### AT THE FARM

I now am sitting on the ground  
Looking everywhere around  
I now am gazing at the grass  
I hope this moment really lasts  
I know a place that looks like this  
It's a place back home I sort of miss

# EDITORIAL

## WHY DO WE DO IT??

This time ten years ago I too was completing what the 'oldies' affectionately term "the best year's of my life" - that is I was finishing my secondary education at a rather large West Auckland College. Ten years on I sometimes wonder how I actually got to be a member of that profession that I held in awesome contempt in 1979. I wonder too how I got into a job that involves not only being a teacher but also a jailer, glorified taxi driver, advisor, confidante, co-conspirator to you lot!

I had always intended to do a Law Degree but overnight the idea of four years of student poverty no longer seemed appealing. So the only thing for it was to apply for that soon to be extinct "Studentship". This meant four years of student life on a rather generous fortnightly payout from the government. Varsity is basically what you make it but Training College is really where one's education began. Here one learnt how *NOT* to teach - ie like them!

1983 was a tough year for training college graduates - my class had a sweepstake on who would get the first job. The winner having to shout at the local watering hole. I finally accepted a position at a rather small and claustrophobic private girls' school where I learnt one thing - that I did enjoy teaching.

In 1985 I came to Wesley and like many of you some of the best and worst moments of my life have happened here. I've made friends that I will cherish for life, met every kind of student and met people that I never want to see again. Teaching at Wesley entails a lot of hard work, a lot of which is done outside of the classroom, most of which is done *before 9 am and after 3.30 pm*.

So why do we do it? What makes people like us want to teach? Some sado-masochistic tendency deep inside that makes us want to be over-worked, hassled, continually pestered, laughed at so that we live from holiday to holiday? Who really knows - but it probably has something to do with the fact that we care about **YOU**.

So remember that the next time that you go to hassle us, to pester or annoy us. And remember too that not so long ago we were once like **you**.

A Cleary

## Staff movements

1989 has been a year of change. As you are all aware Mr G. V. Cowley assumed the position of Principal. During the year the catering manager Mr N. Mills retired and was replaced by the ever popular Mr R. Wardlaw. Mr Mills retirement also meant that we lost the services of Matron Mills. She has been capably replaced by Matron Wardlaw. Miss B. Moon resigned from the position of Chief Matron and this position has been taken over by Miss L. Sorenson. Mr O. Reeve retired as Farm Manager and Mr D. Slack, Horticultural manager also moved on to greener pastures. Mr Arvidson and Mr Bennenbroek took over the positions of Farm Manager and Horticultural Manager becoming part of the extended Wesley family. The caretakers Mr and Mrs S. Smith resigned during the third term. They and their pets will be sadly missed by those who knew them. Mrs L. Austin also resigned during the year and our new laboratory assistant is Mrs W. Viljoen. Mrs J. Cowley has joined the team in the school office.

1990 will bring further changes. Mrs S. Segar resigned at the end of the year in order to further her education overseas. She will be replaced by Mr A. Palavi who joins Wesley from Dannevirke High School. Mr G. Collins has a years exchange in Bristol, England. His place will be taken by Mr Minor-Williams. Mrs A. Cleary has a year's leave of absence. Miss C. McBain will relieve her for the year. The most waited for addition to staff was the rather late arrival of 'baby' Matthews-Lockhart. Welcome Kezia Lockhart (alias baby smurf) into the Wesley family.

## Staff Questionnaire

The person I most admire is ... because ...

*Mr Fordyce-Shakespeare* - I am in awe of a person **that** good who could also be that human

*Mr Maiava* - There have been so many I could not do them justice by naming only half a dozen

*Mr Collins* - Those who are keen to do my duty

*Mr Cheeseman* - Mrs Cleary - I love her jazzy clothes

*Miss Ball* - Mr Smythe - for being able to understand the 4th dimension

*Mr Ducker* - Eric Morecombe - I like his style

*Mr Burt* - Anyone who is prepared to put up with me

*Mr Smythe* - The person who has never disagreed with me

*Mrs Turuwhenua* - My mother - just for having me

*Mrs Caulton* - Donald Duck - still going after all these years

*Mr Kerr* - The captain of the Titanic - for his loyalty and dedication

*Mr T McDonald* - Michaelangelo - he painted the Sistine Chapel in less time than it took me to do the kitchen

*Mr B McDonald* - Justin Wallace - he pays my wages

*Mrs Menzies* - Mr Ducker - he always gets Saturday morning off

*Mrs Taylor* - Mr Kane - for being a caring, impartial participant in everything

*Mr Kane* - My wife Alison, who is still my friend after 30+ years and still has the way of putting me right - gently

*Mrs Segar* - Ralph my cat for being such a sleaze and always getting what he wants

*Mr Lockhart* - Winnie the Pooh for putting up with Eeyore for so long

*Mrs Cleary* - anyone who is able to do or say or take what they want without the handicap of a conscience!

# PREFECTS

To be a prefect in a boarding school like Wesley demands strong and competent leadership skills. The prefects elected for 1989 were the following : P.Rawiri (Head Prefect), W.Sotutu (Head Boy), A.Tupou (Head Girl), L. Betham, C. Wade, F. Enari, T. White, W. Tawhiri, C. Bloomfield, S. Qereqeretabua, A. Tauranga, J. Wallace, R. Duggan, S. Bale, D. Ogatuti, J. Heta, C. Barkle, C. Morris, M. Tabualevu, C. Davies. Four of these were returning prefects and they were able to give invaluable advice and guidance to the rest, allowing the new prefects to adjust and settle in to their given responsibilities and duties.

My thanks go to all the prefects for the way in which you have carried out your duties this year. Special thanks must go to those prefects who had a hand in the organisation of the Ball and other school socials, in particular A. Tupou and M. Tabualevu. I know that at times the duties and responsibilities seemed difficult so thank you all for the effort you put into your 'badge'.

To Mr Cowley and Mr Grinter, your guidance and advice proved invaluable to all prefects.

Finally to those leaving thank you for your support. It has been an interesting year for us all. To those returning, work hard to keep Wesley the school that it is.

P. Rawiri, Head Prefect 1989

**Prefects** Back Row: D. Ogatuti, W. Tawhiri, S. Qereqeretabua, J. Heta, L. Betham, C. Wade, R. Duggan  
 Second Row: S. Bale, T. White, C. Barkle, F. Enari, C. Bloomfield, J. Wallace, C. Morris, A. Tauranga  
 Front Row: C. Davies, Mr G. Cowley, W. Sotutu, P. Rawiri, A. Tupou, Mr C. Grinter, M. Tabualevu.

## Speech Contest Results 1989

### Juniors

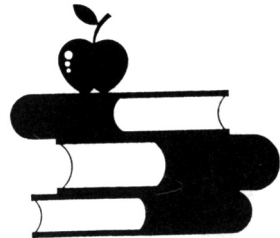

- 1st Brendon McKenzie (Sc) - Duck Shooting
- 2nd Vernon Taylor (Si) - Booger Picking
- 3rd Van Locker (Sc) - Me

### Intermediates

- 1st Tristan Chappell (St) - Sci-fi Tricks
- 2nd = Jason Durey (Sc) - The Greenhouse Effect
- 2nd = Darren Pilkington (Si) - Alcohol - The Risks Involved

### Seniors

- 1st Jack Lolohea (Wi) - How To Pick Up Shielas
- 2nd Tevita Mone (St) - King George I - The Tongan Hero
- 3rd Katie Mills (Sc) - Kissing

## The Choral Competition

Another very happy time this year. It is a fun evening where we get a chance to all entertain each other - whether it is clapping hands, tapping toes, laughing with or at someone. All are exposed!

### Items

Compulsory Song:- Chattanooga Choo-Choo

### Chosen items

#### STANTON

Waiata:- Te Hokinga mai

House Song:- Hymn 138: And Can It Be (Conductor: Pau Fakahau)

Solo Vocal:- Country Song Peter Kenilorea

Group Instrumental:- Mozart '89 Pau and "the boys"

Group Vocal:- Atlantic Star Leaders: P. Kenilorea & D. Croft

Solo Instrumental:- Scarborough Fair Wayne Grice

#### SIMMONDS

Waiata:- Taku Rakau e

House Song:- Hymn 635: First Set Your Mind (Conductor: M. Tolai)

Solo Vocal:- How long? Alf Lai

Group Instrumental:- Alien life form recipe A. Lai & J. Preston

Group Vocal:- Standing up for your rights Leader: Sakiusa

Solo Instrumental:- Ballade Pour Adeline Jason Preston

#### SCHOOL

Waiata:- Te Reo Karanga

House Song:- Down By The Riverside (Conductor: Andrew Hill)

Solo Vocal:- Theme to the prisoner (TV series) Eleanor Eketone

Group Instrumental:- Caterer's Shuffle Leader: Jimmy Heta

Group Vocal:- Where Have All The Flowers Gone? Leader: J. Heta

Solo Instrumental:- Chariots of Fire Lara Bieleski

#### WINSTONE

Waiata:- Hutia te Rito o te Harakeke

House Song:- Homeless (Conductor: Jack Lolohea)

Solo Vocal:- Best of My Love Marcus Topine

Group Instrumental:- Surprise Leader: Silas Koga

Group Vocal:- Wonderful Tonight Leader: Les Betham

Solo Instrumental:- The Entertainer Glen Watson

The overall results were:-

First: SIMMONDS house with 35.5 points

Second: WINSTONE house with 28 points

Third: STANTON house with 22.5 points

Fourth: SCHOOL house with 22 points

Many thanks to our judge Mrs. Margaret Matheison, and to Mr. Cheeseman for backstage, David Haysmith for lighting, and to Mrs. Alison Cleary for being our compare. Thanks too to Mr. Clancy for the loan of some gear, and to Mrs. Salisbury for her help in preparing some of our performers.

### **Eric Salmon Educational Trust**

This Trust is able to give financial assistance to students or former students of Wesley College, to enable them to undertake further education. The Trust looks to help young people become better qualified to provide service and leadership within the community.

Although grants will be available to help students still at Wesley College, the main intention of the Trust is to help with further study after leaving College. This study will need to be at an Institute of Technology or University or in some other recognised course in New Zealand. In most cases it will be a course leading to a qualification for a profession, business management position, agricultural employment, or skilled trade, though it does not need to be an academic course.

Grants will be made for one year of study, but in some cases, provided good progress is made, they could be extended for a total of up to three years. Normally one or a few substantial grants will be made in any one year.

Any past or present student of Wesley is eligible for a grant. Such people may apply direct to the trustees, or they be nominated by the Principal. In any case, the Principal will make a report based on the candidate's participation in the College. Other people who know the candidate may be consulted as well.

Grants will be awarded primarily on the basis of a person's personal character and leadership potential and the extent of financial need.

Normally, applications or nominations will need to be in by 15 October in any year, and it is hoped grants can be announced early in December.

# POLYNESIAN CLUB

Tihei , Mauri Ora, E nga mana, E nga reo, E nga rangatira, Tena Koutou Katoa.  
Kia Ora.

This year 's Polynesian Club has been involved in many cultural events. Our very first appearance was the annual performance at Queen Victoria. The first major performance was at the Polynesian Cultural festival , hosted this year by Auckland Girls' Grammar School. Both these performances required a lot of time spent in practice. The group was also involved in a number of performances during ' Te Wiki O Te Reo Maori". These included St.Joseph's School,Pukekohe and Papakura Intermediate School.

This year a group of thirty strong students were involved in the paddling of one of Waikato's finest canoes - Taheretikitiki. For those involved it was a honour and a privilege. The group was led by Hoturoa Kerr.

I have been a member of the Polynesian Club since 1985 and have seen many changes. It has been a pleasure to work with such a co-operative group this year's. We have all been both proud and pleased to represent the school.

My special thanks must go to Boy and Angie Smith who were our tutors throughout the year. On behalf of the club I would also like to thank Mr and Mrs Turuwhenua and Mr Manihera for their unfailing support. To the senior members of the club thank you for your help and support.

Noo'reira, Nau mai haere mai Tena Koutou Katoa

## TE KAUPAPA KOORERO AA RUA WALKER

I haere ahau i te Kirihimete i mahue ake nei ki roto i te puihi o te Urewera. He puihi ra ki a maatau, he ngahere ki a koutou.

Ko maatau i haere nei i taa maatau haere, he uri katoa naa Tuuhoe Pootiki. Ko te Tuuhoe Pootiki naana nei a Ngaai Tuuhoe - 'ngaa tamariki o te kohu'.

I aa koutou e taakotokoto haere ana, naa te kaha rawa o koutou ki te kai, kei te hiikoi haere kee maatau i roto i te puihi.

I wehe atu maatau i te marae kei Tanatana. Kei te rohe o Te Waimana a Tanatana. Ko te tipuna whare ko Raahiri - ko Raahiri O Te Rangi. Kei te moohio raa ahau kei aa koutou anoo a Raahiri. Otiraa, he uri taatau noo Mataatua. Noo ngaa uri aa Tauaa Rakuraku teenei marae.

Tokorua ngaa mema o too maatau roopuu, naa raaua i tono atu he moni i Te Ruunanga o Te Waimana Kaakuu. Ko eenei moni, hei hoko kai, maa maatau katoa. Ka whakaae mai Te Ruunanga o Te Waimana Kaakuu, naa te mea he kaupapa tootika taa maatau haere ki te mau i ngaa tamariki me ngaa mokopuna kiakite i too raatau tipuna maunga, i a Maungapoohatu. Koinei raa te mahi aa Te Ruunanga - ko te tuku moni ki te iwi, kia tutuki ai oo raatau hiahia. Koinei te mahi aa Taane Rakuraku raaua ko Maahaki Aakuhata. Ko raaua ngaa mema o Te Ruunanga o Te Waimana Kaakuu.

Ko Hoohepa Rakuraku te tangata moohio ki ngaa rongoa Maaori o te puihi (o te ngahere ra). Ko ia te mema Maaori o te Poari Rapu Ora o te rohe o Mataatua. Ko ia te kai-whakaatu i ngaa raakau e tika ana hei rongoa whakaora mate. Naana maatau i ako.

Ko teetahi anoo oo maatau, he kai-mahi, peenei i te paapaa o Haami Maakiha nei - he kai-mahi naa Te Karere. Kei Te Waipounamu ia e mahi ana, he uri hoki ia naa Rua Keenana. E haere ake ana ia ki te mahi pikitia i taa maatau haere. Eengari, eehara maa Te Karere teenei pikitia. Ee heel! Maa te iwi ake o Tuuhoe teenei pikitia. Eehara maa Te Kaporeihana Pouaka Whakaata. Ko te mana o teenei pikitia ka mau tonu ki a Tuuhoe.

Ka takahi atu maatau maa raro, tae noa ki Taawhana. I runga atu i reira ka kitea atu taku tipuna maunga, a Maungapoohatu. Kotahi raa i roto i te puihi e kau haere ana i te awa, e piki haere ana i te karahiwi, ka tatuu atu maatau ki te take o taku maunga. Taku tipuna maunga, a Maungapoohatu.

Haruru ana te haka poohiri aa te iwi kaainga - ka tangi ra te iwi e whakaeke atu nei, me te iwi e poohiri mai ra. Kua eke hoki ra ki ki te marae o taku tipuna korooua ko Rua Keenana Hepetipa.

Kua tae ra ahau ki te puutake o taku whaanau. Kua tae ra ahau ki te tiimatatanga mai o taku iwi. Kua takahia e ahau ngaa tapuwae o aku maatua. Kua moohio ahau inaaiane nei ko wai ahau.

Koutou i raro i te tuanui o too taatau whare, kia kaha koutou ki te mahi peenei i ahau nei. E hoki ki oo koutou maunga.

"Kia purea koutou e ngaa hau aa Taawhiri Maatea."

Note: This address given by Jasyn Walker has been printed in double vowels rather than using macrons. The two methods of writing in Maaori are currently in use and the double vowel method is used by Tainui and Auckland University where the method was developed by Dr Bruce Biggs when he was Head of Maaori Studies. Schools and Government publications use macrons when writing Maaori but limitations imposed by the capabilities of typewriters necessitates the use of double vowels.

OTAGO DAILY TIMES Saturday August 26 1989

Survey measures social well-being in NZ towns

## Dunedin earns top place

By John Gibb

Dunedin has come out on top in a study of the social well-being of 24 New Zealand towns and cities.

Mr Stuart Kane, an MA student in geography at the University of Otago, unveiled the findings of his survey at the 15th conference of the New Zealand Geographical Society in Dunedin this week.

The survey was based on a set of indicators to measure income, unemployment and economic activity, as well as physical health and access to medical care.

The studies also took into account family breakdown, public safety, crime rates, education, social participation and equality. Access to recreation and leisure was also examined.

The study, based on 1981 census data and including statistics up to 1986, was based on a comparison with a survey of the same centres carried out by Mr Kevin McCracken, a geography student at the university in 1977. The earlier study was based on 1971 census data and included statistics up to 1975.

Dunedin moved up from fifth place in the previous study, with the South Island claiming seven of the top 10 places in both surveys.

The 1988 study offered the following list of the top 10 towns and cities by social well-being: Dunedin, 1; Palmerston North, 2; Nelson, 3; Invercargill, 4; Christchurch, 5; Timaru and Blenheim 6th equal,

Mr Kane

Ashburton, 8; Hamilton, 9; Tauranga 10.

The 1977 top 10 list was: Ashburton, 1; Oamaru, 2; Nelson, 3; Timaru, 4; Dunedin, 5; Invercargill, 6; New Plymouth, 7; Blenheim, 8; Tauranga, 9; Taupo, 10.

Striking features of the latest list were significant improvements in the ranking of Palmerston North (from 13th to 2nd), Christchurch, (12th to 5th) and Hamilton (16th to 9th).

The study showed Palmerston North's improvement had come in virtually every category.

Christchurch's rise came from an increase in "social belonging" indicators, while Hamilton scored bet-

ter in health and economic performance.

Rotorua moved from 22nd to 16th through large improvements in health, education and social belonging. Auckland climbed from 17th to 14th with improvements in education, "social belonging" and in recreation and leisure.

Among centres to slip back, Masterton dropped from 14th to 24th with continued poor ranking in economic performance and adverse health, recreation and leisure indicators.

Oamaru, which dropped from second to 11th, had "lost a lot of ground" in health, education, and recreation and leisure fields. Ashburton, which fell from first to eighth, fared badly in health and education indicators.

Mr Kane said the study showed high economic performance did not necessarily result in high standards of well-being. Auckland, Hamilton, New Plymouth and Wellington all scored well in economic terms but fared badly in "social order" and "belonging" categories.

Auckland affluence was also accompanied by higher crime and divorce rates, he said.

The full ranking of cities and towns according to social well-being criteria

(with 1977 ranking in brackets) is: Dunedin, 1 (5); Palmerston North, 2 (13); Nelson, 3 (3); Invercargill, 4 (6); Christchurch, 5 (12); Timaru, 6 (4); Blenheim, 6 (8); Ashburton, 8 (1); Hamilton, 9 (16); Tauranga, 10 (9); Oamaru, 11 (2); Wellington, 12 (11); Taupo, 13 (10); Auckland, 14 (17); New Plymouth, 15 (7); Rotorua, 16 (22); Whangarei, 17 (15); Levin, 18 (18); Wanganui, 19 (23); Gisborne, 20 (24); Napier, 21 (21); Hastings, 22 (19); Tokoroa, 23 (20); Masterton, 24 (14).

# HIGHLIGHTS

**My highlight of the year was** watching the 4th form leave for camp full of joy and spirit only to return down trodden and hacked off and I could only say "I warned you" - Haami Makiha

**My highlight of the year was** finally beating Lara and Scot in English final exams! I waited long enough! - A. Tupou

**My highlight of the year was** the girls waka crew bribing the boys with steak and eggs in return for saving the girls from going downstream. - Louise M

**My highlight of the year was** hearing a junior tell someone he was going to sleep under the sun tonight - Gavin McClay

**My highlight of the year was** getting chosen for the spirit of New Zealand and Workcamp 31 in the Solomon Islands - Julie B

**My highlight of the year was** hearing Haami Burrell say "the road is taller than the buildings" ( he meant the harbour bridge) - 'Aisea 'Aholelei

**My highlight of the year was** when my opponent got four double faults in a row in a game of tennis - D. Adolph

**My highlight of the year was** when Mr Sanson went to put his foot on the table and fell off his chair - David Donaldson

**My highlight of the year was**

**My highlight of the year was** the *sudden* improvement in school meals  
- Jason Golaboski  
- E. Findlay

**My highlight of the year was** Debs' driving of school vans! - Katie

**My highlight of the year was** seeing the 1st XV playing in the final of the Top Four competition - D. Pilkington

**My highlight of the year was** when someone asked if the 1st XV play the 2nd XV at home ? - Jan Lichtwark

**My highlight of the year was** during our Pacific Island Tour and Stewart Bale was showing off windsurfing. When it was time to leave the resort, he was seen a hundred metres away waving for help! - Masele Tolai

**My highlight of the year was** our overseas tour - all the rugby and soccer boys

**My highlight of the year was** getting sprung when Tony Campbell woke up while I was painting indian designs on his face with toothpaste - Peter Brothers

**My highlight of the year was** when Mr T McDonald blew his top during class and freaked out the whole class - Eddie Hendry

**My highlight of the year was** being able to drive to school - Beau McKenzie

**My highlight of the year was** seeing Elvis's (alias Parkes) hair had been cut off at the front. Must have used bolt cutters - P. Butler

**My highlight of the year was** when Mr Cowley and other teachers got thrown in the pool at the swimming sports - D. Reeves

**My highlight of the year was** going to Whatapaka and doing community service ..... in my dreams! - L. Bowsher

**My highlight of the year was** when Nilesh started screaming in the dorm after watching the Friday Night Frights - Filepe Nagera

All **my highlights** have been censored by my room mates - Lara B

**Our highlight of the year was** trying to keep a straight face when Justin fell off the skateboard when he was reprimanding the house for some misdemeanour - School House

Have you ever wondered what a four dimensional world must look like?

As you well know, our common daily experiences tell us that there are three physical dimensions to our life. Length, breadth and height. *What if there was yet another fundamental direction?*

There has been a truly most exciting sequel of events following last year's magazine report on the rotation program written by Matthew Weir. He has successfully modelled a four dimensional world.

What would it be like if we could step into that other direction? Imagine you are out in the middle of the football field lined with spectators along the sidelines. What happens when you turn yourself out of view in a direction perpendicular to all those around? They'll be saying "Don't *you* kick the ball -- leave it to Kiley!!" - because they will know that a ball kicked into the fourth dimension will no longer be in the (3-D) space occupied by the playing field. There's no score in that!

Here's an interesting idea. A reflection of an "n-1"th dimensional space in a 2 dimensional plane imbedded in that space is equal to a 180 degree rotation along the "n"th dimension of an "n" dimensional space. In common parlance; you could invert a whole classroom (in fact the entire universe!) by such a rotation in the 4th dimension. It would be like jumping through Alice's looking glass and living in a mirror world. Of course relative to us left behind, we would still look the same to each other, only your pimples would now be on the other side of your face.

Mere fantasy and hypothesis? Well, firstly; where is the human race without a little bit of fantasy and a dream? Secondly, the world *is* in fact four dimensional; if you are to believe Einstein. If you don't, then please feel free to put your cynicism where your mouth should be; underneath the next atomic bomb - but don't invite me to the party! You see, nuclear power is one of the best vindications we have of Einstein's ideas. To make sense of 4 dimensions in our real world, you simply have to perform a few subtle tricks like:-

1) Multiply the fourth axis by the square root of negative one. (Space and time get themselves intimately confused.)

2) Scale this axis down by the speed of light.

(Measure lengths using nature's own scale lengths, *not* using ours. i.e. Why should a kilometer be as big - or for that matter as small - as it is? Why should a second of time be the length it is?)

3) Do not rotate yourself by more than 45 degrees in this fourth dimensional direction unless you can do so without being seen. (Don't travel faster than light unless no-one, *including* yourself, can know. The freedom to allow this as a possibility *demands* the existence of anti-matter; first predicted using a reasoning along these lines and now observed. We can even *create* the stuff provided we also create the complementary matter too!)

That's the real world as told by the latest multi-million dollar particle accelerators jointly built recently by some European nations and by America.

Now to the program. You can draw up any three dimensional (or four dimensional) shape with corners. Then rotate it in any direction or combination of directions you wish. Stereoscopic pairs are available at your whim. (The "View Master" effect.)

Put in perspective (3-d or 4-d) and you too can journey this strange world.

Matthew defined a four dimensional cube, called a hypercube or tesseract. The geometry of such an entity has intrigued artists like Salvador Dali who painted a projection of this hypercube onto the three dimensional world. It looked a bit like a blocky sort of cross from one particular angle, so he left Jesus hanging on it - to display Christ as the "extra dimension" in our lives.

This hypercube has CUBES for its SIDES (eight of them!). If you've a mind to, you can enter into the interior of one of these cubes (or any other for that matter) *from* the outside without passing through any of the cube's sides, edges or corners.

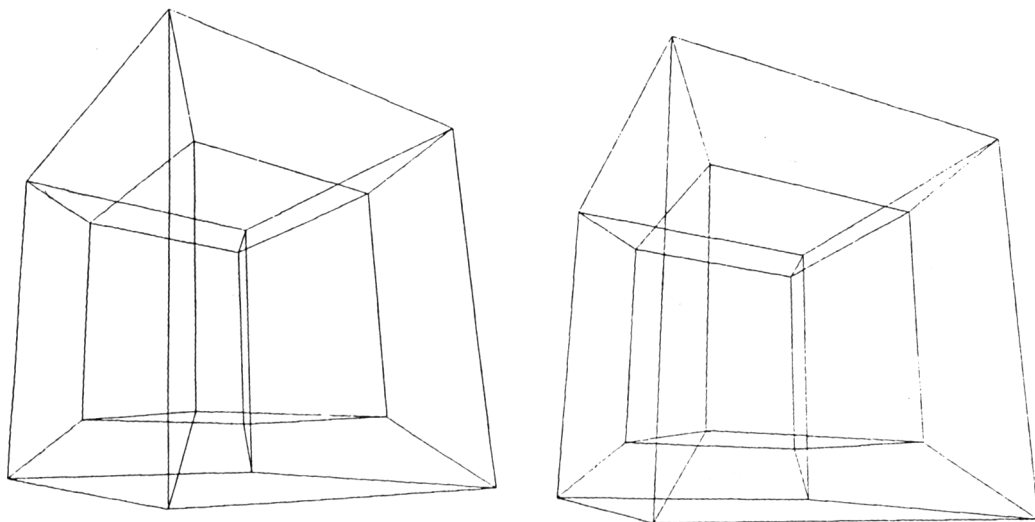

To quote Matthew:- "Its as close as you can get to a picture of what a hypercube would look like if you were four dimensional and could see in four dimensions".

Matthew has written the program completely by himself. The necessary ideas used in this program have come from:-

- i) Algebra (Vector components and matrix arithmetic.)
- ii) Trigonometry (Sine and Cosine functions.)
- iii) Geometry (The nature of shapes and their construction.)
- iv) Technical Drawing (Perspective techniques and graphic displays using the "Picture Plane" method.)
- v) Computers (The quick-basic compiler; Intel 8086 processor assembly language for fast routines.)

Do you still want proof of four dimensions? Well, ask any Saturday afternoon duty teacher at 1:30 pm parade. "Now where did those detentionees go...?"

Below is a stereoscopic pair of a hypercube with the full-blown 4 dimensional perspective.

Graphics by Matthew Weir.

# AUSTRALIAN MATHS COMPETITION

This year 440,000 students from throughout Australiasia entered the Australian Maths Competition. The top students in this competition were awarded certificates. Of the 44 Wesley entrants, nine were awarded certificates of credit and four people were awarded certificates of distinction

**Credit:** S. Kaufononga, R. Van Dyk, S. Hay, D. Gill, D. Worthington, H. Yee, P. Singh, H. Fletcher, T. Mone

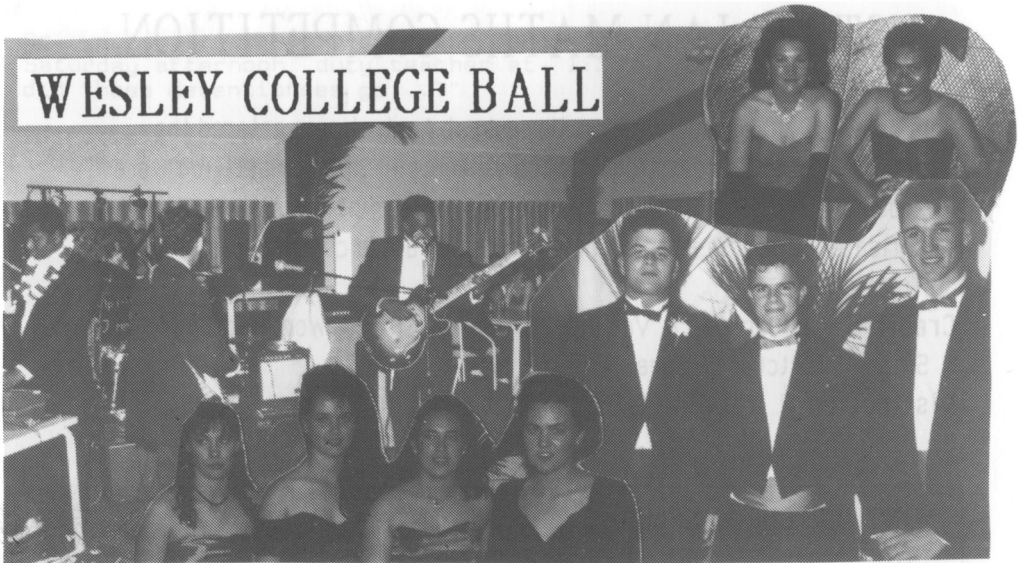

**Distinction:** R. Wakelin, T. Chappell, M. Weir, A. Singh.

# WESLEY COLLEGE BALL

The Ball once again proved to be the social highlight on the senior calendar. This year a change of venue enthused the students. As usual organisation was left until as late as possible by the small but dedicated team of workers. Special thanks go to Mrs Menzies, Mrs McNamara, Mr Grinter, Mrs Espie, Mr Menzies and Alisi, Chelle, Manu and the rest of the girls. A special mention must go to Sac who did what he was asked and told to do all day by the numerous 'women' in charge.

For the first time the School Band performed at the Ball. This proved to be one of the highlights of the night. As usual the senior school impressed the many staff who attended the function with their high standard of dress and deportment. This will hopefully set the standard for many such occasions in the future.

Ball Committee

### **Who wasn't at Prizegiving 1988 ?**

While the College was relaxing and experiencing the joys of prizegiving on Saturday December 3rd 1988, one of our number was in Christchurch sweating through the qualifying rounds at the New Zealand Secondary Schools Athletic Championships.

The sacrifice and effort was, however, worth it as the Saturday heat was won and so into the semi-finals on Sunday. There were actually three semi-finals and the opposition was strong. Semi-final two was won in the fastest time by a fraction (14.55s) and we would be pleased to know that our athlete won this semi-final. However the final was always going to be difficult knowing that these eight competitors were the best hurdlers for their age in the country and just to make this standard was an honour.

We took our final marks with the athletes from Rathkeale College, Linwood High School, Kaiapoi High School, Mount Roskill Grammar, Westlake Boys High School, Wellington College and St Pauls Collegiate and with a time of 14.34s won the title for the New Zealand Junior Boys 100m Hurdles. An excellent achievement Sam Nonoa - the first Wesley athlete to win a New Zealand Athletic Championship title.

By the time this is being read Sam together with four other Wesley athletes will be preparing to line up at Mt Smart Stadium with the best athletes of 1989 in this years championships - good luck to Sam, Sak Qereqeretabua, Mark Fung, Nik Young, and Jonah Lomu

# CHAPEL NOTES

The Smith Memorial Collegiate Chapel was opened and consecrated for worship on February 23, 1929. This year we celebrated 60 years of worship, remembered the Smith and Caughey families and their contribution to the college over many years. This formed part of the "Service of Beginnings" which this year included the welcoming of, and prayers for our new principal. It was appropriate that the President of the Methodist Church, Mr Eric Laurenson was the preacher as he and his sister Mrs Marie Clarke continue a long family involvement with the college begun through their father the Reverend Mr George Laurenson.

The chapel year has continued with daily and weekly worship, this year involving the assistance of the Maori Tutor the Reverend John Manihera an old boy of the college. Highlights of the weekly worship have been the Pacific Island Service held in association with Faka Me in May, the visit of the Reverend Alifalefi Mone and a Tongan youth group and the return of Mr Bob Fordyce. The Old Students Service also saw the joy of many ex staff and pupils returning to their chapel.

During this year there has been a growing Wednesday night Fellowship meeting involving mainly students from the Pacific Islands being led by Tevita Mone.

From the Marriage Register for 1989: Murray Nicklin to Katherine Bell; Weston Moody to Susanne Brimming, Ben Nonoa to Alison Cammell; and the first wedding of two ex-students of the 1980's Tony Linford to Stacey Bright.

A special service of thanks was offered to Doris and Owen Reeves on the occasion of Owen's retirement. This was to remember their 20+ years of worshipping with us at the chapel, a record to which they continue to add. I wish to thank those who have contributed to chapel worship over the past seven years especially Richard Smythe, Eti Maiava and Jennifer Cowley for organ and music and to those who have served as chapel monitors.

In the middle term, the staff were delighted to hear that the building of the new staffroom was about to begin. The staff moved temporarily ( which stretched to almost permanently) into room 9 until the new staffroom was built. To cope with this "trauma" a list of rules was devised:

1. Do not attempt to clean the fridge.
  2. Ignore the phone in free periods.
  3. Try not to sit in Messrs Cowley, Grinter, or Watson's chairs
  4. Do not wash your cup - no one else does.
  5. Make all students wait outside the door for at least 10 minutes - then they will have forgotten what they wanted.
  6. Do not leave the newspaper lying around for Mr Kerr or Mr Collins to attack.
  7. Do not give Mr Burt, Mr Smythe or Mr McDonald any opportunity to make a pun - ignore any that you might recognise.
  8. Do not mention anything financial in front of Mr Burt or Mr Collins.
  9. Never admit to any one that you are on duty.
  10. Never be the first person to partake of morning tea - wait for Mr B McDonald to sample it, usually during period 2.
  11. Always ensure volume of loudspeaker is at maximum before you use it.
  12. Always attach your notices where they are not easily seen - at least then you can say : "it's on the board"
  13. Check to see that Mr B McDonald is not asleep across half a dozen seats before you sit down.
  14. Always ensure that you have one of the following at staff meetings
    - (a) mail
    - (b) marking
    - (c) WWF magazine
    - (d) Blank paper for doodles
- P.S. Try to be subtle here.
15. Don't snatch handouts

# HOUSE NOTES

## *Winstone House*

Winstone house started off on the right foot this year in what is traditionally the opening event of the Winstone Cup. A victory in the Tabloid swimming usually indicates all round house strength. And so it has proved to be. Winstone has done well in activities requiring good organisation.

At the same time, there have been individual performances of merit; notably Jack Lolohea's victory in the senior speech contest and subsequent success in the regional competition and Brendon Webster's defence of his senior cross country title followed by a second placing in the Manukau competition.

Other individuals to perform well in their chosen fields were Marcus Topine and Tane White in Manu Korero, Matthew Orton as Junior Tennis Champion, and Craig Morris as senior Tennis Champion. Victory in Rugby was a highlight of the third term.

Perhaps the biggest disappointment of the year was our failure to defend our leadership in the choral contest. Even objective listeners considered the Winstone mass choir's rendition of Paul Simon's "Homeless" to be "sensitive, uplifting and impressive"

On the academic side, Winstone has not performed well in recent years and our second placing at mid-year was a pleasant surprise, nay, even a shock to house staff!

Winstone finished second in both Tabloid and Championship Athletics and again in Championship Swimming. And just to prove how consistent the house has been, second placings were achieved in senior basketball and soccer.

Hon Yee, Richard van Dyk and Priti Singh received credit passes in the Australian Maths Competiton.

