

WESLEY COLLEGE

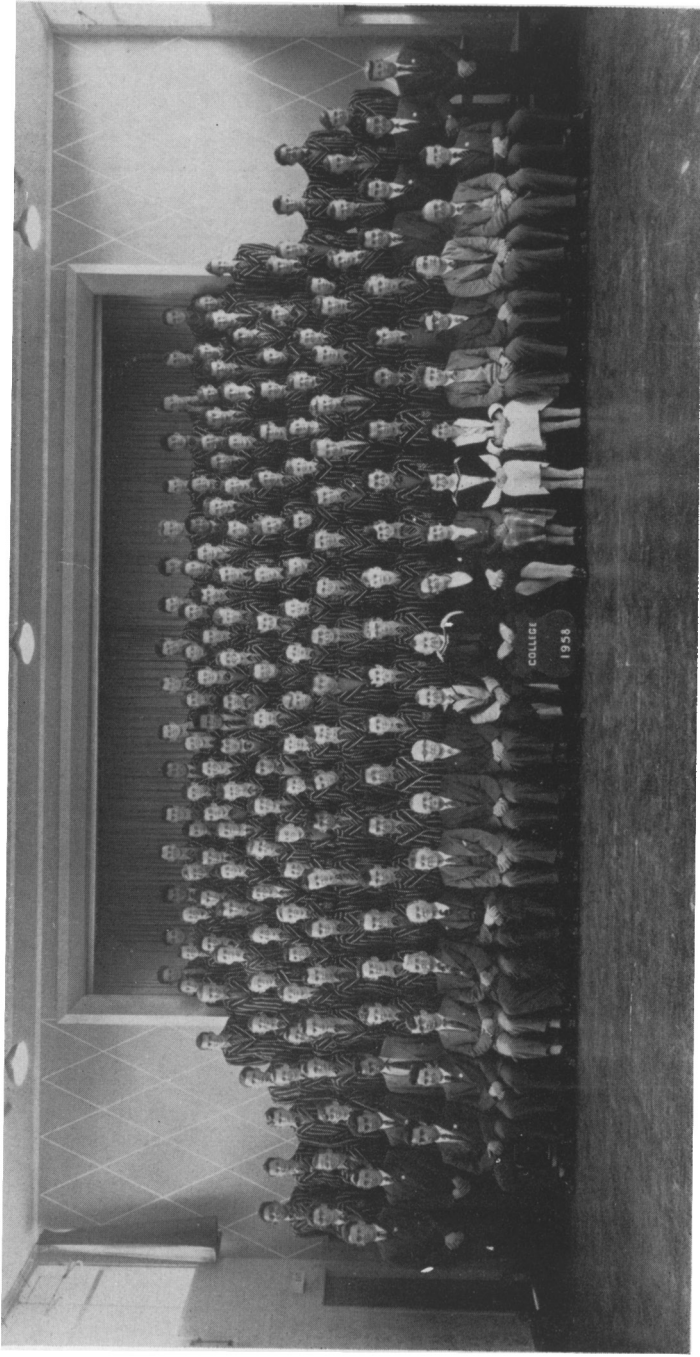

— PAERATA —

1958

WESLEY TRAINING COLLEGE.

BOARD OF GOVERNORS, 1958

Chairman: J. S. CAUGHEY, Esq.

Chairman of College Committee: MR E. P. SALMON

Chairman of Farm Committee: MR A. W. WESTNEY

MEMBERS:

The Reverends F. COPELAND, E. W. HAMES, M.A., G. I. LAURENSEN, A. H. SCRIVEN, R. ROGERS B.A., W. WALKER, SIR JOSEPH STANTON. Messrs. S. J. CLARK, C. DARBY, H. M. DENTON, W. E. DONNELLY, T. L. HAMES, C. MANSELL, C. N. NICHOLLS, M.A., P. RUSH-TON, E. P. SALMON, A. C. A. SEXTON, LL.M., A. W. WESTNEY, A. M. WINSTONE.

PRINCIPAL

THE REV. E. M. MARSHALL, B.A., Dip. Ed.
Wesley College, Paerata.

GENERAL SECRETARY:

MR. G. C. B. MINOGUE, A.P.A.N.Z., A.C.I.S.

STAFF

School:

MR. E. A. CRANE, M.A.
(First Assistant)

MISS F. STARK, Mus. Bac.,
L.T.C.L.

MR. H. H. MARSHALL, B.A.

MR. H. BAKER (Woodwork)

MR. P. F. M. ROWLANDS, B.Sc.

MR. H. S. LEE

MR. C. LAURIE (Music)

Outside Staff:

MR. J. L. BROWNING
(Farm Manager)

MR. O. J. McPHERSON (Farm)

MR. W. O'NEILL (Farm)

MR. R. BROADHURST (Farm)

MR. S. OLSEN (Farm)

MR. K. KRAGH (Farm)

MR. R. WILSON (Janitor)

MR. M. B. KNOTT (Grounds
Overseer)

MR. W. T. SAPSFORD (Handy-
man)

MR. F. H. HARTRIDGE
(General Hand)

MR. W. E. REEVE (General
Hand)

MR. J. YOUNG (General Hand)

MR. B. SMYTH (Nurseryman)

Matron: MISS A. M. GREENE

Assistant Matron: MISS E. STUART

Bursar: MR. T. F. HUTCHINSON

Office Assistants: MISSES D. ROGERS and M. HUNT

Organist and "Society Steward":

MISS P. A. MARSHALL, Mus. Bac., L.T.C.L.

Prefects

G. Tetley (Head), G. Bolton, K. Haddad, I. Tonga, A. McAulay, D. Tupou, R. Tupou, G. Taiepa, R. Buckley, R. Cheeseman, A. Pankhurst.

Captains:

School House: R. Tupou

Simmonds House: K. Haddad

Football: R. Tupou

Cricket: D. Tupou

Wesley College Collegian

Vol. XXXI.

DECEMBER, 1958.

FOREWORD

1958 has seen the fulfilment of another promise made some years ago . . . that we would increase the Roll as soon as the means were available. This year, we reached the record total of 180 boarders. An analysis of the number reveals that a sixth are in the Intermediate Department, and a third in the Senior Division (Form V and VI). A large Form V and VI has been a good thing for the school, but there have been attendant problems, staffing in particular.

We have always tried to keep an even balance in our curriculum, so that no undue emphasis is given to any one Course. That balance has been maintained this year, and is to be safeguarded further by the formulating of a policy by the Board by which Scholarships and Bursaries will be made available, the former for Academic advancement, the latter for general or specific purposes such as Trade, Agriculture, Divinity. The Board has always been most generous in the aid given to parents of students as required. It now seeks to work according to a stated plan, a step that will be welcomed by all.

As for the record of the year itself, I have nothing but praise and thanks for all that has been done, both by the Board and generous friends, and by the Staff. We began with a very difficult First Term, caused by a combination of factors . . . the loss of both Matrons, the large influx of new boys, a number of new members on the teaching staff. In Term II, we overcame most of the difficulties, so that by the end of this year we have a fine working spirit in the school with staffs united and under excellent leadership.

This little Magazine is really a record or "log" of the year's doings, but we wish it to be more than a collation of facts or a statement of achievements. Reading between the lines, one senses the thought, patience, painstaking effort put in by a great number of people; and it is my privilege and opportunity here to state that, and to say "thank you" most sincerely to all concerned.

E. M. MARSHALL,

Principal.

GENERAL NOTES

Obituary:

It is with deep regret that we record the passing of Mr. E. R. Wadham, who died in Auckland on October 13, 1958, after being in retirement since October 20, 1957. He had been a member of the College Staff as Handyman-Carpenter since September, 1930.

The Principal conducted the funeral, and at a Service in the Chapel later, he paid a fitting tribute. The Staff and boys express their deep sympathy with his sorrowing relatives.

Staff:

On the teaching side, we farewelled Mr. J. L. Ballantine, M.A. and Mr. J. V. Buckton, both of whom left at the end of Term I. The former was First Assistant, and had been Acting-Headmaster while the Principal was overseas. His was a generous and valuable contribution to the College, and the best wishes of all go to him in New Plymouth.

Mr. H. S. Squier, Bursar-Instructor for five years, left on July 11 for Martinborough. He, his wife and family, will long be remembered at the College. He not only managed Office affairs with skill, but was teacher of Commercial subjects, coach in Football, referee, Officer in charge Ambulance Division at the College, and was prepared to carry out any duties assigned to him. Our thanks and best wishes go to the Squiers.

Miss M. Harris, Office Assistant for five years, left in April to be married. Miss D. Rogers (full-time), and Miss M. Hunt (part-time), have now taken up duties in the office.

Miss I. Leslie, Senior Matron for three years, left at the end of 1957 for health reasons. She desired no farewell, and it was a surprise as well as a great disappointment to everyone when there was no Miss Leslie at the opening of school in February. Her personal interest in the boys, has left its mark on the whole school. Since her going, there has been a division of responsibility, so that the Senior Matron is now able to devote her time entirely to the Hostel side of the College life. A Manageress is responsible for all domestic arrangements.

