as well as interference with the College functions, and the dust nuisance.

The proposal to bring in an entirely new entrance for farm use, and the decision as to its point of entry from the main road, was governed by the access it gives for future housing of College staff and the improvement it gives at one end of the Sports Field providing a better merging of actual ground with the farm.

The farm this year has not been without its periods of set backs, leavened by periods which give cause for satisfaction. Difficulties should never be regarded as discouraging, as this is something common to life, but rather as something to be overcome. After all it is by facing our problems, and overcoming them that we are given a greater cause for satisfaction.

Continuing a policy of improvement in our farm machinery and equipment, we have added a new chain saw, and tractor trailer to our list; while the draw-bar hitch-plough is being converted to three point linkage. All this helps towards greater mechanisation on the farm.

Farm Manager,

J. L. BROWNING.

### YOUNG FARMERS' CLUB REPORT

During the past year, the Wesley College Young Farmers' Club has had a very full and successful programme, and we wish to thank Mr. J. L. Browning, our Senior Advisory Member, who gives up much of his spare time for the Club. Special thanks are

also due to our Club Chairman, Mr. G. E. Axtens, who over the past year has filled the position very well.

In March we took part in the Young Farmers' Club stock-judging competitions at Pukekohe, several boys securing good places, with Axtens gaining a cup for "Pigs."

In April, two of our boys travelled to Whangarei and took part in stock-judging, acquitting themselves very well. Also in April we attended a very interesting Farm School at Pokeno.

In June we were fortunate enough to have a lecture given by Mr. Withel, District Organiser of North Canterbury, who talked on farming in that district. We also had Safety Films shown by Mr. L. J. Craig.

In July we had two lectures. the first by Mr. Janett of the Department of Agriculture and the other by Miss Young of the New Zealand Wool Board.

During August we made a very interesting trip to the Auckland Treatment Station; also Mr. Nicholls of Alfred Buckland's gave us a lecture on wool.

In November we attended a field day at Takanini.

Before the end of the year four boys will be acting as helpers at the Auckland Show, and we shall go to the Paerata Dairy Factory on an educational trip.

At the end of the year we are going to hold our usual Exhibition of Work, and this will round off the year's activities very well.

We hope that next year's Club members have as successful a year as we have had, and we wish them the best of luck in their Club activities.

D. L. BAYES,  
Hon. Secretary.

### THE HOUSE SYSTEM

In common with most schools, we have the House System. In a Boarding School, it is very valuable as a means of keeping control, spreading responsibility, and maintaining a good standard of rivalry in the Hostel and on the Sports Field. We have only the two Houses at present — Simmonds and School. There is no doubt that when another Hostel is built there will be another House or two.

This year, the system has been strengthened, tending to make the House Squad the chief unit in the school rather than the Form or Class. Next year, it will be made stronger still.

There are eight boys to a squad, each of which has its leader and deputy-leader. Each squad has its own table in the dining-room, and each leader is given the responsibility of looking after the members of his squad — he must check their belongings, supervise their activities in general Hostel matters, ascertain travel requirements at Exeats and Vacations, and try to stimulate pride and esprit de corps in his little group.

The House-Masters, under the Senior men (Mr. E. A. Crane, School House; Mr. J. D. Callum, Simmonds House), have maintained a high standard this year, and should feel encouraged to continue and develop this part of our work in the new year.

### SCHOOL HOUSE NOTES

Gentle readers, please stop thumbing rapidly through the pages of this magazine and pause and avidly absorb this page, for it contains the thrilling record of the deeds of that mighty House — SCHOOL HOUSE!! We are sorry to disappoint you, though, that it contains no record of any misdeeds for the simple reason that there are no misdeeds to record.

*Who are We?* We are a conglomeration of 68 boys of all ages, shapes, sizes and abilities ranging in height and weight from

R. Guiniven 4 feet 8 inches and 5 stone 7 pounds to R. Wilson 6 feet 1 inch and D. Dudding 13 stone. We are all things to all men: to the Principal we are all either candidates for the "Bottom Twenty" or prospective Doctors of Philosophy; to the masters we are either sporting heroes or blithering idiots; to the matrons we are either models of etiquette or the world's worst bed-makers; to ourselves we are just 'tops', and proud to belong to the House that holds the Winstone Cup.

*Who controls us?* To assist in the better organisation of the House we are divided into eight squads, each under a Squad Leader, and each Housemaster having the oversight of two squads.

These are:—

Master	Squad	Squad-Leader
Mr. Crane	1	G. Smith
	2	M. Bennett
Mr. Lee	3	G. Axtens
	4	G. Dick
Mr. Tremain	5	L. Koroheke
	6	M. Ward
Mr. Rowe	7	T. Madsen
	8	D. Taylor

Also in general charge of House affairs and parades is the House-Leader, D. Tupou.

