Editorial

**“You have brains in your head.
You have feet in your shoes.
You can steer yourself in any
direction you choose.
You’re on your own.
And you know what you know.
You are the guy who’ll decide
where to go.”**

Dr Seuss wrote this in the book “Oh, the places you’ll go”.

The chaplaincy team have asked me to speak today on the theme of “moving on”. Ms Taylor and I were hired at the start of the year to fill the positions of Ms Nathan and Mrs Faitala as they furthered their education. To be honest, I didn’t know what to expect. My knowledge of Wesley was that they were good at rugby and wore very smart blazers. What an absolute blessing to find a wonderful community of teachers and students and a position that truly found like home.

It is, I expect, a feeling that most of you have felt in your time here, however long you have been here. Speaking to many ex-students, this is still a place that feels like home. As they say “Once a Wesleyan... always a Wesleyan”. Whether you are moving on for the holidays or whether this is one of the last times that you will be sitting in this chapel, you have built relationships that will last a lifetime and have become a part of many memories – I know that I will never forget my experience of going to Polyfest with the school and the fact that Louis actually followed through on his promise of handing in his assessment if I bought him an icecream!

Nelson Mandela said “Education is the most powerful weapon which you can use to change the world.”

Here at Wesley this year, you have received a good education! Although at times you may have really disliked your teacher – especially when she told you to rework your draft YET again – you have a community of teachers who care deeply about your personal success. You have taken the opportunity to learn, and for those of you in the senior school, gain the knowledge that you require to follow your dreams. You can and will change the world, in ways you may not even know. Know that God can see the bigger picture and it will help you in any hard times you may have.

I’d like to share a scripture that has stood out to me in this particular season of my life and I hope that it resonates with you

Be strong and courageous. Do not be terrified; do not be discouraged, for the Lord your God will be with you wherever you go. Joshua 1:9

I don’t yet know what’s in the cards for me next year and some of you will be the same. What I do know is that I’ll remember fondly the experiences I’ve had this year and know that whatever God has in store for me is as an important and as rewarding as my time here this year.

Thank you.

Miss N
Williams

Principal's Address

PRINCIPAL'S ADDRESS AT PRIZEGIVING

Mrs Easter, Chair of the Board of Trustees, members of the Wesley College Board of Trustees and the Wesley College Trust Board, honoured guests, fellow staff and pupils of Wesley College; it is my privilege to speak as Principal at this the 167th anniversary of the foundation of the school that we now know as Wesley College, Paerata.

This year I wish to speak about two matters. The first is to highlight the changes that are happening with the award of the National Certificate of Educational Attainment [NCEA] and the second is to comment on the reflection of the Special Character that I see being increasingly adopted by senior students and in particular those who take on the role of prefect.

This year there have been changes to the literacy and numeracy requirements for the award of NCEA Level 1. We have had a transition year to adapt. From next year students may follow two pathways to achieve literacy and numeracy. One pathway is through prescribed English and Mathematics unit standards and the other pathway through prescribed achievement standards in a range of subjects.

Our experience this year is that Wesley College students have responded differently to these different pathways. In meeting the literacy requirements students have appreciated and responded to the change allowing them to gain the required credits in a range of subjects. There has been a different response to gaining standards in numeracy. All of this terminology may be a new and confusing language. Our responsibility is to ensure that next year's Year 11 students are clear about the pathway each one is following and also to make it clear to each student's parents which pathway is being followed so that there are no surprises.

A second NCEA development is that NCEA Level 2 is now being regarded as a benchmark for all those leaving school. Our guest, Dr Hutchinson, the Member of Parliament for Hunua, will smile when I say that the current government, of which he is a part, has set this as a priority. In 2010 sixty six percent of Wesley College school leavers achieved NCEA Level 2. This was slightly higher than the New Zealand average of sixty five percent. Our mission is to maintain and build on this level of achievement.

Creating opportunities for students to achieve at this level is not straight-forward. I commend teaching staff who devise the programmes and the classroom climate that allows students to achieve and, as importantly parents, hostel and support staff who create the conditions whereby students come to school each day from home or hostel with a positive attitude, willing to participate and learn.

A further change to the NCEA is the introduction this year of course endorsements. Starting this year a student who gains 14 credits at merit or excellence in one subject will receive a course endorsement for that subject. As I glance through my record of student achievement there are a number who will achieve course endorsements and I look forward to celebrating the achievement of those who make the grade. There is now an attainable additional qualification that many students will be able to aim for in Years 11, 12 and 13.

My second focus this afternoon is on what I see as a growing endorsement by senior students of the role that they play in creating a positive school environment. School environments maintained by students are much more lasting and effective than those created by adults!

Principal's Address

The student leaders this year have been exemplary in the way in which they have modelled the positive relationships that are the imperative of the Wesley College Special Character. Each one has made it her or his mission to live out positive relationships. My observation is clear. It is significant that this way of living has not diminished the respect that the leaders have received from their peers and those who are younger. Example, commitment, service and humility will always win out over fear, dominance, control and self-importance.

I commend Senior Prefect William Poese, Head Girl Stacey Cope and Head Boy Epalahame Faiva for their leadership of the team of prefects. I believe that they have created a legacy that will be noted in our community for the coming years as those who follow on model their leadership and behaviour on this year's group.

This week our Chapel theme has been 'moving on'. I recall the morning Chapel message that we shared yesterday as we drew this week to a close. The words from the book of Joshua, chapter 24 beginning at verse 15 were very apt. Listen again to these words: "But if serving the Lord seems undesirable to you, then choose for yourselves this day whom you will serve, whether the gods your forefathers served beyond the river, or the gods of the Amorites in whose land you are living. But as for me and my household, we will serve the Lord."

This is the challenge to all of us today and tomorrow and from now on – and particularly to each leaver who begin today to navigate uncharted strange waters. We may not have lived beyond the river named in scripture or know the gods of the Amorites. In our society these things have their equivalents. As emphasised by the Chairperson of the Trust Board, Rev Diana Tana, at last night's Leaver's Chapel, you know who you are and who you represent.

As your future unfolds you will experience new and exciting places. New and exciting opportunities. You will find that you are challenged. The challenges will be to your faith and in the end you will be held accountable for how you choose to live. Each of you will have choices to make. Wesley College trusts that your choices will be positive and life affirming for yourselves and your families and for your children who are yet to be born. Each of you will have the opportunity to put your mark on the world. Grasp every opportunity and make it your own. The words of the prophet Joshua are as real today as they were long ago. Choose this day – and every day – who you will serve.

In conclusion and to reinforce my charge I ask each of you as I ask myself the question once asked by the prophet Micah: "And what does the lord require of me?" And together may we answer in the manner that has become our custom: to act justly, to love mercy, and to walk humbly with my God. God help me to:

do all the good I can, by all the means I can, in all the ways I can, in all the places I can, at all the times I can, to all the people I can, as long as I ever can. Amen!

No reira. He mere kirihemete me te tau hau ki a koutou kotoa. Kia kaha, kia maia, kia manawanui ki nga whanau o Wetere. Tena koutou, tena koutou, tena tatou katoa.

Chaplain's Report

We have come to end of this School year and we remind ourselves about what it is that makes Wesley College distinctively different from any other school. We believe it is to do with the way our Special Character and Methodist Ethos are implemented and lived out in our community. As a Chaplaincy team we have witnessed more and more acceptance, modelling and living out the Special Character of the school in light of the Methodist Ethos. The understanding of the Special Character of the school has also developed from seeing it only as a statement on paper, to adopting it as a living principle. This is reflected in the minimal number of pastoral issues and concerns we have encountered as a Chaplaincy Team this year.

We continue to capture and share the Methodist ethos as described in the 1998 Review including: being open to new insights; respecting people and their experiences; opposition to injustice and treasuring our heritage. These are some of the values that undergird the holistic approach to learning in the context of Wesley College. For the fourth year we have as part of the Leavers' final Chapel the Year 13s being invited to affirm their faith through an 'Affirmation of Commitment'. As a non-sectarian school the affirmation of commitment does not replace the

'Confirmation' students may have made with their own denomination and churches. It is an affirmation students wish to make saying that beyond Wesley College they are making a commitment to live and share their faith with passion and compassion wherever they are – a pledge to share and show the gospel wherever they are.

We acknowledge with thanks all who have contributed to the work of the Chaplaincy Team in 2011. Your many hands make light work and our hearts together make our community strong in faith and in love.

Wishing you all a Blessed Advent, a Merry Christmas, and a Prosperous New Year.

Sylvia Akau'ola Tongotongo

Life and Faith

GOD IS GOOD ... ALL THE TIME!

Our Special Character continues to serve us well as a reminder of who we are. It is a reminder along with our School motto and Prayer, of the values we as a school and community strive to uphold. 2012 has been a memorable year starting with our Service of Beginnings, Wesley Day, Polyfest, Sheila Winn Festival, Easter Alive and our First XV making the Top Four. Most notable has been the Rugby World Cup 2011(RWC) and its impact on our life as a school. Apart from the long terms, we must hold the record for the most number of rugby players to play at the 2011 World Rugby Cup from one school. From the opening ceremony of the RWC which featured Jonah Lomu to the final game when Stephen Donald kicked the winning points for an All Blacks victory, we can lay claim to at least 11 former Wesley College students having participated.

Four of these former students returned to Wesley during the WRC. They paid tribute to the School for helping to develop them into the people they are. They thanked the School for helping them with their rugby careers, instilling within them life long values which they continue to practice and for their faith. Foremost in their memories is the Chapel, the School singing and the friendships they made.

In all that we have experienced this year as a School, our faith continues to inform our life. School provides the lessons we learn and then we are tested, but it is our life as a school and community together, where we are tested and in the testing so learn the lessons of life. A humungus THANK YOU to all staff and students who everyday strive to live out our Special Character. To the Leavers 2012 - Malo le taumafaila fa'amanuia atu le Atua ia te outou uma.

RWC Wesleyans!

HIGHLIGHTS

- Interesting twist with brothers Michael Tagicakibau (Fiji) and Sailosi Tagicakibau (Samoa)
- Both Netani and George scored tries for their respective countries in Fiji V Samoa fixture at Eden Park
- Siale played in historic victory over France
- Stephen became a legend after slotting what turned out to be the crucial penalty to win the World Cup
- The school honoured Sekope, Seilala, Ezra, Sailosi and Siale when they returned to school. In return they left us their respective playing jerseys.

Head Prefect - William Po'ese

Man, didn't think this time will come so fast but hey that's reality! It is true when you're having so much fun time flies by so fast.

First of all, I'd like to thank our Heavenly Father for blessing me with the honour of being Senior Prefect and especially making this school play a big part of my life because honestly this school has helped mould me into a great person and a person I didn't think I would be. Our God is so great that He blesses us not only with one blessing but many, through which we can bless others and contribute to making them better people.

This year has been an awesome year not only for me but also the school with the different achievements and the amount of media we have attracted which has put our school back on the map. Leading the school was a big challenge but the help of the other Prefects it made my job a lot easier. Although there were hard times, perseverance was the key to the success of our mission to lead the school in the right path.

Walking the walls of Wesley for the last 5 years has been 5 years of learning and developing from a little boy to a young adult. These years will never be forgotten. One of the best memories at Wesley would have to be defeating Hamilton boys for the first time in 5 years and what made it better was that it was my birthday and I got to put the black jersey on which was more buzzing.

The school motto 'by faith, learning and hard work' has also shown me the

importance of working hard for those who are behind the scenes putting a lot of effort to support me and to keep me at Wesley.

To the school and the class of 2011 never give up and never ever stop believing in yourself and that you can achieve the impossible. Once you overcome it, you then realise we are capable of doing anything we dream to do. Remember through God all things are possible so keep walking with Him.

Special thanks to senior management for trusting me to lead the school and also all teachers who have not only helped me but helped all students.

Also, I give thanks to the house parents who dealt with me for the last 5 years and taught me life lessons. Special thanks to everyone at Wesley from the cooks to the student body for their contribution to making my school years memorable. Lastly, to my roommate Seluini Molia thanks for keeping me up with your late night conversation to you know. lolz.

Time to move forward now and sure don't want to leave but dammmmit I'm a free prisoner now. Time to conquer the real world and I only got three words, BRING IT ON.

To the next Senior Prefect - rip it up and persevere all the way to the end and hold your head up high.

Gone but surely not forgotten.

William Po'ese

Head Boy - Epalahame Faiva

*YESTERDAY IS HISTORY - TOMORROW IS A MYSTERY
TODAY IS A GIFT THAT GOD GIVES US EVERY DAY.*

First of all I would like to give praise, glory and honour to our Heavenly Father for the many blessings and talents that he has provided me with. I would like to thank our principal, Mr Faulkner, for appointing me as Head boy for 2011 and giving me the privilege to lead the school and prefects alongside Senior Prefect William Poesse, and Head Girl Stacey Cope. I also want to thank my parents for sending me to Wesley and for their love and support in everything I do.

What a year it's been! I came to Wesley not knowing what to expect and as a very small young kid from the city I didn't know anyone so it was basically a new life, no friends, no parents there to help me, it was just me myself and I.

In my first year here I was lucky to have my older brother here Thomas Faiva but I knew that he wasn't going to be there always and I had to work hard for myself and get on my two feet and do things to make things work out in this place. My first test was when I went and trialled for the under 14 black and then got told I was too small and that I wasn't strong and big enough to cope with all these south side boys.

After a few weeks the 1st XV lock at the time, Sifa Pole, asked me if I was interested in being water boy for them which I was more than confident to do. After a year of being water boy just seeing how much pride the boys had in the college and also running through the school tunnel this motivated me to strive

for the big goal. At 4th form I trialled for u14s and was appointed captain. This is when everything started.

From there I played u 15s then u 15s nationals team and was awarded player of the year that year. The next year I was in the 1st XV training squad which through all my hard work and the support of my parents I was fortunate to be named in the 1st XV 2010 and also 2011. To the boys in 2011 1st XV - what a year it's been for us! Through all the humility we received from our school, parents, and friends after losing 6/7 pre-season games. This just made us stronger as a bunch of brothers as we just never gave up, trained harder every Wednesday morning at 5:30 and then ran that mountain in the holidays. We went through the pain and misery to come out with the outcome we wanted and even better grew stronger as brothers. To those students that see 1st XV as a dream - it can be done! The only thing that will stop you is yourself. I believe the secret to success in life is to trust that the Lord has a plan for each and every one of us. One of the bible verses I live by is Philippians 4:13 "I can do all things through Christ who strengthens me".

To the Leaders of Tomorrow - all the best and remember "stand up for what is right even if you're standing alone".

FAIEP_07-11

God Bless

Head Girl - Stacey Cope

GOD IS GOOD, ALL THE TIME-ALL THE TIME, GOD IS GOOD.

Firstly Praise and Glory must go to the Heavenly Father for all the blessings He has bestowed upon us all. WOW! 3 years have gone by so fast and I can't believe us leavers have come to the end of our schooling years. What a journey it has been, with a lot of amazing memories to cherish.

I have valued many things since I have been here at Wesley. Chapel is one place that I will truly miss. It's the one place that unites the school. It brings us together to sing songs and to chant, carrying on the Wesley tradition. Chapel will always be the heart of Wesley.

John 3:16 will always be my favourite reading, thanks to that person who changed my life (you know who you are) HINT HINT.

Kapahaka has been a part of my life during my time at Wesley. It has strengthened my pride in my culture. Our culture is what makes us who we are as individuals. Being able to express our different cultures at school has made me realise how important culture is to me.

Sporting has been the one distraction from school work. All my years I have been involved in netball and looking back on the seasons, I've realised that we have come so far. Many long practices and a lot of determination drove our team and thanks to Mrs Pereira and DJ for all the skills and support you have shown us. Thanks to the Senior A team for everything. This year has been the change of year for girls' sports. We were privileged enough to have a girls rugby team and a girls basketball team. It was an awesome experience. Thanks to Mr A and Tammy for coaching the rugby team and thanks to Mrs Williams and William for taking the basketball team. There was never a dull time and I will definitely cherish all the funny times. DOUGIED, HUSTLED, MENTAL? haha

Out of all my years at Wesley, this year would have to be the year of prefects. The leadership shown throughout the school has been awesome and this has bought the school closer. The prefects were awesome, always working as a team. No other prefects can get any better. Thanks heaps to William, Brian, Louis, Nathan, Leki P, Leki M, Una, Meka, Molsi, Api (who takes the cup), Elia, Bobby and last but not least Hame (I told you that you would get Head Boy). GREAT JOB GUYS!

I have made many lifelong friends here at Wesley. Wesley is a place we all call home, it's where our sister & brothers are. It's a place we are accepted and the place we all belong.

Over the years, there has been one place that has been a sanctuary to me, always full of laughter and happiness and that is Te Paea. As a senior, it's awesome to see how all the girls have remained close over the years especially me & my 4 main girls Blosy (ROBIN), Joskeez(TIE-TA), Jarna (SHIVA) and Ave (TONGA) who have stuck it out with me since day 1. I don't know what I would have done without you in my life. Thanks for all the awesome

memories and for being there whenever I needed you. I want to thank all the girls for all the awesome times and for making Te Paea our home. To my second mother, mama Santa, thank you for everything you have done for me and for putting up with me. You have done so much and I'm truly thankful for everything. You're such an amazing person, no matter how much you scream at us. Stay strong mama and continue to keep my little sisters in line next year.

To my two brothers Brad and Tangas and my cousin Nola, thanks for all the support and advice you have given me. Thanks for keeping me on track and thanks for the amazing birthday; if you need anything, I'm here for you.

I want to thank all the dorm parents especially Mrs Ranger, Rev Tasi & Mrs P, all my sports coaches over the years, all my teachers (Mr Eason, you're too awesome =D), kitchen staff, maintenance, cleaners and the matrons at dispensary. Thank you all. Thanks Whaea Pae for all you have done, not only for me but for all the Maori students, words can't explain how thankful I am.

Lastly, I want to thank my mum for everything she has done for me and for bringing me to Wesley. Thank you for giving me money weekly and for keeping me on track with my studies. Love you heaps mum.

This year has gone by so fast, but one memory will always remain and that is all the 7th formers together on the stage at Choral. One word: AMAZING! To the leavers of 2011, good luck for your future, may you achieve your dreams. To the leavers of 2012, Good luck, make the most of your year. To the Maori clan, thanks for being awesome and for being your guys selves. Thanks for the many songs, the buzzy memories and mocking me continuously LOL. I'm gonna miss you guys next year, gonna miss you guys eating my food and buzzing out about the PIZZA (tuff boys) hahaha. I guess Wesley will always hold a special place in my heart. It will always be my home.