Miss Willcox, Assistant Matron, left in early March, and has been replaced by Miss E. Stuart.

To Mr. E. A. Crane, M.A., who has come back as First Assistant; to Mr. T. Hutchinson who has succeeded Mr. Squier as Bursar; to Mr. H. Baker who has taken the place of Mr. Buckton; to Miss F. Stark, Mus. Bac., who took charge of Forms

I and II when Miss B. H. Marshall left to go abroad; and to Mr. H. S. Lee, Assistant Master . . . to all these we extend a very warm welcome to the College, and express the hope that they will find here much enjoyment as they work in the service of the Board.

To Miss A. M. Greene, Senior Matron, and Miss Gifford, Manageress, we give a very sincere welcome also.

Three new Clubs have been formed during the year . . . a Music Club, and a Dramatic Club, both under the guidance of Miss F. Stark; and a Staff Social Club, meeting each Wednesday evening for two hours of fun and games.

Dancing lessons have been given to some sixty senior boys during the winter. They are now wondering when they will be able to show their prowess in the Hall! The Prefects who were able to accept the invitation to attend the Prefects' Dance at Papakura High School thoroughly enjoyed the opportunity and the outing.

The Scout Troop was without a Scout Master until Mr. R. Beattie of Patumahoe Troop kindly offered his services until we are able to supply a S.M. from the Staff. Our grateful thanks to Mr. Beattie!

The Ambulance Division was fortunate in that Mr. Hutchinson was well qualified to take over the Division from Mr. Squier. He has held high office in St. John Ambulance, and is a member of the Auckland Hospital Board. We are grateful to Mr. Hutchinson.

Badminton is a new sport for us this year, made possible through having the Hall made available. Championships have been played, and it has now become an item in the Winstone Cup contest.

Beautification of the grounds proceeds, with the forming of rose-beds along the Drive and around the Quadrangle; and with the planting of shrubs near the Memorial gateway.

The Board has approved a plan for making a *new driveway* to the College, skirting the northern side of the Sports Field. This will carry heavy traffic to the farm, will open up excellent building sites for Staff houses; and will provide ready access for visitors who attend sports fixtures. A new *Staff house* is to be erected on one of the sites in the new year.

Odds and Ends:

We apologise for having to quote the youth who could illustrate the use of "abet" only by referring to "abet on a horse"; and the other one who wrote about "chronic sol-fa", and declared that one could have an "abyss" on the lung.

One hopeful wrote, "the horses were upright and sober, not stirring an eyelid"; and another, that "Imogen had a blue smoke" (smock).

Old Boys will be interested to know that there are now no boilers at the ends of the Houses, but that one automatically-fuelled boiler supplies hot water to both Houses; that some boys still refer to the "dispensary" as the "expensary"; that a Doctor visits the College every week regularly, under a scheme introduced by the Health Department; that School milk is supplied for the seven days in the week, because we are a Boarding school; that, in spite of the supply of fruit raw on the tables as long as available, boys still find that the fruit off the trees, taken at grave risk, is much nicer.

COLLEGE DIARY, 1958

- February 11—Boys come into residence.
26—Wedding in Chapel: Nancy Darby, Austin Sawtell.
- March 3—College Swimming Sports at Pukekohe.
12—Karakā School Picnic at College.
15—College Athletics cancelled on account of weather.
16—Rally for members of Franklin Methodist Churches at College Chapel. Speaker: The Principal
22—"Dan Bryant" Memorial Secondary School Athletic Sports at Pukekohe.
24—Easter Service in Chapel for M.W.M.U., followed by Garden Party.
29—Inter-Secondary School Athletics held at College.
- April 3 to 8—Easter Exeat.
7—Wedding in Chapel: Jennifer Marshall, Warwick Goldsmith.
19—Wedding in Chapel: Marie Harris, Andrew Majurey.
20—Christening in Chapel: James Burney Quinn.
25—Anzac Day: Church Parade.
- May 8 to 27—May Vacation.
- June 8—"Honouring Age" Committee, Pukekohe: Outing to College.
14—Old Boys' Reunion at College. Speaker at Morning Service: Rev. R. Rogers, B.A.
22—Choral Service (Choir of 40) at Takapuna Methodist Church.
- July 4 to 7—Mid-Term Exeat.
9—Visit of Mr. Notohamijojo of Indonesia.
15—Inter-Secondary Schools Public-Speaking Contest at
19—Visit by 1st. XV Football Team to Port Albert.
Papakura. Won by G. Bolton.

- August 3—Men's Fellowship Service in Chapel. Preacher: Rev. A. Reid.
 9—Boys' Concert in College Hall.
 Presentation of Concert Piano by Old Boys' Association.
 16—Boys' Concert presented at Manurewa.
 21—to
- September 16—Vacation.
 20—Table Tennis Championships at Pukekohe.
 27—Concert in College Hall: Auckland Girls' Choir, College Choir, and supporting artists.
 28—Choral Service (60 boys) at Pitt St. Methodist Church.
- October 3—Boys' Concert presented at Silverdale.
 5—Choral Service (60 boys) at St. Paul's, Hamilton.
 11—Concert in Auckland Town Hall, 90 boys in "Three Choirs Festival."
 12—Commemoration Service in College Hall. Preacher: Rev. L. R. M. Gilmore, B.A.
 19—Choral Service (60 boys) at Methodist Church, Papakura.
 24 to 28—Labour Day Exeat.
- December 7—Carol Services at the College, 2.30 p.m. and 7.0 p.m.
 10—Speech-Day and Prize-Giving at 2.30 p.m. Speaker: Mr K. Dellow, M.A.

CHAPEL AND CHURCH AFFAIRS

Once again there has been much activity in Church Work. Not only has the Chapel been used for special Services as listed in the Diary, but the Choir have gone to a number of Churches to take part in Choral Services, as has been the case for many years. The Chapel is proving to be too small for combined Services except when we reduce the number of boys attending to about half. On several occasions we have had to use the Hall, where it is certainly more comfortable for the Congregation, but with the loss of some atmosphere.

This year we have used for Evening Prayers the new volume by H. F. Matthews, "A Book of Worship for Schools." In honour of Mr. "Ted" Wadham, who attended to the preparation of the Chapel for worship over many years, we have acquired Phillips' "New Testament in Modern English" in One Volume, for use in the Chapel.

We wish to place in record our grateful appreciation to Miss P. A. Marshall, Mus. Bac., for her unfailing energies in looking after the flowers for the Chapel, in carrying out her duties as Chapel Organist, in looking after the Sunday School as its Superintendent, and in the preparation she makes for Communion and special Services.

Assisting the Principal in the taking of Services have been first Rev. L. Divers, Superintendent Minister of the Pukekohe Circuit to whom the College owes a debt of gratitude; Mr. J. L. Ballantine, M.A., who left at the end of Term I; Mr. E. A. Crane, M.A., who took up duties in the Third Term; and the many who have from time to time come to take Services with the boys.

To Miss F. Stark, Mus. Bac., and to Allan Pankhurst, our thanks for playing the Organ for Services and Prayers. The Chapel Monitors have again given very faithful and efficient service during the year, W. Lindberg being Senior Monitor.

The Divinity Class has met weekly with the Principal, and in the Third Term Church Membership Classes have been held for senior students. Maori students have attended and sung at Services in Pukekohe each month, when Maori services have been held under the Maori Mission Department.

This is a most important part of our College life. It is gratifying to learn of Old Boys who are following on with studies and activities in the Church. It is our hope that all who worship at the College find inspiration and help for a long time to come.

SIMMONDS HOUSE NOTES

In 1922 Simmonds House was opened by Rev. J. H. Simmonds, the first headmaster of the school here at Paerata. No doubt in those days the buildings seemed to be very modern, but could he see them today he would scarcely recognise them. The outside is much the same but inside what a change! Renovations at Christmas have altered the personality of our House as have similar improvements in School House. More boys, more beds; more beds, less room, and yet one would hardly credit the space we still have, as our modern facilities take a minimum of space while providing us with amenities as good as those of any school in the country.

As our material assets have improved the spirit of the House has progressed also; we have not yet won the Winstone Cup but this year we've been the closest to it for many years. We won the Athletic Contest and the steeplechase and in other fields of sport we have been a close second; our only bad failure was in the swimming, but even here a member of our house, Errol Hilton, won the Intermediate Championship, breaking 2 records at our sports and 2 at the interschool sports in Pukekohe. An excellent achievement and the congratulations of the House go to you, Errol.

In other realms of sport other outstanding representatives have been: James Cameron, Intermediate Sports Champion; Ian Milliken, Junior Sports Champion; Boydie Moses, Intermediate Table Tennis Champion.

