VOLUME XLI

NOVEMBER, 1968

## FOREWORD

The appointment of Mr C. A. Neate M. A., Dip. Tchg. to the Principalship of Pukekohe High School was received by those at the College with feelings both of congratulation and joy on his appointment and with regret that the College was to lose such a dynamic leader.

Mr and Mrs Neate and their family have contributed immeasurably to the welfare of the College. Tangible evidence of the Neate' labours is the upsurge of interest in the College and its continued building programmes; perhaps the major intangible is the change in attitude of the boys in both work and play.

The loss of Mr M. B. Knott brings to a close a lifetime of devoted service to the College. The contribution made by both Mr and Mrs Knott in their ever welcome, ever ready smiles and quips, and in their genuine concern for the welfare of each individual boy, will live in the memories of large numbers of our Old Boys.

The demand for places at the College remains stable; and with the conversion of the Harding Hall music room, and the use of bunks, the College roll now stands at 237 boys.

Our examination results here continued to improve with a record number of passes by both accrediting and external examination in University Entrance. With Bursary passes, and our highest ever percentage of School Certificate passes, the academic rating of the school continues at a high level.

Of equal importance is our widening of horizons. The introduction of civics to all forms; the continued emphasis of scripture as our basic subject for class position; the expansion of activities periods for the promotion of skills in electronics, photography, mechanics, chess, astronomy, gymnastics and radio communications; and the re-introduction of Maori as a language study.

To members of the non-teaching staff, who closed their ranks so nobly during our periods of difficulty, I express my wife's and my own thanks over a year of initiation and mistakes; to the Wesley Training College Board I express my appreciation for help freely given, and for the shared optimism as to the future development of the College.

To the Prefects and the boys, my thanks for a co-operative school and a year of continued hard work and hard play. To the members of the teaching staff, our humble and sincere thanks.

So now we move on - more and better accommodation to provide for boys; better areas for the development of hobbies and interests; more and better accommodation for staff; a larger orchard; larger gardens; and wider playing areas.

The future of the College, and its worthwhileness as a school rest in large measure with those who enter, pass through and move on as living witnesses to the College's ideals - to the ideals of Christian truth, faith and service and of learning and wisdom. Let us all therefore seek that inner satisfaction to be experienced only by those who at all times genuinely work their hardest for the attainment of everything that is pure, true and best and of the highest quality.

E. TeR. TAUROA,  
Principal.

## STAFF NOTES

Early in the Christmas vacation Mr J. Horsman M.A., commenced service at the College as Vice-Principal, and to him and his family the College extends both a very warm welcome and best wishes for a happy association with the College.

On the teaching side we lost Mr P. McConnell M.A. for the third term. Mr McConnell arrived at Wesley straight from University and training College, and we have been extremely fortunate to have had the services of such a highly qualified language teacher, in charge of languages. In the important phase of lesson preparation, Mr McConnell has been outstanding. Members of the Intermediate dormitory have especially good reason to recall his efficiency and control - together with the occasional outbursts of opera - sometimes in German, sometimes in French, with the occasional flavouring in ye jolly English. Mr McConnell has well earned his scholarship to France, and the College wishes him well in his movements in Paris and around Europe. It might surprise our non-linguists that Mr McConnell expressed in very strong terms his opinion of the "low" standard of last year's external examinations, for it took him only a half hour to complete the S.C. mathematics paper, and just over an hour to finish the U.E. paper. He did this to see whether or not he had forgotten his mathematics.

Mr G. Bagley B.A., LL.B., Dip.Ed. took over Mr McConnell's work, and we hope that both Mr and Mrs Bagley will enjoy their time at Wesley.

Internal changes within the teaching staff ranks have increased, even further, staff responsibilities. Mr G. Watson becomes Senior Warden in charge of all boarding establishment organisation; Mr J.L. Browning continues as the Head of the Agriculture Department with an equally important and constantly expanding Vocational Guidance responsibility; Mr Cheese - man is in charge of Sport; Mr J. Hall has the vital time-consuming task of maintaining Laboratory organisation; Mr E. Meikle includes in his task as the official teacher in charge of Text books; Mr H.A.H. Insull is Head of the English Department, life-saving and Editor of this magazine; Mr Q.

Johnston of Music; Mr L. Ducker of Hobbies and Woodwork and newspaper reporting; and Mr A.K. Brady has been editor of our College "Seven Sides"; Mr P. Burt has assumed responsibility for College gymnastics as well as for College liaison; and the Rev. I. McKenzie continues his duties as College Chaplain.

On the non-teaching side the successor of Mr Knott is Mr R. Sealby from Christchurch. In this Department, the cold, wet weather took toll of Mr Haddock, who had to take a compulsory break at Middlemore.

In general, the staff has been stable; the farm staff remains the same, as does the laundry, while the production staff now includes Mr Brian Kelly. New recruits to the domestic staff are Mr and Mrs Tweedie, Mr and Mrs Gaudin, and Mr R. McGregor. Mr and Mrs Williams have taken over from Mr and Mrs Rowe, and Mrs Cowie is our second matron in place of Mrs Thompson.

E. Te R. TAUROA,  
Principal.

## PRIZE GIVING CEREMONY, 1967

For the annual Prize-Giving Ceremony on Monday afternoon, 4th December, the hall was crowded beyond the overflowing point with parents, friends and Old Boys. The special guests were; the Rev. J.D. Grocott, B.A., President of the New Zealand Methodist Conference who was accompanied by Mrs Grocott; and Mr J. Osborn, M.A., who represented the Education Department and who was accompanied by Mrs Osborn; and members of the College Board and their wives. Also present were the retiring Principal of Pukekohe High School, Mr A.R. Dreaver with Mrs Dreaver.

After welcoming the visitors, the Chairman of the Wesley College Board, Mr J.S. Caughey, complimented the school on the results achieved during the preceeding twelve months. The Principal, Mr C.A. Neate, then presented a comprehensive report, after which the Rev. J.D. Grocott followed with an eloquent and thought-provoking address on the stabilising influence college tradition could have on the teenage generation. "You have a great tradition here, and what great possibilities there are, not only for Europeans, but for Maoris, Polynesians and Melanesians," he said. In concluding, he turned to Mr Neate: "On behalf of the Methodist Church of New Zealand, I thank you for what you have done here during the past three years". He then congratulated Mr E.T. Tauroa on his appointment as the new principal of the College.

Mrs Grocott then presented the prizes, after which farewell gifts were made to Mr and Mrs Neate by Mr J.S. Caughey on behalf of the Board of Governors, by Mr H. Keyte on behalf of the Old Boys' Association, and by the Head Boy, Allan Becroft, on behalf of the pupils.

The school band and orchestra played introductory music as the guests assembled and an innovation was the singing of "Gaudeamus Igitur" by the school as the official party entered the hall. Several choral items were rendered and the ceremony concluded with an anthem, the dismissal hymn and the Benediction.

During afternoon tea in the dining room, members of the Polynesian Club enlivened the proceedings with a bracket of items.

## PRIZE LIST, 1967

### ACADEMIC

FORM I: H.M. Platt, 1st in Form.  
FORM II: R.A. MacKenzie, 1st; R. Wakelin, 2nd.  
FORM IIIGA: N.R. Jones, 1st; Q.M. Broderick, 2nd; M.J. Dickey, 3rd.  
FORM III Prof: R.J. Maurice, 1st; J.D. Coker, 2nd; K.E. Glass, 3rd.  
FORM IV Agric: T.M. Glassey, 1st; B.R. Dean, 2nd; T.T. Searancke, 3rd.  
FORM IV Gen: R.D. Becroft, 1st; P.A. Foote, 2nd; R.P. Bray, 3rd.  
FORM IV Prof: M. deB. Neate, 1st; C.J. Poor, 2nd; M.L. Gardiner, 3rd.  
FORM VGA: M.J. McFarlane, 1st; J.B. Keith, 2nd; W. Timoko, 3rd.  
FORM VPG: J.P. Jamieson, 1st; M.B. Falconer, 2nd; L. Ofisa, 3rd;  
W.A. Vernor, 4th.  
FORM VIB: S.A. Poor, 1st; A.A. MacDiarmid, 2nd; W. deB. Neate, 3rd;  
Progress: W.J. Randell.  
FORM VIA: I.F. Faulkner (arts); N.R. McLean (sciences);  
P.J. Workman, (diligence).

### THRIFT ESSAY BOOK AWARDS

FORM I: H.M. Platt	FORM IV Prof: M.R. Walters
FORM II: T.J. Scrivin	FORM VGA: R.D. Young
FORM III Prof: J.D. Coker	FORM VPG: W.J. Neumann

FORM IV Agr: B.R. Dean	

### PUBLIC SPEAKING COMPETITIONS

JUNIOR: C.E. Jones  
INTERMEDIATE: I.C. Hudson  
SENIOR: A.A. MacDiarmid

### MERIT CERTIFICATES

FORM I: J.W. Isdale (progress); T.F. Wells (progress).  
FORM II: T.A. Geck (diligence); D.S. Morris, B.R. Corydon, and D.S. Wilson (improvement).  
FORM IIIGA: D.L. Patterson, G.W. Sears, G.M. Symons (diligence).  
FORM III Prof: J.K. Kenyon (progress); T.A. Simpson (diligence); C.E. Jones (service to College music).  
FORM IV Agric: J.F. Green (progress)

## MERIT CERTIFICATES (CONT'D)

FORM IV Gen: G. F. Fowlds (diligence).

FORM IV Prof: I. A. McLeod (diligence).

FORM VGA: P. Rangihaeata and F. Samuelu (diligence); M. Scarlett (progress).

FORM VPG: R. S. Wright (diligence).

FORM VIB: T. Lolo (service to the College band); M. K. Lo and T. L. Gretton (diligence); K. Claney, S. T. Fotu, W. J. Randell, B. E. Renton, T. E. Robinson (service as Prefects).

FORM VIA: A. J. Becroft (diligence); P. J. Workman and T. T. Gillies (service as Prefects).

## SPECIAL PRIZES

Merit awards in sports:

ATHLETICS: W. J. Randell.

SWIMMING: M. deB. Neate, W. deB. Neate.

LIFE SAVING: W. deB. Neate (R. L. S. S. Distinction Award; also received the Robert Young trophy for the College).

RUGBY: L. R. Aislabie, A. J. Becroft, T. T. Gillies, D. W. Kiriona, B. E. Renton, T. E. Robinson.

HOCKEY: I. F. Faulkner (also received the Franklin Hockey Assn. Secondary Schools Shield for the College).

## SPORTS AWARDS

MINOR CHAMPIONS: Swimming, M. deB. Neate; Athletics, J. W. Payne; Cross Country, J. K. Kenyon; Tennis, A. A. Tuoro.

JUNIOR CHAMPIONS: Swimming, D. R. Duncanson; Athletics, D. G. McMillan; Cross Country, D. G. McMillan; Tennis, D. G. McMillan; Table Tennis, A. A. Tuoro.

INTERMEDIATE CHAMPIONS: Swimming, W. deB. Neate; Athletics, I. D. Sloan and C. Herekotukutuku; Cross Country, L. D. Hawthorn; Tennis, P. W. Timoko; Table Tennis, P. W. Timoko.

SENIOR CHAMPIONS: Swimming, P. M. T. Rangiaeata; Athletics, W. J. Randell; Cross Country, B. E. Renton; Tennis, S. T. M. Fotu; Table Tennis, S. Aho.

SPECIAL AWARD FOR BEST ALL ROUND CRICKETER: G. A. McSkimming.

INTERHOUSE COMPETITION: (Winstone Cup) School House (T. E. Robinson, Captain).

## FARMING PRIZES

AARON BEST AWARD FOR FARMING: W. D. Atwell.

SENIOR MAORI AWARD FOR FARMING: A. K. Martin.

## SERVICE AWARDS

OLD BOYS' ASSN. PRIZES: B. E. Renton and A. A. MacDiarmid.

ROTARY CLUB PRIZE FOR SERVICE: S. T. M. Fotu.

HEAD BOY'S PRIZE: A. J. Becroft.

GOETHE SOCIETY DIPLOMA: R.J. Neal.

LIBRARY AWARD: I.F. Faulkner.

DUX, 1967: A.M. Poor (Proxime Accessit: S. Watson)

## EXAMINATION SUCCESSES, 1967

HIGHER SCHOOL CERTIFICATE: A.J. Becroft, I.F. Faulkner, T.T. Gillies, N.R. McLean, A.M. Poor, S. Watson, P.J. Workman.

UNIVERSITY BURSARIES: A.M. Poor (A), S. Watson (B).

UNIVERSITY ENTRANCE: L.R. Aislabie, J. Amratlal, D.J. Bain, D.C. Brock, A.J. Becroft, K. Claney, J.F. Commins, P.R. Edwards, S.T.M. Fotu, T.L. Gretton, M.K. Lo, A.A. MacDiarmid, G.A. McSkimming, R.J. Neal, W. deB. Neate, D.W. Nelson, S.A. Poor, W.J. Randell, B.E. Renton, T.E. Robinson.

ENDORSED SCHOOL CERTIFICATE: L.R. Aislabie, D.J. Bain, D.C. Brock, J.K. Chipman, J.F. Commins, P.R. Edwards, S.T.M. Fotu, W.R. Jones, T.A. Lolo, A.A. MacDiarmid, G.A. McSkimming, N.R. Murray, R.J. Neal, W. deB. Neate, D.W. Nelson, S.A. Poor, W.J. Randell, B. Real, T.E. Robinson.

SCHOOL CERTIFICATE: T.L. Arthur, D.B. Bai, B.C. Comins, J.A. Cooksley, H.F. Corrigan, H.D. Coughlin, L.A. Donald, M.B. Falconer, S.C. Goddard, R. Hanipale, R.H. Harris, J.P. Jamieson, O. Leutulave, I.R. Lockyer, M.J. McFarlane, D.G. McGill, D.J. McLean, D.W. Morris, W.J. Neumann, M.I. Newton, M. Pomana, P.A. Shearer, I.D. Sloan, M.T. Stevens, W. Timoko, W.A. Vernor, A.K. Wellington, G.R. White, G. Whitelaw, R.S.A. Wright, R.D. Young.

## OUR NEW PRINCIPAL

Late in November 1967, from a list of 38 applicants, the Board of Governors appointed Mr E. TeR. Tauroa to the post of Principal of Wesley College. He was already well known to all members of the College, for during the three previous years Mr Tauroa had been our Vice-Principal.

Mr Tauroa gained the Bachelor of Agricultural Science degree at Massey University of Palmerston North in 1951, and he has taught at Okato D.H.S., Kaeo D.H.S., Hawera Technical High School and Okaihau D.H.S.

He has been active in many sports - including rugby, cricket, basketball, boxing, wrestling and swimming. As a rugby player he has represented Manawatu, Auckland, Taranaki, N.Z. Universities, and Western Maori and New Zealand Maoris. Mr Tauroa is a brother of the Rev. Lane Tauroa B.A. of New Plymouth and is himself a local preacher in the Methodist

Church. In addition besides being an Old Boy, he is the son of an Old Boy of Wesley College. Mr Tauroa thus brings most appropriate qualifications and experience to his new position.

Since he has been at Wesley College we have all come to respect and value him for his character and outlook, and for his thorough-going devotion to the many calls made upon his time and energy. During the past year especially, we have come to realize that the College is fortunate indeed to have such a dedicated man to carry on its leadership in these days of challenge and opportunity.

We wish Mr and Mrs Tauroa and their little family success and all happiness in the years that lie ahead.

\* \* \* \* \*

## OBITUARY MR M. B. KNOTT

At the beginning of the first term holidays, on 4th May, all members of the College were deeply shocked and grieved to learn of the sudden passing of Mr Melville Bernard Knott, affectionately known by all as "Snow" Knott.

At the funeral service on 7th May the Chapel was overflowing with Old Boys, Board and staff members and their wives, present boys and many friends, most of whom had travelled long distances in order to be present. The many floral tributes made a beautiful display.

The service was conducted by the Chaplain, the Rev. I. H. McKenzie, and in the course of a moving address, the Rev. E. M. Marshall (Principal from 1944 to 1964) said:

"We come to pay tribute to one whose name is remembered not only far and wide throughout New Zealand, but in Tonga, Fiji, Samoa, amongst those who have come to the College from South-East Asia and Hong Kong. His passing was sudden, and we are sorry that he was not able to enjoy the retirement that he so richly deserved. He died while still service the College which he loved so well, in whose welfare he was involved for so long.

He came here in June, 1927 as a general hand .. to milk cows, feed poultry, look after the vehicles, mix and lay concrete, and do the thousand and one things that have to be done. The College survived the very difficult years of the Depression, and came through the difficult years of

the Second World War. Mr Knott was a great help in these troubled days.