Winstone has had a prolific number of school prefects this year: Alisi Tupou, Les Betham, Chris Wade, Wiremu Tawhiri, Fatu Enari, Craig Morris and Taua White. Their organisational help is acknowledged here as is that of Winstone dormitory Prefects: Lyall Bowsher, Glenn Honeycombe, Paul Hausia and Phillip Pihema

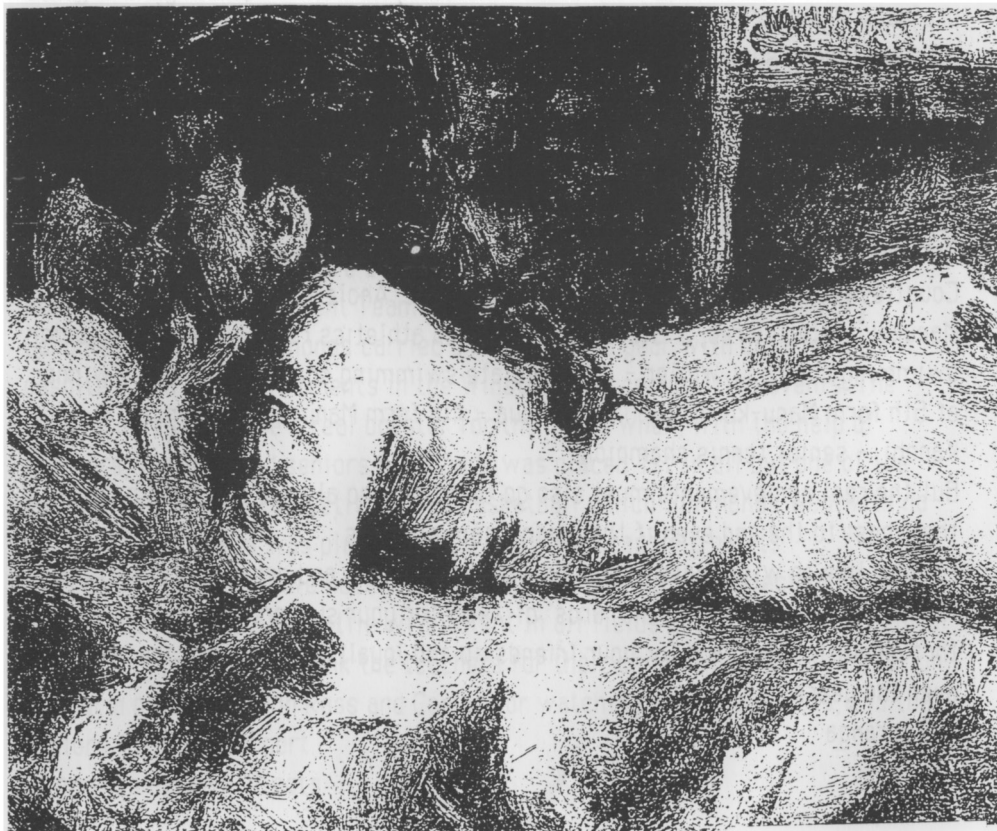

Mention must be made of the invaluable work of our squad leaders.

Finally the work of Winstone House staff needs to be glorified. If nothing else they are sportsmen and women of note; Mrs Cleary (squash), Mrs Caulton (hockey), Mr Maiava (golf), Mr Macdonald (yachting), and Mr Fordyce (running). Were there to be a staff Winstone Cup Competition the result would be predictable. Some would even suggest that the academic points would be Winstones!

At the time of writing, Winstone leads the Winstone Cup Competition and there is considerable confidence within our ranks that the Greenies will have a long overdue victory.

S R Fordyce

## *Stanton House*

**House Masters:** Mr Burt, Mr Turuwhenua, Mr Ducker, Mr Collins, Mrs Turuwhenua, Miss Ball

**House Leader:** A. Tauranga

**House Prefects:** P. Rawiri, M. Tabualevu

I quote the words of Sir Winston Churchill "I have nothing to offer but blood, toil, tears and sweat". But it is obvious that over the last few years even this has not been enough to restore the infamous Winstone Cup to its rightful owners, Stanton House. In fact the last time we held the symbol of interhouse supremacy was way back in . . .

However, there were numerous occasions when the house displayed a high degree of dedication and loyalty, which gave me great pleasure. The great highlight of the house would be the way they took an early lead at the beginning of the year and held it until halfway through term three, where the lead has chopped and changed numerous times. My thanks for this go to my fellow prefects who shared the burden of responsibility. I am also grateful to our house masters whose support and enthusiasm were invaluable in regard to the cohesive running of the house.

House successes this year were winning the swimming outright and gaining three of the four swimming champions, winning the hockey, junior soccer and tying 1st equal in the rugby.

Personal successes within the house this year were P. Rawiri - Head Prefect, Counties rep and Senior swimming champion, 'A. 'Ahoielei - Counties rugby and Manukau athletics rep, J. Steedman - Manukau athletics rep, T. Campbell - junior swimming champ, J. Woller - Intermediate swimming champ, J. Walker - winner of 5th form Manu-korero, R. Turuwhenua - 4th form Manu-korero winner, K. Kanohi - senior tennis champion.

But the real achievements must also go to those who always tried and gave of their best to the end even if they didn't gain placings.

I would like to wish those returning the best of luck, and great success to the leavers. Finally thanks to the "bros" of 1985 for your support and leadership throughout the year and for your friendship and loyalties to me and the house over the years.