*Which is the winning Squad?* Each day our beds, lockers, personal appearance and possession of essential gear are marked by Miss Stuart, the Sub-Matron, and our Housemasters. At the end of each week the winning squad is presented with a small shield which hold the place of honour on its table in the Dining Room for that week. At the present time Squad 7 is winning the competition, with Squad 4 coming second, and Squad 1 third.

*What games do we play?* School House this year has kept up its fine sporting reputation. We congratulate the following members of our House for these sporting distinctions:—

D. Tupou: Captain of the First XV and First XI, Senior Tennis, Table Tennis, and Badminton Champion.

G. Jones: Intermediate Swimming Champion.

M. Ward: Intermediate Athletics and Cross-Country Champion.

P. Hansen: Senior Cross-Country Champion.

R. Moon: Intermediate Table-Tennis Champion.

W. Paki: Junior Table Tennis Champion.

W. Paki and V. Fatafehi: Junior Table Tennis Doubles Champions.

R. Moon and G. Smith: Intermediate Table Tennis Doubles Champions.

D. Tupou and D. Taylor: Senior Table Tennis Doubles Champions.

The Inter-House Competition for the Winstone Cup has been keenly contested this year and we congratulate Simmonds House on the numerous occasions they have beaten us. At the present time the points between the two Houses are equal, 34 points each, and everything points to an exciting finish. The contests won by School have been:—

Swimming: Intermediates.

Athletics: Intermediates.

Cricket: Firsts and Seconds (one win each).

Rugby: First (two wins). Thirds (two wins and a draw).

Tennis: Juniors, Intermediates and Seniors.

Table Tennis: Juniors.

Cross-Country: Intermediates.

We wish to thank the Housemasters for their continual interest; the Matrons for their constant care of our health; and Simmonds House for pleasant companionship and keen sporting rivalry.

E. A. CRANE.

### SIMMONDS HOUSE NOTES

“Some boys are always trying — others are, very . . .”

Seventy-two lively boys, an assiduous Matron and three enthusiastic Masters have all contributed to make this a very successful year in Simmonds House. Our efforts have been characterised by a genuine attempt to develop the manly qualities of courtesy and loyalty. In addition, we have tried to inculcate a respect for authority and a just regard for the rights of others. Our enterprises, at times, have been fraught with apparent failure as some of our number have become involved with some form of wrong-doing. Steady progress, however, has been made and it would be fair to say that we are much richer for the worthy contribution made by members of this House during the year drawing to a close.

The year opened with seventy-four boys in the House. Two new boys have been enrolled and four have been withdrawn. We were sorry to lose B. S. Ballard, N. Kapoor, J. F. Hubbard and S. M. O'Shea. The best wishes from us all will follow these four boys, wherever their fields of activities may lie.

Stress has been laid this year on the strengthening of the Squad system within the House. An efficient plan for assessment of beds, lockers and parades was developed early in the year and so successful has it been that it has now been extended to the College Dining Room. This extension has necessitated the creation of a ninth squad in Simmonds House. Our Squad Leaders—J. C. Cocker, I. Vuibau, T. R. Mayes, D. E. Stokes, C. E. Glover, W. G. Vernon, J. A. Cameron, M. J. Walford and B. Rosemergy—

have been largely responsible for building up a very efficient system in which the loyalty to the Squad is the boys' primary responsibility. Eight of our Squad Leaders are School Prefects and this has proved a most valuable asset. The Leader of the House, R. W. Cheeseman, has carried out his duties with much zeal. This second year as a School Prefect has given him a breadth of vision which has enabled him to make a significant contribution to the general welfare of Simmonds House.

A weekly contest has been held between Squads and competition has been keen, particularly between Squads 2, 7 and 9. The announcement of the winner for the year must be awaited with interest. A further incentive to strong effort has been the practice during recent weeks of the results of the weekly competition being announced before the assembled College in the Dining Room.

Striving within the House has been but a shadow of the intensity of the enthusiasm shown by Simmonds House in the Winstone Cup Competition. Our teams have played, as we felt, in the true spirit of sportmanship and some very interesting encounters have been the result. Naturally, we should like to see our name engraved on the Cup for this year. Competition has been close and the final result must be awaited with eagerness. No matter what the ultimate outcome may be, our warmest congratulations are extended to School House for the determined efforts made.

Swimming saw the Senior Championship come to Simmonds through the outstanding performance of Hilton, while in the Junior — Pearsall and Simmons I shared the honours with a third from School House. Junior and Senior Relays, too, were won by our boys. Athletics produced a Senior Champion in the person of Cameron, while Field easily captured the Junior Title. Simmonds House had to be content with only the Senior Relay. Inter-House Rugby produced even games. Simmonds won three, drew one and lost four of the eight matches played. One win in three games played was our cricket achievement. Eight of the first ten runners in the Junior, four in the Intermediate and six in the Senior Cross Country were members of our House. Hearty congratulations to Passau II who finished first in the Juniors and also to all our other boys who ran so well.