In 1931 he married Miss Mavis Wilson whose home was at Patumahoe and what a wonderful team they made! Their first house was burnt to the ground, and for years they lived in a tiny new cottage just past the cow-sheds. There they brought up their two sons and daughter. By now he was taking more responsibility and after the return of the College by the military authorities in 1944, he took over Grounds, Orchard, Poultry, Transport. For the past ten years or more, he has been known as Grounds Overseer.

My first Memory of him was his collecting our furniture from Paerata Station in January, 1941 ... a genial, pleasant, helpful man ... and such he remained throughout the years.

He was kindly and friendly, a good mixer, always interested in people. He loved children, as my own family can testify, and as every Old Boy can testify. He was a good friend to unhappy boys, and also to unco-operative ones too. He had a sense of the fitness of things, especially where boys were concerned. He was on their side, but he was also on the side of decency, and order, and discipline. He was a good friend to staffs. He set a good example of doing a job well, and of readiness to help wherever and whenever needed.

He was loyal. Were it not so, he could not have continued to have the affection and confidence of both boys and staffs. He spoke and acted in the best interests of the College and of the people concerned. He lived College, breathed it, in some ways he was the College. He held the Old Boys' Association in special regard. Through it he kept in touch with boys of all generations. Their football team was known as "Snow's Team". Reunion Day was a highlight each year for him.

The measure of the stature of a man is found partly in the way in which he does everyday things; partly in the way he recognises that he is one of a team, - but never so clearly as when an emergency arises, a crisis occurs. I think I appreciated Snow Knott more in this regard than in anything else. He never refused to give help if he could possibly give it. There were occasions when he was called on at most awkward times. It might be a boy to be taken to Hospital in the middle of the night, or an overseas student stranded at the Airport, or something that needed to be done urgently at a week-end or at holiday time when he had every right to be relaxing. He never failed to rise to the occasion, and this was a very wonderful thing.

He was a man of simple faith. He believed in God, and he believed in people. There was a touch of fatalism in his faith. A favourite saying of his was "What will be, will be". But his belief in the goodness of God and his faith in people led him to do all he could to help people, to be friendly to all ... to be a man of simple faith, warm affection, strong loyalties.

He will be remembered for very many years to come."

In paying this personal tribute to Mr Knott, Mr Marshall assured Mrs Knott and their family that we shared in their grief, as indeed we still do. "He was a good husband, and a father who was concerned only that his children should be happy. He was a faithful and loyal member of the College."

It is not generally known that during World War II, Mr Knott did home service with the Army Service Corps. As a young man, he had taken a keen interest in life saving in Hamilton, and in Devonport, and held medals and certificates from the Royal Life Saving Society.

Mr Knott's long and valued service at Wesley College will always be remembered.

## THE COLLEGE DIARY, 1968

### FEBRUARY

- 5 - All new boys and Form VI came into residence.
- 6 - Remaining pupils arrived.
- 21 - College Swimming Sports held at Pukekohe Olympic Pool.
- 29 - Inter-secondary schools' swimming championships held at Pukekohe Baths.

### MARCH

- 3 - Sunday exeat privilege commenced.
- 9 - Inter-secondary schools' tennis tournament completed.
- 15 - Wesley College Annual Athletic Sports held, after which all boys went home for the weekend.
- 23 - Bryant Memorial Athletic Sports held at Pukekohe High School.

### APRIL

- 6 - S.A.S.S.A. Athletics Championships held at Manurewa High School.
- 11 - Easter exeat began.
- 19 - End of term examinations commenced.
- 25 - Anzac Day service held at Chapel.
- 27 - Prefect's Social held in the Hall.
- 29 - Secondary Schools' music festival held at Papatoetoe High School.

### MAY

- 1 - Barbecue and end of term concert.
- 2 - Parents' Day.
- 3 - Holiday exeat commenced.
- 28 - School re-opened for the Second Term.

### JUNE

- 11 - Visit of Traffic Officers.
- 15 - Old Boys' Reunion Day. A full day's programme commenced at 10.30 a.m. and ended with a dinner at 8.30 p.m.
- 22 - Social organised by Form VP held in the Hall.

### JULY

- 3 - The annual Inter-secondary Schools' Public Speaking Contest held at St. Stephen's College.
- 4-11 Mid term break.
- 20 - The visit to Port Albert.
- 21 - The College Choir visited the Auckland East Circuit.
- 31 - End of term examinations commenced.

## AUGUST

- 3 - End of term Social held in the Hall.
- 7 - Visit of tems from Waiheke Island D. H. S.
- 14 - Parents' Day and break-up Ceremony to conclude the Second Term.

## SEPTEMBER

- 4 - School re-opened for the third term. We welcomed three new boys.
- 11 - Visit of Mr Blackman (Maori Trade Training Scheme), and Mr P. Harrison (Maori Affairs Department).
- 15 - Visit of the Choir and Polynesian Group to Pitt St. Methodist Church.
- 16 - Visit of Traffic Officers.
- 22 - Auckland Methodist Men's Fellowship visit the College. Rev. R.D. Clement, M.A., took the College Chapel Service.
- 28 - College Cross Country Championships.

## OCTOBER

- 5 - 10. 30 a, m. South Auckland Secondary Schools' Cross Country Championships.
- 11 - S. A. S. S. Tennis Championships.
- 18 - College examination for 5th and 6th Forms.
- 24 - Exeat for Labour Weekend.

## NOVEMBER

- 1 - N. Z. Drama Quartet at the College.
- 7 - Visit of Vocational Guidance Officers.
- 20 - Examinations for lower School commenced .  
School Certificate commenced.  
External examinations commenced.

## DECEMBER

- 4 - College Break-up function.

## SCHOOL OFFICERS, 1968

### PREFECTS

Ofisa Leutulave (Head Boy), S. Aho, L.R. Aislabie, David C. Brock, Kelvin J. Claney (Deputy Head Boy), J.F. Commins, Wiringi Timoko, Allan K. Wellington, Rawson S.A. Wright.

### FOOTBALL CAPTAINS

1st XV, P. Rangihaeata; 2nd XV, M.I. Newton; 3rd XV, L. Donald;  
3rd B XV, P.J. Tasker; 4th XV, K.G. Parry, 5th XV, M.D. Perry;  
6th XV, C.W. Fussey.

### HOCKEY CAPTAINS

1st XI, M.J. Scarlett; 2nd XI, S.B. Powell, 3rd XI, E.W. Scorrar.

### CRICKET CAPTAINS

1st XI, L. Ofisa; 2nd XI, S.C. Ellis; 3rd XI, G.J. Hunter.

### TENNIS CAPTAIN

W. Timoko.

### COLLEGE BELLRINGER

D.W. Barry.

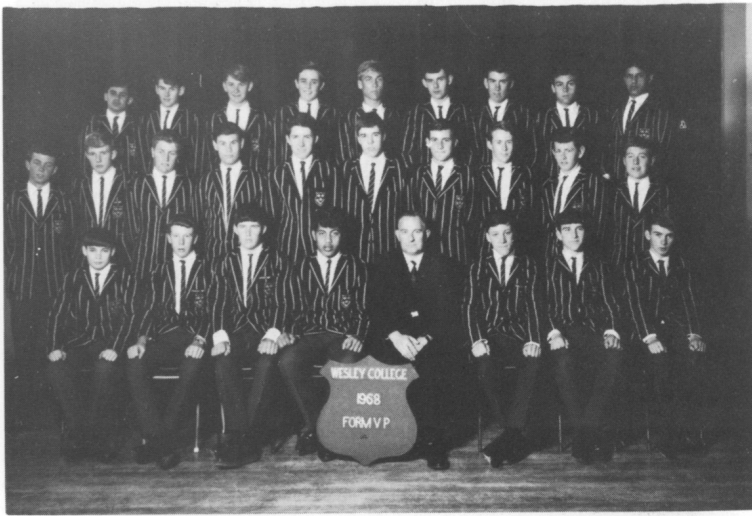

BACK ROW: J.F. COMMINS, W. TIMOKO, R.S.A. WRIGHT, L.R. AISLABIE, D.C. BROCK, A.K. WELLINGTON.  
FRONT ROW: MR E. TAUROA (PRINCIPAL), P.M. RANGIHAETA, L. OFISA (HEAD BOY), K. CLANEY (DEPUTY HEAD BOY), MR J.I. HORSMAN (VICE PRINCIPAL).

BACK ROW: J.F. COMMINS, L.R. AISLABIE, D.C. BROCK, K. CLANEY, REV. I.H. MCKENZIE.  
 FRONT ROW: D.W. NELSON, P.R. EDWARDS, R.J. NEAL, H.T. BAN.

## EXCHANGES

We acknowledge with thanks the magazines of the following schools:  
Northland College, Papatoetoe High School, New Plymouth Boys' High School, Thames High School, St. Kentigern College, Manurewa High School, Waiuku College, Marlborough Boys' College, Papakura High School, Dilworth School, King's College.

## AWARDS AND SCHOLARSHIPS, 1968

College Scholarships have been awarded as follows:

KINGSWOOD: L.R. Aislabie (VI A)  
WINSTONE: J.F. Commins (VI A)  
MARIANNE CAUGHEY SMITH PRESTON: P.R. Edwards (VI A)  
AMBURY: D.W. Nelson (VI A)

Other Awards:

AUCKLAND SAVINGS BANK BURSARY: K.J. Claney (VI A)  
REV. & MRS GEORGE BUTTLE CENTENNIAL GIFT: E. Biddle (III P)  
ROTARY INTERNATIONAL: M. Sibisopere (V G)

The following are the numbers of pupils in the College in receipt of various awards:

Maori Education Foundation	10
Robert Gibson Trust	11
Secondary School Bursary	4
Technical Bursary	7
Boarding Allowance	23
Academic Bursary	1
Maori Govt. Scholarship	2

## AWARDS OF MONOGRAMS, 1968

The following awards have been made this year. Boys whose names are in capital letters qualified for Merit Awards ("blues").

RUGBY: S. Lucas, B. O'Loughlin, M. Pomana, W. Vernor, E. Holloway, F. Samuelu, W. Timoko, T. Searancke, S. Kaho, P. RANGI-HAEATA, R. MCKENZIE, A. Peters, S. AHO, H. ROLANDO, A. WELLINGTON, L. AISLABIE, R. WRIGHT, M. Sibisopere.

HOCKEY: M. SCARLETT, C. Scarlett, K. Scarlett, M. Talmage, N. MacDOUGALL, P. Jamieson, B. Wall, D. Tasker.

ATHLETICS: H. ROLANDO, J. Clark, M. Newton, L. Aislabie, J. Commins, M. SIBISOPERE, F. Samuelu, I. Hudson, S. Ellis, S. KAHO, D. McMillan, G. Mathews, M. Gardiner, D. Wharenuui, G. WELLINGTON, J. Payne, P. Bray, A. Tuoro, S. Murray.

SWIMMING: L. DONALD, W. Vernor, F. Samuelu, I. Hudson, M. Sibisopere, G. Wellington.

CROSS COUNTRY:

## CHAPEL NOTES

A little more variation has been introduced in both Sunday Services and week-night Chapel this year, with visiting preachers for the Sundays including the Revs. C.J. Keightley, M. Couch, B.M. Chrystall, P. Reeves and A.M. McFarlan, with once more the Rev. Ian Grant of Pukekohe exchanging pulpits regularly with the Chaplain. Another Service was

conducted by the District Council of the Christian Youth Movement (Methodist), and on one Sunday evening we had a Passion Play presented by the young people of the Pukekohe Anglican and Methodist Churches. We hope to continue to have visiting preachers, and it is planned the Rev. Moke Couch of the Auckland Maori Circuit will conduct Services in the Chapel fairly regularly.

Week night Chapel has been taken by Messrs Insull, Horsman, Ducker, and Watson as well as the Chaplain, with Mr Tauroa occasionally replacing one of these. We have introduced the practice of boys sometimes taking the evening Chapel, and hope that this will become a regular part of our College life.

Special Services have included the Carol-Dismissal Service at the end of last year, conducted by the Chaplain with A. Becroft, A. McDiarmid, and Mr C. Neate reading lessons. A good attendance of College staff and visitors made this a memorable occasion. This year the preacher at the Old Boys' Service was an ex-Principal, Rev. E.M. Marshall, and the Anzac Day Service was conducted by an Old Boy and member of the Board, Rev. Rangī Rogers. Once again we have been host to the annual Easter Service of the South Auckland Methodist Women's Fellowship.

During the May vacation a good number of pupils returned, together with a large gathering of Old Boys, friends of the College and Staff, to pay their last respects to Mr "Snow" Knott at a Service conducted by Rev. E.M. Marshall, assisted by the Chaplain.

Our thanks again go to Miss June Litten, our Sunday organist; D. Thompson who has played for most week-night Chapel; Dennis Nelson, John Neal and Peter Edwards who have very capably carried out the duties of Chapel Monitors and to the boys who have assisted with the Scripture reading in Chapel.

I. McKENZIE,  
Chaplain.

## WESLEY COLLEGE WOMEN'S FELLOWSHIP

During the past year our monthly meetings have been held regularly with an average attendance of between fourteen and fifteen wives and lady-members of the staff. In addition, from time to time we have been very pleased to share our speakers with our menfolk. We greatly miss Mr and Mrs Neate and more recently our only foundation member, Mrs B. Knott. Their departure has left a gap hard to fill. We extend a warm welcome to our new members.

We deeply regret the passing of our good friend Mr Knott who, like Mrs Knott, was a faithful attender over a long period of years. His cheerful presence at our meetings was always a joy to us. Mrs Knott and her family are constantly in our thoughts and prayers, and we hope that it will be of some little comfort to them to know that they will always have our deepest sympathy in their sad loss, and our love.

Our speakers have included Sister Grace; Mr Stone (St. John's Ambulance Association); Mrs Isdale (demonstration of spinning in natural wools); Mrs

Hibberd (demonstration of cane-work); Mr E. Fraser (Child Welfare Officer); Mr Ross (skin-diving).

Our members once again acted as hosts for the South Auckland Fellowships' Easter meeting, the annual service of which was held in the College Chapel.

Our trading table has this year taken the form of a competition, after which the items have been sold. From the money received from this table and from postage stamps and subscriptions we have continued to support Kurahuna Hostel, and we have been able to send off two parcels to Methodist overseas and Maori missions.

The quiet spirit of friendliness and co-operation that pervades our meetings has been an inspiration to members and this has been much appreciated. We express our special thanks to Mr and Mrs Tauroa for their hospitality - they have always made us welcome and to them should go the main credit for the success of our Fellowship.

At the annual general meeting the officers elected for the 1968-69 year are: President, Mrs E. T. Tauroa; Vice-President, Mrs I. H. McKenzie; Secretary, Mrs M. Hibberd; Treasurer, Mrs J. G. Hall, District Council Representatives, Mrs I. H. McKenzie and Mrs J. L. Browning; Kurahuna Representative, Mrs H. A. H. Insull; Stamp Secretary, Mrs J. S. Cheeseman.

(Mrs) M. HIBBERD,  
Hon. Secretary.

## LIBRARY NOTES

The library has showed a vast improvement this year, the main factor being the new accommodation, which has made it possible to increase the stock of books substantially, both by donations and through money allocated to the library by the Board of Governors. As a result a fine selection of books has been purchased, including a set of New Zealand encyclopedias. The subscriptions to popular magazines have continued and the magazines are kept in the Harding Hall Lounge, under the capable control of Tony Gestro.

We would like to thank the following boys for their help in the administration of the Library, including the covering of books and keeping the library generally tidy: T. Arthur, S. Kirkwood, G. Murphy, G. Fowlds, S. Grey, F. Wells, M. Platt, T. Scriven, W. Berryman, E. Fulker, and A. Peters, as well as the many class librarians.

We would also like to thank all those who have so generously donated books and magazines to the library. Particularly: Mrs Coker for the National Geographics, Mr Penny for the Photographic Magazines, Mr H. M. Denton for various Air Magazines, and Mr J. Horsman and Mr H. A. H. Insull for their book donations.

We would take this opportunity of expressing our thanks to Mr and Mrs J. Horsman who have so willingly given much of their free time to assist in Library administration and the cataloguing and repairing of books. We are sure that the boys have appreciated their help over the past year.

BACK ROW: T. J. SCRIVIN, K. J. FATHERS, A. R. GESTRO,  
K. H. CAVANAGH.  
SECOND ROW: G. N. MURPHY, S. N. KIRKWOOD, W. BERRYMAN,  
S. E. FULKER, T. L. ARTHUR, MR H. J. HORSMAN,  
FRONT ROW: T. F. WELL, J. P. JAMIESON, J. M. R. WALTERS,  
W. J. NEUMANN, S. J. GREY, H. B. PLATT.  
(ABS: G. F. FOWLDS.)

We have again made use of the excellent 'loan and request' service of the School Library Service and the Country Library Service, and many books have passed through the Library in this way.

We are hoping that our book stock will continue to increase over the next few years so as to be able to use our new Library to its fullest capacity.

P. JAMIESON, W. NEUMANN, M. WALTERS,  
Head Librarians.

## SCIENCE DEPARTMENT

The year has seen a steady increase in small items of equipment, necessary for normal day-to-day usage. Chemicals constitute a major part of our expenses and now cover a wide range needed to suit the steadily changing syllabuses.

Staff members have availed themselves of many Education Department courses and meetings. These include, Forms 1 and 2 Science, Forms 3 and 4 Chemistry, 6th Form Biology, and 6th Form Physics - all very necessary to increase our knowledge of the changing demands of the various subjects.

Heralding the beginning of the new Science course as laid down by the Department of Education for all New Zealand schools, next year the title "General Science" will disappear from our Third Form timetable and the title "Science" will replace it. All the third, fourth and fifth form work of these pupils in Science will be examined for the 1971 School Certificate, an examination which will not only test facts learnt but also understanding as well as scientific method.

This is just one of the many changes occurring in the various science subjects. In order to make an interesting group of subjects easier to understand and a greater pleasure for the pupils to learn, teachers of the Science Department are constantly refreshing their knowledge and learning new techniques.

J.G. HALL.

## MATHEMATICS DEPARTMENT

The "New Mathematics" has been introduced to our first, second and third forms this year, and has proved to hold a high interest and good understanding for the pupils. Our intention is to present this subject for School Certificate in 1970.

Traditional mathematics is still taught in the fourth to sixth forms, with as many pupils as possible encouraged to take School Certificate mathematics, as this will always be of use, no matter what occupation the pupil may take up.

"Mechanics" in the lower sixth has become "Additional Mathematics" and now includes a large section on Statistics and Probability - subjects which are becoming increasingly necessary to biologists, chemists and physicists in all stages of their work. Many pupils find mathematics very easy in the lower school, but many of them fail to practise problems extensively (until it is "coming out of their ears"). This results in a certain slowness in the sixth form that can only be remedied by very hard work and the spending of much time on the subject - time which is needed for other subjects. Until pupils realise that new work must rest solidly on old work, we cannot expect a really high standard of mathematics.

Parents who are interested in helping their sons with the "New Mathematics" will get a lot of help from the book "Your Child and Mathematics" by W. Cockcroft, published by John Murray Ltd.

J.G. HALL.

## THE "KUALA LUMPUR" CRUISE

Since the initial publicity given to the Pacific cruise to take place in the August Holidays, interest ebbed and flowed. A wave of interest in the early stages subsided considerably in the wake of devaluation and the subsequent increase in costs.

Finally, after weeks of indecision on the part of some, and from quite a number of interested students, three Wesley boys, G.R. White, A.L.

Oliver and G.M. Symons, decided to make the trip. We hope they enjoyed their cruise of both an educational and recreational nature, but have yet to hear from them their tales of the South Pacific.

J.L. BROWNING

## SCHOOL SOCIALS

Socials, first introduced in 1965 by Mr Tauroa and Mr Neate, are now one of the highlights of our term calendar. We have at least two a term, and when not, a resounding "why?" comes from the senior school.

This year, however, we have had great difficulty in hiring bands and it is here that the boys have really shown what they can do in the form of musical accompaniment. Special praise must be given to Mr Johnston and his "quick steppin" jazz band. This has become as much a part of the College entertainment as the socials themselves.

I wish to thank the senior forms for their pains and meticulous care in arranging the hall for these functions. Thanks must also be given to Mrs Tauroa, Mrs Horsman, the Domestic Manager and his staff for arrangements appertaining to the culinary productions so readily devoured during supper.

We also thank Mr Tauroa and Mr Hall for the dancing lessons that have been so much appreciated by all boys.

Finally, thanks are due to Mrs McClean for her organisation of the girls who attend our socials, and to Mr McClean who provides their transport.

The year's socials have been most enjoyable - as has been often indicated by the number of boys who appear to meander around in a dream on the days following these functions.

K.J. CLANEY.

## "THE SEVEN SIDES OF WESLEY COLLEGE"

Congratulations to Mr A.K. Brady on the work he is doing as Editor of a lively little brochure which has appeared on two occasions each term this year.

"The Seven Sides of Wesley College" is written by members of the College staff as well as by boys. Its aim is to keep everybody informed as to what is going on within the College, not only on the academic side but also in the kitchen, laundry, gardens, farm, workshops, hospital and office. Biographical notes, original literary contributions, jokes and sports notes have featured as well, and all articles have been read with keen relish by all members of the school.

By helping us to take a friendly interest in each other's activities, "The Seven Sides of Wesley" has made us realise that we at Wesley College do indeed belong to one big family. We wish this corporate effort to promote the College in which we serve every success.

### FAREWELL PARTY FOR MR McCONNELL

BACK ROW: M.W. SNOOK, E.A. MEIKLE, P.L. HIBBERD, L.Q.P. JOHNSTON, I.H. MCKENZIE, F.H. HARTRIDGE, J.I. HORSMAN, E.TER. TAUROA, C.J. KELLY, L.E. DUCKER, B. WILLIAMS, T.R. REID, G.S. WATSON, S.T. ELLIS.

SECOND ROW: J.A. ALLAN, P.A. BURT, J.S. CHEESEMAN, N.M. GAUDIN, MRS J.A. SNOOK, MRS M.E. HARTRIDGE, MRS I.M. COWIE, MISS J.H. PAUL, MRS M. CAW, MRS P.J. TAUROA, MISS V. HEGOTULE, E.S. EDGE, F.W. LONGHURST, P. MCCONNELL, H.A.H. INSULL.

FRONT ROW: MRS S.B. GAUDIN, J.G. HALL, MRS C.V. CHEESEMAN, MRS V.J. MCKENZIE, MRS B.R. BURT, MRS E. INSULL, MRS F.A. HORSMAN, MRS M. KELLY, MRS R. HALL, MR G.N. WILLIAMS, MISS K.G. ILLSLEY, MRS J.R. ALLAN, MRS J.P. LONGHURST, MRS E. ELLIS, MRS M.E. HIBBERD, MRS L.A. COKER, MRS S.G. TWEEDIE.

### PUBLIC SPEAKING COMPETITIONS

The annual public speaking competitions were held early in the second term. Mr J. Horsman judged the senior section, Mr P. McConnell the Intermediate, and the Rev. I.H. McKenzie judged the junior grades.

English teachers first heard the speeches of boys in their own classrooms and then chose two or three from each form for the finals. The awards went to the boys in each group who scored the highest aggregate points for a prepared speech and either an impromptu speech or a previously unseen prose reading.

The results were:

SENIORS (Forms V and VI): 1st, Kelvin J. Claney; 2nd, Michael J. Walters.

The subject was "Man should be his Brother's Keeper".

INTERMEDIATE (Forms IVP and IVGA): 1st, D.L. Rollerson, "Benjamin Franklin"; 2nd equal, John Coker, "Jack Brabham" and R.J. Maurice, "The Battle of Britain".

JUNIOR (All Forms III): 1st, Allan Bartrom, "David Livingstone"; 2nd equal, Terry Kawiti, "The Death Of Lord Nelson", and David Egleson, "Abraham Lincoln".

MINOR (Forms I and II): 1st, Brent Limmer, "Abraham Lincoln"; 2nd Martin Platt, "Florence Nightingale", 3rd, Jock Isdale, "Nautilus".

On 15th June Kelvin Claney was invited to repeat his winning speech at the Old Boys' annual dinner, and on 3rd July he and Michael Walters represented Wesley College at the annual South Auckland Secondary Schools' competition held at St. Stephen's College.

A Manurewa High School boy won the contest, and our hearty congratulations go to Michael Walters who was judged worthy of second place. Competitors from ten secondary schools took part.

## CAREERS

"Vocational Guidance is the process assisting the individual to choose an occupation, prepare for it, enter upon it, and progress in it. It is concerned primarily with helping individuals to make decisions and choices in planning a future." This is a definition given by the Vocational Guidance Association of the United States of America.

The general concept of guidance must be based on the growth and development of the individual, and the recognition that people are individuals have the capacity to make their own decisions. Vocational guidance must therefore, not savour of coercion, but be designed to give the fullest information possible, and to encourage the pupil to explore all avenues of employment likely to be suited to his interests aspirations and ability.

J.L. BROWNING.

## LIFE SAVING

During the last week in March approximately fifty boys presented themselves for the Royal Life Saving Society's Awards. On this occasion Hugh F. Corrigall qualified for the Distinction Award which is the second highest award available. We congratulate William Neate (now at Pukekohe High School) on qualifying for the highest award of all, the Diploma of the Royal Life Saving Society, and Max Neate (also at Pukekohe High School) in winning the Bronze Cross, and Instructor's Certificate.

Leigh T. Gretton who last year qualified for the Award of Merit and his Senior Instructor's Certificate has this year joined the Lyall Bay Surf Club, Wellington. He is now seeking qualifications in Surf Life Saving, and we wish him well.

The successful Wesley College pupils were as follows:

**DISTINCTION AWARD:** Hugh F. Corrigall.

**SENIOR INSTRUCTOR'S CERTIFICATE:** Colin B. Gore, Gregory R. White.

**BAR TO BRONZE CROSS:** Gregory R. White.

**BRONZE CROSS:** Douglas R. Duncanson, Dudley Dixon, Barry Lanauze, David J. McFarlane, Murray C. Talmage, Michael J.R. Walters.

**JUNIOR INSTRUCTOR'S CERTIFICATE:** Brett H. O'Loughlin, Murray C. Talmage, Michael J.R. Walters.

**BRONZE MEDALLION:** Adrian L. Newton, John Forbes, David Collett, Adrian A. Tuoro, Faalafi Samuelu, Bryan R. Jackson, Danny Whare-nui, John R. Kenyon, Murray D. Neal, Quentin Broderick, James

F. Walker, Gary E. Pike, Ian N. Doust, Clive D. Donald, Bobby Tauranga, Alexander L. Oliver, Bhaltair R. Croydon, Richard J. Maurice, Gordon H.M. Thorne, Christopher J. Poor, David L. Patterson, Philip K. Wilson, David S. Wilson, Keith E. Glass, Malcolm L. Ryan.

INTERMEDIATE STAR: Louis S. Houston, Donald J. Dorizac, Jonathan R.L. Poor, George D. Mathews, Brent S. Limmer, Allan A. Bartrom .

RESUSCITATION CERTIFICATE: Peter W. Keith, Ross A. Henry, John H. Farnell, Jock Isdale, Ross N. Cleaver.

## LIFE SAVING CANDIDATES

## BAND NOTES

The school band has worked hard all year and has played at every function when the parents and friends of the school have been present. As well as this the band has been used regularly to accompany both the school singing and have played the hymn for assembly on Friday mornings. There are several instruments that are not at the moment being used and we appeal to boys to learn one of these spare instruments and thus not only gain a great deal of satisfaction for yourselves by joining a group that makes and enjoys music but perhaps even take the first steps toward a satisfying and rewarding career in the field of music. There are quite a number of well-paid and satisfying places available to the competent musician in this country. This year's band members are:- Trumpet, Mr J. Cheeseman, M. Walters, and D. Rollerson; Saxophone, Mr L. Ducker, G. Wellington; Horn, R. Henry; Clarinet/Saxophone, R. Blacklock; Drums, J. Walker. Our sincere thanks go to Mr Brinsden for his work on Thursday evenings.

**BACK ROW: MR J. CHEESEMAN, G. WELLINGTON, R. HENRY (1),  
R. BLACKLOCK, MR L. DUCKER.  
FRONT ROW: D. ROLLERSON, MR Q. JOHNSTON, M. WALTERS.**

As a final note to the instrumental side of the College music I am sure everybody is pleased that the College Jazz Band is going from strength to strength and is warmly welcomed whenever it performs.

L.Q.P. JOHNSTON,  
Bandmaster/Conductor.

## CHOIR NOTES

This year the choir re-commenced work after a year's recess and is rapidly becoming an integral part of the musical side of the College. This year we formed the major part of the bass section of the massed choir for the South Auckland Secondary Schools' Music Festival and were welcomed with open arms and sighs of relief - after all, nobody sings like the Wesley boys! Apart from this the choir has been invited to sing in several churches in Auckland and have been very well received. I would like to thank the members of the choir for the way they have worked and always risen to the occasion and given of their best. The members are:- P. Pomana, R. Wright, W. Wright, W. Timoko, P. Rangihaeata, T. Searancke, A. Gestro, R. McKenzie, S. Aho, M. Newton, R. Kara, S. Kaho, W. Vernor, M. Sibisopere, S. Lucas, J. Aislabie, A. Wellington, A. Peters,

S. Kirkwood, M. Davis, B. Tauranga, R. Tauranga, J. Vincent, A. Tuoro, E. Hollaway, B. O'Loughlin, D. Wharenuui, D. Dixon, and T. Hohaia.

L.Q.P. JOHNSTON,  
Choirmaster.

## SINGING

### ELECTRONICS CLUB

The club commenced operations this year with 30 members, each of whom was provided with a Philips Electronic Engineer kitset. The advantages of these kitsets are many: only battery supply is required (reducing electric shock casualties); many different operating units can be built; and transistors are harder to break than valves (this has been disproved by some students).

Interest has been high amongst the members but unfortunately, not enough time seems to be available without serious clashes with study, sport and other activities. However, several students have branched out into making their own radios and transmitters (of mandatory Post Office weakness), and at present a theoretical course on basic valve theory is being presented to a group.

It is hoped that the taste for electronics will develop and that soon no Wesley room will be free of the cheerful howl of feedback.

J.G. HALL.

## PHOTOGRAPHIC CLUB

Since the beginning of the year, interest in the Photographic Club's activities has continued to develop. In particular, the junior boys, who were unable to join the Senior Club, were catered for by the addition and setting up of another dark room. This now means that the School is able to cater for forty boys - timetabling them so that they have an hour and a half per week in the dark rooms.

Each boy pays a term's subscription of one dollar for the use of the equipment that has been installed. This small contribution helps to offset the expense the College has been faced with to help pay for and maintain equipment. Altogether the cost of the equipment installed is over three hundred dollars. This possibly makes the Wesley Photographic Club one of the best equipped school clubs in the country. We are therefore grateful that the School has been behind us and allowed us to purchase these items.

During the term, the following equipment was installed: apart from the setting up of the junior darkroom, the senior darkroom has had a large thermostatically controlled drying-machine and glazer, a photometer, photographic standard lamps, a guillotine and sundry dishes for processing.

With the inclusion of the Activities Period, especially during the first term, photographic techniques have been demonstrated to the members. These include the black and white reversal process, intensification and reduction of negatives, and in the third term, the processing of colour films.

We appreciate the assistance afforded the School by the Pukekohe Camera Club, who invited twelve of our junior boys to witness competitions and processing. This was invaluable to us. Again, members of this Club donated magazines to the College as well as a printer which has been put to good use by us.

During the second term, the senior club held regular competitions, and a cash prize plus a black and white film (donated by Mr Burt) was given to the first and second prize winners. This has enabled us to improve our techniques.

Now that we are gradually becoming able to use the equipment and gaining in experience, the quality of our work is improving. By the end of this year, we should be in a position where some of our members might be able to submit prints in Junior Competitions.

G. WHITE,  
President.

## HORTICULTURE CLUB

This is one of the many clubs which has developed out of the activities period. The aim of this club is to give those boys interested in the good earth, an outlet for their ideas and has not necessarily any connection with their course within the school.

The first problem was the provision of a potting shed. Finally this became a reality. It is appropriate that the windows used in the con-

struction formerly served a similar function, in what was for many years a classroom for Agriculture.

Now that the initial problems are over we intend to expand our activities. With sales from plants, we hope to prove that a worthwhile activity has an added value when it shows a profit.

J. L. BROWNING.

## HOBBIES CLUB

Members of the Hobbies Club have been very active this year and have succeeded in producing many fine and realistic models. There has been an increase in the number of junior boys making use of the Club this year, all showing ability to make much better and better models next year.

Models that have been made include: sprite and speedy boats by Sears; sportsman planes by Fawcett and Oliver II; knot planes by Page I, Midgley Steel; a fifty-two inch wing-span plane by Crodon.

J. W. PAYNE,  
Club Captain.

## HOBBIES CLUB

### INTERMEDIATE DEPARTMENT

Form I and II this year consist of twenty-nine boys. Last term we adopted groups with a points system, and this has resulted in lively competition. We have also commenced working to a new syllabus called "New Mathematics". Most boys are enjoying the new subject, but with others it is a different story.

For the first term Forde Wells acted as Form Captain, and for the second term our Form Captain was David Tasker. Thanks to both for their help.

**SWIMMING:** At the beginning of the first term of this year we took part in a swimming carnival in competition with other primary schools for "The Franklin Memorial Cup". We did well but not quite well enough to win the cup.

**RUGBY:** This season's Rugby has convincingly proved that "You cannot win them all". After we had beaten Paerata by the large score of 27 to nil in the first game and 33 to 3 in the return game, we were completely confident that we could defeat Drury Intermediate School. But when we played Drury we were utterly amazed by the skill of the Drury forward pack and their back line. They won the first game by a comfortable score of 8 points to nil. The return match was scrappy with the both teams fumbling for an illusive, greasy ball. The score was a narrow win in Drury's favour of 3 to nil. All the rugby games we have played have been enjoyable to the referees, the teams, and the spectators.

