Farm Manager: Mr O. Reeve

PRINCIPAL'S COMMENT

As I savour the granting of a Woolf Fisher Fellowship for 1979 I can only feel humble and grateful. To receive an award of this magnitude must be the personal highlight of any teacher's career. In this case, however, I believe the award has been made to the school rather than the man. Building on a sound tradition of 130 years history, we have made substantial progress in the last five years. None of this could have been achieved without the loyalty and dedication of an outstanding staff. I feel too, the award recognises the success of Wesley's Conditional Integration. This major change in educational policy - the integration of a private school into the state system with an independent hostel, could not have been accomplished without the wise counselling and co-operation of the Trust Board, Board of Governors and Education Department. The fact that Wesley's agreement is being used as the basic blue print for the integration of many other private schools illustrates the success of our College.

All teachers need sabbatical leave - a time for recharging the educational batteries, learning new skills and gaining fresh knowledge. I hope that my good fortune will soon be available to other teachers at our school. Mrs McDougall and I are looking forward to our three months trip to America, Great Britain and Europe with keen anticipation and we sincerely hope that the experience gained will ultimately benefit all students at Wesley College.

The school records with regret the loss of three teaching staff for 1979.

Mr Ron Teasdale has been Head of Science and senior chemistry teacher for four years. He introduced Soccer to the school and is largely responsible for the high standards being achieved in the sport. As senior master in the Junior dormitory he has assisted many young boys to settle into the boarding routine and he has been responsible for the outstanding levels realised within this area.

Mr Bob Lendrum has also served at Wesley for four years in the role of Head of Social Studies and senior geography master. With his brilliant sporting background he has made a major contribution to improving the College's standing in rugby and cricket. As master in

charge of day boys he has helped maintain the standards we expect of our non-boarding students.

Mr Bruce Reynolds has been Head of Agriculture for two years. His enthusiasm for the subject has given the course a new modern direction. The boys have really appreciated the many trips he has organised to farms and research stations. His efforts for junior rugby and hostel recreation have also been valued.

Wesley wishes our three leavers continued success in their new and deserved appointments; Mr Teasdale as H.O.D. Science at Dilworth, Mr Lendrum as H.O.D. Geography at Rosehill, and Mr Reynolds as H.O.D. Biology at Pukekohe; and thanks them for their service to our College.

John McDougall

TECHNICAL BLOCK OPENING

On the 21st of March the new Technical Block was opened by the Minister of Education, the Honourable L.W. Gander. As an honour to him our School Polynesian Club put on an impressive display of hakas and the traditional Maori welcome.

After his acceptance of the teka he gave a short reply, some of which was in New Zealand's native tongue and he received the key to the main door. Without further ado the door was opened and a new building was incorporated into the present complex. A plaque has been erected in the corridor to commemorate the occasion.

Minister of Education speaking at opening of Technical Block, and Harold Denton, Chairman of the Board.

Les Gander presents a gift to Willie Royal to celebrate the opening of the Technical Block.

WINSTONE CUP COMPETITION 1978

Over the year, the four houses compete amongst themselves in many sports and activities. The following is a summary of the results up to the 1st October 1978, at which time Stanton was the leader with 108 points, Simmonds second with 87 points followed by School and Winstone with 76 and 63 respectively. Each house competes at various levels from Seniors, through Intermediate and Juniors to Minors. In most competitions, the total house involvement decides the winner of that competition, so only the total house result is given:

| EVENT | CHAMPION HOUSE |
|-----------------------------|-------------------------|
| Swimming Tabloids | Stanton |
| Swimming Championships | School |
| Athletics Tabloids | Stanton |
| Athletics Championships | Simmonds |
| Tennis Championships | Stanton |
| Speech Contest | Stanton |
| Table Tennis Championships | Stanton |
| Badminton Championships | Simmonds |
| Hockey Championships | Stanton |
| Soccer Championships | Stanton/School/Simmonds |
| Cross Country Championships | Stanton |
| Choral Contest | Simmonds |

Results are still to come for the Cricket, Softball, Academic and Dormitory Competitions, but it looks as if Stanton are going to win the Winstone Cup for the second year running.

J.G. Hall

WINSTONE CUP COMPETITION 1977

The winners of the Winstone Cup in 1977 were Stanton House with 137 points out of 440 points available, thus gaining 31% of the total and being worthy winners. Winstone House were the runners-up with 120 points followed by Simmonds and School with 107 and 75 points respectively.

No summary is given here of the past year's various competitions between houses, but in the future it is hoped to bring readers a fair commentary on the Winstone Cup from year to year.

HOUSE NOTES

SCHOOL HOUSE REPORT

Masters: Messrs Cheeseman, Lendrum and Meikle
Squad Leaders: A. Ryan, R. Gabb, S. Wright, E. Rangihueua, N. Shyam, S. Williams, T. Lane and G. Queenin.

We would like to thank all of the above people for their efforts in house commitments. The staff were always there when we needed them. And the squad leaders were always ready to step in and lend a hand when we were not present. But we think that most of the thanks should go to the boys in the house because the spirit of the boys is very high this year.

This year we have had a mixture of successes with swimming and athletics. Our most outstanding swimmer being D. Edwards who was junior champ., and E. Mareroa who finished 3rd in the seniors. Our overall placings were 2nd in the tabloid swimming and once again took the championship. In athletics we once again showed good spirit even though we finished 3rd overall in the tabloids. In the championship round we shared the honours of senior champion with Simmond House our champion being Gr. Watene and J. Gadd finishing as runner up to Jnr Toso of Simmonds.

At this moment School House is lying 3rd after two great performances in the Cross Country and the Choral Contest.

Once again we would give our thanks to all the people concerned with School and we wish the boys all the best for future years. Keep up the good spirits boys, and thanks for a fine year.

Graeme and Clifford Watene

WINSTONE HOUSE

House Masters: Mr Johnston, Mr Bradshaw, Mr S. Fordyce, Mr Reynolds
House Prefects: R. Smith, S. Randell, F. Wilson

Definitely a different year for Winstone House.

Winstone house like other houses exists to make the organisation and running of the school more easy. It has however provided more than

this, its members have adopted a sense of belonging from which a pride or house spirit has emerged.

The ideas of the house have undergone a profound change in the last two years. No longer is emphasis placed on the ability to stand at attention and unquestionably follow the leaders (the timing of this change was most fortuitous considering the places and situations the leaders often find themselves in). Emphasis has been placed on self responsibility and a number of younger house members have been given opportunities to display leadership. A much more relaxed atmosphere has resulted and as house members have felt freer and more able to take their problems to House prefects, squad leaders and house masters then this policy must be considered a success.

This year Winstone House has not fared as well as usual in the Winstone Cup competition. This has been due to a number of factors including a virtual absence of any significant numbers of capable sportsmen. This, while being a factor which could not be avoided was not the only reason for our lack of success.

Of greater importance was the large number of non participants - some genuine, others chronic hypochondriacs, malingerers and dodgers. It is our belief that the house in this sense is only as strong as its weakest members, and greater "counselling" of such members will take place in future years.

To those members of the house who have given of their best (be they champions or last place getters) thank you. You have participated in the spirit required and if you continue to do so later in life you should succeed.

To those members leaving we wish the best of luck and happiness.

Finally we offer our congratulations to the other houses. The spirit of co-operation within a competition that has been shown this year is most refreshing.

STANTON HOUSE

Essential to good House spirit is good leadership and this year our House has been lead by three fine young men. William Royal, Galo Galo and Murray Jacobs have done a meritorious job and have set a good example for others to follow. The House is grateful to these people for their lead.

With the advent of the inter-house competitions the House has tried hard and have been rewarded with numerable successes. In the swimming championships H. Muru came first in the intermediates and D. Kawiti in the minors. The latter performed a remarkable feat by winning every race. Next came the tennis in which M. Barclay and A. Croydon won the two highest titles. Also in the table tennis our indomitable man, William Royal was the school champion.

Academically our House is well represented and we were second overall on points. Particular congratulations to Peter Riddell of the

seventh form who looks like he will be school Dux. Tidiness is an unusual area for boys to excell in at any time but with introduction of the Dormitory competitions, our Intermediates and Juniors have managed to achieve a high standard of cleanliness. This has been a credit to the dormitory Prefects, M. Royal, C. Takarangi and R. Jolley. Finally, in the Speech Contest our mascot D. Kawiti was the junior champion.

Our gratitude to Mr Burt, Mr Ducker and Mr Turuwhenua who have done an admirable job in helping our House in many respects. Good luck to those leaving at the end of the year.

SIMMONDS HOUSE REPORT

House Teachers: Mr R. Teasdale, Mr W. Chessum, Mr T. Sargent

House Leaders: S. Singh, L. King

House Prefects: S. Wylie, K. Jennings, M. Paki

Simmonds started the year with a rejuvenated spirit which has been missing in the past years. Under the leadership of S. Singh and L. King the house has risen up in the school status academically as well as in the field of sports.

In our midst we have some very talented young men. S. Wylie was the senior school swimming champion and was also first in the Manukau Secondary School Swimming Championships breaststroke finals with a new record time of 1.27. Our other grades also performed well in the pool.

In the school athletics championships, W. Newman was the minor champion and P. Ropata third in the Intermediates. The glamour boys of the Simmonds athletics were K. Jennings and L. King. Kirk was third in the 1500 metres and second in the 5000 metres. L. King brought honour to the House and school by winning the M.S.S.A.C. 100 metres final. Our congratulations to you both. Good luck to Kirk, the school athletics champion, who's gone back to sunny Fiji.

In the tennis championships, J. Toso was the Junior champion with R. Valler coming second in the Intermediates. In the table tennis championships W. Newman was the minor champion. J. Toso was the junior champion and G. Reeve was runner-up in the senior championships. N. Downs was the junior champion in the Cross Country Championships, while W. Jonasson was the senior champion in this event.

In the academic field, Simmonds won the speech contest. C. Perese was senior champion and S. Singh runner-up. In the Cultural Events Simmonds got a well deserved victory in being the Choral Champions for 1978. We have done reasonably well in the Dormitory competitions and hope to finish the third term on a winning note. At present we are second in the Winstone Cup competition. We hope to do well in the third term.

On behalf of the house I would like to thank the House teachers and my fellow prefects for making this year an enjoyable and successful

one.

Best of luck to all those who are leaving and we wish you all a Merry Christmas.

S. Singh

JUNIOR DORM REPORT

At the time of writing this report the Junior dormitory was working and functioning well. The majority of the boys, first years, were very co-operative and have settled down well. But like any group, we had the odd person spoiling it for the others.

The standard in the dormitory was high, often higher than that of the Intermediate dormitory or Harding Hall which was justified by our high marks in the dormitory competition. Most of the boys were tidy and conscientious which lead to a tidy dormitory as a whole.

Most of the boys we know are going to find their years at Wesley very enjoyable.

At the time of writing, Stanton and Simmonds were leading the dormitory competition with Winstone and School following closely.

Finally on behalf of the boys and dormitory Prefects I would like to thank the Junior dormitory Masters for a very enjoyable year. Thank you boys for a good year and good luck next year.

SCHOOL ACTIVITIES

CHAPEL REPORT

In a building and setting often taken for granted, Chapel continues as the focus of Life and Faith in the College. The regular maintenance and cleaning of the Chapel requires much work, especially from Mr and Mrs Silva, with assistance from Chapel Monitors. We thank these boys who served for all or part of 1978, D. Booth, L. Eveleigh, G. Glendenning, S. Goodman, P. Harpur, S. Hetherington, R. Kruse, D. Scarborough and R. Sides.

One recurring problem is nesting starlings, as well as roosting pigeons, whose 'deposits' attract a negative 'interest'. However, D. Booth finally 'caught' up with their schemes. This year the last cloth-covered hymnbooks were phased out, and all seats now have the red hard-covered books. D. Witherall and E. Eason are very helpful with a lot of routine repair work on the books.

Mr Chessum is the regular minister, but visiting preachers have included Rev. G. Bennett (Pukekohe), Mr R. Fordyce (College), Mr L. Buttimore (Waiuku), Mr Harkness (Inter-schools Christian Fellowship), Mr B. Olsen (Tuakau College), and 3 students from St Johns, who were quickly 'sized up' by the boys: Mr Short, Mr Small and Mr Biggs.

A highlight during Term 1 was the visit of the 'Certain Sounds' musical group from Auckland Youth for Christ. During October a number of boys went to see 'Ride Ride', the musical based on a story about John Wesley. Our Chaplain was musical director, and several ex-pupils, teachers and residents were in the cast and orchestra.

Confirmation this year was at St Andrews Anglican Church in Pukekohe. During the combined service 8 young people from the Parish and 6 from the College were confirmed by the Rev. E.D. Grounds (Methodist Chairman) and Bishop Spence of the Anglican Church. Those from the College were Ian Bell, Allan Blair, Dean Gordon, Tim and Philip Wilcock and Anne Reeve, daughter of our farm manager. Murray McKenzie was in our class, but was confirmed at New Lynn.

The 1977 Coral Service was a fine end to that year and we look forward to a similar occasion this year with guest organist Dr John Ronaldson of Pukekohe.

4P OUTDOOR EDUCATIONAL CAMP - PARAU BAY

We departed on our trip well supplied to meet the foe i.e. the flounder we had hopes of catching. Our sleeping bags, cases and flounder spears were loaded into the bus. We left the school grounds at approx. 9.00 a.m.

We arrived at our destination about 10.30 a.m. We were allocated our sleeping quarters and were allowed the run of the area before lunch.

The first meal at camp made a big impression on the boys. Mr Ducker then talked on rules of the camp which by that time had already been broken by certain members of the class. We were allowed freedom for the rest of the afternoon. After a good meal we went floundering under the supervision of Mr Turuwhenua. Our hopes of bringing back sacks of flounder were slightly somewhat dashed due to the conditions of the sea, the flounder were absent.

To our dismay we were woken up at 6.00 a.m. in the morning and taken down to Mr Duckers idea of a keep fit course. This was not appreciated. Later that morning we had a visit from Mr Roy Forbes, a forest ranger, who told us about the history of the area and a few simple safety rules for use in the forest. After that the boys rode on Mr Hanks' (a neighbour) horses. This was well appreciated.

Then came the tramp. After lunch we set out in 2 groups. One group was under Mr Turuwhenua and Mr Hank, the second group was under Mr Ducker. During this tramp we saw the Huia Dam and the Tom Thumb giant Kauri tree. Very tired and footsore we returned to camp to have a lie down and admire the size of the blisters on our feet. After a short rest we had a lesson on compass work. After tea we tried again to catch that elusive flounder, but this time with more sophisticated help from Mr Ducker's brother who used flounder lights. However, all we managed to catch were approximately 35 piper and a couple of colds. We then had to show our knowledge of compass work at about 11.00 p.m. After trudging around in the dark trying to find some little flags and getting lost we returned to camp. We were treated to a feed of pipers, mussels and Maori bread. That food went very quickly and according to some was the best part of the camp. We all went to bed with full stomachs.

Again we were woken up for keep fit lessons. After breakfast we had competition games, one group versus another for the better time. This was quite fun. After lunch we tried our hands at knots. We learnt some new knots and hitches.

We left camp at 1.00 p.m. and arrived back at school at about 3p.m. Altogether it had been a most worthwhile experience for all members of the form, and I am sure it was deeply appreciated by all.

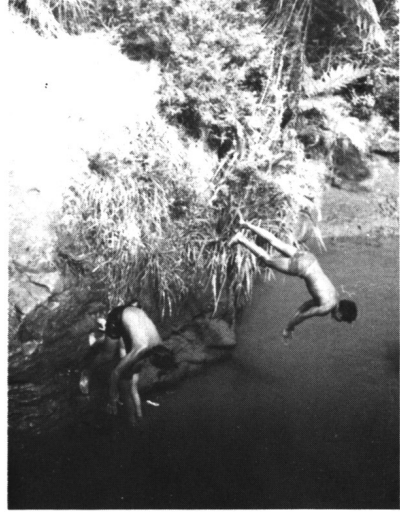

On behalf of the 4P pupils I would like to thank Mr Turuwhenua and Mr Ducker for their time spent on the organisation in making this camp more enjoyable to the form. I would also like to thank Mrs and Mr Tauranga and Mrs Gordon for

their help in the kitchen. The efforts of these three people were well received and appreciated by all.

The good thing about this camp was the way we got to know each other, including teachers, more than we do at school. This helped us in our interaction with others.

I. Bell 4P

AUSTRALIAN TRIP

During the May holidays our 1st XV Rugby, 1st XI Soccer, and 1st XI Hockey were fortunate enough to visit Melbourne, Australia for 12 days. We expected sunshine but were warmly received by wind and rain, yet this in no way detracted from the joy and curiosity we experienced.

Our days were spent touring and playing games interspersed with shopping days from our base, Caulfield Grammer.

Of the teams that went the Rugby was the most successful by far, having won three out of three with about 200 for and none against.

Unfortunately Soccer and Hockey were outclassed but they gained valuable experience. A special thanks to Mr McDougall and the other

staff who accompanied us on our excursion which was enjoyed by all.

ST KENTIGERN VISIT

On August 9th St. Kentigern's came to Wesley for their annual games. In the past, competition has been keen with a good spirit linking our two schools. This year the first, second, third, fourth and sixth fifteen Rugby teams played as well as the first Soccer, first Hockey and the Cross Country team.

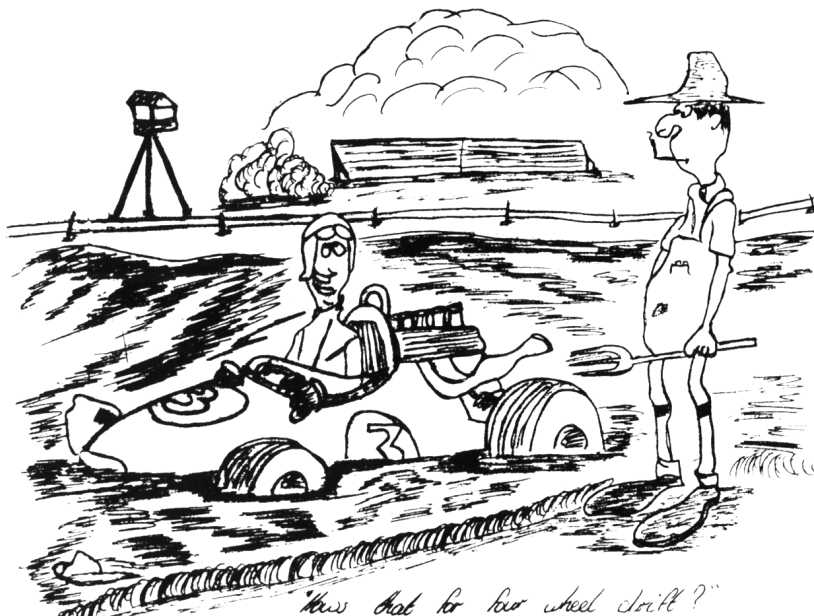

In the past Wesley have been narrowly beaten but this year the position was reversed. While Soccer, Hockey and two Rugby teams lost by insignificant margins, the other teams won. In particular, congratulations to the Cross Country team of W. Jonasen, P. Hames, M. Lowe and R. Sides who managed to occupy four of the first five places. All in all, a good day enjoyed by participants and spectators alike.

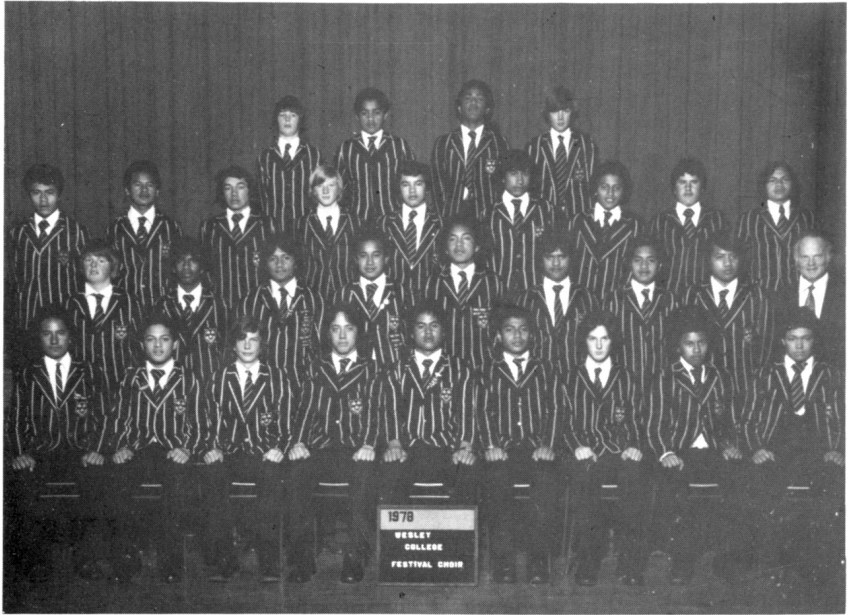

TE AUTE VISIT

In the noble month of July, Te Aute set foot on Wesley soil for their traditional annual match. They had a good reputation but Wesley's hopes were high, and the game promised to be a classic.

The following day after their arrival Te Aute met Wesley and defeated them 15-13 in a game that will long be remembered for its fast forward play and its brilliant running by the backs. We enjoyed having them here to stay and we look forward to seeing them again next year.

MANUKAU SECONDARY SCHOOLS FESTIVAL CHOIR

This year Wesley contributed about 30 boys to join this choir and most of us enjoyed getting out and meeting different people. The whole choir consisted of about 200 girls and boys. Being the strong point of the choir we were congratulated by all the conductors and all the teachers from different schools.

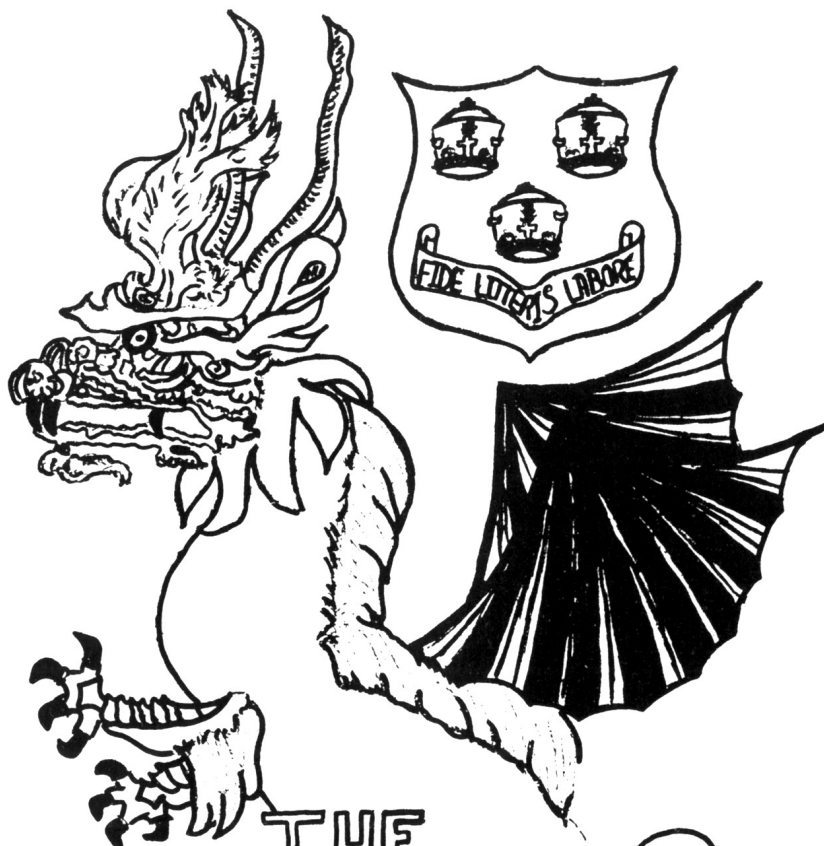

On the first night of the concerts we performed at Otahuhu College and had the pleasure of watching our Polynesian Club perform a fantastic item. During the night one of N.Z.'s best opera singers came and helped the boys sing their parts correctly.

The second night was at Papakura High School and was the last performance. We had to bunch up mainly because the hall was so small. This wasn't as successful as the first night but we all still enjoyed it.

Lastly I would like to say thank you to all the conductors and most of all to Mr Chessum for giving up his lunch time to try and teach us the songs we had to sing.

7TH FORM REPORT

It was a surprise to the 7th Form who found themselves with an unexpected new Form and English Teacher namely Terrence Power.

Soccer was played weekly, you could say it was the World Cup Series, the spirit was there and so were the skills we thought.

Academically the two who didn't take English led the class, namely Peter Riddell and Kevin Hames. Only three of our class were chosen as school Prefects.

Halfway through the year Stephen Fordyce joined us as our new English and Form Master. Since his arrival our standard of English has improved dramatically as well as our approach to life.

As a class we would like to thank him considerably.

6TH FORM REPORT

At the time of writing this report, our accrediting exams are but a week away and heads are bent in toil! For some of us this is our last year at Wesley and looking over past events of the year, the 6th form has been credited with a number of notable successes (failures are forgotten).

We played two very successful rugby games, the first, a friendly match against St. Johns. Injuries were sustained on both sides, but just to prove it was friendly we all shook hands after the match. The 5th form game was more of a tussle with the 6th formers finally running out the winners 13-6.

On the academic side, our class had a very high pass rate for S.C. last year and are hoping for an equal success rate in U.E. this year. In other fields we have had some notable individual successes. These include Swimming Champ., Athletics Champ., Table Tennis Champ and Cross Country Champ. We are indebted to Willie Royal (head prefect) and Mr Lendrum, our form teacher, for their leadership and encouragement throughout the year. Thanks also go to all the teachers who have put up with us throughout the year.

Finally to all those who are leaving, the best of luck in your future careers, and to those who are returning 'Here's to success'.

R. Jolly & P. Hames

FORM 5 GEN.

Class Captain - Clifford Watene
Vice Captain - Gavin Watene
Form Teacher - Mr Bradshaw

Form 5G consisted of 24 pupils with one who had to leave the college because of sickness. The Form has two Dorm. prefects, they are Eric Rangiheuea and Tony Hale. We also have one school prefect, Clifford Watene. As you can see our class consisted of pupils who were responsible throughout the school.

The class is also renowned for its capabilities in sports. It had four 1st XV players (a team who came first in the South Auckland competition), five 2nd XV players (a team that came second in the South Auckland competition). The tradition of the College is that each Form plays one another. We played 5P in our first game, beating them in Rugby and Soccer, with still Hockey to come. Being a good sporting class we were not expected to tip them (5P) in the academic field but when the mid-year results came out we had a higher average in passing rates. This all had an effect on the class as a whole, building up the competitive spirit of everyone. Mr Bradshaw and four first XV players from our class went to Australia to play Rugby, Hockey and Soccer in May. Eight rugby players were picked for the 5th form reps and seven soccer players for the 5th form reps.

The class consisted of five different races: Sri Lankan, Samoan, Tongan, European and last but not least, the majority, Maori. Over all the class was very successful and I would like to wish them all the best in the future.

C.W.

FORM 5R REPORT

5R is a new fifth form to the school with a role of 19 pupils and Mr Reynolds to keep us in line, where could we go wrong.?

Our form captain Ngatai Riini was always setting the "Example"!!!

As always every class has its 'memories' (good or bad) and our class had more than its share - (mainly good).

5R has had a good year and progressed well throughout the year, thanks to Mr Reynolds. We've had a few rough spots but "Where there's fire there's water".

5R as a whole would like to thank the teaching staff for being so tolerant with us. Last but not least a big thank you and Merry Christmas from 5R to

"Mr Reynolds".

F. Waiwai

FORM 5P

This year's form consisted of a varying number of students. At the beginning of the year we had 28 pupils in the class. We soon lost three; P. Kaho was moved to the sixth form, K. Jennings and N. West left later on.

We have had a reasonably good year with academics and the Form competition. The standard of academics was not as high as last year's 5P but it is still very high. Great class spirit was present during the year, especially during inter-class rugby. We were challenged by 5GA first of all, late in the second term. Defeated in the last ten minutes the final outcome was 20-11. A good game. Later some of the more respected players of the form represented the 5th form team against the 6th's. The final score for the game was 15-6 to the sixth form. Over all it was an excellent year for us.

Roger Jolley, Form Captain

4GA CLASS REPORT

We have had an enjoyable and interesting year. Leadership has come from Mr Sargent, our form teacher and from Willie Edwards our form captain. In addition Sashi Singh has been our Prefect, and "Shaft" and "Rumpsteak" our Prep Supervisors. At the time of writing we are in the lead in the Form Cup and are confident of winning for the second year in a row. This is due to good leadership but in particular, the very good spirit which exists in this class. We have our share of sportsmen too. Huri Muru was Intermediate Swimming Champion and he along with Shane Benjamin and Warwick Terry represented the College at the Inter-Secondary Sports. In tennis Roger Valler was runner-up in the Intermediate Grade and Shane Hetherington, Darren Gabb and August Maunsell were all Counties Rugby representatives. Craig Cullen is a promising golfer and John Tahu and Roger Valler represented the College at Table Tennis.

One of the highlights of our year was when we visited Parau Bay with Mr Ducker and a number of parents. The local people were impressed with our behaviour and manners.

FORM 4P REPORT

Term 1 for 4P was a "getting used to school" term. After mid-term break things settled down and soon plans for a trip were brought about, but the trip wasn't to be allowed if school work didn't improve. During the 2nd half-term things really did improve and our trip was approved, (it was part of our school syllabus anyway!)

The trip was planned to last over a three-day period. On the Wednesday we set off for Parau Bay. Our studies there ranged from fishing to orienteering to studying plant life. The meals were excellent in taste and amount. To this we owe much gratitude to Mr and Mrs Tauranga and also Mrs Gordon.

We had a few good moments for M. Barclay who won the Inter-tennis Tournament, P. Ropata who made it into the 2nd XV Rugby team, P. Scarborough who headed the top of the class academically and two of our three candidates for the Intermediate Speech Contest came through. They were John Evans, 1st and Ian Bell, 4th.

In term two, nothing much happened save the fact that a lot of hard work was done and as a result the half year marks were pleasing for most students and parents. This period was trying for the teachers, thanks for having patience.

In term three 4P challenged 4GA to a rugby match in which 4P came out on top with a score of 10 points to 4. 4P's work as a class has improved throughout the year and many thanks go to our teachers to whom we owe quite a lot, even if a few pupils did think they were nuts. All in all it has been a very enjoyable year.

M. Lewis

3GA FORM REPORT

This years 3GA have been a real mixture of a class. As one would expect in a school like Wesley there are many different races and personalities.

In the classroom the class as a whole has a reasonable reputation for co-operation and behaviour (reasonably good for some teachers and reasonably bad for others.)

The class has some very good leaders with J. Toso and W. Kawiti as form Captains. There were however a number at the opposite end of the leadership scale.

The new boys to the school settled in and the class developed quite a good class spirit. For a while it appeared as though we could win the Form Cup, however this opportunity disappeared when a small number failed to do their jobs properly.

It is on the sports field that the class members have really done well and contributed to the school. The class provided the Minor and Junior champs; the Junior Athletic champ; the Junior Table Tennis champ; the runner-up in the Junior Swimming; Minor Table Tennis and Junior Table Tennis as well as Inter-Secondary swimming competitors, and a member of the 1st XI soccer team that went to Australia.

It is with interest that the boys look forward to another year together as 4GA 1979, but with the Christmas holidays approaching there are many things of much greater importance to think about.

FORM 3P REPORT

In the first term the class voted Clayton Ratu as class captain, (Clayton comes from Whakatane, Bay of Plenty). Our big mistake in the first term was not electing a vice-class captain to assist him in his job. Clayton performed his job well, but (as in any class), had trouble with a few uncontrollable persons, and it turned out that we came 5th in Form Cup points.

In the second term we straightened up (concerning Form Cup points), after Sam Galo (our form prefect), threw a wobbly one morning. The class voted for a new class captain after the resignation of Clayton. The new class captain was Bradley Walker and the first vice-class captain was Tai Turuwhenua, (Tai also comes from the Bay of Plenty). Before mid-term break we benefited from a social studies trip to the Papakura Magistrate's Court with Mr B. Lendrum (our Social Studies teacher and Counties water-boy).

In Form Cup points we finished just behind 4GA to gain a second place. I personally would like to thank these people (who are not mentioned above) for their assistance during the year: Mr Cheeseman (Form Teacher), Scott Wylie, Derek Enright, Roger Sides and Christian Lewis (Prep Supervisors). Thanks to all other 3P pupils.

B.E.T. Walker

FORM 2 REPORT

The most notable event as far as we were concerned was the fact that we changed 'homes' three times during the early part of the year. First to the area behind the science block, then to the area behind the new tech. block and then finally to the room that was the old woodwork room - where we are now fully established.

We have had a busy year with outside sporting activities - the most important being:

Softball Primary School Zone Sports. We entered two teams, one of which gained third place in the competition.

Swimming Zone Sports. All our swimmers performed well with the best performances being made by J. Crawford who gained 6 places in the finals, D. Brown who gained 3 places and R. Taylor who gained 2.

Inter Secondary Schools' Cross Country. At the time of writing not yet run, but our school minor team will include R. Margetts, W. Clarke and J. Crawford from this form.

Primary Zone Cross Country. We will be entering two teams in this event which will be run at Wesley College. Last year our teams did very well and this year we are out to do even better.

School Swimming Sports. Nearly all our members took part in this and John Crawford came third in the Minor Championship.

Tennis Championships. S. Ngatai is the Minor Tennis Champion.

In the Speech competitions, B. Wooderson gained second place in the Minor competition.

R. Taylor's poster publicising Youth Activity Week was awarded 3rd place.

At the conclusion of a social studies unit on conservation M. Dodds and M. Clarke constructed a solar water heater which worked well, raising the water temperature several degrees.

All in all we have had an enjoyable year, and wish to thank Mr Watson for his time, example and patience.

B. Wooderson, Class Captain

CLUB ACTIVITIES

POLYNESIAN CLUB

Every class in the college except one is represented in the membership of the Polynesian Club. The title is not inappropriate as the Cook Islands, Samoa, Tonga, Niue, Hawaii and New Zealand are represented. The average roll for the year has been fifty-four.

In two terms the club has given entertainment at the Clevedon Carnival, at Waiuku College, and the Manukau Music Festival; provided a powhiri for the Minister of Education, Te Aute College 1st XV, the Director of Youth Development for the Maori Affairs Department; offered tuition to groups at Hunua, Waiuku and Patumahoe; competed at a cultural competition at the Regatta at Turangawaewae; assisted at a service at Bucklands Church, during the Taranaki tour and the Whaikorero Contest at Nga Tapuwae College at Mangere.

It also gratefully acknowledges service provided by Mr K. Reedy who is still teaching a Ngati Porou haka, and Sister Hannah Hauraki who is teaching some hymns in Maori. Temuera Morrison assisted Irirangi Rangiheuea in not only teaching a haka and whakaeke but the club was privileged indeed to be taught the basic skills in the art of traditional weaponry. Exchanges on a one to one basis were made with the Te Aute College boys when they stayed at the college. The many hosts who received the club as their guests either as a club or as small groups of members are too numerous to name individually, but the sincere and warm thanks of the club go out to you all.

POLYNESIAN CLUB

It is usual to list the officers of a club but the Polynesian Club does not function like other clubs. It must have leaders and this is shared by many. It is the responsibility of each and every member to contribute to the club. Discipline, a high level of performance, neatness, loyalty and good conduct are only a few of the requirements for each and every member. Dedicated service, willingness to put out much more than required, attention to details, and an unceasing search for meaning and understanding in what is to be performed is expected of each and every member. There is no place whatever for selfishness, exclusiveness and arrogance. There is still a need for leaders, to lead, to show the right ways, to inspire, and to teach the new members.

May I on behalf of the Club extend its thanks to the Principal without whom so very many of the activities would not have been possible.

Polynesian Club

TE ROPU MAHI MAORI O TE KARETI WETERIANA

Ko te rōpū mahi Māori o te Kāreti Wēteriana, he mahi haka me te whakapai i ngā waiata, ngā mahi. He nui kē ngā tamariki kei roto i tēnei rōpū mahi Māori. He miki katoa ngā tamariki o te rōpū. Nō Tonga, nō Hāmoa, me Hawaii ētahi o ngā tamariki, ana, nō Niu Tīreni katoa ētahi. E rua ngā tamariki nō Tonga, kotahi nō Hawaii, e toru nō Hāmoa, ana, nō Niu Tīreni katoa ētahi. Tata ki te whā-tekau-mā-rima ngā Māori kei roto i te rōpū mahi Māori.

Ko ngā kaiwhakahaere i te rōpū mahi Māori ko Mr Turuwhenua rātou ko Mrs Johnstone me Fred Wilson. Ko ngā kaiwhakaako i te rōpū ko Howard Morrison, ko Maharaiā Paki me Frazer Waiwai, anā, ko Pita Kaho, nō Hawaii, te tamaiti hei purei i te kutā, ma te rōpū.

Ko nga taonga mā te rōpū mahi Māori he piupiu, he koikoi, he meremere, he tāpeka, me ētahi hei-tiki. Ko ngā wahi haeretia ai e te rōpū nei ki te haka, a, ki te mahi moni me ētahi atu mahi. Koinei ngā mea o te rōpū o te Kāreti. I ngā Wenerei ka parakitihī i ngā waiata. Ko ētahi o ngā mema kei te whakatarunga ki te parakitihī, a, kei te ngaro.

Ki a au kāore au e tino wari ki ētahi hoa koretake ki te haka. Ko ngā tāngata i tū ki mua koia na ngā mea haututū. Kāore he taringa o ēra.

DRAMA CLUB

This group started with some high aspirations, but due to the low number of boys interested these plans were dashed. With the few interested and the few not so interested students we instead practised voice control and voice emphasis and clarity. We also tried a few made-up skits. These worked quite well.

We therefore have higher hopes for next year.

BOXING CLUB

FRONT P. Reedy, D. Edwardson, W. Matamua, R. Wright, G. Watene, L. King, P. Ropata, T. Pole, D. Edwards

BOXING REPORT

The boxing club this year had a bit of a recess because of the re-decorating of the hall, but when it re-started the boys were into eager training again.

At this point I would like to thank Mr Sargent and Mr Silva for taking the time to give the boys this chance of learning this sport and I hope that it continues for many more years to come. I also hope that next year the club has a lot more chances to show other schools some of the talented boxers that we have. Thanks to all concerned must be given, and the best of luck for those who continue the sport.

Gr. Watene

HORSE RIDING

Horse riding, which started with eight enthusiasts at the beginning of this year, literally got off to a flying start when one of the riders and horses parted company. Changes occurred over the year and at the time of writing, two stalwart riders remain, attending regularly. Five riders would be an ideal number. The students enjoyed their riding and, it is hoped, will remember well what they have been taught.

The riders were taken each Wednesday afternoon, to the Isola Equestrian Centre at Waiuku, about 30 kilometres from Wesley, where they either had lessons or went for a ride. There was always an instructor with them. As there is an indoor arena at the Centre, bad weather does not mean that the rides have to be cancelled. On arrival, the students saddle up their horses which are waiting for them. After an hour-long session they unsaddle an, if time permits, brush down their mounts. In the summer this also involves hosing down and scraping off the sweat (of the horses). In the winter, quickly putting on the horses blankets and turning them into the paddock.

The gallant riders have been Shane McInnes, Lance Morey, Buddy Mendis, Shane Hetherington, Flenn Jones, John Evans, John Allway, Tony Wellington, Craig Takarangi and Stephen Goodman. Shane McInnes and Lance Morey have been the most regular attenders and, at present, are having jumping lessons and progressing very well.

Due to the horses having their rest weeks, the riders often had a change of horse, but Sprite, Jason, Theresa, Jeremy, Cindy, Sandy, Burton, Johnie, Thelwell and, last but not least, Bodicea have been in good demand. Interest was so high that the riders were invariably late for tea, provision of which was greatly appreciated from the kitchen staff.

Riding will continue in 1979. However, a minimum of six riders will be necessary to run the course at the present prices. Any students interested should obtain their parent's written consent. The present cost is \$3.50 per session. Long trousers and shoes with a heel are most necessary. Gum boots can be used as long as they can fit into a stirrup. A hard hat is essential.

Roz Hall

CRICKET UMPIRING

One of the Wednesday afternoon activities was Cricket Umpiring where, for the first half of the year, interested cricketers were given a full course in the laws of cricket and the duties of umpires. Several students were very keen and mastered a great number of the intricate laws... Amongst them were Graeme Raymond, Nigel Taylor, Darryl Rodgers and Richard McKinven.

At mid-year the students sat an examination set by the Franklin Cricket Umpires Association and no-one passed! This was rather a blow, but cricketers will realise that there is a massive amount of information and understanding needed to be grasped by any good umpire. Also the pass mark is 70% and several of the students gained above 50%.

The sort of question asked is "In what ways can a player be given out to a No-Ball; a) Striker only?

b) Either batsman?

Answer: a) Hit wicket and Stumped.

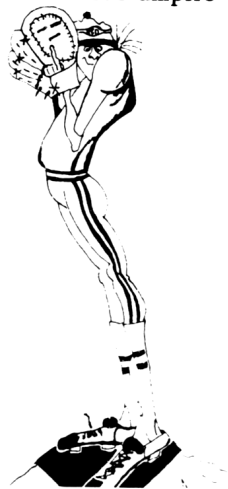

b) Handled ball, Run out and Obstructing the field.

Nothing daunted, an intensive four day course was held at Clarks Beach during the August holidays for those who could attend. The days were spent in hourly sessions of umpiring theory interspersed with table tennis, snooker, darts and knock-about cricket....when the course members were not eating or sleeping. On the last day a different exam was sat with, as expected, a much higher standard of scripts from the students. Bruce Bricknell of the F.C.U.A. and a Shell Series umpire marked the papers and two students gained passes.

The result of the hard work was that Nigel Taylor and Graeme Raymond both gained their Franklin Player-Umpires Ticket and the rest at least a much wider knowledge of the game of cricket.

It is interesting to note that there is only one person in Franklin holding a Player-Umpire Ticket at present and that the two students come from Manurewa and Papatoetoe respectivelywhich are not in Franklin!

John G. Hall

FILMS - PROJECTIONIST'S REPORT

Slowly, but surely, over the years film projection facilities have improved. For Saturday night films we now have a large screen...not ideal but better than the two joined screens we had before. The Hall has been renovated and the projection booth moved outside, over the top of the foyer. With two 15 ohm column speakers the sound is better than several years ago but the reproduction is still not the best.

The new projection booth is the same size as the old one and has a large fan which can both draw in and blow out air...it will probably be needed on hot summer nights, as the booth is no longer protected with in the Hall. A switch in the booth controls the lights in the Hall.

With the present price rises the number of relatively new films shown are few but, even so, there have been some good 'old' films such as 'American Graffiti' and 'It's a Mad, Mad, Mad, Mad World' and various others. Censorship restricts our films to below R13 films, but we sometimes think that it is possible to see much more uncensored programmes on television. However, moves have been afoot to start a Film Club for more senior boys but costs will be greater as any films shown will be in addition to the normal weekly film.

Thanks to Mr Hall for all the time he has given to facilitate the running of our films during the time I have been a projectionist.

Grant Queenin, Head Projectionist

CARVING CLASS

Y.F.C. REPORT

The Wesley College Young Farmers Club started the year with a record number of 65 members. Office Bearers chosen were:

| | |
|---------------------------|-------------------|
| President | - Mr J. McDougall |
| Chairman | - Mr S. Singh |
| Deputy Chairman | - Mr W. Royal |
| Secretary | - A. Ryan |
| Treasurer | - Mr R. Jolley |
| Scrutineer Officer | - Mr B. Reynolds |

The club took very active part in the local districts debating contests. Our Wesley A. Team comprising of S. Singh, R. Gabb and S. Randell were runners up in the B. Grade debating finals.

We hosted a very successful games evening which was attended by the other local clubs. I am sure all our boys benefitted from the social occasion. In the third term we will defend the seven-a-side Rugby trophy.

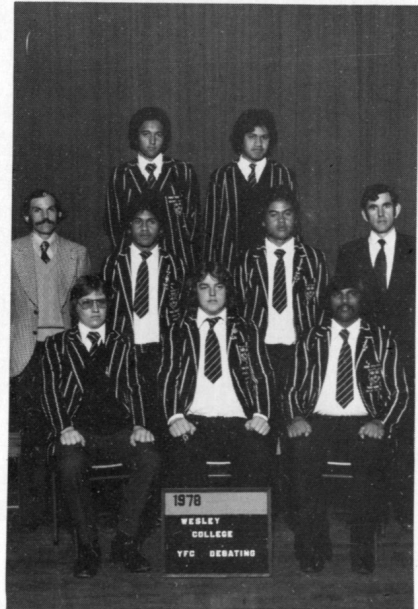

I would like to express my sincere thanks to Mr S. Fordyce, Mr B. Reynolds, the kitchen staff and last but not least, the members who have made this year a very successful one.

I wish you all a Merry Christmas and Best Wishes and lots of luck to future Y.F.C. Members.

Sashi Singh, Outgoing Chairman

BRIDGE CLUB

Introduced for the first time this year the club has proved very popular. Some members of the club travelled to Hamilton to play bridge and add to their knowledge.

The activities of the club have not been confined to Wednesday afternoons as members of the club, and others who have picked up the basics of this complicated game, have involved themselves in the game during most of their spare time.

Several books have been purchased by the club to improve the skills and knowledge of members.

We have had an enjoyable and rewarding year. I am sure that most of the club will carry on playing many years after leaving school.

Many thanks to Mr and Mrs Bradshaw for holding our Wednesday night bridge activities in their home.

P. Ambler

S.A.S.S. TABLE TENNIS

Wesley College entered 3 teams in the Manukau Secondary Schools Table Tennis Championships. Competing against a total of 14 schools. Our Junior and Intermediate teams did exceptionally well to finish 6th and 4th respectively.

Individual players who did well were John Tahu, Darryl Martin and Te Haara. The highlight of the Championship was the performance by the Wesley A team which comprised of G. Raymond, P. Montgomery, A. Croydon and S. Singh. At the end of Round 1 we had won every single and doubles match, which put us equal on points with the Papatoetoe team. It was decided that a death match be played between the two teams in a doubles duel. Our top two sees G. Raymond and A. Croydon did exceptionally well and at one stage were leading 30-27. But unfortunately, mother luck was not on our side. We went down 30-31. Overall we finished third.

The school has some very fine young players. I wish them all the very best in their future years. Good luck to all the other school representatives.

S. Singh

LIFE SAVING

This year three boys from Wesley with a group from Rosehill College sat their Bronze Medallion which was held at Rosehill College pool. The boys from Wesley started training six weeks before the final exam getting up at six o'clock in the morning and doing about ten or twelve lengths in freezing conditions.

The boys who passed are:

| | |
|--------------|---------------------|
| B. Collinson | - Bronze Medallion |
| W. Kawiti | - Bronze Medallion |
| L. Eveleigh | - Intermediate Star |

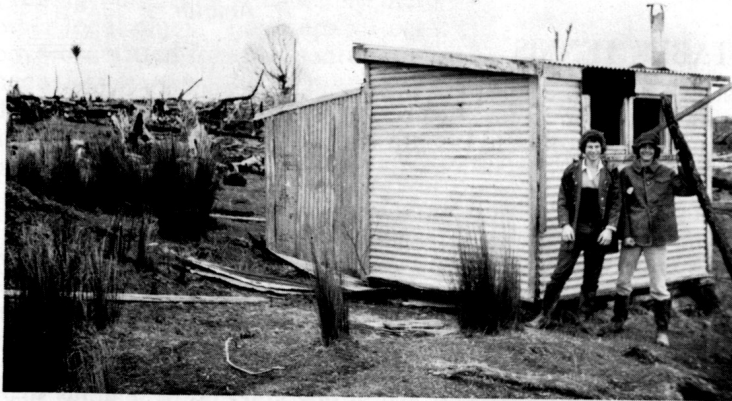

FORM 6 FARM MANAGEMENT

The six members of our class have had several excursions in the local area, travelling to Onewhereo and Paerata. We have also made a trip to the Lowe's farm at PioPio. We had a very interesting and enjoyable trip. The trip besides adding to our farming knowledge has shown us a different part of New Zealand. We hope to make another trip, nearer the end of the year, to Opononi. This will show to us yet another part of our beautiful country.

Our sincere thanks to the Lowe's and the local people whose farms we have visited.

Most of all we would like to thank Mr Reynolds for arranging our trips and for his efforts to try and get Farm Management as a U.E. subject.

6th Form Agriculture Trip

ROWING CLUB

BACK M. George, D. Cheeseman, S. Eder

MIDDLE R. Orupe, J. Awhitu, G. Williamson, E. Eason, R. Jolley, Mr Sargent

FRONT W. Matamua, L. King, P. Beech, C. Haliday, N. Shyam, P. Steele, C. Takarangi

ROWING CLUB

Under the ever-watchful eye of Mr Sargent, the rowing club had an enjoyable and active season. We were fortunate to gain an eight, owing to the generosity of the College, and this has joined our other shell, which has been completely overhauled and is now in excellent condition. The newly acquired eight may not be new, but is an extremely sound and stable boat, and after a little maintenance is now also in excellent condition.

One problem which we must put up with is the number of senior rowers who leave school at the end of the year. We started this season with only two rowers with reasonable experience, but the new members of the club have learned very quickly and we are looking forward to a successful season nearer the end of the year. The club is appreciative of the Mercer Rowing Club's co-operation in lending us their facilities and for storing our shells.

Overall a satisfying season and our sincere thanks to those people who have given the club support through the year.

C. Haliday & P. Beech

YACHT CLUB

The yacht club is again under way and we are in the process of making the clubs two yachts seaworthy. The progress made by the clubs enthusiastic members is phenomenal and we look forward to an exciting and enjoyable season next term.

Clive Haliday

BOOK REVIEW - AUCKLAND TELEPHONE DIRECTORY

(Published for the Post Office by A.R. Shearer)

This is the fascinating new edition of New Zealand's greatest novel. For those already familiar with earlier versions, rest assured that this handsomely bound paperback edition has far more characters than its predecessors, which enables readers to gain a valuable, indeed a memorable, insight into the local community.

The basic plot has remained unchanged, it is true, but a more explosive opening chapter could not be found even in the great classics. Jane Austen must become green with envy (if she isn't green already) when she reads of fires, cops and ambulances, all luridly presented under the awe-inspiring chapter heading "Emergency Services".

The author (as ever anonymous) has presented us with a moving and complex picture of our times. For duller readers 'he' has generously included an exhaustive list of localities so that it is possible to check back and pin-point settings.

In the chapter entitled "Automatic Telephone" we are given a complete breakdown (!) of the myriad tones and nuances of our language, thus enabling us to reproduce the exact moods and accents of the characters. For example, one of the beautiful young ladies might be speaking in a "number unobtainable tone" to which the blaggard lover replies employing the "ringing overflow tone".

There is a strong didactic element in the novel; readers are warned that "wrong numbers result from careless dialling" and that it is essential when answering to "identify yourself" (shouldn't it be 'oneself'?). Apparently, passwords are absolutely necessary: "do not say 'Hello'".

Yes! This work is crammed full of cloak and dagger stuff.

There follow some evocative passages about making calls, party lines, joint use of a telephone and so on, but the unquestionable highlight must be the chapter "Illegal and Improper Use of the Telephone". Only those who consider themselves radicals should read this chapter. (It is understood that in more conservative parts of the country this sensational section has been 'cut').

Much of the action takes place in Auckland and it is necessary to read the text carefully to realise that Pukekohe claims its fair share of the limelight.

The subtlety of personality development is breathtaking when one considers that there are over 250,000 characters involved. This mammoth work makes the epics of Tolstoy and Solzhenitsyn look like pamphlets. The extraordinary thing is that there are no main characters as such, so that the hero of one page is replaced

rapidly by the heroine of another page. This may be all very well for scholars and English students, but must be 'mind-fuzzing' for the inflexible mathematician.

Obviously aware of this problem, the author has incorporated a unique system into the narrative so that students of even the most menial science can gain full enjoyment from its perusal. It would not be an idle boast to say that the arithmetician could understand the story line, for not only has it been written in the Queen's English but also in whole numbers! Mr J.G. Hall (and incidentally, a character in the book) when asked to comment on the novel's literary worth replied, '87-901', which is praise indeed. Mr R. Teasdale's comment, '89-903', indicates that the novel may well be around for years to come. On a more critical note, Mr J. Bradshaw stated, "Yes! I've glanced at the book from time to time but I still prefer Harold Robbins.". Despite this latter criticism, the novel must be a hot contender for Wattie's 'Book of the Year' award.

THE SMOKER'S PRAYER

Heavenly Father hear my plea,
And grant my lungs serenity.
Give me strength to kick the smoking
That's been causing all my choking.
Let my breath be fresh and clean
Without a trace of nicotine.
Guide me by your holy means
Past all cigarette machines.
I ask your help
And it's no wonder
If I don't quit
I'm six feet under.
AMEN

Martin Garrett

INSIGHTS FROM THE OCCIPITAL - R. Jolly

1. The scum of the earth will rise to conquer the universe.
2. The new born babe is like an eel in the grass.
3. To look upon oneself as whole, is to look upon oneself as in pieces.
4. The wise man sitteth upon the stepping stone to knowledge.
5. The sun which riseth upon the new man will incur the disease left by yesterday.

VIEW OF ETERNITY

Now is the time of knowledge
Where time stands still
As I move through time.

As I stand here
My voice rings out around me
My thoughts come to me and others stronger now.

I cannot keep it within me
This feeling to travel with light
My every move is important.

My time must end soon
In this empty nothingness
Where time stands still.

I cannot stay here!
Till the end of eternity!
Till death comes by decision.

It must come to an end soon
I will not go mad
Insanity is not one of my virtues.

FOOD

**Hooray Hooray
Pies today
Icecream Icecream
comes again
gee man, see man
What a blast now we're
having cooked up grass.**

Alan Ryder, Form 2

THE ARTIST

**How well he makes his painting look
Like a multi coloured dream
The canvas emitting strange lights
Lights from other dimensions
Where they finally rest on a gallery wall.**

MY STRANGE CAT

I am inclined to think my cat is crazy. This is because of the fact that he does strange things such as giving the impression sometimes that he believes that he is human, that he is a 'Person'. For instance, at mealtimes he jumps on to a chair at the table, places his fore-paws on the tablecloth and then waits a few moments looking at each of us in turn, as if to ask permission before beginning to eat the food on the plate before him in a delicate manner.

Whenever he felt in the mood to rest (which is most of the time), he had two favourite sports. One of which is on the T.V. where he always knocks down several pictures and dangles his tail or his head over the screen obstructing the view, the other is the stereogram. The radio was the most preferred spot mainly because of the warmth that rises from it. Sometimes he would even turn the radio on or off or up and down depending on the music which he 'waves' his tail in time to.

When he goes outside he leaps up to open the door and walks out.

That is my strange Cat, he must be crazy!

J. Waldman

WESLEY COLLEGE

LIFE AT WESLEY

I have found Wesley College to be an institution which has all the qualities that is required in a school. These qualities include the fostering of trust, responsibility, opportunity for leadership and above all the cultivation of friendships between the different ethnic groups.

I first came to this school and beautiful country in 1976. Never before had I attended a boarding school and never before had I left my home in the sunny Fiji Islands. Life in the beginning was very depressing, but it offered a lot of challenges. Living in a different country amongst people of different cultures and traditions was a unique experience.

The early days at Wesley were spent in making new friends and also exchanging the different religious and cultural views of our respective races. It was very hard for the local boys to accept the fact that Hindus do not partake in the consumption of beef which is a favourite delicacy of many people.

I was given the honour of representing the school in Speech contests, Debating contests, Table Tennis championships and also captaining the First Eleven Soccer team. This year (1978) further honour and responsibility was bestowed upon me as I was made a school prefect. My thanks to the staff for placing their trust in me. Being a prefect has certainly been a pleasure, as I have always received the full support of my fellow prefects and staff members.

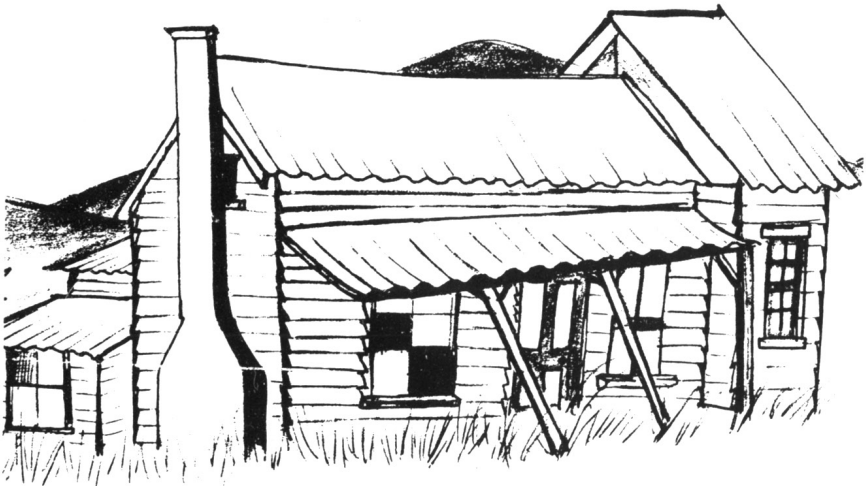

One of the most remarkable features which I have found and appreciated in this school is the fact that the cultural activities such as the Polynesian Club and the Choral contests are a unifying force. Wesley College will always be remembered by me. This school received me as a young boy in 1976 and is now sending me out into the open world as a fully grown and mature man.

My sincere thanks for my most enjoyable and successful stay here goes to the Principal, Mr McDougal, and to all the teaching kitchen and maintenance staff. Without you all I would not have been what I am today.

My best wishes and regards to all the staff, students and prefects of this fine college.

Wesley I will always remember you and cherish your happy memories.

NIGHT ADVENTURE

With a grinding crash the 'Bellona' ran aground. Tom and I had no idea what we had hit. Whatever it was, poor 'Bellona', being only a forty-four gallon drum raft, rocked so fiercely that she knocked both Tom and me into the lake.

I fell into a frenzy. I grappled and groped for some kind of hold. My hands, arms and legs slashed through the water. A cry cut through the night air. It may have been either Tom's or mine. I couldn't tell because I felt as though I wasn't really there, almost as though I was dreaming.

When I collected myself; my mind with my body, I found I was on my back staring at the stars. I decided to leave Tom for a moment and save myself. My arms burst into frantic backstroke rhythm and all I could hear was my unusually steady breathing. "Thud", after what seemed to be about five minutes my left wrist hit some earth. I felt no pain but the abrupt halt to my swim had startled me. So much so that I forgot all about Tom.

I dragged myself out of the water and raced away from the lake. As I sprinted down the dark lane and around the corner to home I noticed once again my breathing was unusually steady.

Almost before I was ready I was at the back door. I burst through, roared into my bedroom and changed out of my clothes and into my pyjamas all in one movement. Into bed I jumped. Then I paused, I wasn't tired, I wasn't cold, I wasn't wet and I couldn't remember anything happening to me.

The next morning in the classroom I noticed I had a large bruise on my left wrist. I also noticed Tom had been marked absent, with no leave.

John Evans, 4P

TO VOTE I. Bell

In this year of election time,
Decision making for '79,
To vote for a candidate is a test,
To see which party is the best.

Man of Labour, do your polling,
Don't forget to vote for Rowling.
Independent are running too,
They need votes from me, from you.

Rowling, Muldoon, Beetham too,
Which one will you give your vote to?
National, Labour, Social C,
Which one will gain the victory?

Which parties issues agree with you
That will help N.Z., help me, help you
So go and vote, it's no disgrace
To help make New Zealand a better place.

MY DREAM CABIN

I'd build my cabin in an exotic and serene valley.

I'd build it when the Maori ran free and when the fat pigeon would feed greedily on Karaka berries.

The wailing music of the Tui would be heard every morning. The Kauri trees would seem to reach the vast blue sky and the colourful blossoms would glisten like gold in the morning sun. The sun would shine beautifully over the barren hills spilling a deep purple across the remote valley.

My cabin would be made of platted flax and tough kauri wood. Inside it would have carved rafters and teko teko patterns on the walls. Kowhai designs would outline the walls and a portrait of a Maori king would hang proudly at the far side.

The Kowhai plant would blossom everywhere around the whare and the sound of birds and insects would fill the ghostly night.

Sonny Christie

BATTER'S PRIDE

“Batter Up”.

The nervous man walked up to the plate. He was the one who could win or lose the match. His whole career was at its turning point. He heard those two dreaded words.

“Play ball”.

The pitcher with perspiration running off his nose in beads of itching moisture let fly. The batter swung with almighty strength. With a splat, the leathered ball wrapped around the tip of the dented wood. The ball ripped through the air. Pulsating with life it thudded into a well worn leather glove.

“Caught on the full” screamed the umpire.

A cheer went up but it was not for the batter. He fell to the ground with head in hand. He started to weep.

The opposition were carried off by their supporters, his hit could have brought glory to his weary team. A hand slapped his itching back. “Good play” said his coach. “I like the way you had pride in yourself, even if you failed to pull it off”.

The dismal batter climbed up off the browned grass. His international league days were over. Back to the minors for him. Starting to climb the endless ladder to the top once more. His glove dropped out of his hand, as he walked toward the new empty trash covered stadium.

The thrill of his life was over. What he had grown up for, and trained endless hours for had ended in a matter of seconds. His team and his fans were nowhere to be seen. Where were the autograph books that every star should sign? Then that awful thought came to his mind once more. He was no hero anymore! No star!

A lone child suddenly appeared through the entrance gate. An autograph book was what this child had come with. A feeling of pride jumped into the batter's heart. He pulled the child to himself and held him tight.

R. Taylor, Form 2

GUIDELINES (To the tune of Dvojak's Humoresque)

**Wesley boys will please refrain
From using skateboards in the rain
And riding them along the corridor.
We encourage recreation,
'Specially in the Pines direction;
Sport by all has got to be endured.**

**If you want someone to beat yer
Kindly ask your friendly teacher,
He'll place a cane at your beck and call.
All you have to do is chew gum,
Whistle loud or be a dum-dum,
Or wear shoes while playing in the Hall.**

**Wesley boys go in the dark
Having smokes; It's quite a lark;
It stops them from getting very bored.
Some go under flats to have one,
Others use the farm or classroom
And those discovered get a just reward.**

**If he should not pay attention
Then we give him a detention
And show him the error of his ways.
All the day boys bunking school
Must think teacher is a fool
Until he finds that his crime never pays.**

**If you send your boy to Wesley
Do make sure that he stays healthy;
Keep him short of money so that he
Cannot gamble, drink or smoke,
For sometimes it is just no joke
When little Willie gets the third degree.**

**If you ask why we're at Wesley
We will say "Where can we else be"
As buses run at such peculiar hours.
Even if we get off Sunday
We must be back before Monday;
Wesley boys should all receive a car!**

Anon.

3RD XI CRICKET

BACK S. Hall, S. Culley

MIDDLE K. Paul, G. Swift, J. Crawford, S. McInnes, M. Jessop, J.G. Hall

FRONT J. Toso, P. Te Haara, D. Rogers, N. Taylor, J. Mirko, D. Hall, P. Thompson

CRICKET 1977 - 1978

Facilities for cricket at the College have steadily improved over the past few years culminating this season in 3 fair pitches, 4 practise nets and a storage hut on the field. Gear is of a high standard as Wesley provides most of the Franklin representative gear and has had grants from the Junior Advisory Board to maintain this high standard. The College has played host to many Franklin representative matches at the Senior, Junior and Primary School boys levels with a fair few of the Wesley players gaining representative honours. Although weaker this season in the 1st and 2nd XI's the College junior team (Senior A) holds big promise for the near future.

1st XI

In the first half of the season before Christmas, Bruce McLean continued to captain the team in the Franklin C Grade competition, showing some good batting at times and taking 21 wickets. The team finished 2nd in the competition to Pukekohe High School. Talanoa Hala'api'api continued to bowl well, taking 15 wickets, and Norman West started on the road to becoming the new mainstay of the bowling, taking 14 wickets. Willie Royal also began to show good improvement as an all-rounder.

The batting of the team was fairly inconsistent, individually but Brett Houston showed sound concentration and application and could be heading for some big scores in the future.

Brett Houston and Bruce McLean both represented Franklin in the Senior Secondary Schools Tournament at Gisborne and Graeme Raymond and Norman West in the Junior Secondary Schools; Graeme being the Junior Captain.

Of the five matches played by the College team, one was won outright, two on the first innings and two lost.

Five games were played in the Franklin C grade competition:

- v. Papakura H.S. 49 and 48/6, Wesley 76 and 53/8 1st innings win
- v. St. Stephens 60, Wesley 58. 1st innings loss
- v. Waiuku College 68, Wesley 85. 1st innings win
- v. Rosehill College 50 and 68, Wesley 71 and 50/5. Outright win
- v. Pukekohe H.S. 172, Wesley 95. 1st innings loss

Batting and bowling performances were:

| Batting | No. of Innings | Highest Score | Total Runs | Average |
|-----------------|----------------|---------------|------------|---------|
| B. Houston | 7 | 29 | 74 | 10.6 |
| T. Hala'api'api | 7, 1 NO | 28 NO | 54 | 9.0 |
| B. McLean | 7, 1 NO | 28 | 91 | 15.2 |
| N. West | 7 | 17 | 52 | 7.4 |
| G. Raymond | 7 | 15 | 46 | 6.6 |
| P. Barclay | 6 | 15 | 17 | 2.8 |
| W. Royal | 5 | 10 | 18 | 3.6 |
| M. Royal | 3, 2 NO | 8 NO | 15 | 15.0 |
| L. Jenkins | 5 | 6 | 16 | 3.2 |
| Gr. Watene | 4 | 6 | 12 | 3.0 |
| S. McKinney | 5, 1 NO | 5 | 10 | 2.5 |
| G. Brunton | 2 | 5 | 5 | 2.5 |
| D. Habershon | 2, 1 NO | 3 | 5 | 5.0 |
| E. Frank | 4, 2 | 1 NO | 2 | 1.0 |

| Bowling | Overs | Wickets | Runs | Average |
|-----------------|-------|---------|------|---------|
| B. McLean | 40.2 | 21 | 144 | 6.9 |
| T. Hala'api'api | 37 | 15 | 79 | 5.3 |
| N. West | 29 | 14 | 78 | 5.6 |
| B. Houston | 33 | 8 | 122 | 15.3 |
| W. Royal | 11 | 6 | 42 | 7.0 |
| Gr. Watene | 2 | 1 | 3 | 3.0 |
| G. Raymond | 1 | 0 | 1 | - |

In the second half of the season Willie Royal took over the Captaincy of the team depleted by the loss of 8 players who had left the College. He led well, taking his share of wickets and runs. Norman West proved his earlier promise as a bowler in taking 42 wickets over the half season, 4 times bagging 7 wickets in an innings. Graeme Watene showed some good performances both as an opening, medium paced bowler and left hand batsman. Also Darryl Edwardson and David Habershon both showed promise with the bat and ball. Mark Royal was a good, steady opening bat.

7 games were played, 6 in the Franklin C grade competition:

- v. Waiuku College 138/2, Wesley 61 and 99/3. 1st innings loss
- v. Waiuku College 17 and 47, Wesley 49 and 17/2. Outright win
- v. St. Stephens 73 and 53, Wesley 157/4
- v. St. Stephens 112, Wesley 70. 1st innings loss
- v. Papakura H.S. 81, Wesley 61 and 66/9. 1st innings loss
- v. Papakura H.S. 112/3, Wesley 40 and 20. Outright loss
- v. Dominion Afghan Club 78 and 34/5, Wesley 146/7 and 74/5
1st innings win

Performances were:

| Batting | No. of Innings | Highest score | Total Runs | Average |
|---------------|----------------|---------------|------------|---------|
| G. Raymond | 11, 2 NO | 83 NO | 220 | 24.4 |
| D. Edwardson | 8 | 42 | 62 | 7.8 |
| D. Habershon | 9, 2 NO | 31 NO | 50 | 7.1 |
| W. Royal | 9, 1 NO | 30 | 124 | 15.5 |
| M. Royal | 11, 1 NO | 27 | 58 | 5.8 |
| C. Watene | 9, 1 NO | 23 | 59 | 7.4 |
| Gr. Watene | 10, 2 NO | 22 | 72 | 9.0 |
| N. West | 8, 1 | 16 | 41 | 5.9 |
| S. Randell | 6, 2 | 11 | 19 | 4.8 |
| P. Montgomery | 5, 2 | 7 | 10 | 3.3 |
| G. Apelu | 3, 0 | 6 | 14 | 4.7 |

| P. Ngarimu | 3, 0 | 4 | 4 | 1.3 |
| P. Kaho | 5, 0 | 4 | 5 | 1.0 |

1ST XI CRICKET

BACK C. Watene, P. Kaho, S. Randell, M. Royal, D. Habershon, J.G. Hall
FRONT P. Montgomery, G. Watene, W. Royal, G. Raymond, D. Edwardson

| Bowling | Overs | Wickets | Runs | Average |
|----------------|--------------|----------------|-------------|----------------|
| N. West | 69.3 | 42 | 253 | 6.0 |
| Gr. Watene | 34 | 11 | 149 | 13.5 |
| D. Edwardson | 14.3 | 8 | 81 | 10.1 |
| W. Royal | 32.5 | 7 | 118 | 16.9 |
| C. Watene | 1 | 1 | 5 | 5.0 |
| G. Raymond | 7 | 1 | 26 | 26.0 |
| P. Ngarimu | 1 | 1 | 8 | 8.0 |

At the time of writing G. Raymond, N. West, W. Royal, Gr. Watene are in the Franklin Senior Secondary Schools representative squad and D. Edwardson in the Juniors.

2nd XI

Peter Harpur continues to captain the team throughout the season. His handling of a large pool of players gave each as many games as possible and the wicket was enjoyed, occasionally successful, and regularly individually inconsistent.

In the second half of the season, the normal 3 hour matches were replaced by 5 hour matches over 2 Saturdays. This should steadily improve the play of this level of cricket.

Match results were:

Wesley 52 v. Papakura H.S. 32/7

Wesley 41 v. St. Stephens 76. 1st innings loss

Wesley 85 v. Pukekohe H.S. 41. 1st innings win

Wesley 78 v. Pukekohe H.S. 63. 1st innings win

Wesley 43 and 32/9 v. Rosehill 205/5. 1st innings loss

Wesley 58 and 17 v. Pukekohe H.S. 105/5 and 54/2. Outright loss

Wesley 79 v. St. Stephens 3rd XI 51. 1st innings win

Performances were:

| Batting | No. of Innings | Highest Score | Total Runs | Average |
|----------------|-----------------------|----------------------|-------------------|----------------|

SENIOR A XI

This year the Form 1 and 2 team moved up into the Southern Districts Primary 'Senior A' competition under the continuing captaincy of Nigel Taylor who led the team with a fine all round ability. Although the team changed slightly after the summer holidays, the nucleus remained, and continued to show great promise. Unfortunately, due to the holidays 2 matches had to be defaulted, otherwise the team would have been in a good position to have topped the teams in the competition.

Three members of the team gained Franklin representative places and acquitted themselves well. They were Nigel Taylor, Darryl Rodgers and Kevin Paul. Nigel Taylor was the captain of the Franklin Primary Representatives. For the College team Darryl Rodgers showed good all-round potential and Junior Toso, Kevin Paul and Pompey Te Haara showed some good batting.

Many thanks go to Mr Brian Rodgers for his management of the team and to all the parents who supported and transported the team over the quite considerable distances involved. Also our thanks to Mr Terry Power whose whole-hearted involvement with this team and other Wesley cricket immediately he joined the staff, was an example to all coaches and school sports administrators.

Match results were:

- v. Mangere, 1st innings loss. Wesley 51, Mangere 84
- v. Manurewa Red. Outright win. Wesley 174, Manurewa 35 and 99
- v. Manurewa Blue. 1st innings win. Wesley 76 and 87/5, Manurewa Blue 72 and 31/5
- v. Papatoetoe Blue. Draw - washed out on 2nd day. Wesley - Papatoetoe Blue 118
- v. Papatoetoe Red. Limited over win (1st innings). Wesley 106/9, Papatoetoe Red 75/9

Matches against Otago and Otahuhu were defaulted by Wesley.

The performances were:

| Batting | No. of Innings | Highest Score | Total Runs | Average |
|-----------------|----------------|---------------|------------|---------|
| N. Taylor | 6, 1 NO | 51 NO | 123 | 24.6 |

1st XV REPORT

With the success of last year's team and the return of many players, much was expected of this team.

The team lived up to these 'demands' rather than expectations, and completed the season with only three losses, all by slim margins.

The highlight of the year must definitely be the trip to Melbourne, Australia during May. Being early in the season, the team played enterprising rugby and had a chance to try out many of its new combinations. Although playing against schools with fairly large rolls, in many rugby ranked as the third most popular winter sport. This enabled us to complete the tour not only unbeaten, but without having any points scored against us.

We arrived in Melbourne on Friday and went straight into a rigorous practise. We played Caulfield Grammer School the next day, the 13th, and played an open running game which totally demolished the opposition, and we ran out winners 88 - 0.

The second game was against Sth Melbourne, a combined side. The team played less enterprising rugby and were over-confident in their approach; we won 44 - 0. In the game against Melbourne Secondary Schools the team played its best game of the tour, and we won 56 - 0.

The tour will be remembered by the 1st XV for a long time, not only for the games played but also for the hospitality extended towards us by not only Caulfield Grammer but by seemingly every Australian, Italian, Greek and Australian Kiwi that we met.

On returning to New Zealand the team's spirit was high, and the team had gained confidence which they had lacked at the start of the tour.

We returned to play in the Counties 1st XV competition and were able to finish 1st equal with St. Stephens in the first round, and 1st in the second round. This made us the Counties Champions for 1978.

Perhaps the best game of the season was against Church College of Hamilton. Although we lost by a narrow margin it was a hard fought game and I'm sure both teams would agree that they played above themselves, and that the score of 15 - 9 was a fair indication of the run of the game.

Although the team had many talented players, the success of the team must be put down to the talent and leadership of our skipper Willie Royal.

Willie as captain led by example, playing at loose-head prop and being top try scorer at the same time is proof enough.

As far as representative honours go, the 1st XV had eight players playing at different representative levels.

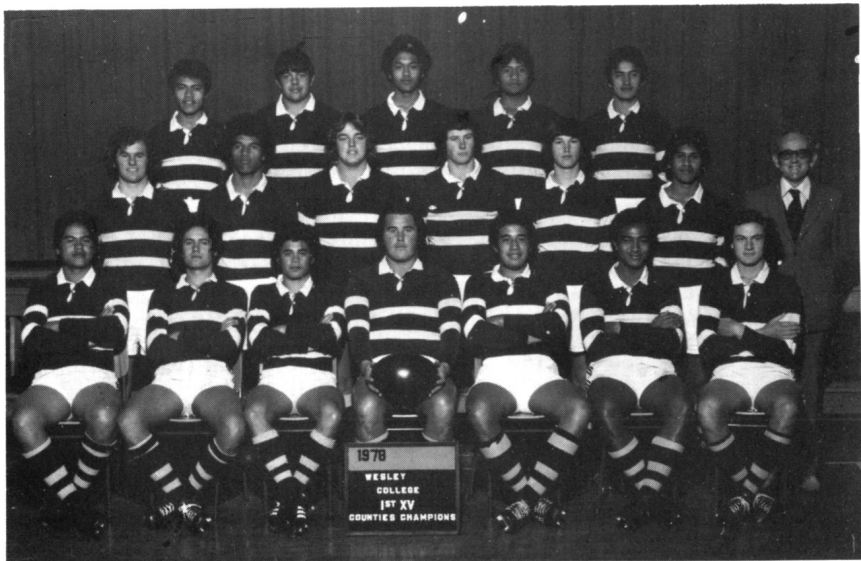

Graeme Watene, Lance King and Ray Smith were selected for the Counties A.

Stewart Randell and Clifford Watene for the Counties B.

Dixie Awhitu, Tekua Tonga and Craig Takarangi for the Counties Under 16.

As with this years team much will be expected of next years team. They only have to remember one thing, 1979 will be a new year and will bring a new group of players. Together they can form a tight nucleus of players who can try and win for themselves, not last years team. As long as they remember this I have no doubts that they can do their best towards improving the reputation of Wesley College.

1st XV B

| | |
|----------------------|--------------|
| Coach: | Mr W. Silva |
| Asst. Coach: | W.H. Royal |
| Captain: | M.R. Paki |
| Vice Captain: | Gavin Watene |

This great team which included many 'Potential All Blacks', began the season as a team known never to win many or any games. This team, by far was one of the best 2nd XV's produced for several years. This was shown by the number of games we won.

We played other schools 1st XV's and managed 2 wins over Te Kauwhata 15-3, 44-0, and a draw with Tuakau's 1st XV, 10-10 and narrowly lost to Waiuku 11-10.

It was to our advantage that this game was lost as it would have brought us up to the first grade competition where competition was much harder.

Throughout the season the team gallantly and courageously played bigger packs, but with the help of Willie Royal, forward coach, the forward pack became efficient and mobile. The forwards, which were the dominant aspect of our game, always looked good, driving, rucking and mauling well. We had our problems lacking height in the lineout, where many of our opposition were much taller. Probably our best forward was Arnold Reedy, who occasionally was needed for the 1st XV. Occasionally he would spoil his good play with stupid mistakes. Edward Mareroa has shown a great improvement in his games and as usual 17 stone Fraser Waiwai seems to keep knocking them over. All of the forwards had three good games, with all scoring tries on different occasions.

The backs who started the season off grimly, improved towards the end of the season, and finally put it all together against Te Kauwhata 44-0. Clarke Perese really showed us how good he is with strong hard running.

Gavin Watene who always ran hard seemed to run past 14 of the opposition but just could not beat the last man. Gavin was easily the best back, who repeatedly split the oppositions defence with devastating attacks. Credit must be given to Sio Tonga, who was sound and reliable as fullback and Eric Rangiheuea with his bruising, running and tackling. Wesley Matamua at times showed brilliance with good attacking and defence work.

Special mention must be made of two young members of the team, Pete Ropata and Pewhai Reedy. These two players are both good players having excellent prospects for the 1st XV next year. Pete contributed to many of the teams points with his reliable kicking and good running. Pewhai who played out of his normal position never had a bad game, he runs hard, is always in support, and gave his utmost for his team. Overall I think we had a very enjoyable season.

On behalf of the team I would like to thank Willie for his splendid coaching of the forwards, Mr Lendrum who lent a helping hand, and last but not least Mr Silva who after several seasons of coaching, got a winning team.

1st XVc TEAM REPORT

Coach: Mr Turuwheua
Captain: Paul Wilson
Vice Captain: S. Aleamotu'a

This newly formed team have generally had a very enjoyable season. Although we only won five of our fifteen games, the team never gave up. At the start of the season there was hardly any spirit in the team, but after a few games the boys felt more confident and they had their first win against Rosehill College 1B's with a heartening score of 44-8 and in the final match winning over St Stephens 29-3.

The team suffered the loss of several promising players to higher grades throughout the season. However, we gained equally skilled replacements. Our ranks were filled with raw recruits to rugby which could account for us winning only one third of our games.

Whatever success we gained, we would attribute to the patience of our coach Mr Turuwheua who devoted a lot of his own time to train us. Senior members of the team should also be complimented for taking the initiative in several team occasions. The going was tough, running backwards up and down the paddock, early morning exercise on the frost, practising in the cold rain ...etc., but we enjoyed every minute of it. Better luck to the 1C's next year we hope!!

3rd GRADE RUGBY REPORT

On paper our team appeared to be one of the strongest 3rd grade rugby teams for years and we started the season full of confidence with plans to win the competition. However, a few of our better players left during the season.

Anyway we lost 2 of our first 3 games and never looked a winning side but, with the pressure off, we began to play much more adventurous rugby, took a lot more risks, and consequently enjoyed our rugby immensely. We always displayed plenty of spirit and especially in our great comebacks against Papakura High School and Waiuku.

Our captain at the start of the season was Norman West but he left and his place was taken by Rewi Orupe. No team member was particularly outstanding and we all gave of our best for the team.

Finally, we thank Mr Sargent for his coaching and Graeme Watene and Lance King for their assistance. We had an enjoyable season.

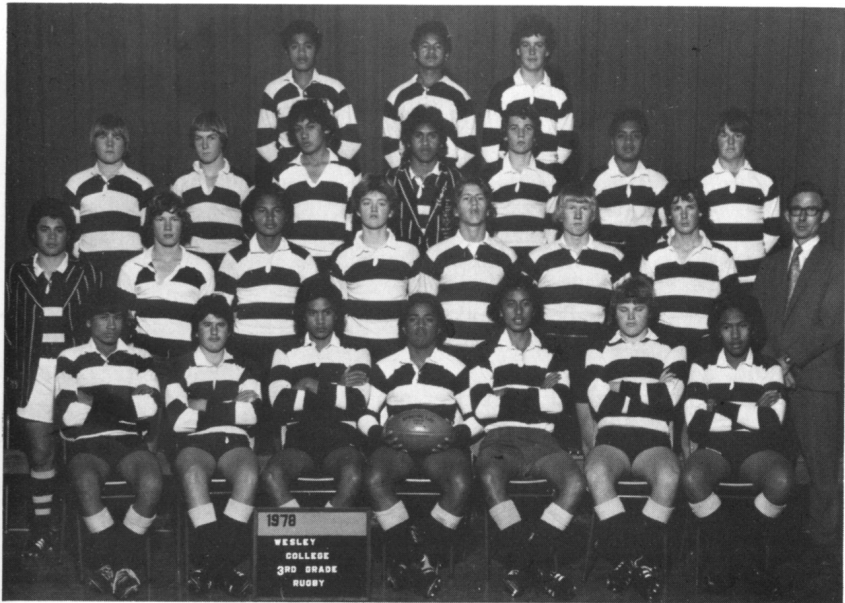

D. Habershon

4th GRADE TEAM REPORT

The 4th grade this year was a team that grew accustomed to the bitter taste of defeat, however there were moments in the season when occasionally we sampled the sweet tastes of victory. Amidst our congregation our team was the only team destined to lose even before we faced the opposition. Thus despite forced efforts to keep a fiery morale, many of our number acquired the wrong attitude, and plainly were affected by this. However, when spurred on by our coach Mr Cheeseman we battled long and hard in an attempt to regain our confidence. Our team consisted of varied talents. We had a few guys for which rugby was a new experience but we also had a couple of stars. The majority of the boys never lacked in courage but many did lack in experience. The forward pack, a fiery bunch of eight, consisted of Gabriel Stephens, Mark Rouse and Peter Harpur in the front, Karl Paice and Ross Walker were two of our bigger men. The two flankers were Tama Tuatini, probably the team's greatest influence, and John Wilson the most experienced forward who led the team on many occasions. Rodney Featherstone was man at the back of the pack, our key lineup jumper. The backs showed aggression and flair in most of our games, then had ability to run the ball. Ross White, a most efficient halfback, always kept his cool. Murray Barclay was first five and had a boot we could all rely on under pressure. John Chapman played at 2nd five eight with consistency throughout. Derek Cheeseman probably our fastest back, used this talent to score a couple of very fine runaway tries. Junior Toso and John Hunter were our most devastating players, and to round off, Rodney Whanga who was great on defence.

We are all very grateful to Clifford Watene and Murray Jacobs for the coaching we received throughout the season. But special thanks go to Mr Cheeseman who put up with us and made our rugby enjoyable despite our many losses.

J. Chapman

3RD GRADE RUGBY

BACK H. Muri, W. Edwards, M. Morrow

3RD G. Reeves, M. Joynt, T. Allen, G. Watene, D. Sheen, T. Pole, C. Cullen

2ND L. King, G. Nelson, D. Edwards, N. Clarkson, T. Wellington, B. Clarke, A. Farley, Mr Sargent

FRONT M. Hunapo, D. Forbes, L. King, R. Orupe, S. Nikau, D. Habershon, T. Turuwhenua

4TH GRADE RUGBY

BACK T. Gilbert, T. Hamblin, J. Hunter

3RD M. Barclay, S. Warren, M. Jacobs, P. Harpur, D. Cheeseman

2ND C. Watene, R. Whanga, R. Featherstone, T. Tuatini, C. Tregoweth, G. Stephens, K. Paice, Mr Cheeseman

FRONT M. Rouse, R. Walker, T. Wilson, J. Chapman, J. Toso, M. McKenzie, R. Whyte

5th GRADE REPORT

The 5th grade always took to the field with fifteen good players. Although we lost most games we always made a second half come back and nearly always made the game close e.g. 10-12 to St Stephens, 10-12 to Rosehill, 4-0 to Papakura. Our most enjoyable game was against Manurewa who was the top team in the competition. We eventually drew 7-7. It was an exhausting game!

Our best players for the season were:

- T. Williams - the man with all the push
- E. Rogers - our happy hooker
- C. Lewis - our best breakaway
- R. Valler - our head hunter
- A. Biddle - our animal
- D. Rodgers - one of our better props

Our top scorer was J. Tuivaga, but our top point scorer was J. Evans. The team concentrated on throwing the ball around as much as possible and enjoying the game - no fights in the whole season! A regular rotation of players ensured everyone got his share of games.

We thank our coaches G. Galo and Mr Johnston; Mr and Mrs Rodgers for their support each Saturday and also Stuart Randell and Rod Gabb for their help during the season.

I think a lot of our players will make even better players in future years.

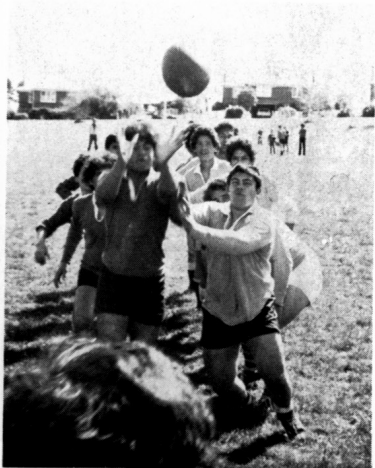

5TH GRADE RUGBY

BACK D. Rogers, J. Biddle, P. Te Haara, T. McLean

MIDDLE S. Randell, S. Eder, R. Valler, J. Tuivaga, J. Biddle, T. Williams, L. Jamieson, Mr Johnson

FRONT A. Rangi, E. Rodgers, J. Evans, C. Lewis, D. Lepper, N. Downs, S. Morrow

6A RUGBY REPORT

1978 was a good year for our team. We won the High School Counties competition without the loss of one game. Our rivals were Pukekohe, St Stephens and our 6B team.

However when we were entered into club rugby we suffered our first loss, the officials quickly realised that we had been outweighed and regraded our team into a grade four size and weight. Here we had one loss followed by two wins to end the season on a high note.

Another success was that of having 8 of our players picked for the representative team - Counties, who defeated Thames Valley.

In our annual game with St Kentigern we won 10-6.

Over the season I think the best two players were for the backs, Maunsell, and for the forwards, Paulsen. On behalf of the team I would like to thank our coach Mr Reynolds for all he has done for us, and the great back up and support from T. Tonga.

Games: Played 15, Lost 2, Won 13.

G. McGee, Captain

6A RUGBY

BACK W. Kawiti, D. Thurston, D. Forbes, B Walker

MIDDLE T. Tonga, D Gabb, A. Maunsell, P. Hellebrekers, M. Clark, J. McClean, W Newman

FRONT R. Ryder, S. Hetherington, S. Paulsen, R. McGee, M. Kerr, M. George, R Wilson

6TH B GRADE RUGBY

BACK S. McInnes, S. Goodman, D. Brown, M. Vincent, D. Hale

MIDDLE C. Takarangi, S. Christie, B. Wooderson, W. Putt, D. Booth, J. Crawford, R. McGee, Mr Watson

FRONT D. Osborne, T. Barton, C. Ratu, M. Robertson, L. Joynt, D. Ferris, W. Clarke

3RD XI SOCCER 1978

We started off with a team of very little experience, but the team has kept plugging away.

Although no wins were recorded the goal tally against us grew less as the season progressed.

Final Results: Played 9, Lost 9.

Entering a 3rd XI into the Manukau Schools competition gave the opportunity to many of the school juniors to play representative soccer.

The team is to be congratulated on winning the Venn Trophy for the most sporting team in any grade of the Manukau Schools Competition.

3RD XI SOCCER

BACK S. Jay, S. Culley, A. Shaw

3RD L. Morey, D. Halatau, J. Halton, L. Everleigh, K. Hames, A. Rimmer, S. Hall

2ND G. Jones, R. Barnett, A. Saunders, R. Larner, R.L. Taylor, P. Wilcock, R. Margetts, Mr S. Fordyce

FRONT T. Rimmer, M. Blades, B. Collinson, W. Horton, M. Draper, C. Morgan, D. Hall

1st XI SOCCER

In the local Manukau Soccer Competition we did extremely well to finish up in 2nd place. Being a very small school, soccer is not yet a strong sport here. We were up against schools which had untold players to pick their teams from. Congratulations to W. Dean and D. Raine for their untiring work in the backs; and to G. Raymond who was always in the thick of things during every game.

We were very fortunate to make a tour to Melbourne where we played 3 games. We played against teams which were more experienced and skilful than we were. Nevertheless we enjoyed the tour and gained considerable experience.

Our hearty thanks to Mr J. Bradshaw our coach who gave his time and patience to make this season an enjoyable one.

Best wishes to all those leaving.

FRONT G. Swift, N. Taylor, E. Waldman, W. Jonasen, P. Wylie, K. Horton, A. Brooks

2ND XI SOCCER REPORT

I suppose this time of year always comes, when we submit the final results of the seasons games however good or bad they may be.

This year we had a very enjoyable season although we have not got the results we should have had in some cases.

We ended the season with a total of four goals scored and forty-two goals against, but I am sure I can say on behalf of the team that they enjoyed every game.

Up against some very stiff competition it was pleasing to see N. Taylor score 2 goals, R. Hendriks and myself 1 each.

Thanks go to Mr Teasdale who gave up his time for our training and the parents' support which gave us the backing we needed.

W. H. W. Jonasen, Captain

TENNIS

With 4 tennis courts and 32 players the situation on a Saturday morning was not conducive to serious tennis. Nevertheless the boys made the best of the situation with the senior boys coaching small groups of juniors who appear to have benefited.

A number of competitions were run within the school and the championship winners were:

Minor: S. Ngatai

Junior: J. Toso

Intermediate: M. Barclay

Senior: A. Croydon

A team of tennis and cricket players entered the Manukau Secondary Schools tennis competition, where the younger members performed very well, indicating that there is a good base on which future tennis in the school may build.

FIRST XI HOCKEY

This season we were lucky enough to have most of the players from last years team back at school. As a result of this our hopes were high but due to an early loss we lost confidence as a team an our play reflected this. Also the spasmodic coaching we received from Mr Burnett was not terribly effective, perhaps because we lost interest.

As individuals the players were a credit to themselves and due to this we had seven people in the Franklin Colts and three in the Secondary School Reps.

Special congratulations to Rex Kruse for his consistant scoring throughout the season and his being number one in this respect. Particular thanks to Mr Chessum and Mr Burnett for their advice and guidance throughout the season.

HIGH SCHOOL B HOCKEY REPORT

The team played as well as possible considering the number of new players who lacked both experience and at first skill. We also found difficulties such as too many players, lack of fitness and the fact that we were playing against the same teams as our High School A team was. The fact that we didn't win a competition game didn't affect our team spirit or enthusiasm. We always went onto the field with a will to do our best.

Best all round player: P. Tucker

Most improved player: R. Johnstone

P. Scarborough, Captain

1ST XI HOCKEY

BACK M. Swain, P. Montgomery, M. Smith, G. Barnett, S. Tucker, T. Lane, Mr Barnett
FRONT D. Enright, G. Queenin, P. Ambler, A. Croydon R. Lingard, R. McKinven, R. Kruse

HIGH SCHOOL B HOCKEY

FRONT M. Jessop, M. Dodds, P. Tucker, P. Scarborough, R. McKenzie, P. Nicklin, G. Glendenning

H.S.A. HOCKEY TEAM REPORT

This has been a successful season for the H.S.A. Hockey team.

We were honoured to have our goalie Roger McKinven picked for the Franklin Representative team. Under the competent leadership of Roger Sides, the team has remained undefeated in the competition with 6 wins and 2 draws. The H.S.A. owes much of its success to the backs - David Slight and Kevin Paul - for their excellent defence during the season.

Last but not least, we wish to thank the opposing teams for their gallant efforts. I am sure the whole team benefited from the experience gained.

| TOTAL CUP POINTS | 8 (1/3) | 9 (2/3) | 11 (1/3) | 4 |

INTERSECONDARY CROSS COUNTRY

Despite improved underfoot conditions several athletes failed to better their Wesley Championship time. This departure from previous years possibly reflects the lack of real training that has been done over the last few weeks. However, to be fair, most runners have been well occupied with winter House games since returning this term.

WESLEY PLACINGS:

MINOR:

| | | |
|-------------|------|---------|
| C. Ratu | 2nd | 12m 39s |
| W. Clarke | 7th | 13m 38s |
| D. Lepper | 9th | 13m 53s |
| W. Newman | 13th | 14m 23s |
| J. Crawford | 14th | 14m 25s |
| R. Margetts | 15th | 14m 26s |

Time comparison with Wesley Championship

Team Placing 1st 18 runners completed the course

JUNIOR:

| | | | |
|-----------------|------|---------|---------|
| N. Downs | 4th | 17m 40s | -25s |
| R. Walker | 11th | 18m 25s | -35s |

C. MANUKAU INTER-SECONDARY SCHOOLS SWIMMING SPORTS

The College gained some meritorious places in these sports. D. Needham won the Senior Boys Freestyle, 50m event, and was second in the Senior Boys Freestyle, 100m. S. Wylie won the Senior Boys Breaststroke, 100m event, in the record time of 1 min. 27.9 sec. He also was placed third in the 50m Butterfly stroke event.

The Senior Relay team, comprising S. Wylie, D. Needham, K. Jennings and H. Morrison, were placed second in the final of their event.

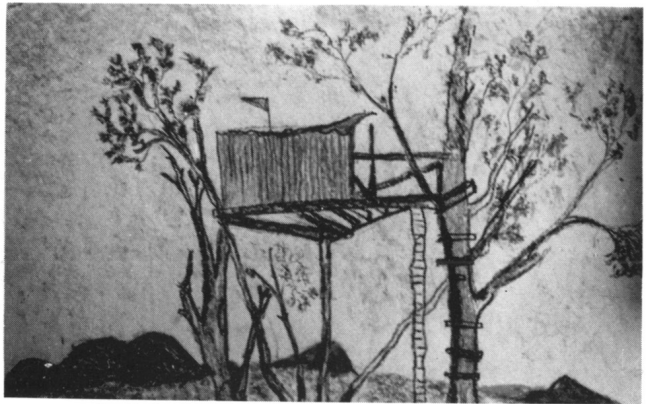

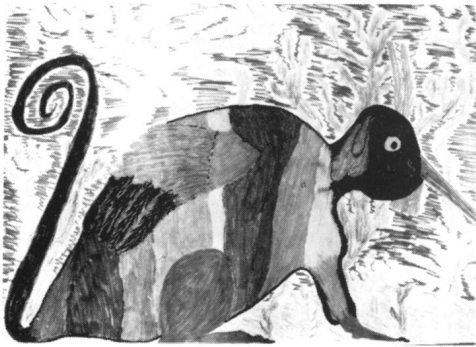

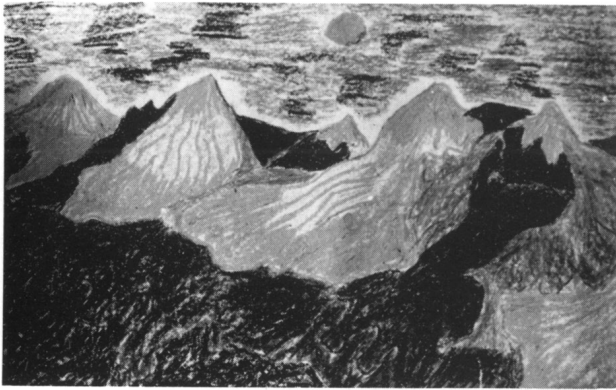

D. FRANKLIN ZONE MINOR SWIMMING SPORTS

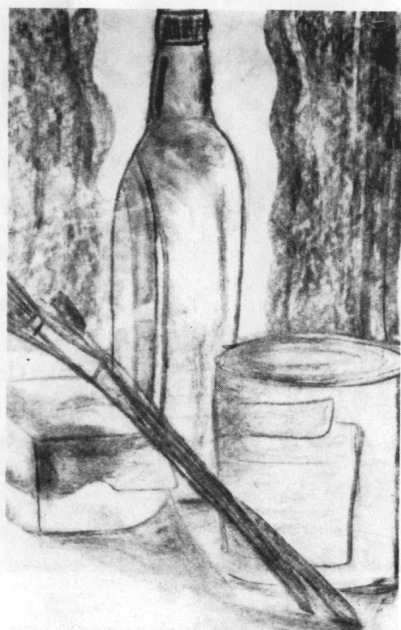

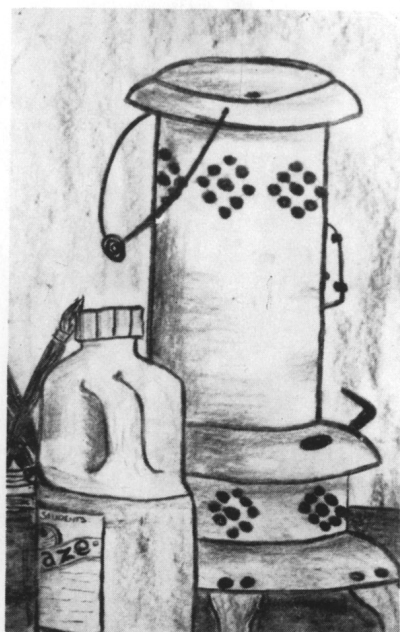

R. Taylor came 3rd in the 50m Freestyle event. The Form 2 boys who entered swam well and enjoyed their afternoon at the sports.

FRONT M. Garrett, D. Edwards, D. Needham, S. Wylie, H. Morrison, P. Kaho, C. Watene

CONGRATULATIONS!

The staff, boys and friends of Wesley wish to record with pride the fact that our Principal, Mr J.B. McDougall, was one of three Principal's honoured by being awarded a Woolf Fisher Fellowship Award for 1979.

The award will take Mr and Mrs McDougall to the U.S.A., Europe and Great Britain for three months next year.

During this time they will be paying particular attention to boarding schools, as well as reaping the benefits of the time spent in other lands and cultures.

Mr McDougall as Chairman of the N.Z. Secondary Schools Rugby Union, will also be liasing with the various heads of school rugby he encounters.

We wish them a memorable, happy and productive trip.

Ed.