Since these achievements were recorded Ian Milliken has had to leave, on account of his health, and our kindest regards and best wishes are extended to him. Others we have lost this year owing, in most cases, to unforeseen circumstances, are Murray Anderson (a 1st XI Cricketer of good repute), K. Gailer (runner up in the Junior Swimming), Mervyn Kemp (member of 1st XV), William Pollock (a swimmer), Gary Wahanui (1st XV, 2nd XI and a senior house monitor), Lionel Landon, John Beatty, and Ron Cameron. To all these we express our best wishes and regards.

But wait, we've bid farewell and expressed our best wishes to everyone except the one who deserves it most—Mr. J. L. Ballantine, our Senior House Master, left us at the end of the first term and he has been missed not only throughout Simmonds House but also by the whole school. We shall not soon forget his 'quips and cranks,' his exhortations mild and not so mild—some rising even to 'gale-force'—and above all his deep and sincere interest in our welfare, collectively and individually.

While saying good-bye to all those who left during the year, we must not forget to say thank you, good-bye and good luck

to all those stalwarts of the House who will be leaving the school at the end of the year. Most of them have been with us two or three years at least.

In Mr. Ballantine's place, we welcome Mr. H. H. Marshall as Senior House Master. Although a retired man, a married man and, in his own words, 'with one foot in the grave and the other on a banana skin,' he cheerfully undertook the duty of guiding the House in addition to his teaching work. Our sincere thanks we extend to him for his unfailing help. With him we welcome Mr. P. Rowland who consented to act as assistant House Master.

The House is also greatly indebted to the Senior House prefect, Karam Haddad for his cheerful and efficient control, to his assistant prefects, Inoke Tonga, Arthur McAulay, Robert Buckley, and Robert Cheeseman; to the House prefects, David Civil and Terence Ryan; and to the squad leaders and deputy leaders who all have helped the House to reach and maintain a reasonable standard of discipline—and that without too many tears!

The squad leaders in the order of the squads, one to nine are: S. Flatt, G. Buckeridge (vice M. Anderson), I. Vuibau, A. Dickenson, W. Lindberg, D. Stokes, (vice M. Kemp), J. Cameron, P. Hill, R. Winstone.

In some ways, for those in control, this has been a hard year—we always say that—but if the truth were told, we, the 'bosses', have enjoyed "breaking in the young fry," just as we ourselves once were "broken in." The competition among the squads for personal neatness, steadiness, tidiness of dormitories, etc., has developed a healthy spirit of rivalry and has helped us to feel an additional pride in our House.

Well, now the year is almost over and we shall soon be going home, those who are to return wishing that they did not have to, and those who will return to us no more wishing they could. At all events, here's a Merry Christmas and a Happy New Year from both Houses to the Principal, masters and other staffs for making life in this boarding school worth while; and also many thanks to School House for extending us and too often over-extending us in our pleasant games!

SONNET: On Losing The Winstone Cup For The Umteenth Time Running

Where ivy clings to old and worn brickwall,
 Where rose-beds, newly dug, lie on the lawn,
 Where birds chatter in Phoenix palms so tall,
 Where noisy bells ring in the glowing dawn,

There lie our present parting thoughts; for there
 A year of care-free joy has passed.
 The sweet young Simmonds' Youths have spent another year
 And still the Winstone Cup's not at our feet.
 But cheery smiles still reign in this old House
 We have the lightest hearts, the gayest smiles.
 For though we may not breed the fittest men,
 We lose as losers should; but, then,
 We've lost for untold years! And yet, who knows!
 Our fortune's fickle wheel will turn—thus it always goes.

(Note by the House Master.: In spite of my suffering the disabilities mentioned above—retirement, marriage, etc.—I should like to say how much I have enjoyed these two terms as Simmonds House Master. In spite of dirty shoes on parades, mercurial eels (Williams, Happy and Co.,) badly made beds, and at times unseemly frivolity in the “seats of the mighty” (the prefects), it has been a very pleasant time indeed, and why not, with a “Bunch of hombres” such as we have in Simmonds!

—H. H. MARSHALL.

SCHOOL HOUSE NOTES

Our first impressions of School House this year are that of a complete new building—graced by stainless steel showers and wash-basins, and a twenty-four-hour hot water system. There, painted in a pleasing combination of green and grey, all combined to give the deluding effect of a completely new house. Nevertheless our reputation has remained the same, for 1958 has proved to be another successful year in all fields for School House. Although the result is not definite at the moment, we feel sure that the Inter-House competition will be the same as it has been for years. Under the able guidance of:— G. Bolton, G. Taiapa, A. Pankhurst, C. Hubrick, G. Dick, L. Koroheke, D. Tupou and R. Tupou, in their capacity of House-Prefects, School House still manages to retain its position of superiority (we feel) in every field. The general House spirit this year has been of a particularly high standard, with monitors and Squad leaders co-operating to the full. We also wish to thank our House Masters, Messrs. Burrow and Lee, for their co-operation and help. They too have contributed towards the success of the House this year.

Before we go any further we regret that in the last term we had to bid farewell to “Solly” Ratana, our House Captain for two years. As House Captain he ably carried on the illustrious tradition of his predecessors, and we feel that not only School House, but the whole school were sorry to see him leave. Others we have had to say good-bye to are: Whistler, and Hayes, both

prominent members of the House. To these boys we wish our very best in their future careers.

As we write this report we can't help but congratulate Simmonds House, as is the tradition, for giving us some first-class competition for the Winstone Cup. Good sportsmanship has been maintained throughout the House-Cup series, with every competition.

In closing this report we must make reference to the Champions School House has produced this year:—

- M. Ward: Intermediate Steeplechase Champion.
- A. Pankhurst: Junior Swimming Champion.
- D. Tupou: Captain 1st XI.
- R. Tupou and D. Tupou: Table-tennis doubles Champions.
- R. Tupou: Table-tennis singles Champion, Captain 1st XV, Senior Sports Champion.

To all concerned, to School House and to the whole school, we wish a very Merry Christmas and a Happy New Year. To those returning, keep the tradition up; to those we will see no more, a fond farewell.

REPORT FOR YOUNG FARMERS' CLUB

During the last year, the Wesley College Young Farmers' Club has had a very full programme, and we wish to express our thanks to Mr. J. L. Browning, our Advisory Member, who gave up much of his spare time towards the better running of the Club. Special thanks are also due to our Club Chairman for the past year, Mr. R. Buckley, who measured up to the position very well.

Our Club programme for the year was as follows:—

In February we acted as stewards at the Pukekohe Agriculture and Pastoral Show, and we took part in the stockjudging competitions, gaining good placings.

March saw us taking part in the Young Farmers' Club stockjudging competitions at Pukekohe where the boys acquitted themselves very well, winning the first three places in the aggregate points. First was M. Smith, with R. Buckley as runner-up and R. Stokes a close third.

In June we were given a lecture on "Farming in Northland" by Mr. Arnold of the Department of Agriculture, and on the 30th, we went on an excursion to Westfield Freezing Works. This proved to be a very valuable experience as well as an enjoyable outing.

In July we were given a display on wool by two visitors from the Loan and Mercantile, and later in the month we had a lecture on Pasture Management by Mr. Stewart of the Dairy Board.

An evening on Farm Safety was held in September with Mr. L. Craig as the lecturer.

In October, Mr. Durham, Government Veterinarian, showed us films and gave a talk on diseases and ailments of stock.

Before the year is out we intend to go to the wool stores in Auckland, and pay a visit to a butter factory to see the general process of buttermaking in practice.

At the end of the year we are going to hold our usual exhibition and this will round off our year's programme very well.

We hope that next year's Club members have as successful a year as we have had, and we wish them the best of luck with their Club activities.

C. M. WILSON,
Hon. Secretary.

THE FARM

The farm has a prominent part to play in the overall importance of the College. Without overlooking its very necessary function in providing revenue, full consideration to the educational side

must be considered. Tied up with the Agricultural course is practical farming instruction, which gives the essential link with class subjects. When we consider how much of the syllabus has its basis in practical knowledge, then the value of the farm in this phase of its activities cannot be overstressed.

Those responsible for developing this course at the College are conscious of the fact, that not within two hundred miles do similar facilities exist for those desirous of taking a course in Agriculture. Our place in the community is established, our purpose clear—to train better farmers and better citizens.

This year has again shown increases in production over previous years, giving a feeling of satisfaction but not complacency, as the challenge of lower prices for all primary produce must be met.

Our thanks to members of the farm staff and to Mr. Olsen and Mr. Kragh, who will be returning to their native Denmark, our best wishes, with the hope that they will look back, with pleasant thoughts, on their sojourn at Wesley College.

J. L. BROWNING

SCOUT NOTES, 1958

Scouts this year did not, unfortunately, begin until late in the second Term, as we were without a Scoutmaster—however, we attended a Church Parade on Anzac Day earlier in the year.

We gratefully welcome our new Scoutmaster Mr. Beattie, who is also Scoutmaster at Patumahoe and travels from there to our meeting each Thursday. We sincerely thank him for this.

At the end of the second Term, we lost one of our Patrol Leaders, M. Anderson, who has always taken a keen and active interest in Scouting. We wish him every success at his new school.

A camp held at Helvetia during Labour week-end was attended by the boys who will be going to the Jamboree at Auckland in January.

Troop Leaders are: Mr. R. Beattie—S.M.; R. Cheeseman—T.L.

There have been many newcomers to the troop this year and progress in their work has been very satisfactory, five boys having completed their second class badges.

R.W.C.

MY HOME, HONG KONG

(Which means "Land of Fragrant Streams")

Hong Kong has been a British colony since 1841. It was lost temporarily in its centenary year, 1941, and liberated in 1945. It consists basically of a peninsula and a group of Islands of which the most important, though not the largest, gives its name to the whole colony and forms with the mainland Hong Kong Harbour—one of the most valuable and picturesque in the world. Hong Kong Island has an area of 32 square miles. It is eleven miles long from east to west and varies in width from two to five miles. A mountain range has as its highest point Victoria Peak (1,809 feet), which is known to the Chinese of old as MO TIN LENG (which means "Touching the Sky Magnificently"). The island was ceded to Britain. Some twenty years later the tip of the Kowloon Peninsula ($3\frac{1}{4}$ square miles) and Stonecutters Island ($\frac{1}{4}$ square mile), at the western end of the harbour were added. In 1898 the New Territories and 75 islands (in all 355 sq. miles) were acquired in lease for 99 years. The total area is thus 391 square miles, mostly mountains. Flat land has always been at a premium, so that terracing of hills and building of contour roads has been made necessary. Motor roads and a funicular railway run almost

to the summit of Victoria peak. On the mainland, the name Kowloon derives from the Chinese term KAU LUNG (which means Nine Dragons) suggested by nine hills, the highest point being TAI MO SHAN (3,141 feet). In addition to a network of roads there is also on the Peninsula a railway, which runs to Canton and connects there with lines northward to Hankow, Shanghai and Peking and across Siberia to Europe.

J.A.C., VA.

MYSELF TEN YEARS HENCE

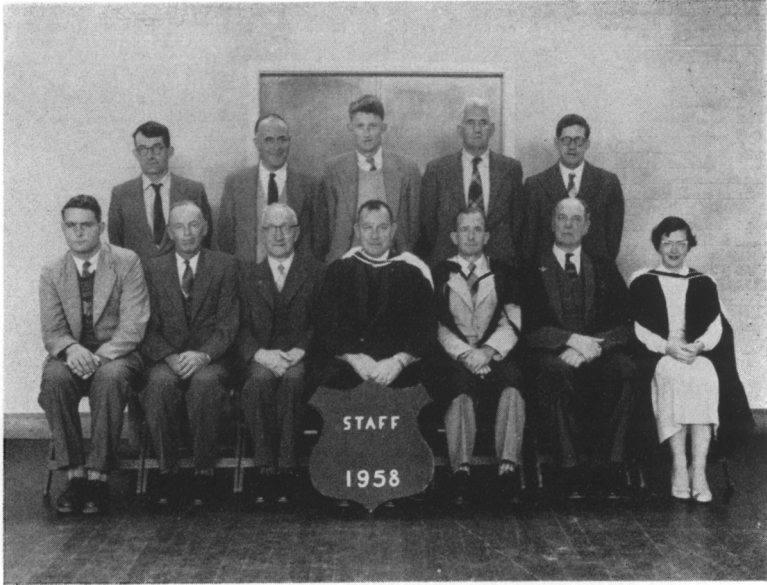

(This rather quaint and touching spasm is from the pen of one of the IVB hopefuls who normally seems to prefer spending his time in class in quiet almost slumberous reflection and meditation; we print it, not so much for beauty of thought and diction as for a proof that either because of or in spite of our teaching, many of our boys are exceedingly up-to-date—Ed.)

I see myself in ten years time as the best Rock'n Roller of this Universe, real cool man!

I have just received an invitation from the Emperor of Mars to give a demonstration of Rock 'n Roll to the square Martians. I was escorted by the Flying Purple People Eaters to the arena where my display was to be held. As I entered, the Purple People Eaters stood up and blew Rock 'n Roll music through the horns in their heads. As they cheered me on, I just couldn't stand it—the music seemed to send my head whirling around as if I were drunk, so I grabbed a Chick standing in the alley, arm-in-arm with her party doll who was wearing a white sports coat and a pink carnation, and whirled her into the dance, and did we or did we? As my demonstration drew near to the end, the people just crowded around me for my autograph as if I were a god!

Hello! It was time for me to go back to earth! My legs were nearly falling off as if a bolt had come unstuck from my knee cap. However, I reached the Space Ship which was crowded with my fans. A few minutes later to the strains of "See you later, Alligator!" "In a while, Juvenile," "Good-bye, Butterfly," we were away.

Back Row: D. Tupou, G. Talepa, A. Pankhurst, A. McAulay.

FORM IV NOTES

Blow these people who came in slamming doors and interrupting our hive of industry, demanding form notes at the most inopportune moments. Still, if we want our names to grace the "Collegian" this year I guess we must do something about it—so here goes.

We of Form IV in the year 1958 do not wish to boast of our achievements but one must admit that our record is an impressive one. Form IV fully realises that self-praise is no recommendation, but if we do not tell the truth about ourselves, who will?

We have had six of our noble form in the 1st XV, from fast and efficient forwards to the dashing and tactful half-back and sparking five-eight, and four brilliant players for the 1st XI.

Added to this there are the Intermediate, swimming, badminton, table tennis, and cross country championships and many other notable accomplishments. In fact if one were to write down these accomplishments nefarious and otherwise, there wouldn't be any room for any other Form Notes and that would just be too bad. We are not all brawn though! There are the IVA intellectuals and as far as musical interest goes, Bing Crosby and Elvis Presley are just not in the running.

So we, in the Fourth Form, would like to express our gratitude to the Masters who have taught us during this fruitful year of education—especially our Form Masters, Mr. Burrow and Mr. H. Marshall who have helped us tremendously in our sport as well as the laborious job of educating us.

However, our Season's greeting go to them and to everyone else and in closing we wish all—

A MERRY CHRISTMAS AND A HAPPY AND
PROSPEROUS NEW YEAR

IV A.B.C.

FORM I & II NOTES

In the first term we were sorry to lose our teacher, Miss B. H. Marshall, who left us at Easter to go on an overseas trip. We wish to thank her for interesting post-cards and letters we have received from her. Her place was taken by Miss F. Stark (who has helped us in our work and worries like a mother hen over her chickens).

Our monitors for the year have been:—

Term I, Fatafehi; Term II, Winstone III, Term III, A. Happy.

In the second term we rehearsed the play "The Poison Party" for the School Concert, and this provided many laughs for the audiences who saw it at Colloge, at Manurewa and at Silverdale. We were proud of the cast, who worked very hard. They were Hunt I, Hooper II, Painter II, Kinsella, Winstone III and Happy. Our grateful thanks go to the Matrons, Miss Greene and Miss Stuart, who gave us valuable help when Miss Stark was ill.

Also prominent in the concert and in the choral services have been the Form I and II trebles. Where would the choir be without us?

Forms I and II are active in all sports. This term our enthusiastic softball team, the "Wesley Giants," has been fairly successful—congratulations to our pitcher, Wycherley. We all enjoyed the cross country run, Carter II coming third.

Now we look forward to the exams, with—er—confidence!

Greetings and best wishes to all our readers.

G.B., B.C.P.

RANDOM IMPRESSIONS

Some time ago my brother, the Principal of this College, invited me to jot down some of my impressions of life and conditions in a boarding school — this school — and half promised that, if my attempt were reasonably factual and reasonably well expressed, he would consider inserting it in the Magazine. After reflection and many months' consideration I agreed to try. Up to my coming here last year, my teaching life had been in a State Secondary School, but I had always been curious about the kind of life teachers and pupils lived in a school such as this. It never entered my head in those days that, on my retirement from strenuous effort and responsibility, I would find out at first hand. One brief word before the ink flows. Any views expressed herein are entirely my own and do not demand any agreement whatever, and of course any seeming reference to any particular pupil or group of pupils is purely coincidental and doesn't mean a thing. Readers of this, if any, are invited to peruse it as light-heartedly as it has been written.

The first impression anyone gets on visiting this school is one of peace and beauty.

The whole of this countryside is beautiful and these four hundred acres with their green pastures, rolling terrain, well-kept orchard, trim hedgerows and rows upon rows of noble trees, present a picture charming and restful to the mind. The school buildings for the most part are in keeping with their surroundings — the lovely Chapel; the new Assembly Hall built in 1956 and capable of seating 500 people; the new Dining Hall, very pleasing to the eye as well as soothing to the "internal economy" of the boys; and comfortable and reasonably adequate class rooms. I understand that plans are afoot for further extensions in the next few years.

It is not within my province to comment on the "farm management" side of the school, but the general picture I get is one of enthusiasm and efficiency. The boys in the "C" classes are on "Farm" at least one day a week and eagerly look forward to it. From comments by those who should know, I gather that the School is fortunate indeed in its farm manager, Mr Browning, who, in spite of staffing problems common to so many businesses nowadays, continues, on his Balance Sheet, to show increased production. One thing that very much pleases me, a mere observer, is the very humane treatment accorded the cattle by the manager, and, because of him, by his staff and the boys. It would almost seem as if the cows regard him as a personal friend — no wonder production keeps up!

One of the most diversified jobs in the School is that of Mr Knott, the "veteran" of the place — he has been here over 30 years. He and his staff are very active men as the general maintenance and repairs of the school come within their province. And what a number of things have to be done — those necessary by reason of ordinary wear and tear and those not so necessary by reason of thoughtless and mischievous boys! The School Truck, under Mr Knott's control, is a most useful "institution." By it the mail is got, the School is largely provisioned, footballers and cricketers visit neighbouring schools, choir boys are taken to sing at outside services, occasionally boys remaining at College in the holidays are taken to the pictures, and at times it is even used as a cattle transport. The School Truck! An opportunity for you Fifth and Sixth Formers to compose a moving sonnet!

And now the boys for whom the School exists! They sleep in three dormitories each containing approximately sixty beds which are arranged in order according to the House squads — each squad being controlled by its leader. Each boy has a locker. The boys' cleanliness and health generally, their laundry requirements and dormitory conditions are ably controlled by the matrons, at present, Miss Greene and her assistant, Miss Stuart. The commissariat is under the control of a manageress and when one, for some reason or other, is not available, the cooks and kitchen staff, aided by a few boys, ably step into the breach so that come hail, rain, sleet or storm, the boys and staff are fed. The present dining hall arrangements for meals are a great improvement on those of previous years when the dining room was not large enough to hold the diners comfortably. Now, there are eight boys to a table, their food is brought to them by the "servery" boys and reasonable conversation is allowed — restaurant conditions, in fact. After meals, the departure in silence from the hall is most ably controlled by the prefects.

A word here about the prefects. Their job is a most difficult one and at times a thankless one. Frequently the boys under their control are their personal friends, and it is very difficult to steer the middle course between undue severity, which could become "bullying," and undue slackness, which can become weakness and inefficiency. During my short stay here it has been borne in on me more and more that the smooth and efficient running of a boarding school such as this depends, even more than in a day school, on the cordial loyalty of staff and prefects to the Principal and the School Rules. I would emphasize the word "cordial"— that is the key word. Isn't there a text somewhere — "This people honoureth me with their lips but their heart is far from me"? I should like to say, in all sincerity, that this College owes a great deal to its prefects and its monitors. In spite of occasional falls from grace and lapses into, shall we say, immaturity, they have done and are doing an amazing amount of good work day by day and week by week — I was almost going to add, unhonoured and unsung, but that is not quite true. The House Parades and squad competitions are run almost entirely by them, dormitory discipline in the going to bed and the rising from bed is largely "their pigeon," breaches of School Rules are dealt with by them, or, if very glaring, are reported to H.Q. It seems to me that, at the moment, there is a healthy spirit of co-operation among them. May it long continue!

As to the boys themselves and their calibre, I have been asked several times how they compare with those in similar classes in state schools. It is impossible to generalise in these matters, but I may be able to give some sort of an answer in an indirect way. One method of classifying boys — and there are many methods — is to divide them into three groups. First there are those earnest and industrious souls whose instinct is to work — you can't keep them down and whatever the quality of teaching they will emerge near the top. At the other extreme are those who are natural rebels, not well endowed intellectually, who resent control and work and whose unhappy minds tend to explore the more devious and crooked byways of life. They are the despair of any teacher — one in a class is a disruptive force. Fortunately there are not many of them. The great bulk are in the middle group. They are easy going, carefree, not wise beyond their years but wholesome and happy and amenable to instruction and discipline. I believe that a teacher by his or her own enthusiasm and interest can influence members of this group tremendously and turn them gradually but surely from a "I-don't-

care-much-one-way-or-the-other" attitude to one of "That's interesting — what more can I learn"? To return to the question as to the calibre of these boys — in this school it seems to me that there are more in this middle group than there were in the state school I was associated with for many years. It may be that the majority of these boys are aware, in their hearts, of the sacrifices many of their parents are making in sending them here and wish to "play the game" with them. Whatever the reason, I have been greatly encouraged during my stay by the response of very many of the boys to my efforts and by the changed attitude to work and to the School of certain ones I must not mention. One boy in particular I have in mind who seems to be "as a brand plucked from the burning." It is a truism to remark that a teacher bears many and serious responsibilities but truisms can sometimes bear repetition.

And talking of teachers, may I be permitted to make this observation. A school such as this should provide an excellent training ground for young teachers who intend ultimately to enter the State service, in this way. Here a house master is in touch with his boys both in and out of school for seven days in a week. This gives him a second-to-none opportunity really to know the boys — to test his ability to gain their confidence and in general to get on with them. If he can come through here with flying colours, he need fear no State school.

No comment about a church school would be complete without some mention of the "religious" aspect of it. I don't care what a boy's home teaching and circumstances may be, it will be impossible for him to take part in regular religious exercise without some impression being made on him. Even granted that a large percentage of them do not grasp the significance of what they hear, who can tell what may emerge in after years from their sub-conscious minds? Most of them enjoy the hymns and songs even though they may need driving in their learning of them, and every Sunday evening as I listen to them and allow the quietness and reverence of the service to penetrate my innermost being, from the Introit to the Benediction, I feel that all these boys, even without being aware of it, are getting something invaluable.

Back to daily routine. The outside activities of the boys are well catered for. A most efficient sports master, with whatever assistants are available, looks after both football and cricket, and in addition there are clubs for tennis, table tennis, softball, badminton, to say nothing of draughts and chess. The pictures on Saturday evenings are for the most part eagerly awaited and provide a welcome relaxation. The present extra-curricular craze is "Yo-Yo" — carries me back fifty years or more! And I am afraid that with many there is the "endemic" craze of slushy "penny dreadfuls" and the collection of "Pin-ups." Only the other day, in a combined 5A and 3A class, I noticed a Third Former, supposed to be learning Latin declensions, getting inspiration for still further Latin onslaughts by frequently glancing at what turned out to be a full-page picture of bathing beauties! I was forced to say, "My young and semi-addle-patec, stripling, would you be very upset if I took that lovely picture from you and destroyed it?" And when without any hesitation whatever and with an anxious look in his eye, he said most feelingly, "Yes, I would, Sir," I was so overcome that I walked away and left him to his idols. However, very few of these displays would be condemned by the Censor, and anyway, the problem is beyond my wisdom to solve. Didn't I read somewhere once that even King Canute found some difficulty in keeping back the on-coming tide?

My rather rambling discourse is nearing its end. My over-all impression of the College is of a place where much good is being done, of boys happy and contented and living in an atmosphere remarkably free from serious disputes and quarrelling, and of a Principal who, devoted to his School as he is, gets through his many varied tasks, involving many difficulties and unexpected set-backs, with remarkable courage and patience. I earnestly hope with him that next year staffing problems — school and domestic — will cease to worry.

To conclude in the now-famous words of Edward Fitzgerald of *Picture Travel* fame: "And so we bid farewell to Wesley College, Paerata, that little island set in an emerald sea of lovely greenery, that busy hive of youthful industry and learning!"

—H. H. MARSHALL.

RUGBY, 1958

FIRST XV

When at full strength the First XV was a very good team with few weaknesses. Much of the success of the team can be attributed to the fact that the forwards dominated possession in practically every game. They were also usually quicker to the loose ball than the opposition and scored many tries in this way. The backs developed into a very solid combination, but lack of real speed by the outsides was a weakness.

The forwards were well led by R. Cocker, who besides being the outstanding lineout forward was on hand to score 7 tries during the season. He was remarkably fast for a lock forward. Tonga and Pankhurst were a pair of very solid props, while C. Cocker outhooked all opposition during the season. Buckley proved a very intelligent loose forward, while D. Cocker, who was often hindered by injury, played outstandingly towards the end of the season. Ward, the No. 8 was a fearless tackler and many times saved the team with his fine cover defence. Crosbie was a fiery forward while Cameron, Walford and Stevens showed promise.

M. Bennett, the baby of the team, showed great promise as a half-back and should develop into a fine player. Ratana was as steady as ever at first five eight, and the success of the team owed much to his generalship. He and Thompson shared the goalkicking for the team. Thompson provided a lot of punch when he moved into second five eight, and was the leading points scorer of the team.

R. Tupou, the Captain, although hindered by a knee injury all season, again made many fine openings, and was the leading try scorer with 10 tries. D. Tupou played excellently at wing. His cover defence was particularly valuable. Maniapoto, Te Kuru and Viubau showed promise on the other wing. Smith was a great success as fullback. His finest moment was when he ran the length of the field to score the equalizing try against Port Albert. Many thanks to G. Taiapa (Assistant Coach), K. Haddad (Jersey Boy), I. Mowat, J. Matthews, B. Curran (Ball Boys).

The Old Boys were convincingly defeated 14-6; the Port Albert Shield was retained 37-5, and 6-6; after being narrowly defeated by Papakura H.S. in the first encounter, the College turned the tables in the next two matches 20-0, 8-0; Pukekohe H.S. was defeated in the

second encounter 9-0 to even the series and unfortunately Pukekohe defaulted the final match; St. Stephens rather against the run of play defeated the College 13-5 in a stirring match, after St. Stephens had been pinned on their goaline for the last 30 minutes.

The final results were:—
 Played 17, Won 9, Drew 2, Lost 6. Points for 206. Points against 94.

SECOND XV

This team played in the same grade as the First XV and often, of necessity, had to supply players to that team, with the result that it seldom fielded the same team 2 weeks running. Nevertheless it played with fine spirit and frequently gave the First XV's of other schools a stern tussle. The greatest triumph of the season was the last match, when in an exciting open game, College won 21-10 against Huntly College 1st. XV. Other good games were the drawn ones against St. Kentigern 2nd. XV, and Tamaki College, 1st. XV.

Massey was the most outstanding forward while Dudding, Taiapa, Passau, Taylor, Parkes and Flatt were good workers. In the backs, Axtens at fullback was a tower of strength, while Taputoro, Pokere, Tonga, Painter all played well.

Results: Played 15, Won 3, Lost 10, Drew 2. Points for 63. Points against 215.

THIRD XV

Although the Third XV won only three matches they played good hard football. The Captain, M. Smith was "Bagged" by the First XV halfway through the season and his loss was greatly felt.

Outstanding players were M. Smith, P. Whistler, R. Rivers, L. Koroheke, R. Winstone, G. Hosking, C. Mortenson and W. Lindberg. Others to play were P. Hill, C. Wilson, D. Stokes, M. Noble, G. Smith, M. Ahie, T. Hunia, M. Kingi, T. Mayes, T. Madsen, W. Stevens. Thanks to Jersey Boy, Rivers.

FOURTH XV

After a bad start, the team improved towards the end of the season when it was at its best and scored most of its 4 wins and 3 draws.

The outstanding player was Captain G. Anderson, while others to show a lot of promise were R. Field, T. Clark, B. Rosemergy, D. Bayes, P. Hansen, E. Hilton, N. Loveridge, G. Brady-Robinson, M. Passau, G. Wellington, and R. Stokes. Other players who played well were G. Bennett, G. De Jongh, P. Dixon, F. Fatafehi, L. Helms, B. Moses. Thanks to coach Mr. Rowland, and jersey boy D. Collis.

FIFTH XV

Unluckily this season has not been a very successful one from the point of winning matches, but it has been enjoyed by everyone. The team was: Carter I and II, Wycherley, Koroheke II, Fraser, Winstone II and III, Dobbie, Roycroft, Newton, Gower, Parker I, Kapoor, Madsen II, Coster, Shaw, English, Whitmore and Williams II. The best players were Winstone II, (who was Captain) Kapoor, Koroheke II, Newton, Carter I, and Roycroft. Thanks to Mr. Lee, our coach, for his efforts, and Wheatley, the Jersey Boy.

CRICKET, 1957-58**FIRST XI**

In contrast to the previous year, the First XI batsmen had a mixed season and although some good innings were seen they were too irregular in appearance. D. Tupou (the Captain) continued to play stylish attacking shots, but often failed to survive the first over or two. R. Tupou showed great improvement on last season's form and scored consistently up to Christmas after which he struck a lean patch. S. Ratana was solidity personified. Of the newcomers M. Anderson and R. Thompson shaped particularly well, while G. Taiepa, M. Bennett and J. Ward showed a lot of promise. The bowling was excellent with R. Rehu (fast medium offspinner), D. Tupou (fast medium swing) and M. Anderson (slow spinners) bearing the brunt of the attack. I. Milliken showed great promise as a fast bowler. J. Elia bowled accurately. A Pankhurst was an efficient wicket-keeper, and showed signs of developing into a good attacking bat.

AVERAGES

	BATTING				
	Innings	Not Outs	Score	Aggregate	Average
Mr. Burrow	9	0	61	151	17
R. Tupou	10	0	43	155	16
D. Tupou	10	0	44	138	14
R. Thompson	8	1	37	87	12.4

	BOWLING				
	Overs	Maidens	Runs	Wickets	Average
R. Rehu	83.4	28	166	21	7.9
M. Anderson	50	6	169	18	9.4
W. Pita	43	15	80	7	11.4
D. Tupou	147.1	29	414	33	12.5

MATCHES

- v. **Papakura Camp.** College 1st innings 96 (R. Tupou 43, Mr Burrow 28). Camp 1st innings 72 (D. Tupou 4 for 33, W. Pita 5 for 11). Result, Win.
- v. **Mauku.** Mauku 1st innings 97 (D. Tupou 6 for 58). College 1st innings 50 (R. Tupou 14). Result, Loss.
- v. **Ardmore.** College 1st innings 139 (D. Tupou 30, Mr Burrows 22, R. Tupou 18). Ardmore 1st innings 93 for 9 (R. Rehu 4 for 25, D. Tupou 3 for 34). Result, Draw.
- v. **Papakura H.S.** Papakura H.S. 1st innings 75 (R. Rehu 8 for 25). Papakura H.S. 2nd innings 6 for 31. College 1st innings 122 for 9 (D. Tupou 44, R. Tupou 24). Result, Win.
- v. **Papakura Camp.** College 1st inning 151 (R. Rehu 28, R. Tupou 22, D. Tupou 22, W. Pita 22). Camp 1st innings 85 (R. Rehu 6 for 34, D. Tupou 4 for 46). Result, Win.
- v. **Ardmore.** College 1st innings 114 (R. Tupou 33, S. Ratana 22). Ardmore 1st innings 190 (M. Anderson 5 for 13). Result, Loss.
- v. **Ardmore.** College 1st innings 46. 2nd innings 74 (B. Thompson 29, A. Pankhurst 25). Ardmore 1st innings 147 (D. Tupou 5 for 45, Anderson 3 for 51). Result, Outright Loss.
- v. **Papakura H.S.** Papakura H.S. 1st innings 1 for 35. Game abandoned because of rain.
- v. **Pukekohe.** College 1st innings 169 (Mr Burrow 61, M. Anderson 17). Pukekohe 1st innings 160 (M. Anderson 6 for 44, D. Tupou 4 for 59). Result, Win.
- v. **Manurewa.** Manurewa 1st innings 162 (D. Tupou 5 for 42, I. Milliken 3 for 44). College 1st innings 102 (B. Thompson 37, D. Tupou 25). Result, Loss.

RESULTS

Played 10, Won 4, Lost 4, Draw 2.

SECOND XI

This team, ably captained by Harris (before Christmas) and Smith (after Christmas), finished second to Pukekohe H.S. First XI in the Secondary Schools A Competition. Half of the team left at Christmas and several of the remainder graduated to the First XI after Christmas, so virtually two teams were fielded during the course of the season. Generally the batting and fielding were good, but the bowling was often too inaccurate. Boys who played for the team were: Harris, Smith I, Viubau, Pokere, Axtens, Milliken, Bennett, Ward, Rosemergy, Wahanui, Passau I, McGregor, Parkes, Cheeseman, R. Cocker, Te Kuru, Maniopoto, Tapatoro.

The bowling honours were shared fairly evenly, while Smith, Te Kuru, Axtens, Bennett, Ward and McGregor proved the best batsmen.

THIRD AND FOURTH XI's

These teams, both in the Secondary Schools B Competition, also had many changes in personnel. The Third XI was second in the competition, while the Fourth XI came with a late run and even managed to defeat the Thirds.

TABLE TENNIS, 1958

Under R. Wootten as President, the Table Tennis Club had a good season. The results of the School Championships were as follows:

Senior Singles: R. Tupou defeated D. Tupou 21—19, 21—18.

Intermediate Singles: B. Moses defeated M. Bennett 21—12, 16—21, 21—17.

Junior Singles: Bell defeated Carter II 21—14, 21—15.

Open Doubles: R. and D. Tupou defeated K. Haddad and R. Thompson 21—14, 21—15.

Three teams were entered in the Inter-Secondary School Championships, and College A (R. and D. Tupou, Moses and Wootten) were defeated by Papakura H.S., four matches to two in the final, thus losing the Kirk Shield which they won the year before. Wootten was the only player to go through the entire tournament undefeated. Lack of serious competition during the season was the principal reason for the defeat of the top players from College. With more of this R. Tupou could defeat any junior in the Franklin County.

TENNIS NOTES
SCHOOL CHAMPIONSHIPS — December, 1957:

Senior Singles: R. Rehu defeated R. Tupou 6—8, 7—5, 6—1.

Intermediate Singles: D. Tupou defeated G. Wahanui 6—2, 6—4.

Junior Singles: B. Moses defeated B. Rosemergy 3—6, 6—4, 6—4.