HOCKEY: Our hockey teams were successful this season when we played Waiau Pa at Waiau Pa Domain. We drew one game and won the other. The greater part of our teams comprised rugby players who had to face up to experienced hockey players. Unfortunately for us there was no return match. This we regretted.

This year we have thus met other schools in a variety of sports. We have played these games for enjoyment as well as to test our skill, and to help build up friendly relationships with schools spread throughout the South Auckland district. Altogether we have had a full year, for in addition to the above sporting fixtures we have been kept busy with our studies.

HARVEY ROSS.

## ASTRONOMY GROUP

The activities of the Astronomy Group have not been as varied as we had hoped at the beginning of the year. However, we have had a visiting speaker, we have studied some of the planets of our solar system, and we have begun to use a small telescope. We hope, either later in the third term or in the first term next year, to see films and film strips and to make some visits to Auckland to the Observatory and the Planetarium.

I. H. MCKENZIE.

BACK ROW: R.W. SMITH, D.R. DUNCANSON, G.N. MURPHY, C.B. GORE.  
 SECOND ROW: S.J. LUCAS, T.T. SEARANCKE, S.B. POWELL, R.H. GUY, R. KARA, MR J.L. BROWNING.  
 FRONT ROW: B.R. DEAN, R.M. COLLINS, K.J. FATHERS, M.J. SCARLETT, G.J. HUNTER, T.M. GLASSEY, P.M. RANGI-HAEATA.

## YOUNG FARMERS' CLUB

The annual meeting held early in the year resulted in the election of the following officers: Chairman, M. Scarlett; Vice-Chairman, P. Rangihaeata; Secretary, K. Fathers; Treasurer, P. Rangihaeata; Senior Advisory Member, Mr J.L. Browning; Committee, T. Glassey, R. Kara, S. Lucas; Delegates to District Committee, M. Scarlett, F. Fathers, S. Lucas, Mr J.L. Browning; Farm Safety Officer, C. Gore.

Many outings and other activities have made 1968 an enjoyable year. Our first outing was to the Franklin Agricultural and Pastoral Show as Stewards. This enabled the boys to increase their experiences and responsibilities in Agriculture.

The next outing was to the Franklin Y.F.C. Stock Judging Competition. As a result of his former stock judging experience, Murray Scarlett was able to come fairly high up in the competition and to win the Novice Cup. Credit must be given to Colin Gore for obtaining 2nd place in the pig-judging section, and to Murray Scarlett in the dairy-judging section. Rawhiti Kara and Murray Scarlett tied for the total aggregate points gained by the Wesley College team.

We attended a Beef Forum at the Karaka Hall, and listened to various lectures on beef cattle as required for today's overseas markets.

We also visited the Ruakura Agricultural Research Centre to attend the Ruakura Farmers' Conference Field Day. Incidentally on the occasion one

boy nearly had a long walk back to Wesley College.

On behalf of our club we would like to thank Mr Browning, for the time he has put in and for the arranging of trips and outings for the Wesley Young Farmers Club.

M.J. SCARLETT, Chairman.

K.J. FATHERS, Hon. Sec.

### MOTOR MECHANICS CLUB

### SUPPER-TIME COCOA

# HOUSE NOTES

## HOUSE PARADE

### WINSTONE HOUSE

For Winstone House this year has been exceptional in many ways. As in the past, members of the House have shone in behaviour, appearance and in all sports. In addition, the amount of steam pudding consumed by Winstone House members this year is 50% up on that of last year.

Our sporting achievements have been far from trivial. First, we managed to gain second placing in the swimming sports, thanks especially to the performances of Sibisopere and Corrigan in the senior swimming; Hudson and Wall in the intermediate swimming; Wilson I and Wilson II in the minor swimming.

In athletics we gained the ultimate score, due to the participation of every able body in the house. On sports day green singlets were to be seen always streaking towards the finish line, often to achieve a 1st, 2nd or 3rd placing. The highlight of athletics day was the march past. Due to Winstone's ingenuity, we arrived on the scene equipped with a drum (in next year's march past we hope to have bagpipes - take heed blue, yellow and red). The Greens marched past the cheering crowd, and the amazed judge to take first place. Our shining athletes were: M. Sibisopere (senior sports

champion); I. Hudson (intermediate sports champion).

Points have also been gained for the house in tennis. In the final games, our representatives, Timoko, Peters and Corrigan, battled with the opposition as the scores swayed from van-out to van-in. Strained racquets and bald balls were not the only reason for the downfall of our opponents.

Our squad leaders this year have been: Squad 1, J. Keith; Squad 2, H. Corrigan; Squad 3, W. Neumann; Squad 4, R. McKenzie; Squad 5, A. Peters; Squad 6, I. Hudson; Squad 7, G. Nutall. These leaders have by their examples achieved the highest standards.

Mr J. L. Browning and Mr P. McConnell our house masters, have always been a source of encouragement to us in the running of the house. Mr McConnell left for France at the end of the second term. We were indeed sorry to see him leave. In his place we welcome Mr G. Bagley.

Any young men of superior intellect and excellent physique who may be coming as new boys to Wesley College next year should apply to become members of the Green Hero house.

D. C. BROCK,  
W. TIMOKO.

## SIMMONDS HOUSE

Simmonds House has done very well so far this year, as we won the swimming sports and were third in the athletic sports. We now hope that we shall win the rest of the competitions and bring home the coveted "Winstone Cup".

The squad competition is the strongest it has been for some years. Under the expert guidance of the squad leaders, each squad strives to win the weekly competition. This aspect of the house activities is always under the scrutiny of Pat Rangihaeata, the second house prefect, who has a sharp eye for dirty shoes; whenever he sees unclean shoes, he deducts one point, and the victim ends up with a week's packing.

The squad leaders are: Squad 1, S. Aho; Squad 2, W. R. Jones; Squad 3, J. Vincent; Squad 4, J. Clark; Squad 5, L. Donald; Squad 6, P. Edwards.

The war-like cry, "Come on Simmonds!" is never very far from our ears, whenever we need a helping hand in times of woe.

I thank the House as a whole for the co-operation they have given to Pat and myself. In addition I thank our faithful housemasters, Mr Insull, Mr Hall and Mr McKenzie for their devotion to house matters and their advice. Finally, I would thank all the other houses for being great sportsmen. May the best house win the competition this year!

A. WELLINGTON,  
House Captain.

## STANTON HOUSE

Stanton House entered the race for the Winstone Cup with a lack of senior members. It did not take us long to realise that in our complement of 57 boys the senior section was the weakest. One fact that was evident, however, and this was the enthusiasm of our seniors. In our Wednesday athletics meetings, for instance, our senior long-distance runners found themselves trying to compete in the 4 x 110 yd relays against the sprint champions of the rest of the school. They were completely out-classed, and knew it; but as there was no one else to run, they did their commendable best.

A similar situation arose when the houses played the first round in the house football competition. Our small senior team (with four 1st XI hockey players) very pessimistically ran on to the field hoping that they would not be defeated too badly in front of our juniors who had already played admirably. It was the story of David and Goliath all over again - we stood on one side while the bigger School House team stood on the other. After some very untidy play, due to the wet weather, our winger, newly acquired from hockey, placed us three points in the lead. An energetic struggle ensued, curses were suppressed, threats were threatened, but somehow, with the help of that spirit which has become so much a part of Stanton House, the final score was 9-6 in our favour. A very tired, sore but jubilant Stanton House team left the field.

With half the year gone and our house lying last in the race for the cup, most of us realise that our chances of winning are slim. Winning is not everything, however, someone has to lose; and being able to take a "licking" is just one of the many lessons of life.

I would like to thank our members for the loyal house spirit which they have displayed throughout the year, and Mr Ducker, Mr Watson and Mr Burt who have done so much to help cultivate this spirit. My final thanks would go to John Commins and Joe Aislabie who, as house prefects, have assisted me greatly throughout the year.

K. J. CLANEY,  
House Captain.

## SCHOOL HOUSE

"What else can you ask for?" We are proud of our sportsmanship for the general behaviour of the individuals of the house has been modelled on that of the previous members of this House.

During the athletics season, our members showed their skill, resulting in our winning both the individual and team relays. In athletics our most outstanding seniors were H. Rolando and M. Newton.

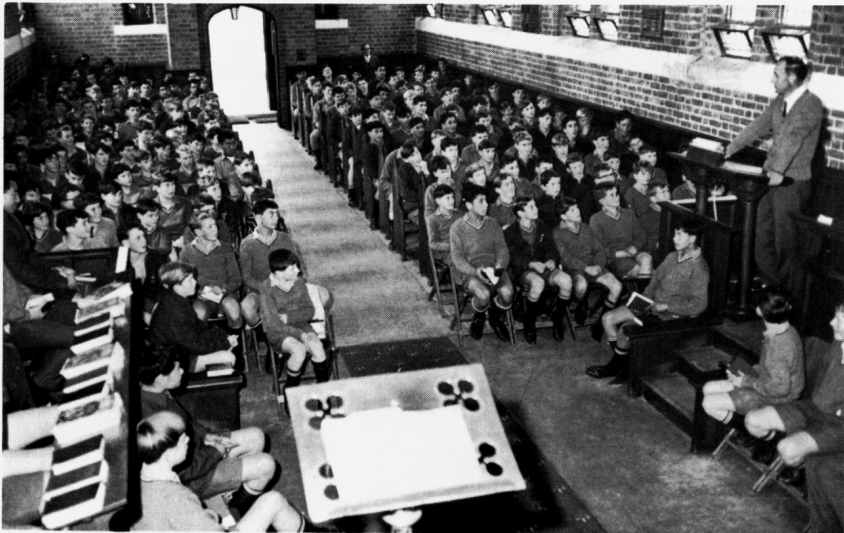

The competition of the squads in the House has shown that we have a strong squad spirit. The House Captain and House Masters extend their personal thanks to the leaders: Squad 1, R. Hanipale; Squad 2, M. Newton; Squad 3, R. Young; Squad 4, P. Jamieson; Squad 5, D. Morris, Squad 6, M. Falconer; Squad 7, J. Neal; Squad 8, M. Neal. We also thank the

individual members of the House.

All members of School House thank our three House Masters, Mr E. Meikle, Mr J. Cheeseman and Mr Q. Johnston. It has been a privilege to serve under you. We thank also the Prefects of the other houses who have occasionally lent us a helping hand. This has enabled our House to live up to our traditions.

To the boys leaving, the House hopes that you will each achieve your ambitions in your future lives.

R. S. A. WRIGHT,  
House Captain.

CHAPEL PARADE

# ORIGINAL CONTRIBUTIONS

## A FRIGHTENING EXPERIENCE

It was dark, and the night was cold. I began trotting briskly home, one and a half miles away.

Suddenly I stopped dead, my heart beating wildly and my eyes bulging. Slowly I turned around. I knew that the rustling had come from behind me, but I could not discern the cause. I saw a dim white shape appear; and then suddenly it vanished. I broke out in cold sweat and began running.

After about five minutes I began to tire, but once again I froze. Not far behind I could hear something breathing in short, sharp gasps. I saw the shape appear again, and it was floating on the road. It disappeared with a rustling sound. By this time I was really scared. I began running and kept going until I saw the lights of home.

It was then that the thing flashed past, and it was then that I realised what it was, and I burst out laughing. It was our dog!

I remember going out that day to look for cows with calves, and our white sporting dog had followed me up. He had disappeared after a while, and it wasn't until dark that he had decided to come back in the form of what I thought was a ghost.

Well, I think I must have broken my running record, for I haven't run so fast since.

T. KAWITI, (IHIP).

## WESLEY COLLEGE

*When I set out for Wesley College,  
From an island in the Pacific,  
I sailed a lonely voyage,  
To seek success and magic.*

*A thousand miles away from home,  
I reached the Isle of the Long White Cloud;  
And lonely in the star-lit night,  
I found the College shining bright.*

*What would be my chance at College,  
While I should there sojourn?  
No wizard could guess the wonder,  
As I clutched my chance at College.*

*Much have I learned from the Book of  
Knowledge,  
Thus tried and proved myself.  
In athletic fields and in culture,  
I have tried my best at College.*

*I have made many friends at College,  
Both among the boys and masters;  
And for these friendships, wide and deep,  
I am glad I came to Wesley College.*

S. KAHO, (VG)

### POPULAR QUOTES

Mr H: *"Now for the growls.."*

Mr B: *"Patience is a virtue."*

Mr M: *"Two jammy marks."*

Mr I: *"Repetition is the mother of learning."*

Mr B: *"Stop! You are all late for class."*

PART OF THE NEW LIBRARY

## I WORK DEEP COVE

The alarm clock awakes me out of a pleasant dream. My friend Sam, who came to New Zealand from Australia, is one of the many men who help construct this power scheme. Sam has to pull off all my blankets before I am awake. Quickly I glance over at the clock, and see that it is 7 a.m. In a grumble I grab hold of my helmet and yellow water-proof coat.

Sam and I walk up several stairs before we come to the galley. The smell of cooking food gives me a good appetite for breakfast, and then we are given our lunches. We step off the "Wanganella" which was once a passenger ship between Australia and New Zealand.

As we walk along I notice the clouds blackening out the sun and before long we know that it will be raining very hard. The little train clicketty-clacks as it slowly comes towards us, and then we slowly lose sight of the ship. As we are going along the track my eyes slowly roll from side to side, taking in all the lovely scenery up to the snow-capped mountains. Slowly we arrive at the dark tunnel entrance.

After a few minutes in the dark we see a little blur which gradually becomes bigger and bigger until a bright column of lights appears. Faintly in the distance I can hear the whining screeching of the big power drills.

When the holes are made and electric charges have been put into them, the foreman pushes down the plunger and bang! All the hard rock is loosened. Then several giant D8 bulldozers begin moving the hundreds of yards of loosened rock. They load it on a conveyor belt which carries the rock up to the surface. Pumps are started up to cope with all the water.

The noise is terrific, intensified by echoes which bounce off the hard rock face. The thundering roar is indeed so great that I have to put on ear-muffs to protect my hearing. After a few hours of hard work we knock off for lunch. The tunnel is now silent yet I can still hear the noise in my ears! In the tunnel it is very wet and cold. After our shift we return to the "Wanganella" on the little train.

As soon as I step on to the ship, I go straight to the bathroom to have a hot shower, and then a nice hot meal. When I finish, I may try my hand at the slot-car racing track down below decks.

In our spare time Sam and I go out among the rough rugged mountain slopes deer stalking.

ELLIOTT AISLABIE (F. II)

## HIGHWAY SAFETY

A *is for Accidents, fatal and frequent,  
Here are some causes both pithy and  
        piquant.*

B *is for Brakes - you'll be in a bad  
                                spot,  
if you want to stop - and your auto  
                                does not.*

- C *is for Courtesy, common sense and  
care.  
Use them on the roads; drive safely;  
play fair.*
- D *is for Drinking. Remember this rule:  
A driver who drinks, and then drives,  
is a fool.*
- E *is for Evening, when darkness falls.  
Dusk on the road is a threat to all.*
- F *is for Failure to signal - you'll  
find  
other folks cannot read your mind.*
- G *is for Grief, that happens when you  
don't stop at railway crossings,  
Give-way signs or Stops,  
when speed is the master, and sense  
not a virtue.*
- H *is for Hill. It is a folly to pass  
on a hill.  
Just take it easy, don't end up in  
Hell!*
- I *is for Intersection, where good,  
safe drivers yield right-of-way.*
- J *is for Jaywalkers, who wind up in  
bed, with a lifetime of tears.*
- K *is for Knowledge of rules for safe  
driving.  
It's wise, when you start to be sure  
of arriving.*
- L *is for Licence to drive. Do you obey  
the Licence Code Standards? Or  
just leave things to Fate?*

LUNCH

"DOUBLE DECKERS"

- M is for Mechanical Failure. Regular inspection for faults is worthwhile protection.
- N is for No Passing signs, your cue to stay on your own side of the road.
- O is for One-eyed drivers, coming at night.  
Is the rest of his car on the left or the right?
- P stands for Pedestrian, Patience and Passengers.  
Please remember that lives are at stake.
- Q is for Quick Stops, and reminds us that you can get rammed by the car close behind.
- R is for Red Lights. They always mean Stop,  
(whether or not you're observed by a cop).
- S is for Speedsters. Young drivers take warning!  
Drive at safe speeds, or your girl may be mourning.
- T is for Tyres. If one bursts like a bubble,  
chances are good you'll be in for bad trouble.
- U Use Utmost care. When the roads are slick,  
You can skid on a curve ever so quick.
- V is for Vision, and this is a must.  
Keep windscreens clear of rain, mist and dust.

THE CHESS CLUB

WOODWORK

W *is for Weaving through traffic-  
  jammed streets;  
Death and destruction await these  
  silly feats.*

X *is for Cross Roads, where you give way.*

Y *is for Your, part of our nation,  
Do you set an example or need  
  Education?*

Z *is for Zones where your speedometer  
  must be your guide.  
For safe motoring, always remember,  
  drive at the zone speed!*

## ELEPHANTS AS PETS

Anyone who has kept white mice knows that these creatures breed very rapidly. The solution to this problem is to keep elephants instead, for elephants breed only once every two years.

Where would any normal "towny" keep half a dozen elephants? Some people feed their mice on a handful of rice-bubbles each day. Who can imagine six elephants existing on a handful of rice-bubbles? Twenty rice-bubbles is not a meal for a fully grown elephant by any stretch of imagination.

When one is buying a horse, one looks at its teeth. A brownish-black mark on the inside of the teeth represents twenty years' accumulation of mouldy grass and rotten cabbage. The owner of these dentures is then considered to be too old, and the foolish buyer passes him by. Instead he decides to buy the nearby horse, obviously twice as old and probably putting on false pretences with a new pair of dentures.

When buying a dog one should: (1) look at its teeth to see if they are worn or broken; (2) look at its coat to see if it is going grey at the base.

Most dogs with worn or cracked teeth are old. However, if the dog be young, it is probably an alcoholic and has broken its teeth opening beer bottles. If the dog's coat is turning grey, either the owner will be ageing or its rinse is growing out.

With elephants, how can one tell how old they are? Anyone knows that all respectable, civilised elephants are slow, grey and have their teeth sawn off short and capped with copper or brass.

The obvious thing to do is to buy a baby tortoise, because I am told tortoises live for well over one hundred years. All one needs to do is to feed one's tortoise and see that it is healthy. Who knows? In fifty years time one might find that one's male tortoise has somehow contrived to lay

you twelve large tortoise eggs for tea.

Keeping pets is an enjoyable pastime, even if one's elephant knocks the house down occasionally whilst attempting to dislodge an irritating flea or whilst removing a tennis ball from the gutter, by using the porch as a step-ladder.

I. A. McLEOD (VP)

### SOOTHING SIBILANTS

*Slimy, slumbersone,  
So somnolent,  
Stirs, slothfully,  
Slovenly shifts,  
Slowly, sluggishly;  
Senses, selects,  
Suddenly seizes;  
Shakes, smothers,  
Strangles, suffocates,  
Slays, swallows,  
Shudders, subsides.  
Settles, sleeps.*

G.R. WHITE (VIB)

PREP ROOM

## ENLIGHTENED

The darkness of the night hung over the fields, shrouded the fallows, and cast its mantel over the forests. It held life in its grip; it concluded it; it conceived it. Everything was still, silent. There was not even a breath of wind to caress the trees which stood tall and proud - their branches outstretched as if to bless all that lay beneath them.

I looked upward, upward into the shroud of darkness. All that perforated it was the twinkling stars, like spots of phosphorence dancing, dancing in glee as they looked down on the earth in peaceful slumber. But what was behind those sapphires of the sky? Was there just void - eternal darkness or was it there that the final paradise for men waited? The place where we would be reunited with our loved ones, the place where our creator pondered - still wondering whether his creation had been a success.

I lay back surrounded by the warmth and security of my bed. I thought of those who were so much less fortunate than I was: people whose families and possessions were being drenched by naplam in Vietnam; people who sat starved in India; people who bowed to the oppressor in the non-democratic parts of the country. I thanked God that I was so fortunate and, for the little use that it would do, I prayed for those who would never live as I.

My encumbered thoughts began to fade as the stars ceased their dancing. The shroud of night began to life, and the first light of day broke like a butterfly emerging from its chrysalis - its wings untried, its strength unrevealed.

The first rays of dawn began to finger their way over the blushing horizon. Then in an aura golden rays cut paths through the sky, blessed everything they touched and brought fresh hope to a troubled world.

K. J. CLANEY (VIA)

## A BOY AND SPRING

The delicate waters of the fern-bordered pond slipped from the dark shadow of green moss-covered banks, into the warmth and beauty of the towering sun. Pearls sat primly on blades of grass and reflected rippled rainbows; sparkling jewels of untold worth. Misty ribbons of morning air lifted from the damp surroundings of tall trees, then swirled to join the cloud of haze which still clothed the forest. Nature echoed Spring.

John was sixteen now, tall, with fine black hair, deep blue eyes, and a face which seemed to have experienced every trial life had to offer, a smile, then a frown, a laugh then a tear. He stood quite still, only his gaze seemed to reflect any life. He gazed upon the little pond where he had fished and played when only six. He gazed at the moss-covered banks where he sat and sang to himself or to Linda, his friend. He gazed at the tree from which he had fallen and the fern where he played hide and seek. Even when he was fourteen years old John still visited his favourite spot. But he and his friends had sat with food, magazines, records and Linda's record player; they had pushed one another into the pond, chased one

another up over the rich green hillside, then back down into the forest...

John smiled. He did not quite know why he came back to his spot. It was Nostalgia perhaps? No. Memories. Memories of a boy and Spring.

It was colder now. Dark was the sky without its lights. Now the air was damp. The first few drops of pearly rain fell from the blanket of grey that surrounded John's world, and he pulled his long fur collar up around his neck and walked away.

A. R. GESTRO (V GEN)

**"ALL, ALL, ALONE..."**

*Before I heard the doctors tell,  
The dangers of a kiss,  
I had considered kissing girls  
the nearest thing to bliss.  
But now, alas, I sit and grieve,  
And utter with a moan:  
"Three million mad bacteria,  
And I thought we were alone!"*

J. CLARK (VP)

## SWIMMING SPORTS

For the second time the annual swimming sports were held in the Jubilee Baths, Pukekohe.

The excellent facilities available here, assisted greatly in the smooth running of a full programme. In all, fifty-four events were contested.

The strength of last year's junior and intermediate teams was reflected by the fact that of the ten new records established, only one was not in either the junior or senior grades.

An extremely pleasing feature of this meeting was the increased number of swimmers taking part - approximately half the school was actively engaged.

Next year, it is hoped to hold two meetings - one within the first week of the school year, which will be mainly of a tabloid nature in which all boys will participate. The second meeting will take the form of the present sports. From the results of the tabloid meeting, the teams for the following sports will be chosen.

Because of lack of knowledge of the capabilities of our new entrants, handicapping caused considerable concern. This problem should be overcome by the initiation of the Tabloid Meeting.

It was gratifying to note the increased support afforded by parents - many of whom travelled long distances to be with us on the day. We look forward to continued support in the future and intend to "bring the parents in more" by asking some to act as officials in future meetings.

## INTER-SECONDARY SCHOOLS MEETING

A team of eleven boys contested the Inter-secondary Swimming Sports Meeting held in Pukekohe on 29th February. The swimming competition was of a very high standard and proved too much for many of our boys, who gave of their best in all cases and were rewarded by gaining two seconds and two thirds. In addition, several of our swimmers took fourth place.

In all, twenty-two new records from a total of forty-two events, were established at this meeting. This indicates the standard of competition the boys faced.

Those of our representatives who gained places in the finals were:

- JUNIOR RELAY TEAM: G. L. Wellington, A. A. Tuoro, C. D. Donald, K. W. Kelly; 2nd.
- F. SAMUEL: 3rd in 55 yards Freestyle.
- M. SIBISOPERE: 2nd in 110 yards Breaststroke.
- L. A. DONALD: 2nd in 110 yards Freestyle.

G. S. WATSON.

BACK ROW: D. NELSON, E. HOLLOWAY, R. WRIGHT, F. SAMUELU,

 FRONT ROW: F. WELLS (1), D. BARRY, N. JONES (3), C. MCLEAN, D. MCGREGOR, J. POOR (3).

## CRICKET

The season's cricket was, as usual, enjoyed by all the sixty keen school cricketers. Individual standards improved, especially amongst members of the 1st XI, under the excellent tuition of Mr J.B. Boswell of Papakura.

The 3rd XI had a few games with other schools and managed to win only two of them. The 2nd XI played in the Franklin 'C' Grade competition and won five of their eleven matches, even though several members were prone to treat practices as anything other than serious.

The 1st XI started off the season with a very weakened team, due to examination commitments. But, in the second half of the season, with L. Ofisa back as captain, after a year's rest, and with much serious practice, the team showed great improvement and a high potential for future seasons. Only two matches were won in the season, but several were lost only by a stroke or coat of varnish.

Worthy of mention are: L. Ofisa, at times an inspired batsman and slow spin or medium pace bowler; H. Rolando, an eagle-eyed driver and an accurate medium pace bowler; C. Fussey, a very good stroke player who will score many runs for the College in the future.

One match (which we lost) is worthy of note. Our opponents scored 33 all out, and we had reached 29 for 8 wickets when F. Samuelu strode to the wicket. He planted the first ball over the boundary for six. Repeated the stroke with the second ball. Missed the third, and scored another six from the fourth. Thereafter sixes evaded him, but he certainly added life to the game in which the bowlers held the advantage.

The team members are:

FIRST XI: L. Ofisa (captain), H. Rolando (vice-captain), C.W. Fussey, D.L. Rollerson, R.S. Wright, T.M. Glassey, B.H. O'Loughlin, E.G. Holloway, K.J. Fathers, F. Samuelu, A.A. Tuoro, P. Rangihaeata.

SECOND XI: S.C. Ellis (captain), W.A. Vernor, J.B. Keith, L.A. Donald, P.J. Jamieson, G.R. White, J. Payne, G.E. Pike, W. Brunton, I.B. Midgley.

THIRD XI: G.J. Hunter (captain), N. Jones, E. Tetuhi, A. Bartrom, A. Geck, S. Houston, S. Polwart, P. Keith, D. McGregor, J. Poor, D. S. Wilson, C.M. McLean.

J.G. HALL.

## ATHLETIC SPORTS, 1968

In weather almost ideal for athletics, the 1968 College championships proved a real success with the exceptionally fine competition producing nine new records and equalling one.

To emphasise the depth of this year's competition, spurred on no doubt by the Wednesday night athletic meetings, we note that of the 39 events in the top 3 grades, in only 9 was there failure to better last year's performances.

Just as the individual competition in each grade was close, so was the competition between houses. In the final tally, the definite superiority of School House the year before, wilted to a particularly well organised Winstone House onslaught. Congratulations to Winstone House for a fine effort in achieving this first placing after being last in 1967.

	HOUSE POINTS			
	WINSTONE	SCHOOL	SIMMONDS	STANTON
MINOR	42 (4)	22½ (3)	14½ (2)	11 (1)
JUNIOR	12 (1)	29½ (3)	40 (4)	14½ (2)
INTERMEDIATE	36 (4)	21½ (2)	8½ (1)	30 (3)
SENIOR	30 (3)	40 (4)	29½ (2)	20½ (1)
TOTAL	120	113½	92½	76
WINSTONE CUP POINTS	(12)	(12)	(9)	(7)

1. Figures bracketed are the cup points in each grade.
2. Points come from all championship events and non-championship finals (3, 2, 1, in each event).
3. Senior house points include tug of war, march past, flying relay and 3 miles.

Special mention should be made of - H. Rolando and M. Sibisopere who tied first for the senior championship. In doing so Rolando broke the triple jump record which had stood for 22 years. By leaping 42'6" he bettered by 1'3" this, the longest standing College record; an exceptionally fine performance also from Sibisopere when he raised the 13 year old high jump record by 1½" to 5'7", to the sincere joy of the spectators; the school

house senior relay team of H. Rolando, M. Newton, J. Neal and S. Paterson who again lowered the time by .3 seconds to 48.2 seconds; Intermediate champion, I. Hudson who, with 3 firsts, 1 first equal and 2 seconds for  $15\frac{1}{2}$  points just managed to better S. Kaho who totalled 14 points from 3 firsts and 2 firsts equal.

The junior competition again proved very close with G. Wellington after 4 wins (1 a record) 2 seconds and a third, just being pipped by J. Payne who, although having only 2 wins, showed better all round ability to take placing in 9 of the 12 events. The minor grade which, despite the lack of record performances, provided some keen competition. Congratulations to K. Kelly who, in winning the 100, 220, 400 and 880 became the minor champion.

The championship winners were:-

SENIOR: 1st equal, H. Rolando, M. Sibisopere (14 pts); 3rd equal, M. Newton, J. Commins (7 pts).

INTERMEDIATE: 1st, I. Hudson ( $15\frac{1}{2}$  pts); 2nd, S. Kaho (14 pts), 3rd, D. McMillan ( $9\frac{1}{2}$  pts).

JUNIOR: 1st, J. Payne (19 pts); 2nd, G. Wellington (17 pts); 3rd, P. Bray ( $11\frac{1}{2}$  pts).

MINOR: 1st, K. Kelly (12 pts); 2nd, J. Corry (9pts); 3rd, P. Keith ( $8\frac{1}{2}$  pts).

BACK ROW: G. MATHEWS, S. MURRAY, R. YOUNG, T. GLASSEY, S. ELLIS, P. BRAY, D. WHARENUI, D. DIXON, M. SCARLETT.

SECOND ROW: I. DOUST, M. NEWTON, E. HOLLOWAY, G. WELLINGTON, S. SAMUELU, L. AISLABIE, R. MAC DOUGALL, S. KAHO, M. GARDINER, J. CLARK, J. COMMINS, MR J. CHEESEMAN.

FRONT ROW: K. SCARLETT, D. MC MILLAN, I. HUDSON, H. ROLANDO, M. SIBISOPERE, J. PAYNE, K. KELLY, P. FOOTE, T. TUORO.

New records were made as follows:

OLD RECORD

SENIOR

High Jump: M. Sibisopere 5' 7½"	(5'5½"	1955)
Triple Jump: H. Rolando 42' 6"	(41'3"	1946)
Relay (4 x 110): School House 48.2 sec.	(48.5 s.	1967)

INTERMEDIATE

440 yards: T. Glassey 56.4 sec.	(57.0 s.	1956, 1960)
Shot Put: M. Gardiner 42'2"	(41'6½"	1964)
Hurdles: S. Kaho 16.5 sec.	(16.5 s.	1965)

JUNIOR

Discus: A. Tuoro 112'7¾"	(105'6"	1965)
Mile: I. Doust 5m. 30.6 sec.	(5m. 36.4 s.	1966)
Hurdles: G. Wellington 13.9 sec.	(14 sec.	1963)

MINOR

220 yards: K. Kelly 29.0 sec.	(29.9 s.	1966)

### COLLEGE THREE MILE CHAMPIONSHIP

Held prior to sports day on 11th March, A strong field (numerically if not 'athletically') again faced the starter, determined to complete the required 12 laps.

An unusual occurrence on the last lap as all but the first few competitors almost stopped in their tracks to cheer as L. Donald and K. Claney produced a neck and neck, stride for stride sprint over the final 220 yards.

With neither runner willing to give way, they must have completed their fastest ever 220 yards to breast the tape, unable to be separated, for first equal placing, with R. Young heading the rest of the field.

RESULTS: 1st, equal, K. Claney (St), and L. Donald (Sim). Time, 17m 58.3 sec. 3rd, R. Young (Sc).

Particular mention should be made of the large number of juniors (3) and intermediates (6) who finished in the top 16, especially the intermediate J. Forbes who set the pace for most of the run, only to wilt in the final sprint and the juniors I. Doust and F. Wells who finished a creditable 6th and 9th respectively, in senior company.

### SOUTH AUCKLAND SECONDARY SCHOOL ATHLETICS

Shocking underfoot conditions marred the S.A.S.S. Athletics. Despite this several records were broken with one coming to Wesley when G. Wellington covered the 80m Junior Hurdles in 12.0 seconds to take .2 sec. off Matea Gillies's 1963 time. This fine performance, together with a first placing in the Junior triple jump and a second in the long jump, concluded a very successful season for Graeme who has again proved that consistent training brings its rewards.

Disappointment of the day was the abandoning, due to extremely wet afternoon conditions, of the finals of the intermediate and senior hurdles events. Events in which we were particularly strong, Bryant Memorial winner, S. Kaho, and I. Hudson the 1967 titleholder were excellent pros-

pects for the first two intermediate placings while both M. Sibisopere and M. Newton were easy winner in the morning two heats and showed, by far, the best hurdling techniques. The performances of our hurdlers throughout this season (Wellington, Kaho, Hudson, Newton, Sibisopere) have placed Wesley as the best all round College in this field in the Auckland area. Again this has been due not only to the natural ability possessed by these athletes, but also to their conscientious training.

Once again our relay teams were all well placed with credit going in particular to the senior four who were convincing winners by several yards.

**PLACINGS:**

**FIRSTS:** Senior Relay (M. Sibisopere, H. Rolando, M. Newton, J. Clark).

Junior Relay (G. Wellington, J. Payne, G. Mathews, P. Bray).