Once a Wesleyan - Always a Wesleyan

Stacey Cope
2009- 2011

1986 Wesley College 1st XV Reunion

It is hard to believe that 25 years have passed when the 1986 1XV made history in so many ways.

On July 9th, 1986 a group of young lads from Paerata who were full of bravado and nothing much else took on one of the powerhouses of Auckland schools rugby in the form of Mt Albert Grammar School and to play them on Eden Park for the prestigious Moascar Cup. The game was curtain raiser to Auckland v Thames Valley Ranfurly Shield challenge. The 1XV fixture was a game that many thought Wesley could not win but in true school boy hero fashion Wesley did not keep to the script.

The game was a tight affair yet MAGS always seemed to be in control. However they did not expect the "never say die" attitude of the Wesley team. With two minutes left on the clock and MAGS leading 10-6 the Wesley forwards secure possession 25 metres out from a lineout, the backs react quickly and shift the ball wide, Russell Hana joins the end of the line from fullback and receives the ball at pace, he has enough speed to slip past the MAGS defence and score in the corner; its 10 all and a draw still does not mean you win the Cup. Up steps a calm and composed Grant Te Whare, from out wide and in a tricky wind he coolly slots the conversion to see Wesley sneak ahead 12-10. A tense one minute of extra time remains but when the referee blows fulltime the Wesley supporters invade Eden Park and alongside the players perform a mass haka in celebration.

1986 was a ground breaking year with not only winning the Moascar Cup but we secured our first ever victory over Te Aute College 10-3 and winning the Scarlett Trophy, victory against the Waikato 1xv champions Church College of NZ 19-12 at CCNZ, winning the Counties 1xv and 7s titles, Runners up in the Waikato Schools 7s final and NZ Condor 7s final.

Now our feats won't be remembered as fondly as the other five Wesley 1xv's who went on to become NZ Top 4 champions or the six Wesley sides that won the NZ Condor 7s trophy but we are only one of three Wesley teams to have ever won the Moascar Cup and to date the very last side to do so.

We were very lucky that our 1xv coach was also the NZ Schools coach. The success of this side was due to the expertise that Chris Grinter brought as a coach and the self belief he instilled in us as players. The success of future Wesley teams was built on the foundation of this team.

This team did not produce any international super stars like Jonah Lomu, Waisake Sotutu or Sitivini Sivivatu but it did for one year get everyone in the community excited that Wesley College could front up and compete at the highest level. Our bodies may be well out of shape now and ability to last 80 minutes has long gone but in our prime we were a very formidable team.

Mr C.W.Bean

Maori Group

WHATS BEEN HAPPENING IN THE MAORI DEPARTMENT THIS YEAR?

NEW TEACHER

We have a new Maori language teacher start this year Whaea Hana Wijohn. A big mihi to Matua Sonny Livingston for his contribution to our school. Whaea Paewhenua Nathan our school Chaplain has been there to guide staff who are new to the school around the school.

ASB POLYFEST 2011

We were in 2nd division this year and have been placed back into 1st division for 2012. We came first in poi and entry. Well done to the students of Wesley College and Waiuku College. We will combined again for 2012. As a reward to the group we went up to Opononi for weekend. The students performed for the locals, did waka ama and enjoyed their time away. Kiola kei a koutou

YEAR 10-13 KATI DAYS

The Maori students that have attended these programmes have enjoyed them immensely. At these programmes, students are exposed to what life and study is like at the different universities in Aotearoa. Each university has a Maori liaison officer who informs them of what their university has to offer. The students can't wait to return again next year. He aha te mea nui he tangata he tangata.

SUPPORT WANANGA FOR MAORI TEACHERS

We hosted a Maori teachers meeting this year to support each other in the field of work we do. From next term onwards we plan to meet once a term to continue supporting each other for the betterment of the students we teach. Ko te manu kai ana te matauranga nona te ao.

KAI TIME

At times the senior Maori students have been catering and hosting staff and polishing up on their practical catering skills. The popular meal is Boilup, fried bread and steam pudding. They are excellent

cooks as well. He reka te kai.

BRADLEIGH AT KAMEHAMEHA COLLEGE

We continue to do the exchange with Kamehameha College in Hawaii and our student Bradleigh Cherrington is there at present until the end of the year. Well done Bradleigh. Kei runga noa atu koe.

MANU KORERO

Nola took part in the Manu Korero Competition this year in the English section. She was placed 4th overall in the English section and was placed 1st in impromptu speeches.

She was presented with a trophy for this category. An excellent accomplishment Nola. Thankyou also to the staff from the English Department for your great support for Nola. He wahine koi koe.

KORONEIHANA

We attended the koroneihana in Ngaruawahia this year, with to support the Maori king. It was a first time experience for some of the students to attend such an event. Paimarire ki a tatou katoa.

POUKAI

We also attended the poukai at Whatapaka marae earlier on this year in Karaka. Again this was a first time experience for our senior students too. We went along to support the king, the kingitanga movement, do some dishes and take part in the meal. He reka rawa te kai.

WANANGA REO FOR SENIOR STUDENTS

We started to have wananga reo for students from Year 11-13 to encourage te reo maori to be spoken in and out of school and in preparation for external exams. We hope to continue this with Waiuku College and Pukekohe High School in the future.

Whaea Hana Wijohn - HOD Maori

Samoan Cultural Group

'Nofo, Tulolo!...Nofo, Tulolo!'...The constant repetitive instructions from the leaders. This started from the fourth week of school until the 5 March. This gave the group four weeks to practise and perfect all their moves before the big day. The group consisted of 18 dedicated students who were willing to compete and perform in front of a crowd of 10,000 people at the Manukau Velodrome.

Lunch times, after school as well as evening practises became the norm for these students. It was a hectic time trying to juggle schoolwork and dance practises so that either side of school life did not suffer. Our tutor- Uatoa Suafoa, unfortunately could not make it to all practises due to work commitments, however, he was impressed with the role of our leaders and how they took up the challenge to get the group ready for their big day.

Our leaders this year - Jeneiro Pereira, Fereti Neemia and Cameron Whaanga stepped up BIG Time for the group. Rev Tema gave them their brief of ensuring that boys were up to date with moves and that everyone knew the words of the songs that they had to sing. They supervised practices during interval breaks, lunchtimes and after school to help out the junior students, constantly going over moves and actions hundreds of times. Their patience and professionalism were a great

inspiration to the rest of the group.

Our group were supported by Rev Tema, Rev Salesa, Mrs Tema and Mrs Pereira. A big thank you also goes out to our parent support group- Mr Pereira, Mrs Mataia and Mr and Mrs Ah Siu who kindly donated their support, time, supplying food and helping out with uniforms throughout the practise times and also in the supervision of our boys for the weekend sleepover. Thanks to all those that supported the boys on the day - Fa'afetai, fa'afetai, fa'afetai tele lava.

OUR PLACING'S FOR 2011 WERE AS FOLLOWS:

Togiga (Costume).....	2nd
Sasa (Synchronised Action Dance).....	3rd
Ulufafo (Exit).....	3rd

*To the Samoan Cultural Group of 2011-
Malo lava fai o le faiva!*

Tongan Group

At the final group meeting, it was acknowledged that 'Man's extremity is God's beginning'. The call was all preparations have been done and God will do the rest, and the group were working to glorify God.

On Saturday we arrived and moved on to Tongan Stage area watching the other schools performing. The programmes were running behind schedule and there were elements of anxiety in the air. The boys were dressed for the "Taufakaniua", and they looked stunning in their costumes of black and white 'fakaha'apai'.

I addressed the group emphasising that whatever we do, may it bring glory to God and pride to the Wesley family. The principal addressed the group and offered a prayer of thanksgiving and praise before the boys took the stage.

It was an 'out of this world' performance from the boys, and staff, students, parents and supporters were so proud to be part of it, and the crowd appreciated every minute of it. We gathered together after and thanked everybody for their effort and the experience. The principal acknowledged the group's performance and offered a prayer of praise to God.

In the afternoon, the boys and the girls were dressed in white tops and black 'tupenus', 'ta'ovala' and fakaha'apai for the Ma'ulu'ulu and were looking smart and elegant in their costumes. Their final performance was a 'ma'a lahi' (brilliant) performance despite the fact we prepared only for two weeks.

and congratulations to all involved. May all our endeavours bring glory to the Almighty God, and satisfaction to Wesley Family.

I would like to take this opportunity to thank a lot of people who were involved and contributed to the group's success.

I would like to take this opportunity to thank William Poese, Hame Faiva, Sione Molia and Years 12 & 13 of 2011 for the leadership and commitment to the Taufakaniua. A big thank you to Tau Koloamatangi, Jesse Isaako, Maamaloa Grewe, Moa Ahio, Timothy Po'ese and the drummers for the exciting part you played in the group performance. Thank you very much Saia and the tutoring group for what you have done with the Ma'ulu'ulu.

I would like to thank Makeleta Vaha'i for her dedication and commitment to the group and the parents for providing the costumes for our non-Tongans participants.

An acknowledgement goes to both boards for the support and also allowing us to represent Wesley College on the Tongan Stage in 2011.

Finally, I would like to thank the principal and staff for all the support, encouragement and tolerance of the group. To the student body, thank you very much for all the support and the encouragement given to the group.

A very big thank-you should go out to our parents for responding to the challenges of the group and the wholehearted support they received.

May God bless us all. Thank you very much.

Amanaki Palavi.
Tongan Group 2011.