The Senior final was a magnificent match with history repeating itself. Tupou was too steady in the first set as in the year before, but Rehu gradually took the initiative in a hard fought second set, and volleyed and smashed his way through the deciding third set.

D. Tupou was too strong for G. Wahanui in the Intermediates, but the Junior final was a hard fought match with Moses finally having too much pace for Rosemergy.

INTER-SECONDARY CHAMPIONSHIPS

R. Rehu was clearly the outstanding player, but after a long and exciting duel with the St. Stephen's champion, he was too tired for the final and failed to produce his best tennis against the winner from Papakura High School.

BADMINTON, 1958

Badminton was introduced for the first time into the College, and led by a keen committee (consisting of R. Tupou, G. de Jongh, R. Buckley and D. Civil) made great strides. Large entries were received for the first School Championships, and competition was extremely keen. We would like to thank Mr Green, from Green's Sports Agency, Papakura, for kindly donating the Green Cup for the Senior Champion.

Results:

Junior Singles: G. Smith II defeated M. Ahie 31—22.

Intermediate Singles: G. de Jongh defeated B. Moses 31—23.

Open Singles: R. Buckley defeated A. Pankhurst 31—16.

ATHLETIC SPORTS, 1958

Saturday, March 15th, the day appointed for the sports, was wet. They were therefore postponed until Monday, the 17th, when all events, except the Old Boys' and Staff handicaps, were run and, thanks to all officials, run very smoothly.

Thanks to Mr Knott and his staff, the sports' field, with its jumping pits, lanes, and flags, was a picture. The organisers would like to make special mention of the work of Mr Reeve who, in a most energetic and co-operative fashion, made their work of planning the ground, etc., a pleasure.

In spite of a slightly yielding turf, two new records were established. In the 880 yd. Intermediate, Ward ran the distance in 2m. 16.8 seconds, breaking not only the Intermediate but the School record as well. In the Intermediate High Jump, Parkes with his 4 ft. 11½ ins. broke the former record of 4 ft. 10 ins. The Intermediate mile was won by Hosking in the record time of 5m. 4 seconds.

Before detailed results of the sports are given, it may be of interest to parents and others and also may serve as a guide to future organisers of our Athletics to place on record here the "set up." This year several changes were introduced.

First, the boys are in two Houses and, according to age, are divided into Seniors, Intermediate and Juniors, and each group, with slight modifications, competes in the same series of events.

Secondly, side by side with the Championship Competition in each group, there is a House Competition in which as many boys as possible take part. Consequently, prior to the Sports' Day proper, what we call "Tabloids" are held in which the Houses compete, on a standard basis, in the Jump — High, Broad, Hop, Step, Jump; Flat events — 100 yd., 220 yd., 440 yd. and Hurdles; and also in Throwing the Cricket Ball. We find the following standards satisfactory — each boy who satisfies this standard wins a point for his House.

	Senior	Intermediate	Junior
High Jump	4 ft.	3 ft. 9 ins.	3 ft. 3 ins.
Broad Jump	14 ft.	12 ft.	10 ft.
Hop, Step, Jump	30 ft.	27 ft.	22 ft.
100 yd.	13 sec.	14 sec.	15 sec.
220 yd.	29 sec.	31 sec.	33 sec.
440 yd.	75 sec.	80 sec.	85 sec.
Hurdles (120 yd.)	21 sec.	23 sec.	21 sec. (100 yd.)
Cricket Ball	50 yd.	45 yd.	35 yd.

As a reward for ability, in the Broad Jump, each boy gets one point extra for each 6 ins. he jumps beyond the standard, and in the Hop, Step, Jump, one point extra for each foot beyond the standard. Championship place-getters also win House points on the basis of 3, 2, 1.

Thirdly, so that the programme may not be too heavy for the competitors on the main day, certain events are decided beforehand. These are:

- Throwing Cricket Ball, for all groups.
- Discus and Shot Put, for Intermediates and Juniors.
- Mile, for Seniors and Intermediates.
- 880 yd. for Juniors.

In the Tabloid Jumps, the best six are the finalists for the main day and in the Tabloid Flat events, elimination heats are run to reveal the finalists.

Fourthly, an experiment was tried this year in the House Relay races for all groups. Twelve runners in each group, instead of four, were chosen to represent their Houses, each boy to run 110 yd. The Relays, therefore, were not concluded until three circuits of the track were run — ample time for much enthusiasm to be aroused. The School seemed wholeheartedly to think the experiment a success.

And now the detailed results:

Seniors: Mile, Tupou II 1, Whistler 2, Crosbie I 3 (5m. 22.7 sec.). 880 yd., Tupou II 1, Civil 2, Cocker II 3 (2m. 20.3 sec.). 440 yd., Tupou II 1, Vaibau 2, Buckeridge 3 (57.8 sec.). 220 yd. Tupou II 1, Cocker I 2, Maniapoto 3 (25.2 sec.). 100 yd., Cocker I 1, Maniapoto 2, Cocker III 3 (11.4 sec.). Hurdles, 120 yd., Cocker I 1, Vuibau 2, Thompson 3 (17.2 sec.). Broad Jump, Pankhurst 1, Tupou II 2, Kennedy 3 (16 ft. 6 in.). High Jump, Tupou II 1, Thompson 2, Tupou I 3 (4 ft. 9 in.). Hop, Step and Jump, Cocker III 1, Cocker I 2, Kennedy 3 (37ft. $\frac{1}{2}$ in.). Shot Put, Cocker I 1, Tonga II 2, Vuibau 3 (33 ft. 10 in.). Discus, Tonga II 1, Vuibau 2, Cocker I 3 (86 ft. $1\frac{1}{2}$ in.). Cricket Ball, Thompson 1, Vuibau 2, Tupou I 3 (90 yd. 1 ft. 7 in.). Relays, School 1, Simmonds 2 (2m. 34.4 sec.).

Intermediates: Mile, Hosking 1, Ward 2, Walford 3 (5m. 4 sec — a record). 880 yd., Ward 1, Hosking 2, Bennett I 3 (2m. 16.8 sec — a record). 440 yd., Noble 1, Bennett I 2, Taylor 3 (58.7 sec.). 220

yd., Cameron and Lindberg equal 1, Taylor 3 (25.7 sec.). 100 yd., Lindberg 1, Taylor 2, Smith I 3 (11.6 sec.). Hurdles, 120 yd., Parkes 1, Lindberg 2, Tonga III 3 (19.8 sec.). Broad Jump, Cameron 1, Lindberg 2, Ward 3 (17 ft. 11 in.). High Jump, Parkes 1, Tonga III 2, McAulay 3 (4 ft. 11½ in. — a record). Hop, Step and Jump, Cameron 1, Lindberg 2, Tonga III 3 (37 ft. 6 in.). Shot Put, Cameron 1, Ward 2, Tonga III 3 (37 ft. 4 in.). Discus, Cameron 1, Ward 2, Walford 3 (76 ft. 7 in.). Cricket Ball, Taylor 1, Cameron 2, Taputoro 3 (75 yd. 1 ft.). Relays, Simmonds 1, School 2 (2m. 40.4 sec.).

Juniors: 880 yd., Field 1, Kapoor 2, Douglas 3 (2m. 32.9 sec.). 440 yd., Milliken 1, Smith II 2, Field 3 (1 m. 2.3 sec.). 220 yd., Milliken 1, Dixon 2, Smith II 3 (27.5 sec.). 100 yd., Milliken 1, Dixon and Painter II equal 3 (12.1 sec.). Hurdles, 100 yd., Dixon 1, Smith II 2, Pokere 3 (17.5 sec.). Broad Jump, Pearsall 1, Milliken 2, Pokere 3 (13 ft. 11½ in.). High Jump, Field 1, Lewer 2, Duley and Pokere equal 3 (4 ft. 6 in.). Hop, Step and Jump, Gailer 1, Milliken 2, Field 3 (30 ft. 8½ in.). Shot Put, Lewer 1, Pokere 2, Harris 3 (30 ft.). Discus, Pokere 1, Hunia 2, Brady-Robinson 3 (48 ft. 10 in.). Cricket Ball, Gailer 1, Field 2, Bell 3 (66 yd. 2 ft. 5½ in.). Relays, School 1, Simmonds 2 (2m. 55 sec.).

100 yd. (under 13), Pearsall 1, Carter I 2, Hunt I 3 (13 sec.).

Tabloids	458	379
Championships	102½	107½
Relays	8	16
Totals	568½	502½

For the second year in succession, on March 29th, the Inter-Secondary School Sports for boys and girls were held on our grounds. Thanks to the very thorough and efficient work of Mr H. H. Marshall, Mr Squier and Mr Burrow, in organising the whole thing, the large programme ran on to its conclusion without a hitch, all officials did their appointed tasks efficiently, and a very enjoyable day was spent. Our school was represented in many of the events and though none of our boys won, all performed creditably. The places gained by them are as follows:

Seniors: 100 yd., R. Cocker 3rd.; 120 yd. Hurdles, R. Cocker 2nd.; Shot Put, E. Tonga 2nd (Tonga was beaten by a quarter of an inch); Discus, E. Tonga 2nd.; Hop, Step and Jump, R. Kennedy 3rd.; Relay (1 mile), Wesley College 3rd.