G. Wellington, Junior Triple Jump.

G. Wellington, Junior Hurdles (Record).

**SECONDS:** F. Samuelu, Senior Shot-put.

S. Kaho, Intermediate Discus.

M. Sibisopere, Senior Triple Jump.

J. Clark, Senior 100 yards.

I. Hudson, Intermediate 100 yards.

M. Gardiner, Intermediate Shot-put.

G. Wellington, Junior Long Jump.

**THIRDS:** Intermediate Relay (I. Hudson, D. McMillan, N. MacDougall, S. Ellis).

M. Newton, Senior 220.

M. Sibisopere, Senior High Jump.

D. McMillan, Intermediate 440.

P. Bray, Junior High Jump.

A. Tuoro, Junior Discus.

J. S. CHEESEMAN.

## BRYANT MEMORIAL ATHLETICS

The 1968 Bryant Memorial Sports proved to be most successful for Wesley athletes who concluded an extremely fine day's competition with 3 firsts, 4 seconds and 3 thirds against the strong opposition of approximately 30 other schools.

Two athletes who returned outstanding performances were:

1. Graeme Wellington who won the junior triple jump with a leap of 37'2½" (1'1½" better than the College record), the junior hurdles (equaling his own College record of 13.9 seconds) and came third in the junior long jump.
2. Milton Sibisopere who, in the strong senior grade, was placed second in the triple jump (7" better than the College record), the high jump and the long jump.

Congratulations to these two in particular who have certainly proved themselves in excellent company.

A feature, once again, was the fine performance by our hurdlers whose efforts, rated us the best College in this field. Apart from G. Wellington's easy win in the junior event, we also had a win in the intermediate grade

where Siale Kaho had the field well covered to win convincingly in 16.2 seconds, .3 sec. better than Matea Gillies's College record. In the senior event Malcolm Newton, despite running not quite so freely as he is capable was able to record a credible 4th placing in the final.

Another point worthy of mention is the placing of all relay teams. Although the relays are run virtually as heats with no finals, the competition in each heat (division) is still very strong particularly from some of the larger schools. Our resulting positions once again indicate some depth to our athletes.

It is doubtful if any Wesley boys present will easily forget the really great effort of Joe Aislabie in battling down the last 100 yards of the 880 yard leg in the senior relay with the Pukekohe runner, snapping at his heels and as determined as Joe that his team should be third. How long will you remember that final 'sprint' (if it may be called that) as Joe just manages to win the desperate struggle by inches in the finish of the day? I wonder if Joe will ever again run as hard, or as fast, an 880 as that!

Another fine and determined effort and an example to all of striving well to win and not relenting when the pressure is really on and also of striving not only for yourself but also for others in the team.

Apart from the highlights mentioned, all athletes performed well with many of them bettering their previous weeks sports day effort.

Those who represented the College were:-

SENIOR: M. Sibisopere, H. Rolando, M. Newton, J. Commins, J. Aislabie, S. Patterson, R. Young, E. Holloway, F. Samuelu, J. Clark.

INTERMEDIATE: S. Kaho, I. Hudson, S. Ellis, D. McMillan, D. Wharenui, T. Glassey, K. Scarlett, D. Dixon, P. Foote M. Gardiner.

JUNIOR: G. Wellington, J. Payne, P. Bray, S. Murray, I. Doust, I. Mathews.

Those who gained places were:

FIRST: S. Kaho, Intermediate 120 yards Hurdles (16.2 sec.)

G. Wellington, Junior 100 yards Hurdles (13.9 sec.)

G. Wellington, Junior Triple Jump (37'2½")

SECOND: M. Sibisopere, Senior Triple Jump (43'1")

M. Sibisopere, Senior High Jump (5'7")

M. Sibisopere, Senior Long Jump (19'6½")

Junior Relay (G. Wellington, J. Payne, P. Bray, S. Murray)

THIRD: G. Wellington, Junior Long Jump (17'0½")

Intermediate Relay (I. Hudson, S. Ellis, D. Wharenui, D. McMillan)

(1m. 49.3 sec)

Senior Relay (J. Commins, H. Rolando, M. Newton, J. Aislabie)

(4m. 1.5 sec.)

Also to reach their respective finals were:-

SENIOR: H. Rolando, 220 yards; M. Newton, 120 yards Hurdles.

INTERMEDIATE: D. McMillan, 440 yards; I. Hudson, 220 yards; I. Hudson, 100 yards.

JUNIOR: P. Bray, 440 yards.

Representatives from approximately thirty secondary schools competed - from as far away as New Plymouth Boys' High School and Hauraki Plains College as well as from most schools in the Auckland and South Auckland areas. In these sports for reasons of policy, no official points table is kept. Nevertheless it is interesting to note what Wesley College's position would have been if a 3, 2, 1, points scale had been operated. In this case the top results would have been.

PLACE		POINTS
SENIOR		
1=	New Plymouth B. H. S.	8
1=	Kings College	8
3=	Wesley College	7
3=	Auckland Grammar	7
3=	Rutherford H. S.	7
3=	Pukekohe H. S.	7
INTERMEDIATE		
1	Hamilton B. H. S.	16
2	Auckland Grammar	12
3	Rutherford H. S.	8
4	Kelston H. S.	5
5=	Wesley College	4
5=	Pukekohe H. S.	4
5=	St. Kentigerns	4
JUNIOR		
1	St. Kentigerns	13
2	Wesley College	9
3	Papakura H. S.	8
4	New Plymouth B. H. S.	6
5=	Aore College	5
5=	Manurewa H. S.	5

The total combined points, the results would have been:

1=	Auckland Grammar	20
1=	Hamilton B. H. S.	20
1=	Wesley College	20
4	St. Kentigerns	17
5=	Rutherford H. S.	15
5=	New Plymouth B. H. S.	15

This, against reasonably strong opposition, is a particularly fine result due mainly to the efforts of M. Sibisopere and G. Wellington but also to the College as a whole who have provided over the last few weeks, the keen competition needed to bring athletes to their peak.

J. S. CHEESEMAN.

## RUGBY NOTES

BACK ROW: T. SEARANCKE, W. TIMOKO, H. ROLANDO, B. O'LOUGH-LIN, M. SIBISOPERE, E. HOLLOWAY.  
SECOND ROW: R. MCKENZIE, M. POMANA, F. SAMUELU, R. WRIGHT, W. VERNOR, S. KAHO, MR J. CHEESEMAN.  
FRONT ROW: A. WELLINGTON, A. PETERS, L. AISLABIE (VICE-CAPTAIN), P. RANGIHAEATA (CAPTAIN), S. AHO, S. LUCAS.

### FIRST XV

This year's First XV again played under the jurisdiction of the Counties' Rugby Union in the Third Grade competition. Nine teams were competing in this grade, and although our competition consisted solely of club teams, we did feature as one of the top teams.

With each individual playing to the best of his ability, we enjoyed a most successful season. The essence of this success lay with a strong, quick-rucking pack combined with sure, speedy backs who were not afraid to throw the ball around, coupled to a strong sense of team work. Ours then was most definitely a team of players, not of fifteen individuals.

Three highlights of the season were the games against outside competition: (1) Our most enjoyable trip to Port Albert where the hospitality was as splendid as ever, and where we played possibly our best game of the season. The weather and ground were in perfect condition for us as we defeated the Port Albert seniors. (2) On the occasion of our much looked-forward-to-trip to Church College, we fared not quite so well on the field (we lost 16-9) but we made many friends who allowed us the privilege of seeing around their College and joining with them in their fine evening

meal. (3) Our defeat of St Kentigern 1st XV by 21-5. As this is the only Auckland school we played this year, this win was particularly pleasing to us as it gave some indication of how we might fare in their competition.

Competition games resulted:- vs Manurewa, lost 5-25; vs Papakura, won 17-0; vs Patumahoe, won 11-9; vs Maramarua, won 12-6; vs One-hero, won 11-0; vs Waiuku, won 29-0; vs Manurewa, won 10-5; vs Patumahoe, won 21-15; vs Waiuku, won 26-8; vs Pukekohe drew 0-0. Other games resulted as follows:- vs Pukekohe High School, won 9-3; vs St. Kentigern, won 21-5; vs Church College, lost 9-16; vs Old Boys, won 24-17; vs Port Albert, won 23-17.

Light-hearted, friendly games were also played against an Army team, Trinity College and St. John's College. In winning these three matches, it was not so much the victories that we enjoyed but rather the friendly manner in which the games were played. This is the way that we prefer to conclude our season of rugby.

The team would like to express thanks to Mr Cheeseman, our coach, for his guidance and encouragement throughout the season.

SUMMARY OF GAMES: Played 18; Won 15; Lost 2; Drew 1.

#### TEAM CRITICISM:

**PAT RANGIHAETA (Captain):** A fine hooker and a very able captain who led the team by mature example both on and off the field. A strong runner with the ball and instigator of many forward drives.

**JOE AISLABIE (Vice-Captain):** A toiler in the tight of no mean ability, yet has often, from the lock position, been the first forward to a back movement. Anticipation has improved greatly.

**RAWSON WRIGHT:** Has fully realised the potential that was evident two seasons ago. A hard worker in the tight, yet has developed the anticipation so important to good play. A fine team member as shown by his willingness to travel long distances for holiday games.

**STAFFORD AHO:** Wonderfully deceptive centre with the ability to set his wings for tries. At times a tower of strength to the back line with the "chips were down", at other times suffered from lack of complete fitness for 80 minutes hard play.

**ROLANDO HANIPALE:** A well balanced and extremely speedy three quarter, providing many thrilling runs during the season. Together with Stafford, the top try scorer. Main fault - at times attempting to play the whole team when things are not going right.

**BOB MCKENZIE:** A hard working season at halfback. At this grade he has hardly put a foot wrong. A real asset to the team both on attack and defence.

**FALELAULI SAMUELU:** In his first season of rugby, a real strength to the forwards. His general lack of experience was more than compensated for by the initiative shown in his solid forward work.

**BILL VERNOR:** Standard of play has improved vastly. Handling lapses have occasionally spoilt good anticipation which would otherwise have been rewarded with tries.

**TOM SEARANCKE:** Changed to forwards at the beginning of the season. Has occasionally starred with his solid tackling ability but must beware

of the dangerous **tackle**. Reluctant to take part in team practices. Has proved that he has **ability** as the team's number one kicker but is not yet consistent enough.

MILTON SIBISOPERE: Has improved throughout the season to score some very good tries with his sheer speed. Lack of experience and unsure handling are his weaknesses.

ERROL HOLLOWAY: Not fast for a three-quarter, but on defence a valuable asset to the team. Handling and general confidence have improved vastly throughout the season.

ALAN PETERS: As fullback, appeared tardy at times when under pressure but somehow always managed to 'tidy up loose ends' apart from one or two games in mid season when lapses in play occurred. Learning to run into the back line well. Good potential.

SIJALE KAHO: Moved from wing to flanker early in season. Has proved his worth in this position with his stout defence but could learn to use greater speed on attack.

ALLAN WELLINGTON: Light enough to play for the 3rd XV, but has proved that his inclusion in the firsts was more than justified, as his standard of play went from strength to strength during the season culminating in representative honours.

WILLIE TIMOKO: Has the ability to play some really good football at 1st five - safe hands, finds the gap well, yet the standard has not been consistent. Could learn to back up play more than has been done. Next season should score a good one if he can settle on this season experiences.

MITA POMANA: Standard has improved with a season in the firsts - surprised at times with some unexpectedly good play but generally lacked the determination needed at this level.

BRETT O'LOUGHLIN: A good steady forward - developed well as second string hooker to Pat. Injury during season, halted for a time the progress that was being made. Looking forward to a fine season next year.

SIMON LUCAS: Has justified his position in the firsts with some solid performances despite general lack of experience at this level. Next season should bear the fruits of the seasons labour.

The general standard of the team is reflected in the fact that ten of the players were selected to represent the secondary schools. They were Rangihaeata, Aislabie, Wright, McKenzie, Aho, Rolando, Wellington, Samuelu, Searancke, and Peters. Of the others, all first-year players, it can be said that their debut has been a fine one and we can look forward to some mature performances in the future from them.

Finally, thanks to those players who supported the team so well during the holidays when the first XV as such has not been able to play. Apart from those in the seconds and thirds who ably filled the gaps, there were many in the first XV itself who travelled long distances, or who made special arrangements to make themselves available. This perhaps more than anything else, has helped to develop the team spirit essential for a good rugby team, and has in no small way contributed to the success of this season.

J. S. CHEESEMAN.

## THE GAME

From the crowd on the side of the field two rows of players appear, one team in black and white, the other in green and white. The black and white team stop in front of the short man in white, and then applaud the opposing team as it comes on to the field. From either side in turn come three almighty cheers. A silver coin goes spinning in the air, and the two teams line up on either side of the halfway. The ball is placed by black and white: Wesley College by name. The kicker stands up and steps back. All heads are now turned to the man in white, the referee.

He takes a deep breath, puts the whistle to his mouth, and blows. Seconds later the ball is spinning through the air, and is caught by a powerfully built man. What's this? A pile of bodies in the middle of the field, or is it a scrum? Yes, it's a scrum. Green secure the ball and hammer their way through Wesley. Nothing can stop them now. From nowhere comes a short gorilla-like body, just a little fellow, but oh! What a tackle! He has sent a great lumbering giant to the ground with a thud. Now another pile of bodies forms. And our comes the ball. The College has it, and are away. Down goes the first of Wesley's back row and then the second, but not the third. He's away! He's slipped past his opposite number! And the fullback. He dives! "It's a try!" The crowd's gone mad! The kick misses. But the College team don't mind - they're winning.

Minutes later another try follows in the same pattern as the first. Minutes later another! The whistle blows. It's half time. The two teams huddle in two groups and consume their ration of oranges.

The whistle blows, and they're back in again. Each spectator glances round with experienced eyes in search of the referee of the first half. There he is in the back line for Wesley! The player he replaced is the frail little man from Galatea, who now has the whistle in his mouth, and he blows it.

The ball is kicked high into the air, and the second half comes into full swing. The Army is driving Wesley back in an effort to score. But Wesley retaliates and scores yet again, once more under the posts. Another two tries to each side, and it's all over. Everybody is confounded! The first fifteen beating the Army! It's absolutely impossible! But it's true.

G. N. MURPHY (V AG)

## SECOND XV

I would like to begin this season's report by commenting on our final competition game. We met our competition winners, Pukekohe, on our home ground and played furiously to finally win. The spirit and determination which the boys combined with hard running throughout this game shows the great potential which remained concealed through the earlier part of the season.

The team has obviously improved, as the lowering of the high scores against us suggest; and this was brought about by the earnest training the squad underwent with Mr McKenzie, Mr Tauroa, or myself. Mr McKenzie was unable to coach the team through a greater part of the season but

BACK ROW: J. CLARK, W.J. NEUMANN, S.N. KIRKWOOD, B. TAURANGA, B. TAURANGA, A.L. OLIVER, M.D. NEAL.  
 SECOND ROW: J.F. COMMINS, B. LANAUZE, A.M. WOOLLAMS, K.A. BARKER, I.C. HUDSON, M.L. GARDINER, REV. I.H. MCKENZIE.  
 FRONT ROW: R. KARA, M.W. DAVIS, K.J. FATHERS (VICE-CAPTAIN), M.I. NEWTON (CAPTAIN), D. WHARENUI, I.M. HOHAIE, S.C. ELLIS.

worked hard in building up the team in morale and skill.

Results in matches played, in order, are: vs Waiuku, lost 3-16; vs St. Stephens, lost 8-14; vs Papakura, won 3-0; vs Pukekohe, lost 3-23; vs Waiuku lost 6-17; vs St. Stephens, lost 3-18; vs Manurewa, won 16-0; vs St. Kentigern, lost 0-17; vs Marist Juniorate, lost 5-24; vs Church College, lost 9-36; vs Waiuku, lost 0-3; vs Pukekohe, won 3-0.

M. NEWTON,  
 Captain.

When we came to choose our team at the beginning of the season, we found ourselves with a fairly light forward pack and eight backs of whom five were really wings. Our forwards, however, settled down quite well, and thanks to excellent hooking by Kara (despite his claims to be really a back!) were able to win a fair share of ball. Not surprisingly our back line did not always function perfectly, but when the ball reached the three-quarters the opposition goal-line was usually in danger. All five of our wings played well on the wing, and performed manfully in less suitable positions inside. Two players new to rugby, Commins and Neumann, learned quickly to be useful members of the team. Two more, Fathers and Hohaia, were brought up from the 3rd Grade to give us enough backs,

and were amongst the stars of the side. Our main failings were lapses in tackling and cover defence, and some lapses in sustained determination on the part of some players. However, we finished the season with two very creditable performances, holding the Waiuku 1st XV (who had previously beaten us twice by double figure margins) to a narrow 3-0 victory, and defeating Pukekohe, previously beaten only once, in a well-fought game in which all played well.