New Staff

GUIDANCE COUNSELLOR - MICHELLE HAARE

Hi all, this year has been great, getting to know the students and staff at Wesley College. I was fortunate to secure a part time job here as Guidance Counsellor and have enjoyed being a form teacher as well.

I am married and have three sons who I have raised alongside my studies to be a Counsellor. This has been challenging at times juggling family and study however I believe anything is possible if you work hard and don't give up.

Wesley College has always been something of a mystery to me when I was growing up in Papakura. All I knew was they had really strong Rugby teams here and that the boys looked like men lol. Now that I have had the opportunity to get to know some students here, I can see how much family, faith, cultural identity and respect is a huge part of who they are. The singing in Chapel has been amazing and the feeling of community and being part of a family here is really felt throughout the school including the staff.

I look forward to seeing what will happen in the future of Wesley College and wish all the Year 13 students well as they start the next chapter of their lives and discovering who they want to be in the world.

Gappers

MARCUS FETZER

Hey, my name is Marcus and I joined the staff at the beginning of Term 3 2011. I'm from the North of Germany a town called Lüneburg near Hamburg. Last summer I finished my A-Levels at school. I pursued doing this gap year overseas 18.000km away from home to widen my horizons while living with people in a different culture and experiencing their way of living before going to university. Working at Wesley is a great experience concerning the life at a boarding school as well as the cultural aspects.

When I came to Wesley I was blown away from the delicious sound during chapel and my favourite performance was when the whole school community claps out the rhythm-one of the most delicious sounds I have ever heard! I have played soccer for 14 years and tennis for 12 years, so I would love to support the sport department with my abilities the next terms.

I'm looking forward to spending the next months here in NZ and I'm pretty sure the time is gonna be awesome!

SIMON JUNKER

Hi, I am Simon, the new gapper from Germany. In Germany a lot of things changed in the last year.

One of the biggest changes for young people was that they don't have to choose if they would like to serve for the army or to do social service anymore. As a result a lot of students went straight to university or started an apprenticeship.

For me this was never really an option. I consider it as important after high school to go to a foreign country in order to mature, to experience different cultures and to improve in a second language. So far New Zealand, especially Wesley College has helped me to do that. Most impressive at the beginning was the singing and the great rugby players. In the meantime I also got in touch with the music department, which is my second hobby beside playing badminton.

I am looking forward to supporting the department by giving some students piano lessons next year.

Music

When I visited Wesley College for my interview for HOD Music and subsequent visits I felt a real sense of accomplishment at being appointed here. After having worked for a spell as Foundation Cathedral Director of Music and Organist at Taranaki Cathedral, New Plymouth, I realised how much I missed the daily interaction of enthusiastic young music students. Here at Wesley I could combine my love of musically educating adolescents, combined with organ playing, and my passion for church music and worship. At the age of 50, I had met my dream career!

So, for me, 2011 has been about the challenge of reforming the music department. Student numbers were concerning; I started with one student in Year 11 and ended up with five. I saw the huge potential of the Year 12 students with their love for band playing. I knew that with time (and coercing) I could broaden their musical horizons and allow them to experience more genres in music than they had previously known.

One of the first steps was to appoint several new itinerant teachers as quality instrumental teaching is at the heart of the secondary school music programme. Garrick Lynch was my first appointment as guitar teacher and made an instant impression on the students. Robert Howell bought his skills as a voice and piano teacher and has made an impression on teaching the students about correct vocal art. Ben Tapueluelu achieved good results with a small nucleus of brass players.

In the curriculum, most students achieved success amongst the research, performing and composition standards. In Term Four, I had a notable student from Auckland Teacher's College in Anne-Mare Lalakai who proved to be an excellent teacher. She assisted the students greatly with their compositional studies.

With some adjustments to its format and repertoire, 'Choral 2011' was a real success. Aspiring student choral conductors received guidance and experience and the senior students really 'stood up' to their leadership tasks. The test piece Lead me Lord became an established favourite at Chapel!

After many, many, years of water and rodent damage the Chapel Organ received a very necessary overhaul from the South Island Organ Company of Timaru and the improvement has been dramatic. The organ can now accompany singing so much better and my student organists

can now play organ repertoire and accompany hymns on it. My thanks to Principal Faulkner and the Trust Board for their support over the organ. I provide music for Sunday Chapel on two occasions per month and have thoroughly enjoyed working with Rev. Sylvia and Rev. Tasi.

Throughout the year music students went on trips to the Auckland Philharmonic Orchestra, performed in events at Pitt Street Methodist Church and Mt. Eden Methodist Church Centre. We also visited the music departments at Auckland University and MAINZ. At all times the music students represented Wesley College with pride and skill.

I am very excited about next year, especially with having had 'my year of initiation' behind me and having appointed new drum, brass and guitar teachers. From 2012, all Year 11-13 students will have to learn two instruments, a jazz ensemble will be added to the performance options, the Brass Band will grow numerically and all students will receive keyboard instruction. My vision is to have the Music Department of Wesley College stand proudly with that of any other medium-sized Auckland secondary school. Performance opportunities and reciprocal visits are in the planning. The Chapel Organ will receive further refurbishment and as a consequence I hope to have concerts on campus featuring Wesley students and others.

To all those Year 13 muso's leaving, I wish you well for the future. Music is a wonderfully creative pass-time and in this current world also a burgeoning career option.

Michael A. Cox - HoD Music

Drama

Easter Alive!

The Easter project of the combined Papakura churches was to recreate the Easter story for 2000 primary school children.

Many, many hands and hearts came together to realise this mission; which included amazingly detailed sets, a concise and theologically accurate script, a cross that could actually be made to rise for the crucifixion, a lighting tower rigged professionally to turn a rec centre into Gethsamane, Pilate's House, Golgotha and the tomb Joseph of Arimathea, two real-live donkeys and of course, the talented young actors of Wesley College.

Three Jesuses, twelve disciples, two donkeys, nearly two thousand kids and twenty-four shows later and the project had proved itself a resounding success. The 26 Wesley students involved conducted themselves with great professionalism and empathy as they performed the show to a range of audiences, from pre-schoolers to the residents of Queen Elizabeth's home for the elderly.

Sheilah Winn Festival of Shakespeare in Schools

The South Auckland inter-school Shakespeare competition was hosted this year by Wesley College at Ng Tohu o Uenuku (The Mangere Arts Centre) on the 10th of April.

Exhausted from their week of 24 Easter Alive! shows, the senior Drama students were determined to put on a good show and not tarnish the flawless reputation of Drama at Wesley College. Up against students from seven other schools ranging from Kaipara College to Tuakau College, the Wesleyans had two scenes from Romeo and Juliet to present.

The year elevens kicked it off, with main players AJ, Drummond and Elijah presenting the opening scene from the classic play as a basketball match. Dylan, Makaafi and Hangea joined them on stage and the audience and judges were highly entertained.

Our mainstage performance was made up of excerpts relating to the two key themes of the play – Love and War. We played to our strengths and began musically, as Tauave Toloa, as Juliet took the stage with a slow Cook Island dance. Blessing entered the scene as Romeo and sung some of Shakespeare's own words to the tune of 'Tali Maia'. The lovers were followed closely by the warring Montagues and Capulets who were led by Fa'avaa, Tu'utai and Fe'ao respectively.

Up against a strong Much Ado About Nothing from our new rivals, St Kentigern College, we were nervous about the judges response. We needn't have worried. Feedback from the judges afterwards revealed that there had never been a doubt that we had won.

Wesley College has a reputation for creating energetic, fun and exciting scenes from Shakespeare – a contrast to the prim and proper presentations from other schools. 2011 is the sixth year Wesley has won the South Auckland regional final and represented South Auckland at the National Festival in Wellington.

EmJay - TIC Drama

Social Sciences

2011 has been another busy year for everyone involved. Our subject coverage ranges from junior Social Studies to our senior classes in History, Geography, Economics and Travel & Tourism.

All the Social Science staff have worked extremely hard in delivering their specialised programme in a manner that students enjoy what they learn and can relate to everyday life.

We are also fortunate to receive funds to enable us to carry out our classroom work. The only thing that needs to be improved is for students to make sure they are prepared with all the resources they need to learn in the classroom and completing that work during Prep time. A huge help for us this year was the re-vamping of Room 12 with 15 brand new computers and a printer. And the opening of Mr Smyth's computer lab at night during Prep. Without these two occurrences we would have struggled to complete all our many assessments, as they are pretty much all computer generated now.

This year we have welcomed aboard Mr George Kiwara in Social Studies, Ms Sarah Taylor in Social Studies and Geography & Mr Kali Vunidilo in Social Studies and Economics. We of course had already the affable Mr Warren Togitama in Geography

and Travel&Tourism.Or Wazza!! As he is also known as! Thanks also go out to Mr Bean and Mr Sanson, who take Travel& Tourism.

I wish all staff and students a Happy Christmas and a well earned break for the New Year period. See you in 2012!!Yaaay.... we have the Rugby World Cup...for four more years!!!

Mr JPEason H.O.D

Mathematics

Maths Week
Committee

Our journey on our vaa's have carried us this far for the year. We farewell our senior students at the end of Week 3 as they begin NCEA examinations and we farewell our Year 13 students as they begin to prepare a life after Wesley College.

This year, there have been changes in the mathematics programme especially with the Year 11 level programme. Throughout the whole of New Zealand, new achievement standards were introduced this year, so we too at Wesley College took on the challenge. It involved students thinking more about relational and extended abstract thinking within various contexts of mathematics rather than look at mathematical concepts separately and trying to apply to problems.