Intermediates: 1 Mile, G. Hosking 2nd (the winner established a record of 5m. 0.8sec.); Shot Put, J. Cameron 3rd.; Relay (880 yd.), Wesley 3rd.

Juniors: 100 yd., I. Milliken 3rd.; High Jump, K. Field 2nd.

CROSS COUNTRY, 1958

The Annual School Championships were held over a very testing course in drizzly weather on Thursday, October 16th.

Results:

Senior: R. Buckley 1, 18m. 47 sec.; R. Crosbie 2, 18m. 48 sec.; Dickinson 3, 20m. 10 sec.; G. Buckeridge 4, J. Maniapoto 5, D. Tupou 6.

Intermediate: J. Ward 1, 18m. 10 sec.; G. Hosking 2, 18m. 25 sec.; M. Bennett 3, 18m. 40sec.; E. Hilton 4, M. Smith 5, D. Bayes 6.

Junior: M. Passau 1, L. Helms 2, G. Carter (II) 3, G. Brady-Robinson 4, W. Pearsall 5, S. O'Shea 6.

The Senior race provided a very exciting finish with Buckley and Crosbie who were well clear of the field racing stride for stride up the final straight, with Buckley winning on the tape.

In the Intermediate race, M. Ward overcame all opposition to will brilliantly in 18 min. 10 sec. which was 37 seconds faster than the Senior time run over the same distance. Both the second and third home, M. Bennett and G. Hosking also retained faster times than the Seniors.

The Junior race was very even, with all the first ten home running exceptionally well. M. Passau was too strong over the finishing stages for the other.

INTER-SECONDARY CHAMPIONSHIPS

These were held at Waiuku on Saturday, October 18th. Wesley College came fourth in the Junior event, with Carter II leading the College team home, while in the Senior event, in which the College was unplaced, Hosking was the College's first runner home.

SWIMMING, 1957-58

The Annual Swimming Sports were held on March 3rd at the Pukekohe baths. Although only one record was broken, competition was keen in all grades. E. Hilton was the outstanding swimmer and smashed the Intermediate 100 yards freestyle record with a time of 71 seconds.

Results:

Senior: 25 yd. Freestyle Handicap, Buckley 1, Thompson 2, Buckeridge 3. 225 yd. Championship Freestyle, Pollock 1, Pollard II 2, Ward 3 (3m. 35.4 sec.). 25 yd. Championship Freestyle, Tonga I 1, Tupou D. 2, Pankhurst 3 (12.7 sec.). 50 yd. Championship Backstroke, Tupou D. 1, Tonga I 2, Curran 3 (40.4 sec.). 50 yd. Championship Backstroke, Pankhurst 1, Tupou D. 2, Curran 3 (50 sec.). 75 yd. Medley, Pankhurst 1, Tonga 2, Tupou D. 3. Dive, Pankhurst 1, Pollock 2, Curran 3. 100 yd. Pollock 1, Curran 2 (81.2 sec.). 50 yd. Championship Freestyle, Tonga I 1, Pankhurst 2, Pollock 3 (31.6sec.). Inter-House Relay, School.

Intermediate: 25 yd. Freestyle Handicap, Parker 1, Tattersall 2, Mayes 3. 25 yd. Championship Freestyle, Hilton 1, Painter, W. 2, Maniapoto 3 (13.1 sec.). 50 yd. Championship Backstroke, Williams I 1, Tonga, A. 2, McAulay 3 (46.8 sec.). 50 yd. Championship Backstroke, Hooper 1, Hansen 2, Stevens 3 (48.8 sec.). 75 yd. Championship Medley, Massey 1, Ward 2. Dive, Pollard II 1,

Rosemergy 2, Hooper I 3. 100 yd. Championship Freestyle, Hilton 1, Hansen 2, Massey 3 (71 sec. — a record). 25 yd. Championship Backstroke, Williams, N. 1, Painter, W. 2, Tonga, A. 3 (17.9 sec.). 50 yd. Championship Freestyle, Hilton 1, Taylor 2, Painter, W. 3 (33 sec.). Inter-House Relay, School.

Junior: Handicap Freestyle (under 13 years), Carter G. 1, Winstone III 2, Williams, F. 3. 25 yd. Freestyle Handicap, Simmons, P. 1, Brown 2, Johnson, C. 3. 25 yd. Championship Freestyle, Smith, G. 1, Gailer 2, Papakura 3 (14.8 sec.). 25 yd. Championship Backstroke, Painter, W. 1, Passau, B. II 2, Lewer 3 (21 sec.). 25 yd. Championship Breaststroke, Smith, G. 1, Withers 2 (26.6 sec.). 75 yd. Championship Medley, Gailer 1, Smith, G. 2, Passau II 3. Dive, Wycherley 1, Simmons, P. 2, Carter II 3. 75 yd. Championship Freestyle, Smith, G. and Gailer equal 1, Passau II 3 (54.9 sec.). 50 yd. Championship Freestyle, Papakura 1, Gailer 2, Smith, G. II 3 (33.2 sec.). Inter-House Relay, School House.

CHAMPIONS

Senior: A. Pankhurst.
Intermediate: E. Hilton.
Junior: G. Smith.

INTER-SECONDARY SCHOOLS SWIMMING SPORTS

These were also held at Pukekohe. Once again E. Hilton performed outstandingly and gained two firsts, while the Intermediate relay team of which he was a member also won.

Results:

Junior: 50 yd. Backstroke, Painter, B. 2. 100 yd. Freestyle, Papakura 2. 4 x 25 yd. Relay, Smith II, Gailer, Papakura, Painter 2.

Intermediate: 50 yd. Freestyle, E. Hilton 1. 100 yd. Freestyle, E. Hilton 1, Massey, G. 3. 50 yd. Freestyle, L. Painter 1. 50 yd. Backstroke, Williams, N. 3. 4 x 25 yd. Relay, Hilton, Painter, Massey, Hayes 1.

Senior: 25 yd. Freestyle, Tonga, E. 2. 50 yd. Backstroke, Tupou, D. 2.

ANNUAL CONCERT

Saturday, 9th August, 1958, at 8 p.m.

WESLEY COLLEGE OLD BOYS' ASSOCIATION

Extracts from the President's Report for the year Ending 30th
 June, 1958

At the conclusion of another year in the life of the Old Boys' Association it is my pleasure to report that everything has progressed according to plan. The number of financial members is 158, compared with 148 last year. A hard core of very loyal members keep the association going, it behoves every Old Boy of Wesley College to seek more new members, not just for one year, but every year. With more members your association could do a great deal more in helping to advance the ideals of the College and to do something for the future citizens of the country.

The finances of the Association are in a healthy position. The surplus of income over expenditure is occasioned by the generosity of the College Board of Governors in "shouting" the Old Boys to lunch at the last Reunion.

The Executive have expressed to the Board the gratitude of the Association for this gesture. There was no expenditure on a picnic this year and this attributed further to the surplus.

At the Annual Prizegiving Ceremony held at the College last year the Old Boys were represented by Mr. Arthur Winstone, the vice President, and I was privileged to be your representative at the Annual Banquet. The Book prizes donated by the Old Boys were again presented last year. Unfortunately we were unable to take the Senior Boys out for the usual picnic this year as they did not have a free Saturday before the summer concluded.

No work on Stage II of the Commemorative Entranceway has been carried out this year, as the Executive is still studying various plans and designs. It is possible that no further additions will be made. However, a decision will be reached at an early date.

Our Patron, Rev. E. M. Marshall, has once again been most helpful during the year and we are indebted to him for his continued co-operation.

The Piano, which is the project now in hand, was handed over to the Board by the Old Boys at the Annual Concert at the College on Saturday, 9th August, 1958. Many Old Boys attended.

The Reunion this year was once again very successful. We were lucky with the weather, and the Old Boys present enjoyed an excellent day.

The day started with our regular Chapel service conducted by the Principal, with one of our Old Boys, Rev. Rangī Rogers, guest Preacher. Rangī gave us a fine challenge in the choice of a life of true values.

We all enjoyed a good chat over lunch, which was "shouted" by the Board as an appreciative gesture of the friendly relations between the Old Boys' Association and the Board. In the "Hickling Cup" the Old Boys, led by Dennis Te Tuhi, could not contain a very lively college team, but made an excellent match of a very fast open game. (Score 14-6).

Officers elected at the Annual General Meeting are:—

Patron: Rev. E. M. Marshall; President: A. M. Winstone; Vice President: E. Beavis; Secretary/Treasurer: R. Elliot; Hon. Auditor: M. Blakey; Executive Committee: Rev. R. Rogers, R. K. Boyd, H. Denton, R. Lees, H. Service, I. Barton.

We all owe a vote of thanks to Eric Beavis who originally agreed to be Secretary for two months and held the office for 4 to 5 years.

A. M. WINSTONE,

President.