Special mention must be made of M. Newton, Captain and K. Fathers, Vice-captain, for their work during my absence - they most effectively took over responsibility for the team and carried a much greater burden than is usual for our Rugby captains. Fathers scored half of the team's total points. Despite our record of 12 games played for 3 wins and 9 losses, it has been good season for our players, who have not lost heart at some rather heavy defeats. I am confident that from their number will come some future very capable members of the first XV.

I. H. MCKENZIE,  
Coach.

### THIRD GRADE "A" XV

Having lost one and drawn another of the games in our competition the 3rd Grade "A" team emerged at the end of the season with a fine record.

The forwards played as a pack and gave the backs ample possession of the scrums, rucks and lineouts. The backs were a fast combination; swift and sure in passing and accurate in kicking. These qualities resulted in good wins to Wesley College.

Partly due to the coaching of Mr Hall (and dogs), and to the spirit in which the team played, we never once failed to play open football.

For particularly enjoyable games, our thanks go to Onewhero D.H.S., Pakuranga College, St. Kentigern College and the Counties Reps.

COMPETITION RESULTS; vs Wesley "B", won 27-6; vs St. Stephens, lost 3-6; vs Papakura "B", won 34-0; vs Pukekohe H.S., drew 6-6, and won 18-6; Manurewa H.S., won 6-5; vs Papakura "A", won 19-3; vs Waiuku, won 8-3.

NON-COMPETITION GAMES; Onewhero, lost 6-11; Pakuranga, won 22-5; St. Kentigern, drew 8-8; Counties Reps, won 16-11.

It would be unfair to single out particular players as being better than other, for all played a high standard of rugby. The team was: Forwards - L. Donald (captain), T. Arthur, M. Falconer, K. Claney, R. Jones, G. Pike, G. Morris, R. Bray and D. Nelson. Backs - P. Foote, J. Keith, D. Rollerson, D. McMillan, D. Patterson, A. Wellington, M. Vincent and P. Bray.

The team members express their thanks to Mr Hall and Mr Horsman, as well as to A.K. Wellington and B. O'Loughlin for coaching the team to its peak, in fitness and combination.

BACK ROW: M. VINCENT, S. PATTERSON, R. BRAY, P. BRAY, D. W. MORRIS.  
 SECOND ROW: D. ROLLERSON, D. NELSON, G. WELLINGTON, G. PIKE, T. ARTHUR, M. FALCONER, MR J.G. HALL.  
 FRONT ROW: J. KEITH, R. JONES, K. CLANEY, L. DONALD, D. MC MILLAN, P. FOOTE.

BACK ROW: G.R. WHITE, G.W. SEARS, P.B. EMIRALI, A.L. NEWTON, A.R. GESTRO, A.A. TUORO.  
 SECOND ROW: Q.M. BRODERICK, D.S. MORRIS, D. DIXON, J.H. FORBES, C.T. SEARLE, S.P. TODD, C.B. GORE, MR J.G. HALL.  
 FRONT ROW: I.D. TATNALL, C.E. ANDERSON, H.F. CORRIGALL, P.J. TASKER, R.J. NEAL, P.R. EDWARDS.

## THIRD GRADE "B" XV

The third grade "B" team had an enjoyable season even though the losses outnumbered the wins. An endeavour was made to give as many boys as possible a game, and this policy was adhered to providing a boy chose to attend practices. The boys played to the best of their abilities, but were often at a disadvantage by being lighter and less experienced than their opposing teams.

The boys taking part were: Back - I. Tatnall, A. Gestro, J. Neal, P. Tasker (captain), C. Gore and G. White. Forwards - H. Corrigan (vice-captain), A. Tuoro, Q. Broderick, C. Searle, P. Emirali, G. Sears, J. Forbes, P. Edwards, C. Anderson, S. Todd, M. Walters, D. Morris, A. Newton and A. Morris.

The team played the following games: vs Wesley A, lost 27-6; vs Waiuku, won 11-10; vs Pukekohe, lost 19-3; vs Papakura B, won 5-0; vs Manurewa, lost 17-5; vs St. Stephens, lost 45-3; vs Pukekohe, lost 19-3; vs Papakura A, lost 9-0; vs Waiheke, won 17-3; vs Onewhero, lost 13-16; vs Manurewa, lost 12-11. Point-getters were: A. Tuoro, J. Neal, G. White.

We wish to thank our coach, Mr J.G. Hall for the time he gave in coaching the team. Also to R. Hanipale and R. Wright for their able tuition.

P. TASKER,  
Captain.

## FIFTH GRADE XV

Our fifth grade team played a not too successful season of rugby but an enjoyable one none-the-less, and usually against heavier teams.

The captain was initially reluctant to give oral leadership but soon won confidence of our team which followed his example and that of his vice-captain.

Our speedy trio in the backs; Te Tuhi, Mathews and Jackson proved to be the scoring arm of our team and moulded the other backs into a working unit.

The forwards too had their leading lights; Lamond, Fenton, and Donald whose speed drive caused withering assaults on the opposition.

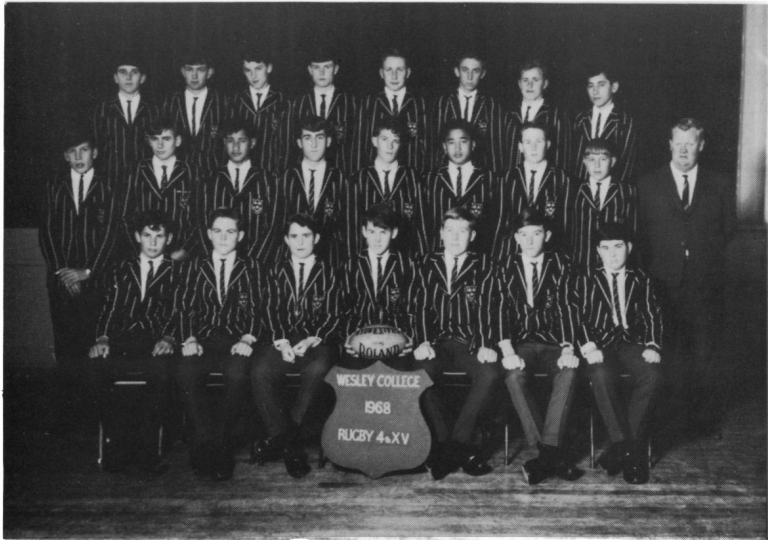

On the whole the team was a happy one, and functioned well. Our thanks to the much appreciated coaching by Mr P. McConnell, P. Rangiahaeta and W. Timoko.

P. McCONNELL.

## FOURTH GRADE XV

The fourth grade team has this year not had a very good season as far as results and wins went, but the team members all enjoyed their games. We had some very enjoyable visits from Pakuranga and Mt Albert, and played two rounds in our competition matches.

With quite a large team we tried to give everyone a game. In the

BACK ROW: I. MC LEOD, G. THURSTON, S. NELSON, T. GLASSEY, W. AHLERS, G. MURPHY, K. KELLY, W. WRIGHT,  
 SECOND ROW: B. BRUNTON, R. YOUNG, C. RUA, T. RICHARDS, S. POLWART, I. WYNYARD, L. TONKINS, T. SCRIVIN, MR G. S. WATSON,  
 FRONT ROW: I. DOUST, S. MURRAY, P. JONES, K. PARRY (CAPTAIN), P. GRAY, J. BUDGE, P. BARRY.

BACK ROW: R. CLEAVER, D. WILSON, T. GECK, D. MCGREGOR, R. COWAN, J. FARNELL, P. JOWSEY,  
 SECOND ROW: G. HUNTER, G. MATHEWS, B. JACKSON, C. DONALD, J. FENTON, P. LAMOND, R. BLACKLOCK, E. TETUHI, MR P. MC CONNELL,  
 FRONT ROW: I. BROOKER, R. HARVEY, D. PATTERSON, M. PERRY (CAPTAIN), L. HOUSTON, T. MEXTED, K. WRIGHT.

forwards, L. Tonkin, G. Murphy and I. Wynyard proved a strong force in the front row. Although the hooking was quite good, it would have been better if more weight had been used. As locks, C. Rua, S. Polwart and I. Doust played well. B. Brunton and G. Thurston proved fast loose forwards who covered up well; and our last man down, D. Barry also played well.

The vice-captain, P. Jones played half-back and greatly improved in his passing throughout the season. The inside backs W. Wright and T. Glassey played well, with Wright making the breaks and Glassey kicking some good penalty kicks.

S. Murray, S. Nelson, R. Becroft, R. Young and J. Budge shared the honours for the outside backs and the captain, K. Parry, played full-back. As a whole the team played well throughout the season, and everyone had an enjoyable season of rugby. Our thanks go to our coach Mr G.S. Watson, and to S. Kaho and E. Holloway for their assistance.

K. PARRY,  
Captain.

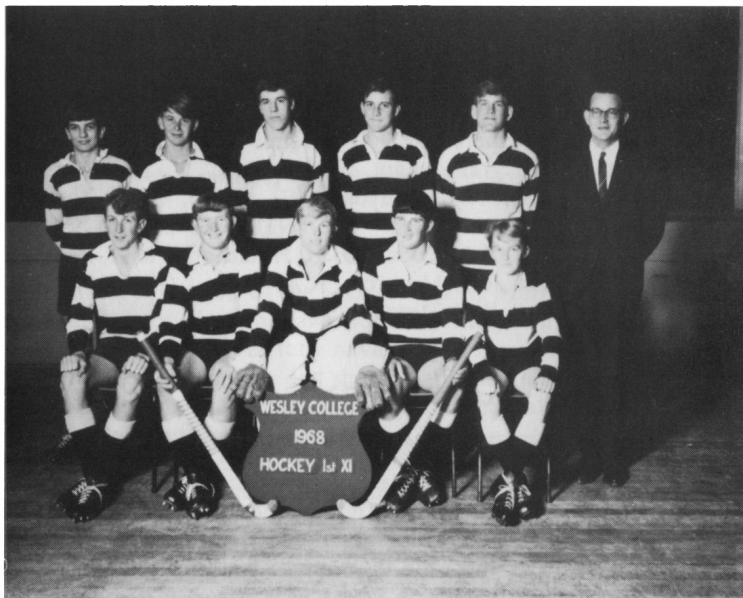

BACK ROW: A.A. BARTROM, R.A. HENRY, C.M. MCLEAN, J.A. CORRY, P.J. ARNOLD, E. BIDDLE, J.L. POOR, P.K. WILSON.  
SECOND ROW: J.L. BROWNING, K.J. FATHERS, G.R. FULLERTON, R.J. MAURICE, R.J. PAGE, G.A. STOREY, G.S. HOULTHAM, R.D. HENRY, C.J. POOR, D. WHARENUI.  
FRONT ROW: T.F. WELLS, D.B. SVENDSEN, J.K. KENYON, N.R. JONES, C.W. FUSSEY, T.W. KAWITI, C.W. JENSEN, P.W. KEITH, M.N. JAMIESON.

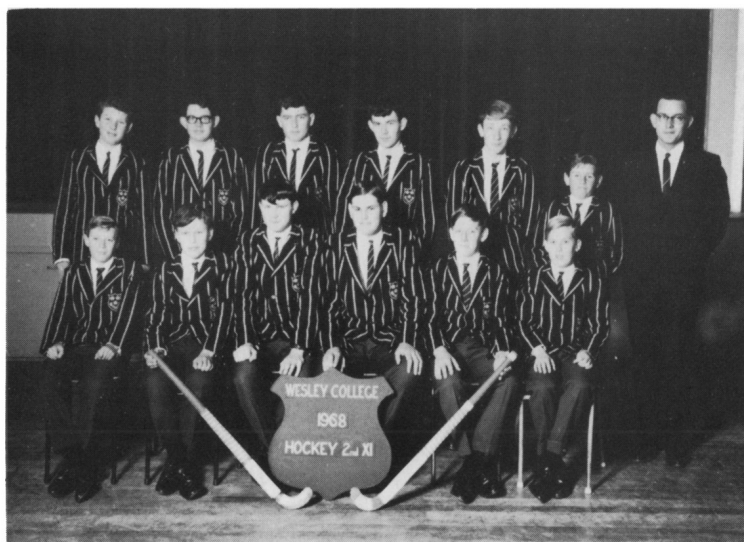

## SIXTH GRADE RUGBY

The object of this grade is to provide football for as many players as possible, and as a result the team was never the same on two successive Saturdays.

Despite the fact that the team had more losses than wins, the team enjoyed a good season of rugby. Whenever the team remembered the necessity for good positional play, they provided some excellent football.

BACK ROW: P. JAMIESON, J. WALKER, B. WALL, C. SCARLETT,  
 J. PAYNE, MR Q. JOHNSTON,  
 FRONT ROW: M. TALMAGE, M. SCARLETT, I. HUDSON, K. SCARLETT,  
 D. TASKER.

BACK ROW: R. SMITH, R. GUY, P. HIGGINSON, L. WRIGHT, J. COKER,  
 W. KEMP, MR Q. JOHNSTON,  
 FRONT ROW: H. PLATT, S. FOWLDS, G. THORNE, S. POWELL, D.  
 EAGLESON, P. FARLEY.

A feature of this team was the fine spirit in which the games were played, and also the very fine penalties awarded against them for infringement of the rules.

Our sincere thanks go to Mr J.L. Browning for giving up his time to help us, and also to K. Fathers and D. Wharenui for their assistance.

Members of the sixth grade team comprised: C.W. Fussey (captain), N.R. Jones (vice-captain), K.J. Kenyon, P.J. Arnold, R.D. Henry, J.F. Corry, M.N. Jamieson, P.W. Keith, T.F. Wells, E. Biddle, T. Kawiti, A. Bartrom, J.L. Poor, C.J. Poor, G.S. Houltham, R.J. Page, D.B. Svendsen, C.M. McLean, R.J. Maurice, R.A. Henry, G.A. Storey, C.W. Jensen, G.R. Fullerton, P.K. Wilson.

C.W. FUSSEY.

## HOCKEY

### FIRST HOCKEY XI

This year the 1st XI have once again emerged the winners of the Franklin Secondary Schools' Hockey Tournament. In the local competition they have been unbeaten and our only defeats have been by St. Paul's Collegiate - a school renowned for their prowess at the game - Pakuranga College, and St. Kentigern College - by a very narrow margin. The other game played against a representative team was against the Rodney team in which the team played very well and earned a well deserved win - a contrast to last year when our team was stronger because of the inclusion of more experienced players. The team has worked hard all season and M. Scarlett has done a great job in guiding the team to victory on so many occasions. This report would not be complete without mention of N. MacDougall - our goal-keeper - who has been said by the very experienced coaches of other teams to be probably the best player they have seen in this position for quite some time. The members of the team for 1968 have been:- M. Scarlett (captain), C. Scarlett, K. Scarlett, B. Wall, J. Payne, M. Talmage, D. Tasker, P. Jamieson, J. Walker, and N. MacDougall.

L.Q.P. JOHNSTON.

### SECOND HOCKEY XI

At the beginning of the season, it seemed as though we were fighting losing battles because we lost our first six games. These included a loss of 13-0 to our "A" team, and an 18-0 loss to St. Paul's of Hamilton. We all enjoyed our trip to Hamilton very much. We had three wins altogether, two of which were against Pukekohe and one against St. Kentigern. Of our three games against Pukekohe, we lost the first 6-0, won the second 4-2, and won the third 3-0. This proves that the coaching we have received from Mr Johnston has been very valuable. Top goal-scorer was L.R. Wright and the goalkeeper deserves much praise for keeping the opposition out of our goal.

The team was as follows:- P. A. Higginson (G. K.), S. B. Powell (captain, R. B.), G. H. M. Thorne (L. B.), R. W. Smith (R. H.), D. S. Fowlds (C. H.), H. M. Platt (L. H.), L. R. Wright (R. W.), P. M. Farley (I. R.), J. D. Coker (vice-captain, C. F.), D. W. Eagleson (I. L.), W. J. Kemp (L. W.). R. H. Guy was the reserve.

We played twelve games; we won three and lost nine.

S. B. POWELL.

### THIRD HOCKEY XI

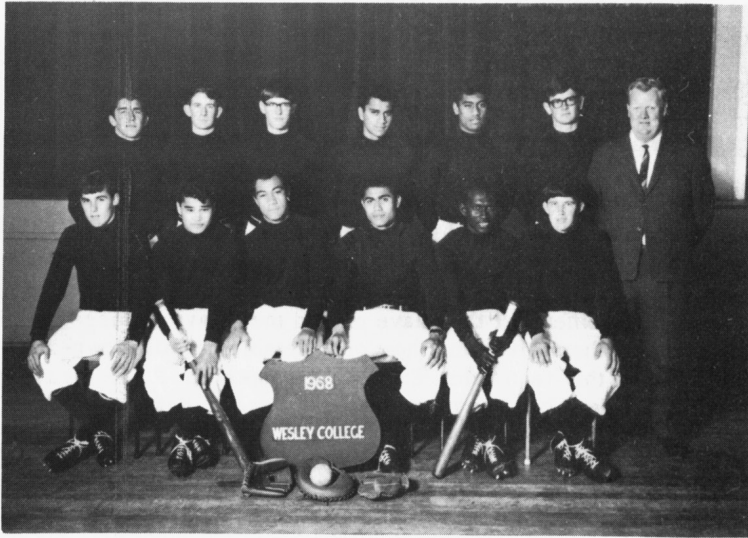

Unfortunately because of the lack of teams from other schools in the Franklin area the third team have not had many competition games this season. However, whenever they have played they have managed to give a good account of themselves and show considerable promise for next year. The members of this team are: E. Scorrar (captain), P. Kolhase, T. Midgely, B. Croyden, W. Berryman, R. Commins, H. Fawcett, M. Goile, K. Cavanagh, B. Limmer, R. Wakelin.