This year was the second year in which we ran our new Year 9 and 10 programme (under the new curriculum which was introduced last year). Next year, sees us introducing new achievement standards at Year 12, therefore a new programme will be devised for them. This will have a flow on effect as in 2013, we see a new programme being introduced for Year 13 Calculus and Year 13 Statistics.

Mathematics week in August again proved to be a success with students and staff around the college. A big thank you goes to Akesa Ciri, Waiora Manukau, Fereti Neemia and Jeneiro Pereira all of Year 12 who made up the Mathematics Team. They did a wonderful job as chaplains for the week in chapel and for also manning the mathematics table at morning tea and lunch times.

Our Mathematics department have been ably run and supported by Mr White, Dr Das, Mr Palavi and myself.

Mr White - Thank you for your dedication to the department and especially for educating young folk for the future. Your quietness and humbleness says it all. Your efforts never go un-noticed and I appreciate your support and all that you do for the department and students.

Dr Das - I liken you to 'YODA' - 'The Wise One' in Star Wars. Thank you for your efforts in both teaching the students and for sharing your intellectual property in the development of assessments in the junior programme.

Mr Palavi - Thank you for taking on a Year 10 Maths class. I know it is not easy doing 'paired' teaching with another teacher but you just took on the challenge and carried on with the task. I appreciate your efforts very much.

To all students who are leaving at the end of the year - Malo fai o le faiva! Well done for taking on challenges. There is life after Wesley- "Take up new challenges and face them with determination and courage. Treat each day as a new day and as you meet new people in your journey, treat them with compassion".

To those returning to Wesley in 2012, we look forward to seeing you with renewed and re-energised passion for learning.

On behalf of the Mathematics department of 2011, I would like to wish everyone the joy of Christmas and blessings for the New Year.

Christine Pereira - HOD Mathematics

Library

2011 has seen the library well-used again this year, particularly by History and English. Most Departments made use of the library for research and study.

The major event of the year was getting new carpet for the library. In July we moved all the lowest rows of books, plus all the free-standing shelves, reference books, tables, chairs and book-stands. It was quite a mission! A big Thank you to everyone who helped, both staff and students. The new carpet looks bright and fresh, and has really revitalized the library. I have had lots of positive comments about it.

Thank you to all who helped me with issuing and returning books this year, especially Luke, Lorenzo and Bobby.

Have a very Happy Christmas and a restful holiday. Don't forget your library books when you return to school next year. To all this year's leavers, go well, aim high and give everything your best shot.

Mrs L McKay
Librarian

English

"OUR DOUBTS ARE TRAITORS AND MAKE US LOSE THE GOOD WE OFT MIGHT WIN BY FEARING TO ATTEMPT".

William Shakespeare, Measure for Measure

2011 has not been a year with time for doubt. What with the standards alignment, new literacy requirements and new staff, we have had a busy and exciting year. As a department we were very proud that both Mrs Faitala and Miss Nathan were awarded PPTA teacher study awards this year to continue their post-graduate studies in Education. Although we missed them, we congratulate them on their accomplishments and we look forward to having two more Masters degrees in the department.

This year we trialled a module system in the senior school in order to provide more individualised pathways and choices for students. This had its ups and downs, but is in keeping with the spirit of the New Zealand Curriculum. We hope to continue to offer different and exciting English programmes where students can study anything from Shakespeare to Pasifika film and poetry, and from classic American texts to Maori novels.

The diversity of the strengths of the English staff has made for innovative options for students and I hope that they appreciate the efforts that have been put in by their hard-working teachers. I want to commend those students who have worked hard to achieve their literacy credits over the year, particularly our first-place-getters – Emily, Jonathan P, Tangaroa and William. I encourage senior students next year to work hard and to get things done early in the year, rather than in a last ditch effort in term four (you know who I'm talking about!).

To the English staff – Mrs Sio-Tema, Mr Kiwara, Miss Williams, Miss Taylor, Miss Nathan and Mrs Faitala – thank you so much for your hard

work, dedication, passion and care of our students. To Mrs McKay – my sincere and personal thanks for your work alongside the department and for your constant and patient support of both staff and students, and for always being there to lend me your ear and expertise. You are one of our unsung heroes, managing things well above and beyond the call of your duties.

To Ane, Nat and Whetuu – I cannot thank you enough for all the millions of things you have taught me and shared with me. None of the creative things we have tried – including poetry recitals ("So, is William Blake gonna be there?"), speech competitions, mythical re-enactments, Quidditch matches, Christmas plays – would have been successful without you. There will be more time for this later, but for now, I wish you guys all the best for 2012 and following – look after my girl for me! From the bottom of my heart

Kia ora.

Malo 'aupito.

Fa'afetai lava.

Vinaka vaka levu.

Thank you.

M Johansson

HOD English 2004-2011

Swimming

As with every year, swimming sports comes around quickly. For the past four years there have been four different winners of the schools swimming sports, this year the competition was as close as ever- close enough for two houses to tie on points.

The conditions for swimming sports couldn't be better, with no rain in sight and the sun was shining. The first events of the day were the individual medley, while butterfly had been removed from this event this year there were still some interesting interpretations of the various swimming strokes. Many of the senior boys thought they would deploy the Ian Thorpe race suit to assist them, however someone forgot to tell them that their 'skins' slowed them down and made it a lot harder, they thought they looked good though.

The freestyle heats were the first major event of the day, and a good number of students entered into this events. Liam Reihana was making a strong statement in his heat where he decimated his opponents. As the events progressed and the day went on several students were beginning to show their abilities in the pool, Mitchell Collins was having a great battle with Louis Rogers in the senior's boy's races, and Stacey and Una were having a small battle of their own. Liam was continuing on with his domination of the junior section and the intermediate section was wide open with several swimmers vying for the honour of intermediate champ.

The girls were entering into the spirit of the day and they were getting involved into any and every event.

The seniors were stepping up to the mark both in and out of the pool, they were all giving things a go in the pool, but they also were doing their part as senior leaders and were leading the way in house spirit- leading chants and encouraging others to get involved. It was great to see the return of chants to school sports, they have been missing for a while now, hopefully they can carry on as more school event occur this year.

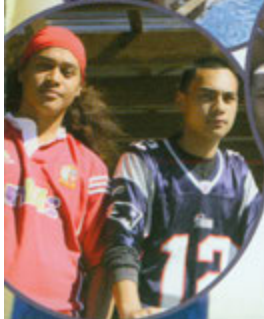

At the end of the day there were several standout performers, and one house champion. The junior boys competition was a one horse race, with Laim Reihana winning four of the races, he was a clear winner in his section-his was a great performance. The intermediate boys was a close fought battle between Simi, Kenny and Tangaroa, in the end there was only three points separating them. All three boys swam well all day and pushed one another, however Tangaroa came out on top by one point. The senior Girls was another close battle between Stacey Cope and Una Vanuvana, both girls entered every race they could and again there was only a few points between them- Una pushed hard but Stacey managed to take out the senior Girls title. The senior boys section saw the reigning intermediate boys champion- Louis Rogers taking on a efferverscent Mitchell Collins. Mitchell had a pre-event plan of entering every race he could- gaining as many points as possible, knowing that Louis had more speed in the pool. Mitchell may have been tired and spent but his plan paid off in the end, taking out the senior boys section by two points from Louis.

There was a great level of involvement in the swimming sports buy almost all students; it was a good start to the years sporting events.

The house competition was just as close as the age group battles. All day the houses were only separated by a few points. The lead changed several times throughout the day, but when all the results were added up there was one clear winner, a joint 2nd, and last place.

School house ended up with a total of 369
Simmonds house ended up with 386 points
Stanton house ended up with 394 points

Winstone house ended up with 386 points to tie with Simmonds, making STANTON house the 2011 Wesley College Swimming Champions

Athletics

Athletics day comes around quickly every year. It is the biggest sports event the school is involved in. Swimming sports gives the school a good introduction to school sports and house spirit, but athletics is a day where everyone gets involved and the competitive nature of students comes out.

There were many great performances throughout the day, the sprint events providing a lot of close races and excellent performances. The competition for 1st, 2nd and 3rd in each respective age group was a close battle in all the age groups.

The junior boys competition was taken out by Rory Marshall-Barton, he was a consistent performer in all events and he placed no worse than fourth in all events he entered. There was a clear winner in the intermediate boys grade with Luteru Laulala taking the overall honours. Luteru had numerous placings throughout the day and again his consistency was the major factor in his winning of the overall title.

The senior girls champion was fought out between Nicole Anne Piho and Lusiane Naqau. All day long these two girls put in outstanding performances. At the end of the day's events the two girls were only separated by three points. Both girls were deserving of the title, however there can only be one winner, and Nicole managed to get the extra points to take the title.

The senior boys champion is always a closely fought battle and this year was no different. The senior boys section was a race between four students, all of them were pushing one another all day long. Dominic King-Antinio, Sione Molia, Harry Luteru and Blessing all had individual victories throughout the day, it looked like any of these students could have taken out the title. As the day progressed it was becoming clear that Harry or Sione were more likely to take the title, and once all the results were added up, Sione Molia came out on top, winning the senior boys competition.

The overall house competition was far from being a close race.

After all results were counted, three houses were close one was not. Stanton backed up their victory in swimming sports by coming dead last, School house just lost out to Simmonds and Winstone backed up last year's victory and took out athletics.