A. Tauranga

## *Simmonds House*

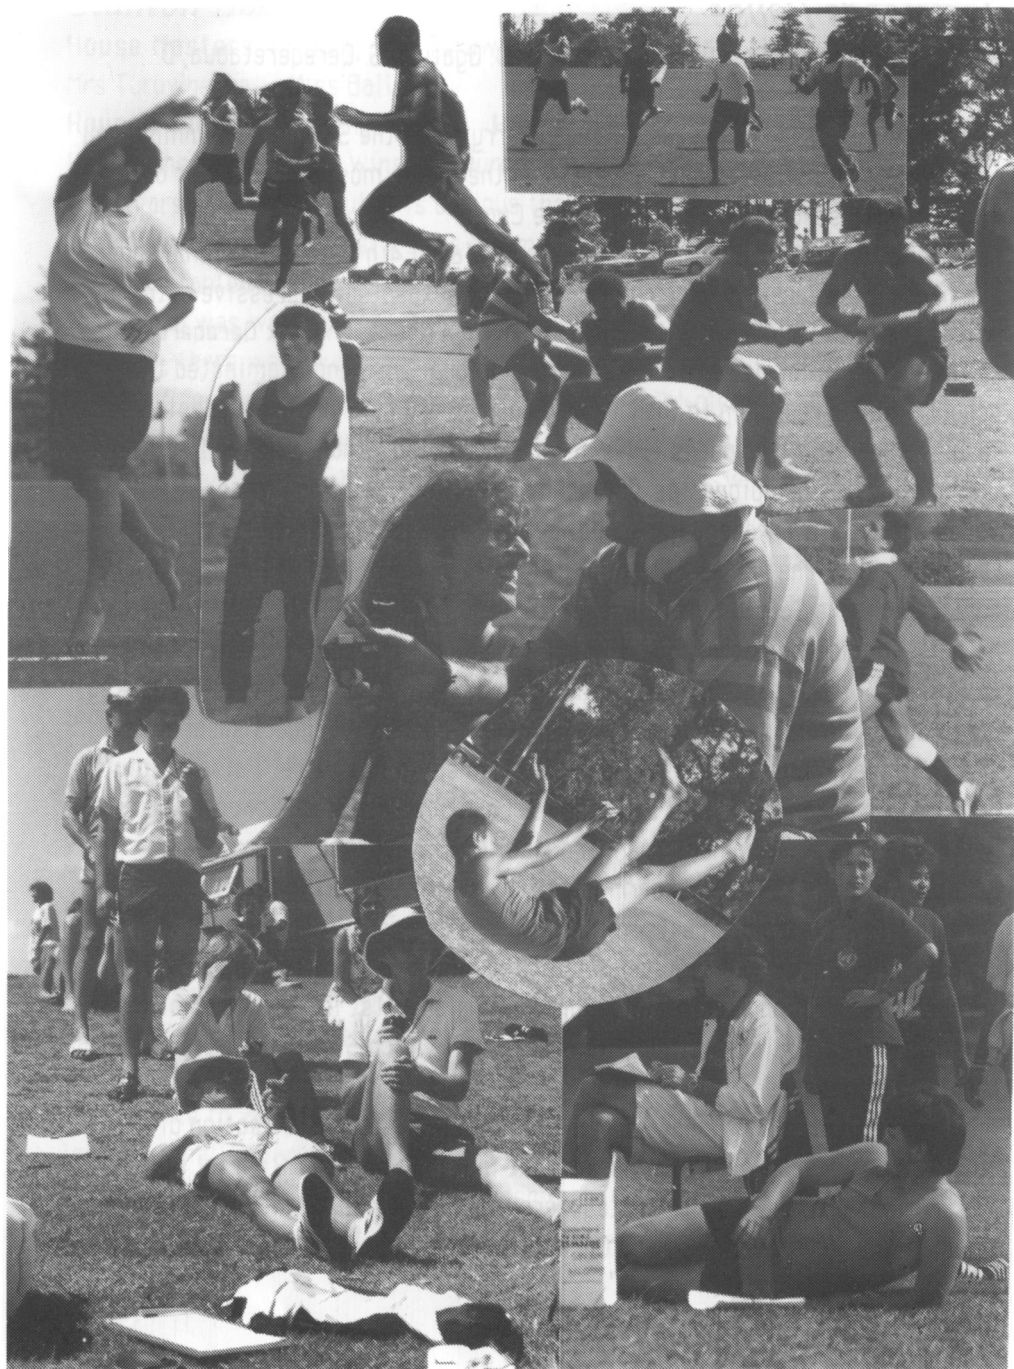

**House Leaders:** W. Sotutu, C. Bloomfield, D. Ogatuti, S. Qereqeretabua, D. Ashford, M. Tolai

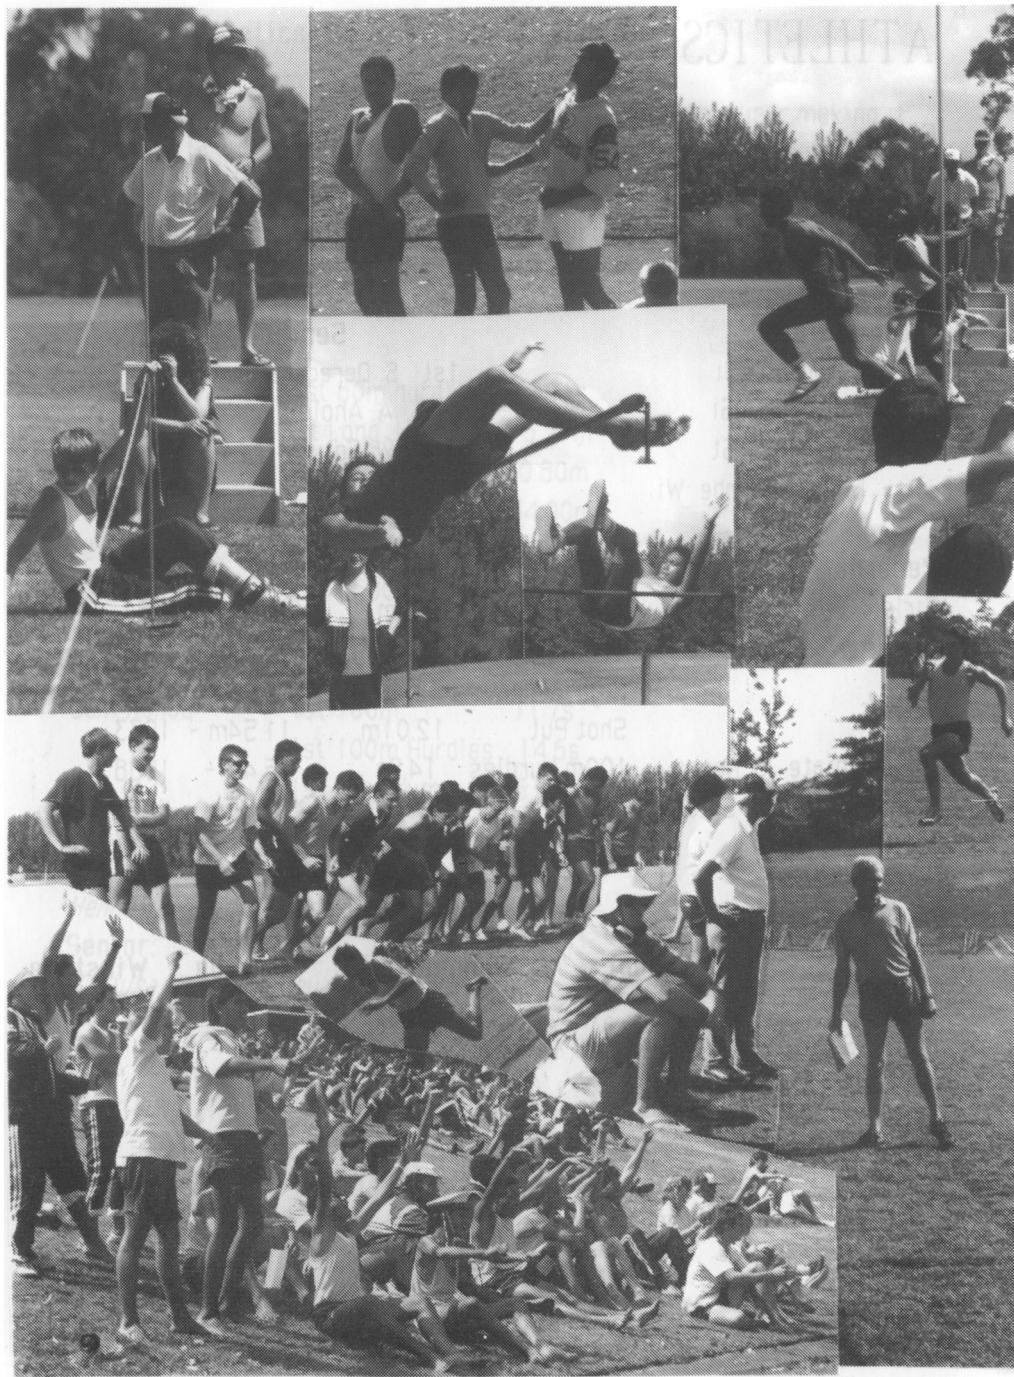

We, of Himiona, began the year intent on carrying on the Simmonds winning way of 1987 and 1988 in the quest of attaining the single most sought after object in the Wesley school year - the Winstone Cup.

Few were disheartened when Simmonds was placed 4th in the swimming sports. The house picked up and came right back to the (expected) impressive outright win of the athletic sports with Jonah Lomu, Sam Nonoa, and Sak Qereqeretabua as the junior, intermediate and senior champions. Simmonds dominated the school athletic rep team to the Manukau champs and returned with substantial results. (See athletics pages). Five of us represented Manukau at the North Island athletic Championships. On December 2 1989, Sak, Sam Jonah, and Nik Young will again represent the school at the New Zealand Athletic Championships. The school 1st XI cricket team included 6 from Simmonds with captain Waisake Sotutu. Then came winter, and so rugby, soccer, hockey and netball. Simmonds sent out 5 to the 1st XV including captain Waisake Sotutu, 5 to the 1st XI soccer including captain David Ogatutui and 4 to the 1st XI hockey. David Ogatuti went on to captain the Counties Secondary Schools soccer team. From the seemingly endless supply of stars emerged two more: Waisake Sotutu and Edwin Talakai, who were selected for Counties Secondary Schools Rugby, Northern Region Tournament Team and finally the New Zealand Secondary Schools Rugby XV. Simmonds carried on through the year with determination despite a few disappointments in the Winstone Cup competition events. The choral contest became a real booster for the house when, with the help of teachers, leaders, and seniors Simmonds was placed 1st in all but one of the categories. The last competition was basketball which Simmonds won with no problems. Simmonds was placed first overall for academic points.

Our results in all that we have endeavoured this year is the reflection of a house that is greatly versatile with talent in all fields and with a lot of helpful and willing people. We thank the teachers for their commitment in organisation, the dorm prefects, John Ross and Carlos for watching over the juniors, and the seniors for their support.

Simmonds House Prefects.

# CRICKET

## 1st XI

The team: Costello, Deason, Gill, Sotutu, Liefiting, Watson, Bryce, Sak, Young, Childs, Kanohi, White, Bridson, Pihema

The team has been a very young one this year mainly hoping to build up for years to come. Our overall performance has been pretty good, particularly in effort and commitment but due to inexperience the results did not coincide. The older players were able to teach the newer members of the team some of their skills and tactics. An enjoyable season resulted, with particularly good inputs from the following:

### Batting:

G. Deason 35 runout v Papakura.  
T. Liefiting 35 bowled v Rosehill.  
M. Gill 33 LBW v Papakura

### Bowling:

T. White 5 wickets for 20 runs off 10 overs  
K. Kanohi 3 wickets for 15 runs off 3 overs

### Games:

v Papakura Wesley all out for 150, Papakura all out for 69  
v Waiuku Wesley all out for 140, Waiuku all out for 120.

To the team for next year good luck, and thanks to Mr Collins for his coaching.

W. Sotutu.

## Third XI Cricket

The thirds had an incredibly short season in term 1, winning against Waiuku. In the first game of the reopened season we lost to Manurewa. A further four games are scheduled before we take the Christmas break.  
Dallas Gill shows potential as a batsman. Captain is Mark Phillips.

# CROSS COUNTRY

An exceptionally poor year for cross-country in terms of effort and commitment, particularly from seniors with only 19 able to qualify in this grade.

## Junior

1st J. Steedman	St	18m 17s

# EQUESTRIAN

Although Wesley College has hosted the Manukau Schools' Inter-Collegiate One Day Event for the last three years this was the first year that Wesley entered a team.

The team consisting of J.Menzies, E.MacNamara, S.Espie and D.Espie. E.MacNamara won both the dressage event and was placed best rider overall.

The team's thanks go to their grooms, the tireless boys who erected and dismantled the show-jumping arena and to the school's administrators for their support of this new event in the Wesley calendar.

Mrs.L.Menzies, Equestrian Coach and Co-ordinator

# HOCKEY

## 1st XI

The season started with games against the two strongest teams in the competition and we suffered a couple of defeats, the scores of which need not be known. However the rest of the season went quite well and we finished up 3rd equal with Rosehill whom we drew with 0-0. The team bounced back from it's defeats well and showed good sportsmanship all round. Thanks to Mrs Caulton for taking on the task of attempting to create some order out of complete chaos. Next year should be a good one.

Lance Cleave and Carl Morley.

### Highlights of the season:

Mrs Caulton - some rousing half-time pep talks

Preston - our glowing defence

Lance - THWACK!

Tim - heading the ball in the first game with his mouthguard in his bag!

Laisa - scoring a goal

Graham - where's my other glove ?

Daniel - I meant to hit it there

Duncan - fender bender

Brendon - Agh! Where should I be now ?

Gavin - Cricket style

Fatafehi - all smiles

Jacko - Faster than a speeding bullet

Julie - scared heaps out of some of the opposition

Dallas - plenty of skills

Carl - good intentions

### Hockey 1st XI

**Back Row:** L. Cleave, J. Butler, L. Bale.

**Second Row:** J. Preston, F. Vahai, G. McClay, T. Liefiting, B. McKenzie, Mrs Caulton.

**Front Row:** T. Tutivaga, D. Gill, D. Bremner, D. Reeves, C. Morley.

## 2nd Hockey XI

The second XI had its most successful season of recent years. The team was made up of a mixture of experienced players including Michael McGarva (captain), Kevin Williams (vice-captain) and Gareth Evans, and of talented newcomers Mark Boase, Sacha Wetzel, and Glenn Watson.

The team had three wins: v Manurewa 11-1

v Rosehill 4-1

v Manurewa 3-0

Other results were : v Pukekohe 0-1

v Rosehill 1-2

v Waiuku 1-2

v Waiuku 1-5

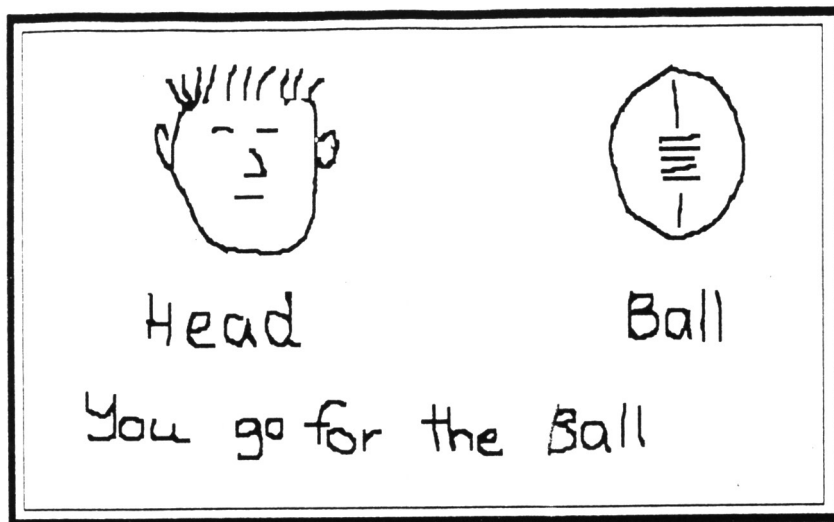

The team is to be congratulated on a very fine season.

A. Cleary

Quentin Andrews  
Form 5

# NEW IMAGE RUGBY

## RUGBY SKILLS LESSON ONE

Bella TeNana (at centre) of Wesley College shows all the verve and ball handling skill that is the mark of a champion. Also on the field in this 'new image' style rugby match at Pukekohe Stadium recently are Anne Robinson (left) and Joanne Stoizenberg also of Wesley.

# Netball

## B TEAM

You know the saying "you win some, you lose some"? Well, this team lost them all. But we did it in style

It was good though, considering half the team had never played netball before and those who had, didn't believe in rules or co-ordination. We at least had fun. Thanks Mrs Manihera for the coaching, better luck next year. Debs and Manu.

## A TEAM

DEFINITION OF NETBALL: The co-operation of a team of several players in a co-ordinated attempt to gain possession of a small, round, elusive object in order to manoeuvre it through a goal at a defined end of the court.

Well, with this in mind, we hit the courts at Manurewa, and hit the courts we did. Team spirit was high, and as for co-ordination well..... Even with all the mad charging around the netball courts, most of us managed to stay on our toes and off our rears most of the time. All in all, the whole team enjoyed their games and our main aim was to have fun. We won two games altogether.

Our annual games were played at home this year, our reputation as a top netball team must have gone before us, as Western Heights defaulted to us. Unfortunately, they had not heard of our "rep" down in Hamilton, and we lost to Church College Senior A.

The most enjoyable game we played this year was against the "Old Girls". The game was hard but all in good fun. We surprised more than ourselves when we emerged the victors.

I'd like to thank all the girls for their sense of humour and spirit. Also thanks to Mrs Manihera and Mrs Segar for their time and coaching. Best of luck to the Netball girls next year.

Chelle Davies

#### Netball A

**Front Row:** P. Tamati, K. Kanohi, J. Wallace, W. Sotutu, L. Betham, S. Nonoa, J. Vahai.

# RUGBY

## 1st XV

This year's 1st XV was a special team and all who were associated with it will, I am sure, remember it as such. The team enjoyed many highlights over the course of the season - the following stand out.

1. Winning the New Zealand Sevens Championship. The team also won the Counties Sevens Championship for the fourth successive year.
2. Gaining selection for the first time to the National Top Four Tournament. At the time of the tournament Wesley was the only team in the Northern Region that was still unbeaten.
3. Winning all the traditional games, again for the first time. Hato Petera 11-7, Te Aute 10-3, Mt Albert 18-8, St Stephens 15-6, Church College 13-6 and Western Heights 19-4.
4. Winning the Counties Championship and successfully defending the Challenge Trophy after winning it in the first competition game of the season.
5. The selection of 11 of the squad to Representative honours

Sam Nonoa	Counties Under 16	'Aisea 'Aholelei	Counties Secondary Schools
Allan Tauranga	Counties Secondary Schools	Justin Wallace	Counties Secondary Schools
Niki Tuwhangai	Counties Secondary Schools	Paki Rawiri	Counties Secondary Schools
George Burrell	Counties Secondary Schools	Les Betham	Counties Secondary Schools
Rhys Duggan	Counties Secondary Schools and Northern Region		
Edwin Talakai	Counties Secondary Schools, Northern Region and New Zealand Secondary Schools		

Waisake Sotutu Counties Secondary Schools, Northern Region, Counties Seniors and New Zealand Secondary Schools

6. The selection of Waisake Sotutu to the Counties side and subsequently becoming the first schoolboy to play for his province.
7. The selection of Edwin Talakai and Waisake Sotutu to the New Zealand Secondary Schools side that defeated the Australian Schoolboys 25-3 in the Athletic park Test.
8. A successful tour of the Pacific that took the team to Tonga, Western Samoa and Fiji in August.
9. Scoring 1029 points over the course of the season in fifteen aside (673) and seven aside (356) games. Further the side scored 115 tries in fifteen aside games with only 17 against.

The reason the team enjoyed such a successful season lies obviously with the players. Captain Waisake Sotutu was a respected leader who in 63 games for Wesley over three years has played with skill, strength and a maturity not often seen at this level. He was, I believe, the outstanding back in New Zealand Schoolboy rugby this year and his contribution to rugby at Wesley will be felt for a long time.

Les Betham (71 games), Justin Wallace (71 games) and Allan Tauranga (67 games) are the "old hands" in the squad. Les lead the side in the absence of Waisake and also enjoyed great respect from the players. Les typifies the loyalty and commitment all coaches hope for from their players. Les contributed 10 valuable tries to the points tally. He also led the sevens team to it's New Zealand title. Justin (vice captain) and Allan are forwards who thrive on hard work in the tight and their contribution to the team over many games was considerable and highly valued. It was fitting that it was Justin who scored the final try of the season.

The team was fortunate to gain the services of two outstanding players new to the College in 1989. They were Edwin Talakai and Niki Tuwhangai. Edwin developed greatly as a player and thoroughly deserved his New Zealand selection. Niki was top try scorer with 14 tries and was a powerful player who demonstrated clearly the need for loose forwards to score tries if close games are to be won. Mark Fung and Bryan Robertson were other squad members new to Wesley this year.

Aisea Ahoilelei and Rhys Duggan are two of the most promising players in the team and both have the ability to become the outstanding players in the 1990 team.

Top points scorer this year was Kiley Kanohi who scored an incredible 213 points. Kiley too has the talent to challenge for a place in "higher" teams. Fatu Enari, Paki Rawiri and Paki Tamati are other second year players who consistently played well and virtually played every game. These three players may not have enjoyed the same limelight as those mentioned but their contribution was no less.

Fatafehi Veikune was a valuable team member and his humour and enthusiasm belied his years!

Sam Nonoa and Phillip Pihema started the season as 14 year olds and both now command "top team" places. The contribution that these two will make in 1990 and beyond will certainly be worth watching.

Joseph Vahai, Stewart Bale, Tava White, George Burrell (12 tries from 14 games), Silas Koga, Hank Golaboski, Masele Tolai, and Craig Morris make up the squad and are all new to the team. These players all performed well as required, and with most of them returning to school in 1990 they will provide the base for that team.

A feature of this year's team was its size with the forwards usually averaging over 100kg making it as heavy as the current All Black pack. Three of the forwards in fact weighed over 115kgs.

The team enjoyed the satisfaction of achieving the "goal" it set itself at the start of the season. This simply was to be the best team in Counties and this involved winning the Counties Sevens, winning the Counties 1st XV Championship and beating St Stephens at St Stephens. A secondary objective was to make Top Four as the tournament was to be held in Counties this year.

Our tour to Tonga, Samoa and Fiji was a marvellous experience and a fitting finale to the season. The hospitality and generosity of all those who looked after us was overwhelming and will be the lasting memory of the tour for all the team. Sincere thanks must go to all our hosts in all three countries.

The team also enjoyed unbelievable support from the school all season and the team was most grateful to the school for the songs, haka, chants and atmosphere so created. The haka at the end of the Top Four final was a moving display of school spirit and the culmination of this support.

The team wishes to thank those parents, staff, old students and friends, who gave so much support all season and who in many cases had to travel great distances to do so. It was a great honour to coach this team and I thank the players for their commitment. Although this was a special team it was more than anything else, a team.

A C Grinter

## **Captains Report**

This year the Wesley College 1st XV have enjoyed a very successful year under the control of Mr Grinter the coach. This years team have achieved things never achieved before by any Wesley team. Few of the highlights for the team were winning - Counties Grade A

- Counties Sevens
- New Zealand Sevens
- Making Top Four
- Beating all traditional schools ( St Stephens, Hato Petera, Te Aute, Church College, Western Heights )

Most of all it is important to point out that these achievements would not have been obtainable by the team without the pre-season training, commitment and desire to win, not only for ourselves but for the school as well, which was visibly present during the whole season.

Great levels of personal play were achieved by players making representative teams such as Edwin Talakai making the New Zealand Secondary Schools team, A. Tauranga, R. Duggan, P. Rawiri, L. Betham, J. Wallace, N. Tuwhangai, G. Burrell, W. Sotutu all of whom made the Counties Secondary Schools team and contributed greatly to the Wesley team effort.

Lastly I would like to wish the guys returning next year all the very best with their rugby as I am sure there are a couple more trophies still left in New Zealand waiting to be won by Wesley

The end of a great season has come and a great season it may not have been without the coaching and guidance over this and other years by Mr Grinter. Thank you very much for not giving us too many Heni-Mullers. Finally thanks to all the team it was a pleasure to be your captain.

## Sevens Report

This years sevens team, like the 1st XV proved to be pretty awesome. The team was selected early in the season when we met the Counties senior sevens, which was coached by Mr Grinter. This was a good experience for all of us, although we were beaten. We returned to the school feeling pleased with ourselves, knowing that we gave it a go.

Our first tournament was held in the Waikato and was the fourth time that we had been invited to participate. We finished as runners-up to Tokoroa in the grand final in extra time. We returned to Paerata knowing that we could have won and this made us determined to do better in our next tournament. The winning of the Counties tournament gave us an entry to the New Zealand championships held at University Park, Auckland. The team sacrificed the school Ball the night before in order to have an early night before the big day ( thanks guys). The early night paid off. Beginning the day with an attitude of "no compromises" and ending in the same way, we won the tournament winning four games and a grand final against our new found rivals Kelston 18-6.

In conclusion, I would like to thank Waisake, Niki, Bryan, Paki R, Paki T, and Kiley for their consistency throughout the season. Thanks also to Sam and Rhys for their exclusive running which always lifted the team's spirit.

To those leaving, good luck and to those returning win the Waikato sevens next year, and always aim high in your rugby. Thanks also to the school for their support, chants and hakas which were truly incredible. Keep it up. Special thanks go to coach Mr Grinter.  
Les Betham.

Sam Nonoa Form 5

## 1st XV Tour Report

Malo Lelei, Talofa, Bula.

The highlight of the season was our tour to the South Pacific. The team raised funds in the May holidays by picking kiwifruit; a very long task but the results were greatly appreciated.

In Tonga we played a Tupou XV, it was very hard to adapt to the rules and weather not to mention the rugby field. While in Tonga we were hosted superbly by parents of past and present students. I'd like to thank the following people for their help in our stay: Mr Paul Bloomfield, Siosaia Aleamotu'a Honourable Veikune and 'Atilua, Mr 'Aholelei and Mrs 'Aholelei, Mr Etueni and Mrs Una Tupou. Also all the other people who looked after us so well. Probably the biggest highlight in the tour was when the team attended the closing ceremony of the III South Pacific mini - games. That evening the old boys of Wesley College provided a reception for the tour party at the Tongan National Centre. We spent eight busy days in Tonga with never a boring moment. Leaving the friendly islands for us was sad but our stay was a very good experience and a taste of how some of our team mates lived: Fatafehi, 'Aisea, Joseph, Edwin and Tevita.

On our arrival in Samoa we were met by Mr and Mrs Enari. We were then taken to our billets. We practised at Samoa College and after that went on a tour of the rest of the island. On Sunday we went to church at Avoka Girls' School and later had a "to'ona'i" at George Brown School hosted by Wesley College at Samoa, who gave us many gifts. We played Samoa College 1st XV at Apia Park. They were a team who not a week earlier had drawn with Auckland Grammar School 6-6. We enjoyed this game and went out the winners 28-0. That night we attended an after match function held at Samoa College. I'd like to thank Mr and Mrs Enari and all the people who billeted us in Samoa - we are very grateful. We have six Samoans in our team: Les, Fatu, Sam, George, Masele, and Brian, who in their own way helped us to understand the culture of Samoa.

Upon our arrival in Fiji we were met by Mr Qereqeretabua. He had provided a bus to take us to his hotel resort, The Mocambo. Leaving there in the morning we went to Suva to be met by Mr Paul Sotutu and Mr Marika Bakani who were the organisers of our tour in Fiji. Next day we trained at Suva Grammar school, then

went shopping. We played Suva Combined Secondary Schools as a curtain-raiser to the Farebrother Trophy match at the National Stadium. We drew this game 16-16 in front of a crowd of 25,000 people. That evening, the parents and old boys provided a reception at the Butt Street Church Hall for both the rugby and soccer players. After the Suva game we were in for another hard game against Nausori Secondary School Reps. The hard fought game saw us come out the winners 15-3. After the match we said goodbye to our billets as we left for Lautoka to catch the ferry to Beachcomber Island.

Well after 24 games of rugby we certainly needed somewhere to unwind and three days at Beachcomber Island were ideal. I would like to thank Mr Marika Bakani and Mr Paul Sotutu, Mr Qereqeretabua, the Bales, Sorovakis, the Nageras and all the other people who billeted and organised our stay in Fiji.

Overall the tour was a great success thanks to Mr "Travellers Cheque" McDonald and Mr Grinter for their organisation.

Alu a, Tofa, More.

Justin Wallace.

#### The record compiled by the team was as follows:

v	Hauraki Plains College	won	23-4	v	Western Heights High School	won	19-4
v	Hato Petera College	won	11-7	v	Pukekohe High School	won	45-0
v	Manurewa High School	won	13-10	v	Manurewa High School	won	21-0
v	Rosehill College	won	88-0	v	Emmaus College	won	48-10
v	Te Aute College	won	10-3	v	Old Boys	won	22-0
v	Mt Albert College	won	18-8				
v	Pukekohe High School	won	9-3	Top Four Competiton			
v	James Cook High School	won	54-3	v	Otago Boys High School	won	13-10
v	St Stephens 2nd XV	won	31-3	v	Kelston Boys High School	lost	19-22
v	St Stephens School	won	15-6				
v	James Cook High School	won	26-3	Tour Games			
v	Rosehill College	won	default	v	Tupou College	lost	7-21
v	Church College NZ	won	13-6	v	Samoa College	won	28-0
v	St Stephens 2nd XV	won	63-4	v	Suva Combined Schools	drew	16-16
v	Waiuku College	won	46-0	v	Nausori Combined Schools	won	15-3

**Rugby 7's team**

**Back Row:** R. Duggan, P. Tamati, S. Nonoa, K. Kanohi, Mr Grinter.

**Front Row:** P. Rawiri, W. Sotutu, L. Betham, N. Tuwhungai, B. Robertson.

## 2nd XV

The "89" seconds consisted of only four members from last years 2nd XV. They were J. Walker, M. Topine, L. Bowsher, and W. Tawhiri. The rest of the team consisted of P. Campbell, M. Hogg, G. Honeycombe, H. Golaboski, G. Burrell, R. Butler, A. Kereopa, J. Lolohea, C. Wade, J. Heta, D. Toloa, R. Bridson, C. Bryce and M. Tolai.

The season started with a loss to Onewhero U/19 but with a few hard trainings we soon got our act together. We started the season in the second division. The results were as follows

v St Stephens 3rd XV won 29-10      v Tuakau 1st XV won 15-0

v Pukekohe 2nd XV lost 0-3      v Te Kauwhata 1st XV won 17-4

After beating Te Kauwhata, we were promoted into the first division.

This was the first time that Wesley has had two teams in the first division. The results for the first division games were as follows:

v Pukekohe 1st XV lost 3-35      v Manurewa 1st XV lost 7-21

v James Cook 1st XV won by default      v Wairuku 1st XV lost 4-16

During the year we played four traditional matches, against Hato Petera, Te Aute College, Church College and Western Heights. In the past years the most of these traditional games won by the seconds were two out of four. This year, for the first time in the history of Wesley College, the Wesley 2nd XV beat them all. The results were:

v Hato Petera 2nd XV won 24-6      v Te Aute 2nd XV won 15-0

v Church College 2nd XV won 6-0      v Western Heights 2nd XV won 27-12

Overall the second XV had a good season and I thank all the players for their support and dedication. I'd also like to thank our coach, Mr B McDonald for all his help and advice. Finally I'd like to say that I was proud to have led a bunch of great guys and players.

Kia Kaha to Mahi

J.R. Walker (captain)

### **Rugby 2nd XV**

**Back Row:** H. Golaboski, W. Tawhiri, D. Toloa, C. Wade, R. Butler, M. Tolai, P. Simons

**Second Row:** G. Honeycombe, J. Heta, L. Bowsher, P. Campbell, M. Hogg, B. Robertson, J. Lolohea, Mr McDonald

**Front Row:** A. Kereopa, D. Schindler, C. Bryce, J. Walker, M. Topine, T. Ahoma'e, R. Bridson

### **Rugby Under 16's**

**Back Row:** H. Stowell, D. Stokes, H. Tawhiri, P. Simons

**Third Row:** D. Dargaville, G. Deason, R. Duggan, J. Makiha, S. Taufa

**Second Row:** A. Tauranga, N. Wahanui, M. Walter, A. Mabey, J. Lomu, J. Byrt, A. Johnston, Mr Sanson

**Front Row:** H. Makiha, J. Woller, D. Schindler, G. Murphy, D. Nicolson, C. Doyle, J. Te Aotanga

## Under 16

This years team was the most successful I have coached, going through the season undefeated. Our traditional rivals St Stephens were also unbeaten until we met at St Stephens. This was the hardest game of the season and we pulled off a great victory with a try in the last minute, by A. Mabey. This victory gave Wesley the championship

The under 16s were a well balanced team with mobile forwards led ably by G. Murphy (captain) and good handling backs under the firm control of J. Makiha (vice captain). I would like to thank all the boys in the squad, who remained committed throughout the season and who tried to improve their skills at all times.

A special thanks to Mr L. Stowell for his invaluable help and advice and his great work with the backs.

W. S. Sanson, coach

### Game results:

v Hato Petera	won 38-0	v Waiuku College	won 7-3

v Papakura HS	won 52-0		

### **3rd XV**

With only four survivors from last year's team, the third fifteen was relatively inexperienced, although we had a number of very promising players. Our team members led by captain Pau Fakahau, were most enthusiastic - especially about playing games and to a lesser extent about training - although there were the inevitable few who let the team down.

Our forwards were good and we usually won our share of the ball. The backs however were a little inconsistent, especially when defending. Throughout the season the team played well and continued to improve.

To the whole team I would like to say "thank-you for a great season of rugby." To those who are leaving, "the best of rugby luck for the future," and to those returning, "hang on in there."

G A Collins

### **Under 15**

At the start of the season we had two teams but half-way through we decided to combine the two teams into one mean machine. Our captain was Adam Tauranga and vice-captain was Jason Perham, our gun kicker who unfortunately injured himself. The outstanding backs were Eru Findlay, Stephen Tatana, Michael Taufa, Brian Stewart, Joseph Bagley, Richard Hillman and Lee Vaiese. Michael was always up with the play and made some fantastic breaks. Richard showed good skills at fullback and played some outstanding games. Lee and Eru also showed good skills throughout the season. Our amazing forwards were Jeremy Steedman, Chris Dickinson, Adam Tauranga, Vernon Taylor, Richard Lack, Craig Kimpton, James Patrick, and Colin Bratton. Adam's play was outstanding throughout the whole season. Thanks to our coach Mr Lack and our manager Mr Watson for bringing us through as the champion under 15 side.

R. Lack

## Under 14 Black

The team made a slow but steady improvement throughout the season. Our wins were few and far between, but that did not discourage us. Perhaps had we made fewer last minute changes and spur of the moment strategies we'd have done better.

**Breakages** during the season (not all inflicted by rugby) : Toby Matheson - collar bone, Daniel Espie - lower leg, Tim Jones - knee.

**Improvement:** Daniel Holland, out third breakaway, a fearless little bouncer. Craig Campbell, making the transition from league to rugby, an excellent hooker who reliably got possession in the scrums.

**Recruits** from the round ball sport: Owen Kennedy and Justin Leckner.

**Specialists:** Scott Bradley played as if he was Mel Mininga. Vance Steele, top scorer, models himself on Gary Freeman.

Thanks to Mr Bill Steele for his constant encouragement.

Vance Steele (captain)

## SKIING

For the second year Wesley entered a team in the Secondary Schools' Ski Competition, held at Turoa. This year 106 schools took part fielding 530 competitors. Ruapehu College hosted the tournament and were the eventual winners of the teams events.

The team consisted of Joanne Peti, Justine Menzies, Gavin Murphy, Simon Jones, and Rueben Couch. Mr Alan Jones and his son David were Course assistant and coach and the team was managed by Rev. J. Manihera.

Overall the team finished in 77th position. Congratulations to the team.

# SOCCER

## 1st XI

Despite managing to beat every team in the A grade of the Manukau Secondary Schools' Competition at least once, this was, in many respects a frustrating season. The team very much missed the mid-field skills of Lency Wanefalea and a disciplinary matter involving a player from another Wesley team had a debilitating effect on morale for several weeks. But that is not to take anything away from Pukekohe High School which proved to be the strongest and most consistent team in the competition.

Wesley began the season well enough with a comprehensive victory over Papakura High School 7-1 but, the following week, a loss to Manurewa High School by a deflected goal in the last minute rocked the team back on it's heels. Worse was to follow: defeat at the hands of Rosehill College by 3-1 after leading at half-time 1-0. ("We were virtually talked out of the game by the Rosehill Captain!" said Mr Fordyce)

Against Pukekohe High School, Wesley suffered it's worst defeat in eight seasons - thrashed by 5-1. The following week Waiuku College got the backlash of that defeat and Wesley won 9-0.

In the second round, Wesley won every game and in so doing conceded only one goal. The highlight of the competition season was a superb victory over Pukekohe by 3-0. ("That was one of the most satisfying games I can ever remember as coach!" said Mr Fordyce.) Other pleasing results were 4-1 over Manurewa and 6-0 over James Cook High School in a double-header.

In the only inter-school game played in New Zealand, Wesley drew 0-0 with St Paul's Collegiate of Hamilton. Of that game, Mr L.G. Thornton, the St Paul's coach said: "I'm satisfied with that result but I'm sure Mr Fordyce won't be!" Indeed

## A GRADE RESULTS

	1st Round	2nd Round
v Papakura	won 7-1	won 8-0
v Rosehill	lost 1-3	won 2-0
v Pukekohe	lost 1-5	won 3-0
v Waiuku	won 9-0	won 5-0
v Manurewa	lost 1-0	won 4-1
v James Cook	won 6-0	won 6-0

## **LEADING GOAL SCORERS**

Eddie Nihopara 17, Sakiusa Qereqeretabua 10, James Eketone 6, Malcolm Gill 6.

## **INTER-SCHOOL MATCH**

v St. Paul's Collegiate, Hamilton Drew 0-0

## **FRANKLIN UNDER 17 REPRESENTATIVES**

Malcolm Gill, James Eketone

## **MANUKAU S.S. FOOTBALL ASSOCIATION REPRESENTATIVES**

David Ogatuti, Eddie Nihopara, Sakiusa Qereqeretabua, Allan Gina, Malcolm Gill.

Early in May a decision was made to take the 1st X1 on tour and the preparation for this tour, which was to take place in the August/September holidays, caused considerable disruption insofar as it meant giving up the May holidays to raising money. After long deliberation and much discussion with travel agents it was decided that the tour should be to the Solomon Islands and Fiji - appropriate destinations given that the 14-man squad included seven Solomon Islanders and three Fijians.

Although the three matches played on tour resulted in victories for the hosts in each case, the positive effects of the team's visit, particularly to the Solomon Islands, would be difficult to overestimate. Each tourist seems to have adjudged the trip an outstanding success.

Brief details of the matches follow:

**v St Joseph's, Tenaru, Solomon Islands.** Lost 1-3. This game had the hallmarks of an international. The game was played at the National Stadium in Honiara ( Lawson Tama ) with a 5pm kick-off. The match was advertised extensively on radio and in the papers and several thousand spectators paid money to see it. In the end it was the heat which beat Wesley ( although St Joseph's proved to be a good team.) Five Wesley players suffered from excruciating cramp before the final whistle blew. David Ogatuti scored the goal with Malcolm Gill narrowly missing another that struck a post. The crowd supported Wesley !

**v King George VI High School, Solomon Islands.** Lost 1-5. This match was played at Lawson Tama two days after the St Joseph's match. Wesley scarcely had a full team: two players had leg injuries, one had Malaria and the captain had had a wisdom tooth out the day before. Dispensation was given for Lency

Wanefalea (now shaven headed ) to play for Wesley. K.G VI thoroughly deserved its victory on the night but Mr Fordyce was "miffed" that Wesley conceded two soft goals early on. The refereeing in both matches was excellent.

**v Lelean Memorial High School, Nausori, Fiji Islands.** Lost 0-1. The less said about this game the better. With David Ogatuti still in the Solomon Islands and too sick to travel, Lloyd Gina (now at U.S.P.) once more donned a 1st XI shirt and played at centre back. The referee (for want of a better description) permitted the game to run for 20 minutes in the first half and 16 minutes in the second half. He entered the game briefly to award a penalty to Lelean for a hand-ball that never happened and, having profoundly affected the game, blew the final whistle.

Even the frustrations of that final game could not detract from the wonderful success of the tour. Finally, on behalf of the team, I acknowledge those people who so generously provided work during the fundraising phase and those parents who so willingly billeted members of the team whilst they were on tour

Mr S.R. Fordyce

**Soccer 1st XI** **Back Row:** N. Young, H. Yee.

**Second Row:** C. Sogabule, B. Webster, P. Charan, P. Kenilorea, J. Eketone, J. Ivaena, Mr Fordyce

**Front Row:** R. Kwanairara, M. Gill, S. Qereqeretabua, D. Ogatuti, A. Gina, E. Nihopara.

## 2nd XI

The team was selected after a series of strenuous trials. Placed in the professional hands of coach Mr Cheeseman and captain Ashwin Singh, the team entered the competition with a lot of determination. Here is how the season went:

	First Round	Second Round
v Pukekohe High School	won 3-1	won 3-0
v Papakura High School	won 9-1	won 8-0
v James Cook	won 5-3	drew 1-1
v Onewhero	lost 3-1	lost 3-1
v Rosehill	won 3-0	won by default

Of the ten games we played, we won seven, lost two and drew one, which made us the competition runners-up. We scored 38 goals and only conceded eight. These were scored by Hennesy Maetala 10, Ian Miki 9, Nilesch Singh 5, Joe Kwanairara 4, Alfie Lai 3, Tevita Mone 3, Owen Kennedy 2, and Iain Campbell 1.

During the season we also played two non-competition games. Against the Wesley 1st XI we lost 3-1, but we defeated the Manurewa 1st XI, 2-1.

Finally we would like to wish the Wesley 2nd XI of next year all the best.

Ashwin Singh,  
Nilesch Singh

### **3rd XI**

This years team could be likened to the little girl with a curl of nursery rhyme fame " When they were good, they were very, very good

When they were bad they were awful."

The group never really became a team and this was reflected in their results. After a start which showed very good potential it became impossible to field a regular combination, team work never developed fully, team morale and results suffered. Scattered through the disasters were some very pleasing results.

Playing in the C-grade competition, we won five of our twelve games, drew one and lost six, to finish third equal.

G. Kane

### **4th and 5th XI**

We began the season with a large group of keen players, including three would-be goalies. After a couple of practices a 4th XI team was chosen to play in the inter-school competition. A 5th XI team was also selected and many of these players offered valuable support by stepping in at short notice if a 4th XI player was sick or injured.

The 4th XI found the competition challenging as most other teams in the grade consisted of older, more experienced players. However, the "fourths" maintained a good spirit throughout the season. Practices and games were well supported and enjoyable.

V. Ball

# SOFTBALL

## **'B' Team**

Considering our Team had hardly any practices before the South Auckland Inter Secondary Schools' Tournament held at Papakura we did pretty well in our games - winning our first innings against Tuakau, with good pitching from Nathan Stowell and Jason Perham.

In our second game against Nga Tapuwae (a team of young adults!) our boys played their best all the way through the innings. In the first innings a walloping hit from Adam Tauranga got two runners and himself safely to home base and set Wesley on high hopes. But Nga Tapuwae with the advantage of size and skill came out with vengeance to win in the end.