As well as these regular teams we have had a large number of other boys who have shown quite a keen interest in the game and have attended practices and have, from time to time, been called on as reserves. I would like to extend my thanks to these boys for their keenness and persistence and would encourage them to keep it up - after all it is from these boys that we will eventually be choosing the 1st XV's of the years to come!

L. Q. P. JOHNSTON,  
Coach.

BACK ROW: K. CAVANAGH, H. FAWCETT, R. COMINS, W. BERRY-  
MAN, A. CONNOR, B. DEAN, MR Q. JOHNSTON.  
FRONT ROW: M. GOILE, B. CROYDON, P. KOHLHASE, B. LIMMER,  
M. PERRY (2), R. WAKELIN.

BACK ROW: R.N. MCKENZIE, A.K. WELLINGTON, W.J. NEUMANN,  
W. TIMOKO, G.S. KAHO, M.I. NEWTON, MR G.S. WATSON  
(COACH).  
FRONT ROW: S.J. PATTERSON, I.M. HOHAIA, T.T. SEARANCKE ,  
S. AHO, M. SIBISOPERE, K.G. SCARLETT.

## SOFTBALL

This was the first time Wesley College had ever fielded two softball teams in an outside competition. This would not have been possible if it were not for the keenness of the man behind it all, Mr G. Watson.

Though the time given for preparation was insufficient, the team as a whole played very well. This was due to the co-operation of individual members of the team as well as to the advice given by our coach. Nevertheless a criticism still might be made that every member needs experience in order to master the sport. Actually the games in 1968 have been only a trial run; but since we have our new uniforms, we are looking forward to the coming season for some gook playing by the team.

Creditable performances have been made by Tom Searancke, our vice-captain; Allan Wellington, the outstanding first baseman; Bob McKenzie and Milton Sibisopere, our best fielders.

The members of the "A" team were: S. Aho (captain), T. Searancke, A. Wellington, G. Kaho, R. McKenzie, K. Scarlett, S. Patterson, M. Newton, W. Neumann, W. Timoko, I.M. Hohaia. The games played by this team resulted as follows: vs Manurewa, lost 15-18; vs Kingseat, won 28-12; vs Papakura, won 18-16; vs Wesley "B", won 31-19.

Members of the "B" team were: M.J. Vincent (captain), B. Tauranga (1) (vice-captain), B. Tauranga (2), P. Parry, R.P. Bray, T. Arthur, M. Pomana, M.W. Davis, D. Wharenui, M. Falconer, G. Mathews.

S. AHO.

BACK ROW: A.L. OLIVER, D. WHARENUI, T.L. AURTHUR, R.P. BRAY, K.G. PARRY, B. LANAUZE, MR Q. JOHNSTON (COACH).  
 FRONT ROW: B. TAURNAGE (2), G. MATHEWS, B. TAURANGA (1), M. VINCENT, M. POMANA, M.B. FALCONER, M.W. DAVIS.

## SOUTH AUCKLAND SECONDARY SCHOOLS' CROSS COUNTRY

Ten schools again fielded various teams in the three grades run over the College course on Saturday morning, 5th October.

The individual results were as follows:

- JUNIOR:** 1st, E. Morrice (Papakura H.S.), 16min 54secs.  
 2nd, K. Ruthe (Manurewa H.S.), 17min 13secs.  
 3rd, R. Avery (James Cook H.S.), 17min 18secs.
- INTERMEDIATE:** 1st, R. Keene (Pukekohe H.S.), 19min 3.2secs.  
 2nd, R. McDonald (Papatoetoe H.S.), 19min 5secs.  
 3rd, A. Chapman (Marist Brothers), 19min 17secs.
- SENIOR:** 1st, M. Mahoney (Pukekohe H.S.), 17min 45secs.  
 2nd, M. Picard, (Papakura H.S.), 18min 13secs.  
 3rd, N. Bennett, (Papakura H.S.), 18min 52secs.

The team placings resulted as follows:

JUNIOR	INTERMEDIATE	SENIOR
1 Manurewa H.S.	25 Pukekohe H.S.	50 Papakura H.S.
2 Wesley College	47 Papakura H.S.	59 Pukekohe H.S.
3 Papakura H.S.	54 Onewhero D.H.S.	65 Wesley College
4 Aorere H.S.	67 Papatoetoe H.S.	70 Papatoetoe H.S.
5 Otara H.S.	73 Marist Brothers	77 Marist Brothers

6 James Cook H.S.	93 Wesley College	87 Manurewa H.S.	97
7 Papatoetoe H.S.	99 Otara H.S.	101	
8 Pukekohe H.S.	127		

On the whole our Wesley College competitors did well. Individual places gained were:

JUNIOR: I. Doust 4th; F. Wells 6th; J. Kenyon 13th; P. Bray 24th; D. Wilson 28th; P. Wilson 30th. (There were 48 junior competitors.)

INTERMEDIATE: K. Scarlett 12th; D. Dixon 14th; R. Bray 27th; I. Hudson 34th; P. Foote 38th; D. McMillan 46th. (There were 49 intermediate competitors.)

SENIOR: T. Arthur 10th; R. Young 12th; M. Scarlett 18th; R. McKenzie 22nd; J. Commins 24th; L. Donald 34th. (There were 42 senior competitors.)

To date the best times recorded over the present course have been:-

JUNIOR: J. Walker (Manurewa H.S.), 16min 2.3secs., 1965.

INTERMEDIATE: R. Nicholson (Wesley College), 18min 4.8secs., 1965.

SENIOR: M. Mahoney (Pukekohe H.S.), 17min 34.6secs., 1967.

## WESLEY COLLEGE CROSS COUNTRY RUN

The annual cross-country runs were held at Wesley College under perfect conditions on 2nd October. The standard of fitness, over the same course as last year, was reflected in the improved times produced in all grades. The qualifying time this year was lowered from 26 minutes to 25 minutes for minor and intermediate competitors, and from 25 to 24 minutes for the juniors and seniors. The course for minors and juniors is approximately three miles, while the course for intermediate and senior competitors is approximately 3½ miles.

The annual South Auckland Inter-secondary Schools' Cross Country races were to be held over the same courses on Saturday, 5th October, and the runs at Wesley College created widespread interest.

The results are as follows: (Sch: School; St: Stanton; W: Winstone; Sim: Simmonds.)

MINOR: D. Wilson (W), 18mins 26.5secs., 1st.

P. Wilson (W), 19mins 15secs., 2nd.

K. Kelly (Sch), 19mins 52secs., 3rd.

T. Kawiti (St), 19mins 55secs., 4th.

W. Kemp (W), 20mins 6secs., 5th.

J.A. Corry (St), 20mins 30secs., 6th.

32 competitors in the grade crossed the finishing line in less than the standard time of 25 minutes for the course.

JUNIOR: I. Doust (W), 17mins 29secs., 1st.

F. Wells (Sch), 17mins 39secs., 2nd.

J. Kenyon (Sch), 18mins, 3secs., 3rd.

R. Henry (St), 18mins 39secs., 4th.

D. Morris (Sch), 18mins 52secs., 5th.

P. Bray (Sch), 19mins, 7secs., 6th.

No less than 35 competitors in this grade completed the run in less than the standard time of 24 minutes.

INTERMEDIATE: K. Scarlett (St), 19mins 48secs, 1st.

I. Hudson, (W), 20mins 20secs., 2nd.

D. McMillan (Sch), 20mins 41secs., 3rd.

D. Dixon (Sch), 20mins 50secs., 4th.

R. Bray (Sch), 21mins 10secs., 5th.

B. Brunton (Sim), 21mins 15secs., 6th.

Fifty-one boys in this grade crossed the finishing line in less than the standard time of 25 minutes.

SENIOR: M. Scarlett (St), 19mins 56secs., 1st.

R. Young (Sch), 20mins 10secs., 2nd.

T. Arthur (Sim), 20mins 40secs., 3rd.

G. Murphy (Sim), 20mins 44secs., 4th.

E. Holloway (Sim), 21mins 3secs., 5th.

J. Commins (St), 21mins 8secs., 6th.

35 boys in this grade completed the course within the standard time of 24 minutes.

HOUSE POINTS: For the Winstone Cup, School and Winstone houses tied for first place with 11 points each. Simmonds and Stanton houses tied for third place with 9 points each.

SCHOOL RECORDS: To date the best performances by a Wesley College athlete over the present courses have been:

MINOR: P. Bray, 17mins 52 secs., 1967.

JUNIOR: B. Budge, 17mins 5secs., 1965.

INTERMEDIATE: R. Nicholson, 18mins 4.8secs., 1965.

SENIOR: G. Willdridge, 19mins 28.5secs., 1965.

## TABLE TENNIS

This year the standard of table tennis has been exceptionally high and has surpassed that of previous years. The purchase of new tables and the increased numbers participating in this sport have resulted in some fine results.

The doubles results were as follows:

JUNIORS: A. Tuoro and D.S. Morris.

INTERMEDIATE: T. Searancke and S. Kaho.

SENIORS: S. Aho and R. Kara.

The school championships were won by A. Tuoro (Junior); T. Searancke (Intermediate); and S. Aho (Senior).

E. A. MEIKLE.

## TENNIS THE S.A.S.S.A. TOURNAMENT

A typical inconsistency in the weather this year moved the date of the South Auckland Secondary Schools' Association from the 8th-9th March to the 12th October.

A major change this year allowed only one day instead of two for the Tournament; and this meant, in effect, that only school champions were competing.

Fortunately, October the 12th dawned a fine, but rather windy day; and after a slight delay en route due to a blow out in one of the College van's tyres we arrived at Papatoetoe.

The College Representatives were:

SENIORS: S. Aho and W. Timoko.

INTERMEDIATE: D. McMillan.

JUNIORS: A. Tuoro and D. Morris.

Although defeat was the final outcome of the matches, our boys acquitted themselves well against a very strong opposition from the state school "Giants".

The most exciting match was the Senior Doubles where we competed against a Manurewa team and appeared to establish superiority quite early in the game, leading 7-5 with only two more games to go to win this match. However, the Manurewa team gained ground to eventually win a close 9-8.

## SCHOOL TENNIS

The results of the 1967 School Tennis Championships were concluded only after the 1967 Collegian had gone to the printers, but the following were the results:

SENIOR CHAMPION: S.M. Fotu.

INTERMEDIATE CHAMPION: W. Timoko.

JUNIOR CHAMPION: D. McMillan.

MINOR CHAMPION: A. Tuoro.

The 1968 school championships will be played off just before the school closes for the summer holidays.

E. A. MEIKLE

## FIRST XV RUGBY

The final game of the season was played in mid-September against Tuakau. Wesley College won this match 30-5.

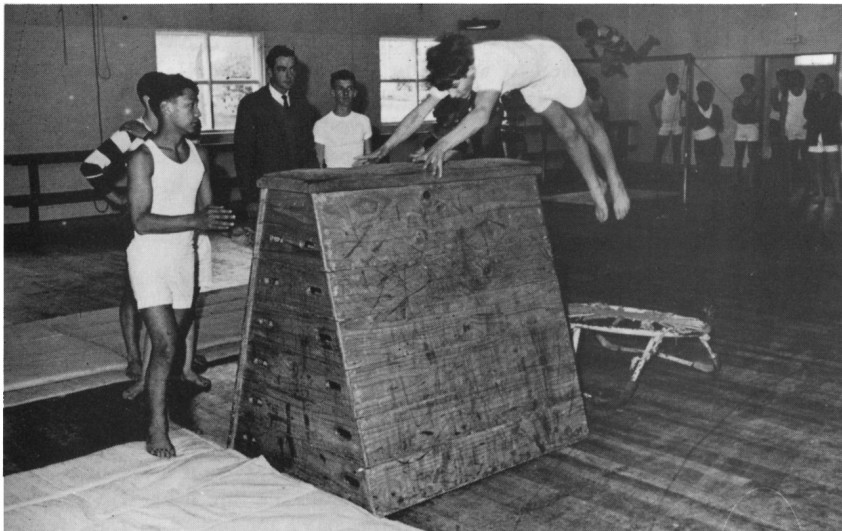

The season's record is as follows: games played 19; won 16; lost 2; drew 1. Points for 255; points against 124. This points tally is made up of: 60 tries (Aho 19, Rolando 13, Sibisopere 10); 30 conversions (Searancke 26); 4 penalties (Searancke 4); and one dropped goal (Wellington).

Altogether this has been a most successful season. To those boys who are leaving school: we wish you good luck, and may you always enjoy your rugby.

## OLD BOYS' NOTES, 1968

This year's annual reunion held on Saturday, 15th June, was quite well attended. It was pleasing to see so many new faces, including that of Rangi Ellison (1931-1934) from Dunedin. For the second year in succession the First XV defeated Old Boys in the Knott Test Match - a sure sign that College rugby is continuing to improve! The annual general meeting was held after the match, and in the evening well over one hundred were present for the annual dinner. The whole reunion was, however, tinged with sadness, for only a month before "Snow" Knott had passed away. He above all others was the continuing link between College and the Old Boys - a link which lasted 41 years. At the annual general meeting a proposal by Mr A. Winstone that an M.B. Knott Memorial Bursary be established was carried unanimously. Mr Winstone himself then opened the Bursary Fund with a very generous donation of shares.

At the meeting, as it was decided that the present time is not opportune for the operation of fund-raising campaigns, it was agreed to hold the Chapel Project in abeyance. A subsequent meeting of the executive agreed, however, to send out a postal appeal with \$6000 as the target. This appeal is to be launched soon. There may also be many present pupils, parents of boys and friends of the College who would like to make a donation to the Bursary Fund. If so, donations should be sent to: The Secretary, Wesley College Old Boys' Association, P.O. Box 2228, Auckland.

Officers for 1968-1969 were elected as follows: Patron, Mr E. TeR. Tauroa (1944); President, Mr R. Elliott, (1933-35); Vice-President, Mr J. Te Tuhi (1949 - 51); Secretary - Treasurer, Mr H. C. Keyte (1953-56); Assistant Secretary-Treasurer, Mr Ian Barton (1951-55); Committee: Messrs J. Beever (1926-29); R. Treloar (1929-30); J. Bickers (1934); M. Hogben (1954-57); J. S. Cheeseman (1954-56); Mr J. Royal (1952-55).

Although we were sorry to lose Mr C. Neate at the end of 1967, all Old Boys are more than pleased to welcome Mr Tauroa - well-known to us as an Old Boy himself and during the last three years as Vice-Principal. The Association wishes him well and assures him of our full support.

Who's who on the executive? Our new president Mr R. Elliott is a bank manager, and the new vice-president, Mr J. Te Tuhi, is in the Army. Mr H. C. Keyte is a barrister and solicitor while his assistant, Mr Ian Barton is forester stationed at Hunua.

The committee members also follow varied vocations: Mr J. Beever (our immediate past president) is science master at Tamaki College; Mr R. Treloar is a clerk at Papatoetoe; Mr J. Bickers is a hairdresser at Howick; Mr M. Hogben is a personnel officer in Auckland; Mr J. S. Cheeseman is teaching at the College; and Mr J. Royal is a farmer at Ohere.

It is with deep regret that we record that A. Tudehope (left school in 1935) and K. Hakopa (1947-1950) both died during 1967.

Eric Beavis (1947-51) who was a member of last year's executive is at the moment of writing these notes on a trip round the South Pacific escorting a group of pupils from his school. While away he hopes to look up Old Boys in Tonga, Samoa and Fiji.

In July the Methodist South Auckland Christian Youth Movement held

a Youth Service in the College Chapel. The service was taken by the movement's President, Bryce Nicholls (1958-59) who is an Old Boy; and the address was given by another Old Boy, Ian Barton (1951-55). About fifty CYMM Members attended the service as well as the present pupils. All the visitors were impressed by the singing - one sixth-former from Papakura High School was heard to remark that the whole 1400 pupils at his school could not produce half the volume our 220 Wesley College boys can rouse!

There is no other news to hand. All boys leaving should join the Old Boys' Association at once. In addition, the Assistant-Secretary will always be glad to hear news of Old Boys. He is Mr Ian Barton, and his address is School House Road, Hunua, R.D. , Papakura.