It was a great day out for everyone and it was good to see the whole school out supporting their houses.

Winstone House receive 100 points for winning Athletics

Simmonds House receive 80 points

School House receive 60 points

Stanton House receive 40 points

Cross Country

Cross country isn't the most favored of student sports events but it one of the school's major sports days. This year the weather was doing its part, putting on a warm sunny day. However the course was still sloppy with mud due to the recent wet weather, it was going to be trying conditions to say the least.

The brave entered the race all clean and dry, they certainly did not return in the same condition. The mud was everywhere, no one could avoid it, the roads were slick with it and round by the cow shed it was at its worst- 20cm of thick, slimy mud mixed in with deposits from the cows.

There were, as usual some fine performances- Esera Brown dominated in the junior division, he stated his intentions before the race, predicting a win, and he backed it up with a win. He was quickly followed in by a fast finishing Harlin North, with Te Arahi Wihongi coming in third.

Ulani Schnackenburg ran a great race in the girls section and was way ahead of her next competitor, Una Vanavana, and she was just ahead of Lupe Pasa.

Rayner Akurangi and Sam Tutapu battled all the way in the intermediate section, theirs was a good race, neither giving up and pushing each other all

the way. In the end Rayner had built a solid lead in the final sector of the race and comfortably finished a head of Sam, who was followed very closely by William Tagicakibau.

Mitchell Collins was the pre-race favorite with Louis Rogers missing with injury, the question was; who was going to challenge Mitchell for the title? It soon became clear that Gerald Piho was going to give Mitchell a run for his money, and he kept the pressure on for the majority of the race. It was in the final third of the race when the pace became too much for Gerald and Mitchell started to eke out a lead. By the time Mitchell got to the finish line he had established a solid 2 min lead, Mitchell had put in a fine performance winning the senior boys, followed by Gerald Piho and Harry Luteru took out third.

It was a good day out in difficult conditions.

When all the runners had finished and all the points added up, the results were tight with only 2.5 points separating three houses, however the winning house had a 10 point separation. Simmonds finished up at the bottom, School House was next, then came Winstone, and Stanton backed up their swimming victory with a win in the cross country, putting them in a commanding position in the race for the Winstone Cup.

Junior Touch Rugby

With a new team this year the boys were eager to repeat the 2010 undefeated achievement. However, 1 win, 2 draws and 2 losses would leave us in 5th place out of 12 very competitive teams. Well done to the team especially to captain Sione Vahaakolo, vice captains Hamish Funaki and Rory Marshall-Barton. Most valuable player for the team this year would definitely go to the elusive, hat trick try scoring, Sam Aki. Way to go boys and best wishes for 2012.

W Togatama

1st XV

"NOTHING WILL WORK.....UNLESS YOU DO." John Wooden.

Let us get straight to the point. The 1st XV team of 2011 managed to, as they say, "get the monkey off our back" against Hamilton Boys High School. It was right down to the last play in the game but it was a true relief when the final whistle blew.

Now when I say "our" I am referring to the entire Wesley College community because that is what it took to achieve the success on that given Saturday in August. The success also filtered through the social networks as congratulations came in from around the world via Facebook that finally we had done it. This is where I would like to start because of the fact that this team had reached a sense of belief on that day that they could do anything if they put their mind and soul into their efforts on the rugby field.

But all was not as cheerful as those supporters that followed the team selection and progress observed.

PRE-SEASON

The build-up to the season started with some coaching changes and also a lot of holes to fill in the team. Who was willing to put their hand up? This was the question leading into the pre-season. Whilst in years gone by the pre-season was based on trying to win every game, we encountered a somewhat unusual situation, of not securing a win

after four matches. The scores were close but this was a sign that 2011 was going to be a year of working hard and smart in order to gain success. Our two wins in the pre-season deserved credit as a win against the eventual National Champions Kelston Boys High School and also against a highly regarded Tauranga Boys High School showed that the potential was within this group of young men.

CMRFU SEASON

We had encountered a rather strange phenomenon only a week before the Chiefs playoffs, by hitting a low in our season and coming second in the Counties-Manukau Secondary Schools Competition for the first time in some 17 plus years. This was yet another reminder to both players and coaching staff of not being prepared and taking for granted an opposition (Manurewa High School) that we had beaten in the regular season (1st Round 20-0 and 2nd Round 21-3).

CHIEFS QUALIFIER

Game one - WTC vs Hamilton Boys High School

This match would go down in history as the one that nearly got away. The way that the team fought back at halftime from 8-15 to win 22-15 was something that you had to be present to appreciate. We also now know the rules of rugby

RESULTS FOR CMRFU SS 2011

Game #	Date	Opposition	Score / W or L	Home/Away
ROUND ONE				
9.	21st May	Rosehill	53 - 0 W	Home
10.	1st June	Manurewa	20 - 0 W	Away
11.	11th June	Pukekohe	28 - 3 W	Home
12.	18th June	James Cook	36 - 0 W	Away

FINAL				
20.	6th August	Manurewa	5 - 7 L	Bruce Pulman

regarding
ending a match aye Folau?

AKA quarterback. I am sure we all learnt valuable lessons from our decision making in that match as well as many others this season.

In summary a great result from some excellent courage shown by a group that took the "underdog" status and believed in each other and their processes to gain success on that day. To Rev Tema, the senior prefects, and the entire school, can I offer a big THANK YOU for arranging the noise factor on the day? We may be small in number but we are large in heart.

Game two - WTC Vs Rotorua Boys High School in Rotorua

This game in Rotorua would start off as a match that required us to focus on winning and also gaining some pride back as we had lost to them earlier in the season 19 - 15. As the game progressed the WTC team went into half-time 19 - 0. We had a good hold on the game but let our guard down a little for the RBHS team back to finish the game 22 - 12.

We were off to the "Big Show, TOP 4".

RESULTS FOR CHIEFS QUALIFIER

Game#	Date	Opposition	Score/W/ L	Home/Away
21.	13 Aug	HBHS	22 - 15 W	Home
22.	20 Aug	RBHS	22 - 12 W	Away

NATIONAL SECONDARY SCHOOLS RUGBY "TOP 4" FINALS

It was at this time that Mr Hancock joined our coaching staff to assist with logistics for the busy week in Rotorua and this was greatly appreciated and allowed us as coaches to focus on getting the team ready to do the business.

Semi-Final - WTC Vs St Bedes College in Rotorua

Well we made it but just making it was not enough.

Our first match was against an undefeated St Bedes College from Christchurch. To go the whole season undefeated for any team is a great achievement and they were looking to make the boys from PUHITAHILL another notch on their belt.....or at least that what they thought.

As it played out on the day it was a high scoring affair for a schoolboy finals match as Wesley went on to win 37 - 24. There was some passages in the match where we did not capitalise on all our point scoring opportunities which was of concern, however we walked with our heads high amongst all the WHITE AND BLACK FLAGS supplied by Mr Faiva.. Malo 'aupito Pati and Ofa Faiva. Now there were only two teams left...

Final WTC Vs KBHS in Rotorua

We made the most of the opportunities when they presented themselves however these did not always turn into points on the board. There were glimpses of brilliance from many of the players as they tried to swing the momentum in Wesley's favour. It is always interesting to watch what pressure does to the human body. Some people crave pressure and excel whereas others fear it. We had a bit of both on that day but no one was going out on that field to lose. This was for sure. It was a gallant effort from the mighty engine-room in the front row all the way to the last line of defence at fullback and across to the bench waiting to come on to make an impact. But the fairy tale ending was not to be. We finished the match 14 - 24.

Game#	Date	Opposition	Score/W/ L
23.	24 Aug	ST Bedes	37 - 24 W
24.	28 Aug	KBHS	14 - 24 L

Thank you thank you thank you thank you.

A special mention goes out to our families for allowing us to help this year's team to be the best they could possibly be. To Miss Nathan, Mrs Takarangi, Mrs Faitala, and Mrs Hancock thank you big kiss, big kiss, little kisses XXxx.

To the parents of the boys, a big thank you for supporting your sons through the rollercoaster ride of the joy of victory and pain of loss and the sorrow it brings. One thing is constant and that is the love and care you have shown throughout the year for your boys win, lose, or draw.

To Mr Malcolm Hood (physiotherapist) for getting the boys back on the field week in and week out.

To the students, old, present and future that stood with us while we tried to bring it home for a 6th

time, thank you for your presence at the games and well wishes from around the world.

Finally to our Principal Mr Ian Faulkner, thank you for allowing the coaching staff to assist and train this group of young men and give them the opportunity to wear the Wesley College 1st XV jersey in 2011. I trust they have made you proud.

Well done gentlemen.... See you for pre-season at the "Stairway to Heaven" track in Clevedon. Have a safe and blessed summer.

WESLEY COLLEGE 1ST XV FOR 2011

1.	Jeneiro Pereira	16.	Sale Tonga
2.	Hame Faiva	17.	Melino Samate
3.	Tau Koloamatangi	18.	Coree Te Whata-Colley
4.	Apenisa Kurisaqila	19.	Folau Lavernai
5.	Brian Alainu'uese	20.	Tavita Inoke

13.	Harry Luteru		Mr David Faitala – Coach
14.	William Tagicakibau		Mr Craig Takarangi – Manager
15.	Sione Molia		Mr Scott Daley – Trainer

2nd XV

To God be the honour and glory. The Mighty 2nd XV remained optimistic throughout the entire season proving to be a dedicated and committed team. It was hard work to finish 3rd in the round robin, and represent Wesley College in the Plate Final. A special mention to all the team members leaving us having lead us as well throughout the season, Bobby Whaanga (C), Paul Hausia(C), Faavae Sila (C), Saia Manase, Jesse Ratumaitavuki, Ricky Unga, Ben Kaipati, Isi Tava, Michael Uhi, Siupeli Vaipulu, Feao Lavernai and Timoci Makutu. To the Year 11 and 12 boys in the team, honesty call at all times and train hard as coach Mr Leaupepetele and DQ taught you during the coaching sessions. Congratulations to all of

you, and thanks to the Management and wives for the time you gave for helping us achieve our goals. God bless and thanks for the effort gentlemen.

WTogialama

Netball

Firstly, Praise and Glory to the Lord above for bringing our team together.

This year's netball team had its many ups and downs as most teams do. Our team endured a lot of long, hard trainings that helped us reach a good level of fitness. With the advice and skills taught to us by our coaches DJ Pereira and Mrs Pereira our team slowly started coming together to work as a unit. Our team consisted of Blossom

and Lasini who were our shooters. Their shooting was consistent throughout the year. Ilaise, Chrissy, Nola and Una were our feisty mid courters who dashed their way through people to help get the ball to our shooters and Ana, Langi and Stacey who were always shutting down their opponents in the defence circle. Half way through our season, we lost our main Centre Uilani who had to return to Hawaii but her presence in the team brought a whole new energy. We were privileged enough to face an English team from Caterham High School who showed a different style of netball that us New Zealanders were not familiar with. With faith, belief and advice from our coaches, we came out with a victory. Overall, the season went well and we were placed 3rd in our grade, a commendable effort.

Thanks must go to the girls for all their hard work and to our coaches for putting up with all our excuses and pulling us through the season and finally thanks must also go to our supporters who encouraged us to do the best we could do.

Good luck to next year's netball team, I'm sure you will do the school proud.

Girl's Basketball

Despite having a limited number of girls at Wesley College and two other winter codes running, Basketball was a popular choice this year. The

budding team benefited from the experience of exchange student Uilani Schnakenburg; the Veainu sisters, Langi and Katofeokina, also played a huge part in turning netballers into a cohesive basketball team. With valuable input from student coaches William Poese and Sitaleki Penisimani, all that was left for Ms. Williams was to drive the van to games!

The girls dominated the table at the start of the season against teams like Botany Downs but soon began to face more formidable opponents. While the girls improved their technique over the course of games played, it was not quite enough to beat more seasoned teams from larger schools. The skills learnt by our players this year, however, give Wesley girls a strong foundation upon which to build future teams.

N Williams

Te Whare Taina

OMG another year gone! We have had a great bunch of boys this year. This year we had year 9 – 10 boys together. From term 3 we have had 7 seniors and it has been great to have good role models for the juniors to look up to. Thank you Fuka, Etu, Pupunu, David, Teio, Nimilote and Jimmy.

Thanks to our parents - you have been great support and always interested in what your sons are doing.

A big thank you goes to the kitchen staff, our cleaners, the laundry ladies and matrons at the Dispensary and the Maintenance Crew for all the hard work that you do. Also, we would like to thank the Leapepetele's for being our relievers to allow us to have our days off.

You guys have been an awesome bunch of boys, we wish our year 10's well for NCEA next year. Enjoy Denton Hall.

Don't be afraid to come and visit The Cudbys!

Hey Kendel it's good to see that I'm still taller than you (lol).

A Thought:

The first step to getting the things you want out of life is this: Decide what you want.

Merry Xmas and Happy New Year

Murray and Cheryl Cudby
Te Whare Taina Houseparents

Te Whare Maia

Malo e lelei, Talofa lava, kia ora and greetings to you all.

It's five o'clock in the morning, conversation got boring FILIPO said we have to go to bed soon. 2011 has been a successful year with the amount of fresh faces coming into Te Whare Maia and old hands returning made our dorm a delightful and enjoyable place to hang out because of the brotherhood that runs throughout our dorm. At the start of the year all of the boys settled in well with getting to know each creating friendships that will now last forever. This year's dorm leaders were Sitaleki Manumu'a, Fe'ao Lavemai, Ricky Unga and our fire wardens were Jesse Ratumaitavuki and Saia Manase-Mateo who were also the TOP-DOGS of Te Whare Maia.

The theme we had this year was "THE SKY IS THE LIMIT" as Jason Derulo said. Throughout this year many of the boys achieved numerous goals such as completing NCEA level 2 and 3. It goes to show how the theme impacted on the boys because they did well academically and athletically throughout the year. This dorm has provided lots of great things such as a great bond and unity within the students of Te Whare Maia. But of course there always has to be a bunch of boys that are the ones who bring the party-rock to the dorm - Ricky Unga (VILI), Ben Kaipati (EDDIE-JO) and Feao Lavemai (PATE) sons of Matua Cassidy.

Congratulations to Caleb Pirini for being most

valuable student in Te Whare Maia for 2011.

The dorm went out to paintball for our outing event which all the boys really enjoyed. It started out with 50 but only 39 remained. These were the last men standing, but that didn't stop the boys from having fun. So before I leave have to make a shout out the LU-SIPI BOYZ and WOLF-PACK. I'd also like to thank the dorm parents Filipo Guttenbell & Lina Guttenbell for being our mum and dad when we are away from home and Matua Cassidy for just being there NEK MINIT!!!! Locking up the showers at 6.30 when he wakes us up at 6.20 haha - doesn't he know that there are 50 other students in the dorm?

As my time is now coming to an end I wish all the year 13 boys good luck in the near future as another chapter of our life opens up, hope that every opportunity that comes your way leads you into something great and to the year 12 boys keep continuing the legacy that our school has. May God bless you with brighter futures and never give up on your dreams. OFA LAHI ATU.....

YEAR 13 ROLL CALL:

CLARA, KAIBE, LAPSI, LAVFE, MANER, MANSA, MANSI, PIRCA, RATJE, RIMJO, SKIJO, TAIDA, TAVIS, UHIMI, UNGRI

Denton Hall

After a long Christmas break it takes a while for the boys to settle back into boarding life. Moving from the junior dorms to Denton is a huge change for the boys. In Denton the boys share a room with 9 others, which can be a challenge for some.

We started the year off with 38 boys, a mixture of year 10 and 11s. Most of the boys settled well into the communal living that Denton offers. Each boy is responsible for keeping their bed areas tidy, other duties are shared on a roster basis. Thank you to the dorm leaders, Alfred Hunkin, Daniel Sinclair, John Tutuila, and Te Puia Luteru for their help supervising the daily duties.

We have had a great year that was topped off by our trip to Rainbows End. It was wonderful to see the boys having so much fun, most of them seemed to enjoy the Scorpion Karts.

We would like to take this opportunity to thank all parents and caregivers for their ongoing support. You have helped Denton Hall run smoothly.

Thank you to our cleaning staff, Mary, Wai, Margaret, Mali and David who have kept the dorms lovely and clean. Thank you also to maintenance, dining room and laundry staff, we appreciate all your hard work.

Thank you to all the boys, we wish you well for 2012.

God bless and be safe over the holidays

Chris Field, Aileen Nelson, Sana Leaupepetele,
Trish Leaupepetele (House Parents Denton Hall)

IMAGINE THIS....

2 security guards, 27 smurfs, 2 ponds, 2 oversized hair dryers, 1 bouncy castle and 8 cells all crammed together inside Te Paea prison gates...

BACK TO REALITY,

There are really 27 human girls driving Matron Santa and Mrs Ranger insane. Our cells are actually hotel built suites with our very own LUXURIOUS Laundromat with only two washing machines and two dryers. Our bouncy castle is actually our 'saaaalid' trampoline that's been over our prison gates over 10 times (LOL.)

But back to the basics, the ladies are what really make this place unique. There's never a dull time with laughter, of course there's been drama but like 2pac said "Life goes on", and with TP girls, how could the skies be the limit when there are footsteps on the moon?

It all began with the newbie's being pushed in the pool. With cultural night up ahead, we learnt that even though we consider Te Paea our home, we come together with different backgrounds. Bed time devotions we cherish close to our hearts with a time of peace where we all come together. Tuesdays and Thursday are TUCK days where all the TAFF boys come and get food LOL. Each learning day begins at ten past six with duties at hand and uniform check to begin the day.

FAST FORWARD SO MANY MONTHS, summer has arrived and us leavers are getting ready to finish our sentence in prison...Leavers dinner still to come along with military war training in the forest at laser skirmish, TP was ready to finish off the year with a BANG! 2011 leavers from Te Paea are gonna miss this little old Wesley and you know the drill "What happens in Te Paea, stays in Te Paea" (But really!! :/).

That's us Leavers over&out, lock&load ready to hit the clubs.

Catch you on the rebound ;)

CHUUUUUUUR

2011 TE PAEA LEAVERS WAAAAAAAAAAHT!

SAALUTE :D

Te Whare Pakeke

The 2011 Pakeke squad began the year feeling like they were in Las Vegas. This was shown especially in how many of the boys strived to stay at Pakeke because of the benefits which other dorms don't have - like showers which can be alternated to cold or hot, sleep-ins when Gus is not on, awesome baking by Ms Nathan, own taf club, the access to electricity so Hame and Seluini can charge their phones before their other halves who are less than 400 metres away will get paranoid, can't forget the massive feeds put on by the parents and lastly the 5:30 Wednesday morning training even though some boys would rather catch up with their sleep (shot Patrick).