House representation has been substantial in all Sports Teams of the College. Rosemergy, Stevens, Passau I and II have played in the College Cricket Eleven while Cocker II, Cocker III, Tonga, Passau I, Vuibau, Pihama, Walford, Cameron and Stevens were members of the College Rugby Fifteen. These boys are worthy of our heartiest congratulations.

The daily meticulous marking of the beds in Simmonds House has fallen on the shoulders of Miss A. M. Greene, our Matron, and due acknowledgement must be made of the work she has done in this regard. In addition, the general welfare of the boys of this House has been one of her major concerns and this demonstra-

tion of devotion to duty, in the diverse activities of a busy Matron, has been much appreciated.

Mr. H. H. Marshall expressed a desire, at the beginning of this year, to be rid of the responsibility of being the Senior House Master. This transfer has been a nominal one only as the contribution still being made to the welfare of the House through the beneficial influences of Mr. H. H. Marshall, whose wealth of experience accumulated over long years of teaching, has proved a very vital force in our general well-being. His work for the House this year can be compared to the reinforcing used in concrete — unseen yet indispensable if the structure is to abide. Thus, this latent driving force has made my task, as Senior House Master, easier and very pleasant. Mr. H. H. Baker, too, has given ready support to the progress of the House as far as he has been able through living in Auckland, and we do thank him for the time given and the interest shown.

The end of a school year always produces a certain finality tinged with sadness. Some of us will finish at Wesley College this year. To these we offer our thanks for what they have done for us. We wish them well whatever may be their plans and to those who must spend weeks of anxiety awaiting the results of examinations we do hope they will be thoroughly satisfactory. To the boys who will not return we do express the wish that we may have the pleasure of meeting them again, if for no other reason than to strengthen the bonds of friendship, built up over the period they have been with us.

Thanks are extended to all those who have assisted us this year, and we should like specially to record our sincere appreciation of the help and kindly advice given to Simmonds House, at all times by our Principal, the Rev. E. M. Marshall.

Finally we wish everyone, connected with Wesley College, a Merry Christmas and a Happy New Year and may we hope that the coming holiday period be a very pleasant one for you all.

J. D. HALLUM.

### THE SOCIAL CLUB

Wesley College is a self-contained community, and apart from the 150 or so boys that inhabit it, there are close on 40 adults comprising single and married domestic, farm, administrative, and teaching staff with their elder children. With excellent facilities available in the form of a hall, stage, and equipment it was felt that the formation of a social club would provide an opportunity for staff members to get to know each other better under pleasurable surroundings and to widen their social contacts outside the College.

The idea was taken up enthusiastically and throughout the middle term and up to Labour Day the Club has met each Wednes-

day night with an average attendance of about 20 members. With the generous assistance of the College which let us have the use of its badminton and table tennis gear and advanced us the money to purchase two sets of indoor bowls, and with the help of members who lent darts and table billiards, we had many nights of enjoyable games to suit all tastes.

On three occasions the Club invited visitors. First the Pukekohe Methodist Mens' Fellowship with their wives and friends visited us en masse and were very enthusiastic about the evening, many particularly enjoying their first taste of bowls and badminton. Later the Pukekohe East Indoor Bowls Club accepted our invitation to visit us and sent over three strong teams who were able to impart to our members much of their enthusiasm for the game. On one other evening too we invited the College Prefects to share in our games, but if they lacked skill at bowling they made up for it in badminton.

Our thanks go to the Principal of the College for allowing us the use of the school's facilities, lights and equipment; and also to the College Board of Governors for a generous donation of £10 towards the cost of our bowls sets.

#### WESLEY COLLEGE OLD BOYS' ASSOCIATION

The Reunion was held at the College on Saturday, June 13.

It was a fine day. Some 85 attended the function, which began with morning tea, then the Church Service conducted by the Principal and addressed by Rev. N. Olds. After lunch as guests of the Board, the Old Boys played the Present Boys in Football, and lost the game. The Reunion meeting followed afternoon-tea. Then came the Dinner, and a Concert presented by present pupils.

Officers elected were:—

Patron: Rev. E. M. Marshall; President: Mr. A. M. Winstone; Vice-President: Mr. E. Beavis; Secretary: Mr. R. Elliott.

Committee: Messrs. H. M. Denton, H. A. Service, R. R. Lees, I. A. Barton, The Revs. N. A. Olds, R. Rogers.

It is interesting to note that three Old Boys are now members of the Board of Governors: Mr. Winstone, Mr. Denton, and Rev. R. Rogers.

At the Reunion, a tally was taken, and it may be of interest for the record to list the information received:
