DECEMBER, 1960

FOREWORD

Once again we have pleasure in placing on record in this little Magazine the doings of the year. This is the first year of a new decade, and one may be forgiven perhaps for thinking back just now over previous ten year periods. It will be the third of them for me next year. I came in 1941 as First Assistant, was appointed in 1942 as Headmaster, and in 1944 as Principal.

Many changes have taken place, but I think the 1960's are likely to see the most far-reaching of them all. In the 1940's we had to re-establish the school after the military occupation; re-fashion the curriculum in accordance with developments in the Education System of the country; and clarify our policy in regard to the primary department, non-Europeans on the roll, relationships between College and farm, administration of the Trust at Paerata. The Roll was steady at 110 boarders.

In the 1950's we were able to bring our facilities and equipment up to a high standard; to increase the Roll until it reached a maximum of 180; and to consolidate our work and policy in all departments.

The 1960's are likely to see our expansion programme fulfilled, so that we shall be able to meet the needs of the community more adequately. I must not prophesy, but I hope that by the end of this decade we shall have a roll of 250 to 300 boarders, an Engineering course available, and a record in the School for scholastic, Sporting, and Vocational achievement that will match that of any school in the Dominion. This year has been a good beginning.

E. M. MARSHALL,

Principal.

OBITUARY

It is with profound regret that we record the passing of one of our senior pupils, *Keith Whitmore*.

Keith went home for the mid-term Exeat in July, and on his return was sent to Hospital on account of a serious heart condition. It was hoped that he would recover sufficiently to take up sedentary work; but on September 5th he passed away in the Auckland Hospital.

He was enrolled at the College in 1956 into Form II, was a student taking the Agricultural Course in Forms IV and V, passed School Certificate (with a very good mark) in 1959, and was doing well in his University Entrance course in Form VI this year.

Keith was well-liked, took part in all school activities, and held office in the Y.F.C. this year.

At the funeral the College was represented by five members of the staff and representatives of the pupils, both Old Boys and present students.

To his sorrowing parents we extend our very sincere sympathy, and say that Keith's passing has met with universal regret.

We also record the passing of a member of the College Board, *Mr. S. J. Clark* of Kitchener Rd., Pukekohe. Mr. Clark was well-known in the District, was actively interested in the Methodist Church of Pukekohe, and was of great assistance to the Board in matters pertaining to the farm and the gardens.

He passed away after a prolonged illness, but to the end his good spirits never flagged. To his sorrowing wife and family we express our sincere sympathy and best wishes.

GENERAL NOTES*STAFF:*

We have to record the following changes on the teaching staff since December 1959: the departure of Mr. H. P. S. Lee, Miss F. Stark, Messrs K. N. Rowe, H. Baker, and C. Laurie; the appointment of Messrs J. Cheeseman, C. Smith, J. L. M. Meikle, B.Sc.

Music has been taken by Miss P. A. Marshall, Mus. Bac. (choir) and Mrs. M. J. Goldsmith, L.T.C.L. (piano).

Mrs. J. Mowbray of Ardmore has taken lessons in voice production and Mr. R. Kerr has given instruction in Maori for part of the year.

There have been changes during the year in the College office. Able assistance has been given by Mr. A. Vivian, Mrs. Vivian, Miss M. Hunt, Miss M. Walker, and Mrs. M. Luxton. Permanent staff appointed by November are: Bursar, Mr. A. Allan; Office Assistant, Mrs. M. Forbes.

Miss Stuart, Assistant Matron, was replaced by Mrs. J. Brighthouse.

The College Gardens have been extended, and are under the control of Mr. B. Smythe, C. Blacklaws, and G. Wright. They are proving a valuable asset to the College.

A new drive has been made, ultimately to carry traffic for farm purposes, and to be available to the public, giving access to the sports field.

This has meant the demolition of the old poultry houses and runs, and the erection of a large *poultry house* near the gardens. Mr. A. C. Tremain, Mr. M. B. Knott, and staff have been responsible for the work.

Three *new class rooms* will be erected in the new year, making available specialist rooms for music and social studies; an adequate library; and changing rooms with showers and stores for sports gear. The wooden building at present used for library, and stores, will be moved to another site and will be used as Recreation Hall and boys' common room.

At the end of 1959 the *Prefects* held their first Dance, to which came prefects of neighbouring schools—a most successful and enjoyable function.

For the first time we have held a *College Dance*, in October of this year, to which were invited senior pupils, staff, and families, and parents. A report of the function is reprinted in this issue, from a local paper, but special mention must be made of the College nine-piece *dance band* which supplied the music. Mr. Cheeseman and Mr. Smith are to be congratulated and thanked for their assistance and encouragement.

Plans are in hand for the forming of a *Brass Band* in 1961. There will be three competent bandsmen on the staff to give trained assistance. It is hoped that boys, old boys and friends will assist in the procuring of suitable instruments.

The College is greatly indebted to *Mr. and Mrs. Dynes* and family for their valuable assistance at all times in the social functions. Their catering has always been of a very high order, and their willingness to help has made it possible for us to hold these functions more frequently than formerly.

Some of the occasions for which they have catered are—suppers for College Dance, Prefects' Dance, Social Club kitchen evening, socials for staff and Board, afternoon teas for Commemoration Service, Speech Day, Athletic Sports Day and sundry sports teams visiting the College; Old Boys Reunion lunch, dinner, morning and afternoon tea; dinners for Board Meetings.

We wish to acknowledge with gratitude the gift of many books to the *library*, both in kind, and through purchases from money given for the purpose. Mrs. G. Winstone and an anonymous donor have been particularly generous in this matter this year.

CHAPEL AND CHURCH AFFAIRS

Once again we record with appreciation the work done by so many . . . boys and adults . . . in looking after Chapel affairs; from the preparing of the Chapel itself to the conducting of services and leading in worship.

Miss P. A. Marshall has continued to give faithful and most acceptable service as principal organist and Society Steward. Other organists have been Miss E. Marshall, Mrs. M. J. Goldsmith, J. Marshall, and G. Bennett.

Evening Prayers have been conducted by the Principal, Messrs. E. A. Crane, J. D. Hallum, A. Vivian, A. C. Tremain, and Robert Te Whare. The Sunday Services have been taken regularly by Rev. L. Divers of Pukekohe, and the Principal. We wish to express appreciation to a number who have taken services as well during the year: Revs. W. Payne, C. Luxton, Messrs. E. A. Crane, E. Fraser, and the Preachers' Band.

Many *Special Services* have been held through the year, bringing in total many hundreds to the College. When the whole school shares in these services, the Assembly Hall has to be used; but with only the choir of 70 in attendance, the Chapel is made available. These Services are listed in the "Diary", but a summary here may not be amiss: Scout Founders Rally for Scouts and Guides of the Franklin area; the Franklin District Rally, for the congregations from Papatoetoe, Manurewa, Papakura, Bombay-Tuakau, Pukekohe, Waiuku; the Easter Service for the Women's Missionary Auxiliary for the Franklin Area, followed by a Garden Party; Boys' Brigade Enrolment Service; Anzac Day Service; Old Boys' Service; District Rally to welcome and hear Rev. Principal Greeves; the Annual Men's Fellowship Service for the Auckland District; Carol Services at the end of the year. We deem it a privilege to give a welcome and hospitality to these many groups, and believe that it is a very good experience for the boys who participate.

Then *the Choir* have travelled extensively to take Choral Services, the preacher in each case being the Principal. Miss P. A. Marshall has conducted the Choir, and the special items sung have been "With a Voice of singing", "Jesu, Joy of man's desiring", Blake's "Jerusalem", "Yes, God is good", "God be in my head"; and the places to which they have gone have been: Papakura, Huntly, Matamata, Central Mission in Auckland, Takapuna, Pitt St., St. Paul's in Hamilton. On one occasion also they were invited to sing over 1YA in the Children's Service.

The Sunday School, under the leadership of Miss E. Marshall, has now been confined to the infants, meeting on Sundays at the Principal's house.

The boys' *Bible Classes* have been held on Sunday mornings, the combined session being given to hymn singing under the leadership of Miss P. Marshall; and the class-groups being led by the Principal (Divinity class), Miss P. Marshall, Mr. E. Crane, Mr. J. D. Hallum, Mr. A. C. Tremain.

A Special Divinity Class has met weekly for study of texts in preparation for the Local Preachers' Examination, and in the Third Term this has been augmented by those who wish to be prepared for Church Membership. The Principal has conducted these classes, which have numbered from 8 to 15. In the new year, it will be necessary to have classes during school time, so that there may be more adequate training given for Local Preachers' work. As well as the studies that have been taken, there has been opportunity for boys to take part in Church Services at the College and in Pukekohe Circuit. They have done very well, and are to be congratulated.

The *Women's Missionary Auxiliary* continues to flourish. Many interesting addresses have been given, and the financial returns have been very satisfactory. The present officers are: President, Mrs. E. M. Marshall; Secretary, Mrs. E. Crane; Treasurer, Mrs. M. B. Knott.

Although we are isolated as a College, and our Church activities are limited by College Calendar and routine, we feel that here there is unlimited opportunity to serve the Church if we wish, and not far away are other Churches who always welcome us. We feel that we "belong", as far as the Pukekohe Circuit is concerned, and are happy to be associated with it in its activities.

THE STAFF SOCIAL CLUB

The Staff Social Club continues to fulfil a very useful function in College life, providing the occasion for much pleasurable relaxation and opportunities for widening our contacts with people outside our community.

Our normal Tuesday evenings are devoted to bowls, badminton, table tennis, and billiards, each game attracting its special devotees. Towards the end of the year it became more difficult to maintain the interest of many of the members, and falling attendance was only countered by allowing half of the prefects to attend from 8.30 p.m. onwards.

This year we widened our contacts with other clubs. About a dozen of our bowlers had enjoyable visits to Papakura Methodist and Karaka Church Bowling Clubs: on two occasions we had the pleasure of playing bowls with the members of the Wesley College Board at the College: the members of the Pukekohe Mens' Fellowship, with their wives, greatly enjoyed their visit: once we invited a team of adults and boys from the Drury Badminton Club and the games played at the College, and at Drury on a return visit, gave our badminton players much enjoyable experience, and greatly helped to improve our standard of play.

E.A.C.

DANCING AT THE COLLEGE

For the past three years visitors to the College on sixteen successive Monday evenings would have seen and heard strange goings-on in the Hall . . . a dancing class! Yes, sixty senior pupils, under the patient guiding hand of Mr. Patten assisted by Miss Clifton-Lewis from Auckland, would be dancing together to the strains of recorded music.

Admittedly, the Three-step was at first more like tackle practice for the First XV, and some of the boys were not too dainty with the Valeta, but these inconsistencies were eventually ironed out. Dancing classes have been such a success that recently we have had the opportunity to prove their worth in last year's Prefects' Dance and this year's School Dance.

The idea of a Prefects' Dance was first discussed at a Prefects' Meeting and we decided to ask the Head about it. He agreed that it would be a courteous gesture to organise a dance to repay all the kind invitations that had often been extended to our Prefects to attend dances at neighbouring schools. He also agreed that besides the Prefects, those boys who had acted as deputy-prefects from the 5th Form, could invite partners.

After much blood, tears, toil, sweat and disagreement, invitations, decorations, a band, photographer, the programme, and the supper were arranged; and with Mr. Crane as Master of Ceremonies, the "Aces" to dance to, with a beautiful hall, supper, and partners, the evening sped by. During the supper a cake made especially for the occasion by Mrs. Cheeseman, was cut by David Tupou, the Head Prefect. As for Cinderella, midnight came all too soon, and all were sorry to leave, and hoped to receive an invitation to next year's dance.

This year saw the first School Dance and so successful a function was this that it was reported in the "Franklin Times" as follows:

ENTERTAINING FUNCTION

"The Senior pupils of Wesley College, Paerata, held their first School Dance last Saturday evening. Parents and friends were welcomed to the beautifully-decorated Assembly Hall by the Principal, the Rev. E. M. Marshall, and Mrs. Marshall.

"A variety of excellent music was provided by the College's own nine-piece band 'El Granados', under the direction of a master, Mr. John Cheeseman. The First Assistant, Mr. Crane, kept the programme moving as M.C.

"During the evening a demonstration was given by the College's dancing instructors, Mr. Patten and Miss Clifton-Lewis; and while supper was being served a junior band entertained with numbers of their own composition.

"As the function is now an annual affair, all are looking forward to next year's dance."

The Inter-School Speech contest was held this year at Pukekohe, and was well supported. Our representatives did not win a place but acquitted themselves very well. The subject was: "New Zealand, a Nation?"

THE FARM

The year has not been without its difficulties, but despite this an increase has been obtained in the quota for Town Supply, while at the same time there has been some increase in the number of sheep carried.

Additions to the farm machinery have included a posthole borer, which should give assistance to the heavy programme of fencing, and a forage harvester which, besides giving better control of the pastures will, we hope, take some of the drudgery out of cutting chou mollier for a town supply herd.

Apart from the decided advantage to farming operations this modern equipment is in keeping with a school farm integrated with an agricultural course.

We extend a welcome to both Mr. Ensor and Mr. Roa who have joined our staff over the last year.

YOUNG FARMERS CLUB NOTES

1960 has been an extremely interesting and successful year for our Y.F.C. Club. Thanks go to Mr. J. L. Browning, the Club's Senior advisory member, who has made this possible.

I have much regret in reporting the passing away of Keith Whitmore, our former club secretary, whose death occurred during the August holidays in Hospital. Keith had been a prominent member over the last two years, contributing much to our Y.F.C. Club.

This year's activities began with our members acting as stewards and taking part in the Stock Judging Competition held at the Pukekohe Agriculture and Pastoral Show, gaining placings in the Stock Judging Competition.

Our "B" Grade Debating Team (H. Ensor, G. Bradey-Robinson, N. Wilkins) unfortunately lost against Waiau Pa, the winners of the Franklin competition.

Various films and lectures have proved very beneficial to us during the year, as well as trips to Westfield Freezing Works, the Milk Treatment station, and a Shorthorn Field Day, held at Takanini. All of these were very interesting.

Before the end of the year we hope to visit the Piggeries at Taupiri, and as usual we shall be having our Y.F.C. display at the end of the year.

We hope the next year's Y.F.C. members will have as successful a year as we have had.

G. BRADEY-ROBINSON,

Club Chairman.

THE BOYS' BRIGADE

The 1st Wesley College Company of The Boys' Brigade has continued to meet weekly on Thursday evenings in the School Hall under the leadership of Messrs A. Vivian and J. D. Hallum.

Numbers have remained at much the same level as last year and interest has been well maintained. The Company took part in the Annual Church Parade of the Auckland Battalion and joined with other Companies for squad drill competition. Although they did not gain a place in this latter event, our boys earned high commendation from the judges for the high standard reached so early in our history. An all-day picnic to Waymouth towards the end of the summer term proved very popular.

SCHOOL HOUSE NOTES

1960 — and what a year, not only at the Olympics, but also at Wesley! We cannot boast of any gold medals, but can justly claim to have the leading sportsmen of the College.

This year, as in years gone by, we have seen the influx of many new boys. We have been happy to welcome them all, and feel that they have all done a lot to keep the tradition of School House at a high standard.

The Squad system has been strengthened this year, and the leaders and their deputies have really made work for the masters a lot easier. Competition has been very close and even now it would be hard to pick the winner.

We must thank Simmonds for the way they have tried for the Winstone Cup, and the sportsmanlike way they have competed with us. At the time of writing we are only four points ahead and hope to maintain our lead.

A special word of thanks to the Assistant Matron for the way she has taken care of the boys' needs, and for the way she has dealt with their mistakes. Thanks also to the masters who have worked with the House, and helped in its smooth running.

A sad note this year was the passing of one of our deputy squad leaders, Keith Whitmore. We of School House join in extending to his parents our heartfelt sympathies.

Before this note is brought to an end I feel that mention should be made of our sportsmen:—

M. Bennett, Captain 1st XV, 1st XI, winner of Senior Athletic Championship and Senior Cross Country.

G. W. Jones, Senior Swimming Champion.

G. N. Smith, Intermediate Swimming Champion.

J. R. Harron, G. B. Carter, Junior Swimming Champions.

G. B. Carter, Junior Athletics and Cross Country.

Thanks, boys, for the splendid effort, and the sportsman-like manner in which you have competed.

As this year draws to its close we do wish one and all a Merry Christmas and a Happy New Year. To those who leave, the best of wishes for a successful future. To those returning, a very happy 1961.

SIMMONDS HOUSE NOTES

Steady progress has been the lot of Simmonds House this year. We ask no blare of trumpets to herald the outstanding efforts nor do we ask any roll of drums as a solace for the ineffective incidents. Our sincere thanks are due to W. D. G. Cocker who has given an unparalleled example in his capacity as House Leader. His general attitude has been one of firmness mingled with understanding which has been appreciated by seniors and juniors alike. He has been most meticulous in his attention to detail and the welfare of the House has been his prime consideration.

Sixty-three boys, in nine squads—under the leadership of S. Stevens, B. H. Passau, D. P. Harris, L. G. Helms, R. K. W. Field, W. G. Vernon, G. A. G. Tonga, G. H. C. de Jongh, and J. A. Cameron—constituted the main Simmonds House at the beginning of the year. In addition, one of our number, J. C. Winstone, was put in charge of a small boys' group, which included three from Simmonds House. With the Head Prefect, I. Vuibau, wearing a maroon jersey and the House Leader, the opening roll was 77. Eleven boys have left during the year while eight boys have come to us, so that we finish the year with a roll of 74.

Miss A. M. Greene, our Matron, has again made herself especially responsible for the welfare of our House and has spent long hours in marking the beds as well as in compiling very full and detailed weekly reports. Her contribution is much appreciated.

Mr. H. H. Marshall, assisted by Mr. J. Cheeseman and W. D. G. Cocker, have carried out daily inspection of the parades, while I have given marks for the tidy or untidy state of the lockers.

The scheme has worked smoothly and efficiently. Although there has been a rather wide disparity between some of the squads, there has been an over-all improvement during the year. The competition between Squads 1, 2 and 3 has been particularly keen.

Determined efforts have been made in the field of sport and particularly in the Winstone Cup Competition which has been a very keen one this year.

In Swimming, Carter 2, Crickett, Venimore 1, Gillman, Brown, Qoloni, Vernon, Buchanan, Newton, Harvey, Willdrige, Pearsall, Wellington, Williams, Cameron, Tonga, Winstone and Stevens were placed in events although we fared badly in both the Championships and the Inter-House Competition.

Athletics were kinder to Simmonds House. Field 1 won the Intermediate Championship with Helms and Kirner third and fifth respectively; Cameron, Cocker, Tonga and Vuibau followed the winner of the Senior Championship in that order; Harvey and Malaquin were third and fourth in the Junior section. All House Competitions in Athletics were won by Simmonds House.

In the South Auckland Secondary School Sports' Association Meeting, held at Papakura, Cocker, Cameron, Stevens, Tonga and Vuibau were included in the College Senior Team; Field 1, Helms and Pearsall went with the Intermediates; while Harvey, de Jongh 2 and Malaquin were with the Junior Team. Cameron and Cocker were placed third in the Senior Shot Put and Hurdles respectively. Field 1 broke the Intermediate High Jump record and was second in the Hurdles. Malaquin was second in the Junior High Jump.

Representation in the L. V. Bryant Memorial Meeting was more restricted. Cocker, Cameron and Tonga were in the Senior Team; Field 1 and Helms in the Intermediate; Harvey and Malaquin were chosen in the Junior. Cocker was placed 3rd in a heat of the 120 yards Senior Hurdles.

A further Athletics event in which Simmonds House played a part concerned the activities of the Franklin Athletics Club. Meetings were held regularly on Monday evenings during the first term. Cocker featured as the winner of the 100 yards Junior Men as well as of the Shot Put. Cameron took honours in Hop, Step and Jump, Broad Jump and Discus Throw. L. Helms, in the 14 to 15 years class, won the Broad Jump while Field 1 gained distinctions in the Broad Jump and 220 yards as well as in the Junior Men's High Jump event. Finally, Pearsall featured in the 13 year old events—220 yards and 440 yards.

The College First XV, this year, included the names of nine Simmonds House players—Harris, Cameron, Passau, Crosbie, Stevens, Vuibau, Hunia, Tonga and Cocker. Passau 1, Passau 2, Cocker, Stevens and Kirner represented the School in the First Cricket XI.

The Annual Cross Country Senior event went to School House with Fraser (7th) and Moor (10th) being the only Simmonds House boys in the first ten places. In the Intermediate Event, which Helms won in record time, we had, in addition, Pearsall (2nd), Dobbs (3rd), Gower 1 (5th), Rossiter (7th), Strickland (8th) and Patterson (9th). In the Junior race, the first ten places included six of our boys—Field 2 (2nd), Liddington (4th), Happy (5th), Walch (6th), Archer (8th) and Berge (10th).

These notes would be incomplete this year if some reference were not made to the impending retirement of Mr. H. H. Marshall. He has done much for Simmonds House and has been responsible, in no small way, for building up a unity of House spirit which is so essential if there is to be progress. He has been firm but friendly towards the boys of the House and his rich store of experience gleaned over many years as a successful teacher has formed a strong bulwark for the maintenance of stability. Every member of this House would say "Thank You" to Mr. Marshall for what he has done and would express the hope that Mrs. Marshall and he will have a very happy retirement.

Once again, I would record my appreciation of all the help that has been given to the House by the Principal, Rev. E. M. Marshall. At all times, he has been ready to assist and advise for the benefit of all. Our worthy opponents in School House are accorded a special word of thanks for the interesting games they have made possible in the tussles for the Winstone Cup.

I extend to all, the Season's Greetings. To those boys who are returning, happy and healthful holidays; to you who are leaving, the end of 1960 must be tinged with a little sadness, but I counsel you to lift your eyes to the hills where the dawn of a new day of opportunity and service is breaking

Listen to the exhortation of the dawn!
Look well to this day! For it is life;
The very life of life.
In its brief course lie all the verities
and realities of your existence;
The bliss of growth,
The glory of action,
The splendour of beauty;
For yesterday is but a dream,
And tomorrow is only a vision;
But today well lived
Makes every yesterday a dream of happiness,
And every tomorrow a vision of hope.
Look well, therefore, to this day!
Such is the exhortation of the dawn.

J. D. HALLUM.

EXTRACTS FROM THE PRINCIPAL'S REPORT,

December 9th, 1959

I have the honour to present my Annual Report for 1959, and to remark that this is the 116th year since the founding of the first Trust from which we have grown; and the 37th since Wesley College was established at Paerata.

During the year, we have been able to carry out most of the proposals made at this time last year, e.g. strengthening the Squad system in the Houses; developing the Prefect system along the lines of better leadership; integrating the Intermediate Department with the Secondary Department of the school; improving the Domestic management of the Hostel; allotting more time for instruction to Form VI students.

There have been some unscheduled and unheralded changes made during the year. One was the adoption of an 8-period day, with 4 on Saturday mornings, so that the total for each week is 44 forty-minute periods. It is understood that some Forms have a day or half a day on the farm or jobs per week. Saturday morning school has clashed with Saturday morning sports with other schools, but our neighbours have been very considerate, and by compromise we have been able to continue inter-secondary school sports without any great difficulty.

The Board has agreed in principle to the building of more class-rooms as soon as finance will permit. This marks the next stage in development, the ultimate goal being a school of 250 to 300 boarders. The first step has already been taken, with the making of an Arts and Crafts Room, which will be ready for use next year. What is contemplated next is the taking of a large room for a Library, the provision of other rooms for music and Social Studies, and the making available of a large recreation room.

I have to report that in Sports the College has done well, thanks to their own keenness, and to the help given them by the masters who do the coaching. I wish to pay tribute to the South Auckland Secondary School Sports Association for providing such an excellent opportunity for us to participate in so much. We are fortunate that we are now in the midst of a group of fine schools, large and small, that take great pleasure in competing against each other in a spirit of excellent sportsmanship. When I first came here, there were just three schools, Pukekohe, St. Stephens, and ourselves . . . and our 3-cornered competitions were keenly contested but were strictly limited in scope.

I wish to express my thanks to all members of the Staff for a loyal year's service both in school and outside. There are many calls on the time and energy of staff, and without their full co-operation and interest, the College would be little more than a dead institution.

We say farewell now to Mr. Claude Laurie who has been associated with the College since 1938, when he came as Instructor in Pianoforte. In 1946, he took over the training of the choir, and later the classes in Music Appreciation. Music in the College has reached a very high standard, thanks to the hard work done by Mr. Laurie. Since 1947, we have been presenting public concerts, at first in the Concert Chamber of the Town Hall, Auckland, more recently in our own Hall and in the surrounding district. We have been taking part in numerous Services both in Auckland and Hamilton . . . and this year in other parts of the North Island . . . in which the Choir sing anthems and lead the Congregational singing. Mr. Laurie has been Conductor and Organiser throughout, carrying out his work in very limited time at the College. The boys have responded well, and the results have been excellent. Had he been able to continue as a full-time teacher here, we would have deemed ourselves fortunate. We express to him now our grateful thanks, sincere appreciation, and best wishes for the future.

This College Board has its own policy, and for years has been building in accordance with that policy. That is why the Preparatory School at Mt. Wellington was closed some ten years ago, so that all the Board's resources could be concentrated on Paerata. That is why in due course, there will be further developments in extending the Hostel and class-room facilities, but in accordance with a plan. Any gifts of money or property will be used likewise. It is a long-term policy, and each year something is being done about it in the way of extensions and improvements. It is remarkable what has been accomplished in the last ten years, thanks to wise planning and generous help.

We believe that this is the general pattern that should be followed by the whole Church. We as a Connexion have a serious responsibility and an important mission in educational matters. Our sister Churches are very well aware of what the Church can and does do. Our own Church in other countries is also rising to the occasion.

I therefore have much pleasure in reporting that this has been a good and successful year for the College. We have endeavoured, and I believe successfully, to carry out our duties with a full sense of our responsibility to parents, the Board, and the Church. We have also looked after the social and community implications of that responsibility. Above all, we have been concerned to care for all on the estate in matters of religion. We believe that this is of prime importance. If what we have said and done is true, we have also helped the Church to come to one mind in regard to this kind of educational work, namely that it should advance, that it should be in the minds of our people, and that every opportunity should be taken to implement plans as soon as possible.

RUGBY, 1960

FIRST XV:

Our First XV this year has continued to maintain the high standard of Rugby that has been a tradition of the school for many years. Of the 15 games played it won 8, lost 6, and drew 1, with a total of 180 points for and 103 against.

The strength of the team was mainly in the backs, and of the 41 tries scored 31 were scored by the backs. M. Bennett, half-back and captain, gave excellent service to his team, with well-directed passes, determined running and skilful kicking. J. Pihama was always a nippy first five-eighth and reliable goal-kicker, scoring 58 points. D. Cocker, at centre, was the "star" of the team and was always most difficult to stop when going at speed. He was top scorer with 17 tries, and 11 points with his boot, scoring 62 points. Te Kuru showed good penetration on attack.

The forwards improved as a combination throughout the season, and were often superior to their opponents in the lineouts. Tonga, vice-captain, was always a good leader of his forwards, and scored four tries. Smith made many fine attacking movements from the side of the scrum. B. Passau and Harris worked vigorously in the scrums and lineouts and rendered good service.

In the Franklin inter-Secondary Schools Competition, College lost the same number of points as the winners, Pukekohe High School, but played two fewer games. We defeated Papakura High School three times, 17-5, 19-3, 9-3, defeated Pukekohe High School once 12-6, drew once 3-3, and lost once 3-6, and were beaten by St. Stephens 2nd XV, 3-8.

College played three games against other schools. In the first we travelled to Thames and defeated Thames High School 18-8. In the second Church College, Hamilton, visited us at Wesley and defeated us 9-0. The greatest game of the year, however, was when College played St. Stephens 1st XV at St. Stephens. College, although losing 6-9, was ruthless on defence and vigorous on attack, and St. Stephens admitted that it was the hardest and most exciting game they had played on their ground for years.

In addition College played its usual annual fixtures. We congratulate Old Boys on defeating College this year by 11-6. In our first match against Port Albert at Wesley, College lost 8-15, but we were able to turn the tables, and retain the Port Albert Shield, when College won a very exciting game at Port Albert by 19-16. This game proves that, as in the game against St. Stephens 1sts, College plays most inspiring football from a losing position. The team was down 16-14 until a few minutes before the end of the game when W. Cocker scored and J. Pihama converted. This year College won its annual match against Trinity College by 11-0. The biggest victory of the year was against Ardmore Training College Junior B team when College won 49-3.

The First XV is very indebted to the keen interest taken in the team by Mr. C. Blacklaws, a member of the garden staff, and ex-N.Z. League Rep. who bore the major burden of coaching. Much of the success of the team this year is due to the inspiration aroused by his enthusiasm, care, and encouragement.

The Team: **Backs**—M. Bennett (captain), J. Manihera, T. Hunia, I. Vuibai, V. Te Kuru, W. Paki, D. Cocker, J. Pihama, S. Fatafehi. **Forwards**—A. Tonga (vice-captain), E. Passau, D. Harris, G. Jones, J. Cameron, R. Moon, R. McClay, G. Smith, S. Stevens, D. Crosbie.

E.A.C.

SECOND XV:

This year, owing to the large number of boys in the 9 stone weight group it was decided to enter two teams in the Third Grade of the Franklin Inter-Secondary Schools Competition. In this competition the Third A's, which was really the College's 2nd XV, performed very creditably and came third equal.

Of the ten games played in this competition the Seconds won six, defeating Maramarua 1st XV three times 34-9, 11-3, and 10-0, our own 3B's twice 28-5, and 9-0; Papakura High School 2nd XV once 9-3. We drew two games against Pukekohe High School B, 3-3, and against St. Stephens 8-8. We lost only two games and those very narrowly by 3-0 against Papakura 2nd XV, and against the winners of the competition, Pukekohe High School 2nd XV. The measure of our success is seen in the fact that we scored a total of 122 points against our opponents' 40.

We had one game with a school outside the Franklin Area. A team comprising a mixture of 1st and 2nd XV came from Huntly College, but we were able to defeat them 9-3.

Much of the success of the team is due to the fine team spirit displayed throughout the year, and the keenness to keep fit. Credit must be given to K. Koreheke, captain, and to J. Winstone, vice-captain, on their display of leadership. Special thanks to I. Vuibau for helping in the coaching of the team.

The Team: **Backs**—K. Koroheke (captain), G. de Jongh, L. Helms, K. Field, P. Dixon, C. Armstrong, G. Carter. **Forwards**—J. Winstone (vice-captain), R. Brown, K. Whitmore, G. Denize, J. Palamountain, P. Rennie, B. Lang, P. Withers.

THIRD XV:

Dear Reader,

Please stop thumbing through the pages of this book and read the saddest football story of the year. As you may have gathered it's about the one and only 3rd XV B. Yes, it's true that we lost every game we played—however, our greatest asset was not our football prowess but our team spirit which never faltered, all boys showing particular willingness (and often optimism) despite overwhelming odds.

Our star players were Smith III and Litherland who frequently made outstanding breaks. Our coach was Mr. Cheeseman whom we thank for training us and keeping us at the game. Our thanks also to Royal who was an able captain both on and off the field.

Although we did lose every game there were some in which we showed our true form and thus it was that we almost defeated the runners-up in the competition.

Regards for now,

Wee Lostall.

Team: Royal (captain), Litherland, Cowan, Smith III, Kahui, Gillman, McKay I, Taiepa, Alley, Malaquin, Bryant, Fyers, Harvey, Strickland, Parker I, Sobey, Archer, Payne, Simmons I, Henderson.

T.R.

FOURTH XV:

The 4th XV was made up of boys within the 7-stone weight limit. They entered in the fifth grade of the Franklin Inter-secondary Schools Competition and came 5th of the nine teams entering. The team won seven of the twelve games played, having three victories over Maramua 2nd XV, and defeating St. Stephens, Waiuku, Huntly, and Papakura B.

All the members of the 4ths had an enjoyable season and acquitted themselves well. They gained most of their points by means of a hard-working forward pack and T. Dobbs' reliable boot with which he scored 17 points. Particular commendation goes to W. Gower, whose keen following up of the ball earned him ten tries and made him our chief point-getter. I. Qoloni was full of energy and scored three tries, and A. Coster showed promise as a cool and competent fullback.

The Team: W. Gower (captain), T. Dobbs (vice-captain), W. Blair, R. Buchanan, D. Clark, K. Clayton, A. Coster, C. de Jongh, C. Duncan, H. Gower, I. Qoloni, D. Roa, J. Sneddon, M. Stokes, L. Stokes, D. Symons, B. Vosper, H. Wells.

P.L.

FIFTH XV:

The 5th XV had a most enjoyable season finishing third in the Franklin Inter-Secondary Schools Competition. Many of the games were well contested, and all were played in a fine spirit. Pearsall was top point-getter, scoring some splendid tries, but several others showed real promise and should be seen to advantage in senior teams of the future.

Five games were won—against Pukekohe, Papakura B (twice), St. Stephens and Papatoetoe; two were drawn—against Papakura A and Pukekohe; and four were lost. The team scored 116 points and had 51 points scored against them.

Team: Madsen II (captain), Fraser, Happy, Venimore, Liddington, Pittams, Field II, Rasmussen, Clark II, Pearsall, Wong, Rogers, Berge, Hodgson, Williams, Williamson, Neale, Stowers.

CRICKET, 1959-60

FIRST XI:

A friendly game against the Pitt Street Samoans marked the opening of the 1959-60 season which has been one of mixed fortunes for the 1st XI, 5 matches being won and five lost.

Perhaps some of the events which will remain in the players' memories for some time were the trip to Henderson, the dismissal of Waiuku High School for 15, and the defeat of Pukekohe in the last match of the season.

At the end of 1959 the 1sts were considerably weakened by the departure of several star players. We farewelled D. Tupou, who had been captain for several years and was one of the finest all-rounders that has played for the College. Also to go were R. Thompson, M. Ward, B. Rosemergy, J. Pokere, and J. Elia, and their loss was felt in the new year.

The new players all showed promise, but batting was weaker than it has been for a number of seasons, and this let the side down on several occasions. M. Passau was the most successful performer of the newcomers in 1960, and he scored his runs quickly.

M. Ward was the outstanding player of the season, his pace when bowling worried most batsmen, and he was also a very sound batsman.

Other players to show up during the season were Rosemergy as a leg spinner, Moon as a reliable opening batsman, R. Thompson batting at number 3 or 4.

Of the new players in the team those who gave encouraging signs for the future were V. Te Kuru, as batsman, and G. Tonga, as an all-rounder.

The 1st XI would like to thank Mr. Lee, who has now left the College, for his service as coach during the season, and welcome Mr. Smith, the new coach.

The Team: D. Tupou (captain before Christmas), M. Bennett (captain after Christmas), R. Thompson, M. Ward, B. Rosemergy, J. Pokere, T. Elia, R. Moon, J. Pihama, V. Te Kuru, J. Kirner, M. Passau, B. Passau, S. Stevens, A. Tonga, G. Brady-Robinson, G. Smith.

SECOND XI:

The 1959-60 season has been an excellent one for our 2nd XI, and they are to be heartily congratulated on their keenness and skill which enabled them to win eight of the nine games played, three outright wins, and five first innings wins.

The outright wins were against Pukekohe 2nd XI twice, and St. Stephens 2nd XI once; the innings wins against Papakura 2nd XI three times, against Papatoetoe 1st XI once, and against Waiuku 1st XI once. It was unfortunate that our good record was spoilt by an end of season loss to Waiuku on their grounds.

The team has been fortunate in having two very capable captains. During the 3rd term, 1959, it was led by R. Cheeseman, and in the 1st term, 1960, by T. Madsen. Throughout this time the following were the best scores: Grahame 48, 21, and 17; Manihera 48; Tonga 33; Stokes 20; Cheeseman 20. Some fine bowling averages were returned, the most notable being: P. Johnson 7 for 7, Stokes 4 for 8, Palamountain 3 for 1, Madsen 5 for 6, Harron 3 for 7, Pihama 6 for 8, Grahame 4 for 6, Kirner 4 for 6, Fatafehi 3 for 6.

Other boys who played for the 2nds, apart from those already mentioned, were: G. Smith, G. Brady-Robinson, Wycherley, G. Bennett, B. Malaquin, G. Jones, D. Harvey, L. Helms, R. McClay, B. Sobey, B. Cowan.

First XI, 1960.

THIRD XI:

Team: Kahui (captain), Clayton, Qoloni, Blair, Symons II, Rennie, Williams, Paki, Watts, Young, Payne, Dobbs, Rennie, Lipanovic, Rasmussen, Taiepa, Strickland and Vosper.

The boys have played very enthusiastically throughout and although we have not had a particularly successful season from the point of view of winning matches, the players have profited by their experience. The match against Papatoetoe High School was drawn, we were defeated twice by Papakura High School; we had to accept defeat also from the hands of the Pukekohe High School, but we were able to score a win against our Fourth XI.

Perhaps we may have more success this season

D.H.

FOURTH XI:

Clayton (captain), Buchanan, Blair, Clark 1, Clark 2, Guiniven, Rogers, Symons 2, Field 2, Knowles, Smith 3, Rossiter, Gower 2.

Although a little immature for the competition played in, the same as the Third XI, this team showed much enthusiasm and played some good games.

ATHLETICS

The 35th Annual Athletic Sports were held on Saturday, 12th March, in mild but damp weather conditions. Rain fell intermittently and this affected the handling of the programme to some extent. In spite of the weather, however, there was a good attendance of parents and visitors. The programme followed, was similar to the one which has been used over the past few years and thus ten events had been finalised prior to the meeting held on the Saturday.

Thanks to the excellent work done by Mr. Knott and his assistants the grounds were in good order and laid out in accordance with the plan so that the activities were spread out over all of the field area.

The highlight of this year's sports was undoubtedly the breaking of four and the equalling of two of the existing School Records. All records broken were in the Intermediate Division:—

Moon took the former record from 76ft 7in to 84ft 3in in the Intermediate Discus Throw.

Field I cleared 5ft in the High Jump to pass the previous record by half an inch.

Smith II ran both the 100 yards and 220 yards in record time. In the former, 0.2 seconds and in the 220 yards, 0.6 seconds were clipped off the previous records. He was also able to equal the record in the 440 yards by covering the distance in 57 seconds.

Bennett I ran the 100 yards in 10.5 seconds to equal the record for this Senior event.

The results for the sports were:—

CROSS COUNTRY, 1960

The Annual School Championships were held on Wednesday, 5th October, in conditions which were rather unpleasant due to heavy rain. The course was the usual one, over sports field, drive-way, farm land, bog, gorse, clay road, drive-way and sports field to finish. Mr. C. Smith, assisted by Mr. J. Cheeseman, had done a great deal of work to make this fixture a most successful one. All contestants had been over the course several times before the events. The ready co-operation of Mr. J. L. Browning, our Farm Manager, in keeping the course free from stock is appreciated. In spite of the trying conditions, both the Senior and Intermediate Records were broken and the time for Junior event was just 2 seconds outside the School Record. Congratulations to Bennett I for taking 11.4 seconds off the Senior Record and to Helms for covering the distance in the Intermediate Event in 16 minutes 54 seconds, just 22 seconds less than the previous record.

The results were:—

Senior—Bennett I (1); Setters (2); Pihama (3); Wilkins (4); Denize (5); Bradey-Robinson (6); Fraser (7); Te Kuru (8); Madsen I (9); Moor (10). Time—17 minutes 14.6 seconds (Record). (27 qualified).

INTER-SECONDARY CHAMPIONSHIPS

These were held at Pukekohe High School on Saturday, 8th October. We had a full representation in the three grades and the results were very satisfactory from our point of view. Our Junior team ran fourth in a field of eight, as also did our Senior team. The Intermediates were able to finish third in the same sized field.

A fully representative team under the direction of Mr. J. Cheeseman contested most of the events in which there was some exceptionally keen competition. TENNIS, 1960

SCHOOL CHAMPIONSHIPS, 1959:

Keen interest was taken in the school championships at the end of last year, and it took about two months to complete the many games. The finals resulted as follows:

Junior: W. Paki defeated C. de Jongh, 7-5, 7-5.

Intermediate: M. Bennett defeated G. de Jongh, 6-2, 6-2.

Senior: D. Tupou defeated D. Cocker, 6-2, 6-3.

FRANKLIN INTER-SECONDARY SCHOOLS' TOURNAMENT:

Almost as soon as the College opened at the beginning of this year a tournament was held to select representatives for the inter-secondary schools' tournament. As a result the following teams were selected:

Senior A—D. Cocker, V. Te Kuru, M. Bennett, A. Tonga.

Senior B—J. Cameron, G. de Jongh, J. Pihama, J. Manihera.

Intermediate A—W. Paki, R. Moon, G. Smith, C. Armstrong.

Intermediate B—W. Pearsall, M. Passau, B. Cowan, R. McClay.

Junior—T. Royal, R. Guiniven, J. Harron, P. Johnson.

The teams played well and gained good experience. Congratulations especially go to C. Armstrong and G. Smith for winning the Intermediate Doubles against Papakura High School, 1-6, 6-2, 7-5; and to T. Royal and J. Harron for being runners-up in the Junior Doubles, narrowly losing the final against Pukekohe High School, 5-6, 6-5, 6-8.

Inter-house Tennis:

Junior and Intermediate Inter-house matches were played at the end of the first term, both being won by School House.

E.A.C.

TABLE TENNIS

Table tennis still continues to occupy much of the leisure time of the boys, and the three tables in the hall are in constant use. Inspired by an excellent instructional film, the standard of play is always improving.

SCHOOL CHAMPIONSHIPS:

Forty-six boys hopefully entered for the championships, and some exciting games were played. The finals resulted as follows:

Senior: **Singles:** B. Passau defeated J. Pihama, 31-20, 31-23.
Doubles: M. Bennett and G. Bennett defeated J. Pihama and V. Te Kuru, 31-23, 31-29.

Intermediate: **Singles:** R. Moon defeated W. Paki, 31-19, 31-27.
Doubles: R. Moon and W. Paki defeated T. Hunia and G. Smith, 31-10, 31-20.

Junior: **Singles:** J. Harron defeated C. de Jongh, 21-15, 21-11.
Doubles: J. Harron and C. de Jongh defeated R. Knowles and J. Taiepa, 21-18, 21-14.

FRANKLIN INTER-SECONDARY SCHOOLS' TOURNAMENT:

We decided to enter four teams into the inter-secondary schools' tournament held in Pukekohe on October 1st. The teams chosen were:

- A—B. Passau, R. Moon, M. Bennett, W. Paki.
- B—J. Pihama, G. de Jongh, J. Winstone, V. Te Kuru.
- C—G. Bennett, L. Fraser, K. Kahui, V. Fatafehi.
- D—J. Harron, C de Jongh, G. Smith, T. Madsen.

Each team acquitted itself well and won many matches. The A team won its way into the semi-finals, but was unlucky to lose to Waiuku.

BADMINTON

Badminton has continued to attract its usual group of enthusiasts and the standard of play has been high. It is unfortunate that many cannot get in the necessary practice if they are to advance from the fundamentals, but with the hall so much in demand for functions of all kinds the opportunities for increasing playing time are very limited.

Our leading players in each grade have had some very good competition this year with the members of the Drury Badminton Club who visited us once and whom we visited in return. The Seniors were G. de Jongh and M. Bennett, the Intermediates were R. Moon and G. Smith, and the Juniors were C. de Jongh and J. Harron.

The only grade of the Badminton Championships that is completed at the time of "going to press" is the Junior which has been won by C. de Jongh who narrowly defeated J. Harron, 21-19.