Our thanks to our manager, Rev. J. Manihera for setting the team up. We look forward to more active softball in the new season.

Jason Perham - Captain

## **'A' Team**

Following a season of Rugby we were quite unprepared for Softball, many of our skills being memories from last season! We were entered into the South Auckland Secondary Schools' Tournament and found we were up against teams who had been playing regularly in club matches and that some of those team members were representatives. Our first match was against James Cook High - Wiremu Tawhiri was pitcher. With power pitches and excellent backing up from the infield and outfielders Wesley moved ahead through the innings. At the bottom of the 5th we were up 5 homers to 1. With strong batting from Nik Tuwhangai, Paki Rawiri, Hayden Stowell, Paki Tamati, James Makiha and Jason Maoate Wesley were able to win by a three run advantage.

Our next game was against De La Salle who played regularly. Two early faults by their team allowed us a two run advantage. Good 'short stop' play by Stowell and Makiha and all 'base men' saw this advantage remain till the last innings. However a long outfield hit by De La Salle combined with the only mishandling in the field saw the game slip away into a draw.

Thanks to Mr. Manihera and the school kitchen for "Meals in the Field".

Wiremu Tawhiri-Captain/Coach

# TAE KWON DO

Tae Kwon Do is a Korean Martial Art literally meaning "The Fist Foot Way". It originated over two thousand years ago, teaching not only a system of self defense, but a philosophy of life still practised today.

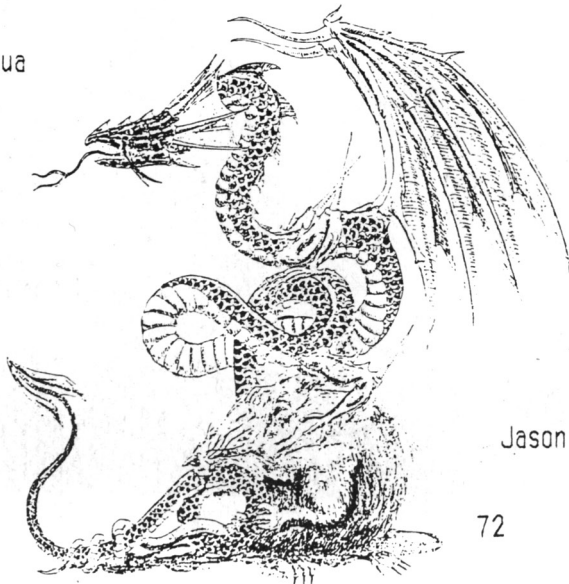

This year the Wesley Tae Kwon Do group numbered about 20 people; featuring a wide distribution of skill levels: students ranged from white belt through to yellow, yellow belt green tip, green, blue red tip, red belt and red belt black tip.

In 1988, Jimmy Lekiālu attained the level of first Dan black belt, and this year two more people will be attempting to gain this demanding title. G. Hansen and J. Turuwhenua.

This year the club enjoyed participating in several events. Two gradings were held, and in addition, a number of the club entered into full contact tournaments. Both yielded exceptional results, A. Lai and I. Campbell becoming North Island Champions in their respective divisions, while G. Hansen and D. Gill were runners-up in an Australia/New Zealand controlled combined competition.

Tae Kwon Do in the school also ventured into the public eye, receiving attention by the local press and an appreciative crowd of onlookers at Dublin Hall, Pukekohe. The Tae Kwon Do group has had an excellent year, and gratitude must be expressed to instructor J. Lockhart ( 2nd Dan ) who took the time and effort to teach us.

J. Peti	A. Robinson		

# VOLLEYBALL

This year the girls of Wesley were able to produce two extra-ordinary volley ball teams. The A team started off with style and proved that at least some of it's members had talent. They then decided that as they were doing so well, they would only play social volley ball. We managed to win one or two games and always enjoyed ourselves.

Volley ball B started and ended the season as a very social team. Most of the new girls were in this team but they had a few old hands who knew how to make the game enjoyable no matter what the score. We all had a lot of fun and the spirit was there .... well at least for a while anyway. Thanks to all the coaches we had. Take care and all the best to future volley ball teams.

Your captains Eleanor and Debs.

# WAKA PADDLING

The girls this year put forward only one team, out of an original three, in the Ngaruawahia Regatta held in March of this year. They managed to stay afloat (just), but were not placed in their races. Unfortunately Eleanor Eketone was unable to row due to illness and two crews were pulled out. Our thanks go to Rawinia Te Whare and Mary Ann Lee for their contribution on the day, the Mercer Club who taught us to row and whose waka we used and 'the boys' who saved one of our crews (hope you had a good feed!) Also to Mr Turuwhenua, thank-you for all the time and effort you put in. To those girls who intend to be part of the crew next year....we wish you well and hope you support the organisers. Good luck,

L.E. and Deb's.

## Girl's Waka Crew

**Back Row:** A. Robinson, C. Davies, L. Marfleet, D. Ashford.

*Final Comments* Thanks to Mr Lockhart for his support and everyone else. To the leavers this year, good luck for the future and best wishes for what ever you do. From the Simmonds team we wish everyone a merry Christmas and a happy new year. God Bless you.

## **Form 5 Simmonds**

1989 was a very good and exciting year for 5 Simmonds, full of fun and laughs. Mr B. McDonald was a very persuasive form teacher especially when he got that cane out and started his evil grin.

To all who have managed to gain prizes ( academically ) congratulations and also to those who have done well in their sport eg Sam Nonoa. Good luck for School Certificate and see you next year.

D. Adolph.

## **5 Winstone**

For the second year running I have had the dubious pleasure of being in charge of 5 Winstone. The stalwarts of last year's class returned for a second chance and Lyall, Marcus and Glen have been the backbone of the form. The class has some outstanding athletes - the likes of Phillip Pihema, Dieter Schindler and Justin Teatonga, at least one outstanding scholar - Carl Morley; a number of guys who like to think they are comedians - Peter Johnson and Nelson Wahanui as well as a variety of others. So to 5 Winstone thanks for another great year. Who knows some of you may be here again in 1990!!!

Kia Ora

Mrs Cleary

WINSTONE RULES

## **5 SCHOOL**

We were a mixed bunch in 1989. Most of us inhabited Denton Hall, where, with James' example, we did our best not to let our reputations fall. Robert kept deputy-order in Junior Dorm, Andrew and John carried the flag in Lower Harding while Graham and Jan felt light-headed in Upper Harding. Kevin was the only Day boy and Lawrence, Moana and Troy flew out of the nest.

Notable achievements included Robert's and Jacob's rugby reps; Lance's hockey captainship; James's soccer team and tour; Jacob and the amazing technicolour skateboarding gear of the Duncan bros.

Pats-on-the-back go to John C. and David for excellent year's schoolwork, Allan for being an all-round nice-guy and Chris for getting out and gaining the job he wanted.

Memorable moments: those pleasant gatherings at Form-time.

Adieu to those we will not see again - don't worry, be happy.

## Form 4.1

Cassino got the year off to a good start, by gaining second place in the junior athletics championship. Before we even settled down to some real work , we took off on camp. Mr Ducker's porridge lived up to it's reputation but the wasp episode on the tramp is one we don't want a repeat of. One unforgettable camp memory was the note of advice sent by the kitchen along with the extra supplies we had sent home for.

The footpaths are less likely to be safe now that Brendon McKenzie, Daniel Espie, Leroy, Reuben, Ian, Peter, Duane, and Paul Davies have joined the ranks of the licensed to drive. Leroy and Scott also learnt to scuba dive.

Ian and Daniel Espie had leg and knee injuries. Reuben also managed to skive some time off school, skiing, but returned in one piece.

Always a class with plenty to say for ourselves, Brendon McKenzie and Vernon Taylor confirmed this by placing first and second respectively in the school speech competition.

Paul Bartley achieved fame and wisdom, participating in television's Ten Out Of Ten programme. Other newcomers Peter, Ally, David, Bevan, James, and Brendon Jones, more than ably filled the gaps left by Gawain, Jason and Ray.

Geoffrey's marathon ride to Ngatea came a close second to the most memorable moment of the year, but the action of Ryan eating Daniel Espie's maths test, in order to prevent Daniel from gaining an extra mark and so beating Ryan's claim to his first ever top of the class test result, had to take the prize.

A lively, entertaining year  
Mrs C Caulton

## **Form 4.2**

David Donaldson was elected as Form Captain and has done a good job throughout the year. The form went to camp at Raglan in March. The class enjoyed themselves with a number of highlights: R. Burson imitating Tarzan, bounced off a tree, Mr T. McDonald demonstrating the proper use of the flying fox, and Peter Duff's gentle touch (re bees' nest)

H. Maetala brought some pride and joy to the group by representing the school at the Manukau Secondary Schools' Athletic meeting. Overall a good bunch of fellows who have come together well as a group.

## **Form 4.3**

This class is a bunch of triers. Pats on our members:

Craig K: Brains behind the flying fox stunt.

Darren McD: A little bundle of activity. A great inventor who redesigns our experiments.

Grant H: We have to respect him... now he is going for black belt.

James P: Class captain.

Richard L: Straight as a die.

Vance S: Would like a longer middle term so he can have more rugby.

Grant W: Listens when it suits him.

Michael T: A great leader.

Paul B: Vice captain.

Lee V: Wants to join the zoo or the circus... as a goat or a clown.

Garreth: A triple try hard. As straight as a ruler.

Jason P: Tried shortening his fingers with a meat axe.

Toby M: Didn't break anything this week... but it's only Monday. Luke of the Bushwackers.

Simon J: Expert on snow skis.

Owen K: A bungee jumper... always hanging around.

Maia M: Tag team partner Butch of the Bushwackers.

Mr McD: Gives flying lessons on the flying fox.

32 is a multi-racial class full of many colourful characters. Here are some of their thoughts on their first year at Wesley:

### "Making friends and 'enemies'"

"Meeting people from different islands and other countries"

"Meeting old boys on Old Boys' Day"

"Hope 1990 will be as good as 1989"

"Having late night rumbles with the other dorms"

"I liked watching the 1st XV play rugby"

"There were people smaller than me"

"Parades with Roddy and Hank"

"My first year was all right! ! ! ! !"

Our class had an excellent year with sporting and academic success. Some notable sporting results came from Tony Campbell - Junior Swimming Champion, Jeremy Steedman - Junior Cross Country Champion, Matthew Orton - Junior Tennis Champion. Tane White won the Junior section of the Manu Korero contest and Robert Wakelin gained a distinction ranking in the Australian Mathematics

Overall it was a successful and enjoyable year.

## HOW TO INTERPRET YOUR REPORT (or What Your Report Really Means)

### COMMENT

### TRANSLATION

Diligent	has no friends so has to work
Perseveres	always asks questions
Group worker	sheep
Enthusiastic	hyperactive
Could do better	can't do worse
Co-operative	teacher's pet
Conscientious	stays awake in class
Attentive	stares fixedly at the board
Courteous	greaser
Works independantly	stays in dormitory
Shows initiative	skives with plausible excuses
Imaginative	damn liar!
Maintains pleasing personal standards	doesn't smell
A loyal House member	who is this person?
Good oral skills	won't shut up
Cheerful	class clown
Shows potential	passed the last test
Lethargic	brain dead
Easily distracted	attention span of a two year old
Outstanding achievement	knows more than I do
Disappointing exam result	must have cheated in class assignment
A delight to teach	brings me presents
Punctual	still sleeping in room from last class
Pleasing progress	can't think of anything else to say
His own worst enemy	stabs himself with a compass
Distractive	stabs other people with a compass
Argumentative	damn nuisance
Model student	has designer pencilcase
Well liked by his peers	has lots of money
Good at getting his own way	shouts others down

## ACKNOWLEDGEMENTS

- \* To my activities group ( Term 1 ) - Thanks for your initial enthusiasm and helpful criticisms
- \* All staff and students for their contributions
- \* J. Lockhart, L. Menzies and S. Fordyce for contribution of photographic material.
- \* Mr Grinter - for freeing up my timetable
- \* J. Lockhart for compilation of art work
- \* Van Locker for your consistent help with the grotty tasks.
- \* Katie Mills - tremendous help with all aspects - typing, layout, and decision-making.
- \* A. Cleary - "literary" contributions, typing, layout and inspiration!

Mrs C. Caulton  
Editor.

The following students have contracts .....