First impressions of Pakeke were great as it was the dorm that most of the boys looked forward to being in as it was known as the Sports academy. Staying at Pakeke was different but good, especially getting the opportunity to get to know the boys who were younger than us. We also had the opportunity to have the assistance from our House parents, helping us with school work and helping us to make wise decisions for our personal futures.

This year has been a great year for sports and academics with most of the boys achieving some sort of representative team with 16 of the boys making Counties Manukau rugby and four who the opportunity to play for the U18 chiefs. We had one make the U19 Counties Manukau basketball. To top it off, our premium 1st XV proved the community and parents wrong from the poor performance in the pre-season games to overcoming obstacles and working together to achieve their team goals. The team went on to defeating Hamilton and Rotorua boys with an outstanding performance to qualify in the National

Secondary schools top four in which they came runners up. Although this was not the outcome we wanted - big ups to the boys and coaching staff for keeping the faith when others had given up.

Well done to those who accomplished Merit certificates or got top in their classes also for managing their time right especially with other commitments. Congratulations to those who received scholarships to assist them financially in the future.

This year we see awesome efforts by the students who joined culture groups and experienced the biggest culture festival in the country. Congratulations to all the students who participated in the cultural groups.

Special thanks to Scott who helped us with trainings but who had to leave back to Ireland due to his contract. Also to the cleaners who cleaned up our mess when we forgot to vacuum our rooms. Big thanks to our parents for providing us with supper and supporting us through the year. To our House parents - what a great job you have done by helping us to become better people by teaching us life lessons like turning up on time to roll call and the importance of managing our time, the list goes on. Thanks for guiding us in the right path and hoping the best for us just as our real parents do.

Special thanks to Matua Derrick for the lectures and food. To Mrs Nathan for the cakes you baked for us and can't forget Gus, thanks heaps for gapping it overseas and making us move out of Pakeke. hahahaha. Peace don't Gus us! argggh. Lol.

Wish you the best for your futures and remember - 'Do your best and let God do the rest'. Pancake boys! All day!!!!

School House

I thank the Lord for everything he's done for this small, mighty blue house. School House – heads up! I know we came last, because we as leaders didn't participate in all the sports activities that were set out for us.

I was very happy to see new international students that were in School House and also new juniors. Seeing our juniors and seniors participate in the sports activities was fun. Also, what I liked about School House was that we all worked as one and we all had fun – our seniors setting a good example for the juniors.

Our first activity was swimming sports then athletics, choral and indoor sports. School House juniors were very good at all of these activities. The seniors were alright but didn't really do very well. This house just went out there and gave their best. Apparently we didn't come first, second or third, but fourth. But School House – don't worry! There's always another year. For you guys and girls that are still at Wesley – seeing the blue sky reminds me of the best house ever!!

On behalf of the School House leaders, we want to say thank you very much for everything and hopefully you come first next year. To this year's sixth formers – take our house to a better level next year and don't do what our prefects this year did!

School House for life! Keep it true blue! Later, peace out, good luck for next year and thanks to all the teachers and everybody for your support.

Good luck!

"The only way of finding limits of the possible is by going beyond them into the impossible" – Arthur C Clarke.

Simmonds House

Like every other year, we kicked off the competitions with a splash in the pool. Coree stepped up, taking control of everything and motivating everyone to participate in the swimming events. Once again our girls dominated as Stacey Cope, Nola Naera and Emily Mac Kinnon swam our way to the finals continuously. The girls sassed up in the girls relay by miles. Stacey Cope took out the girls' championship for the 3rd time in a row. I'm thankful to the house group for swimming, even if you never won the race because it's about participation, not winning. A few days later, we were confronted with Athletics. Spectacular performances from Rory, Tui and Chol saw Simmonds come in 1st, 2nd and 3rd in the junior running races. Next came the biggest challenge of all....CHORAL. 1 waiata, 1 set piece, 1 choice piece, 1 group vocal and 1 soloist. All of these had to be done in a matter of days...well, maybe a couple of weeks. With the co-operation of the House Group, we pulled it all off.

A few 6th formers stepped up to the challenge of being leaders in our house group such as Coree Te Whata, Nola Naera and Mihaka Matene. Phillip Esera did our solo which is now known as the "Wesley Anthem" ... To the left left turn.

Shot to Leki Shnaahi and Saia for doing our actions for the choice piece and to the Maoris for teaching us the waiata (That we won...thanks to Coree and Sasha for the duet ;)

Handball, Soccer and Volley ball were also included in the race for the Winstone Cup. Like always, our juniors done well and were rewarded with a feed of KFC (taff boys lol.) Seniors were always giving everything a go and having fun along the way (because we never made it to the finals in anything lol.) Simmonds this year has stepped up thanks to all the seniors and leaders of the house group.

Simmonds would like to thank Mr Eason for showing us the way year by year as our main man (PS. You still owe me for swimming sports), Mr Autagavaia for always making his room available for us to practice in, Mr Tagicakibau, Dr Das and Mr Siliasau for being the best form teachers ever. Simmonds is slowly working our way back up to the top. Next year I'm sure the Seniors will take the house group further.

Massive thanks to the Simmonds House Leaders 2011 Stacey Cope, Apenisa Kurisaqila, Sitaleki Penisimani, Kapi Lolohea, Lupe Pasa, Thea Renee Harper, Geneva Fepuleai, Caleb Pirini, Phillip Esera, Erick Manase, Saia Manase and David Tikoduadua for the leadership shown and for stepping up as house leaders. We took on the responsibilities and done our house teachers proud.

To the Simmonds house group, keep up the good work and remember that we are SIMMONDS TROOPERS! Salute. God bless

Stacey Cope

 Suafo'a, Caleb Pirini, Dr. S.K. Das (Teacher)
 Front Row: Tokilupe Pasa, Apenisa Kurisaqila, Kapi
 Lolohea, Leki Penisimani, Thea Harper
 Absent: Geneva Fepuleai

Stanton House

First and foremost, the Stanton house would like to give thanks to the man up above for blessing us with the physical and mental skills to retain the Winston cup for a second year in a row. We would also like to thank our Stanton leaders; Brian "Matfield" Alainuuese, Hame "Faingaa" Faiva, Louis "Top Dog" Rogers and Nathan "Skuxx" Body for all your guidance and wonderful words of wisdom.

We already knew we were going to win this year, not being cocky or anything, haha. We had a lot of ups and downs this year as a house but thanks to Brian, Hame and Louis - we smashed everyone. There are a lot of sore losers among the other houses like, molsi, elia, william and most of all Big T - I think that's why he kicked us out of the dorms too. hahaha.

Just before we go, we'd like to thank all the staff that contributed to the house and also to the students for all their participation in all the activities. We also like to say to all the leaders of next year for the house - all the best and bring it back again next year.

Stanton House Form Classes

[Group 9STSH]

Back Row: Lexus Stevens, Kautau Leaaetoa
 2nd Row: Nicholas Ifopo-Pulefolau, Tevita Ikani, Sekona Tangi, Samuel Tui, Miss S. Taylor (Teacher)
 Front Row: Julius Harrison, Harlin North, Chris Sila, Loko Ahio, Michael Hunkin

[Group 10STIF]

Back Row: Robbie Tutuila, Jona Bogitini
 2nd Row: Oto Faiva, Rayner Akurangi, Jonah Fetaoai Pologa, Esera Brown, Ian Faulkner (Teacher)
 Front Row: Trent Newson, Aaron Lemalufaitoaga, Samuel Aki, AJ Momoisea, Tyran Wynyard-Tane

[Group 11STSW]

Back Row: Elijah Laumea, Alfred Hunkin, Palu Vimahi, John Tutuila, S. White (Teacher)
 Front Row: Nicole Piho, Shane Te Amohanga, Codi Rogers, Daniel Sinclair, Tumanava Wilmott

[Group 12STNW]

Back Row: Leka Manukailea-Sakisi, Israel Kerisome, Bradford Lemalufaitoaga
 2nd Row: Fari Popata Edwardson, Detroit Heremaia-Jessop, Aisea Tava, Jonathan Pahulu, Moa Ahio, Matani Puloka
 Front Row: Chrissy-Rae Rangitawa, Taylor Popata-Edwardson, Tay Harris, Fuka Toafa, Jesse Minihinnick Parfitt, Lara Laumea, Fola Lavemai
 Absent: Natasha Williams (Teacher), Billy Wakeling, Johnny Viloria, Tau Koloamatangi

[Group 13STCT-MH]

Back Row: Joanna Kepa, Nathan Body
 2nd Row: Ben Kaipati, Louis Rogers, Isi Tava, Jesse Isaako, C. Taylor (Teacher)
 Front Row: Patrick Roche, Jeremy Isaako, Hame Faiva, Brian Alainuuese, Fe'ao Lavemai
 Absent: Anna Schaaf, Daniel Tai, Bobby Whaanga

Winstone House

Green machine! Green machine! Green machine!

Everything we do, we do it big. Ha-ha

What a year it has been, being the favourites to taking out the Winstone cup and having to work harder as other houses were catching up with points. With high hopes and dreams, we knew we had the Winstone Cup, before we even started the events. Our confidence was that high we were already planning our victory song if we won the Winstone Cup. "NEK MINT! DREAM SHATTERED! Ha-ha (fake laugh).

Although the outcome we got wasn't what we expected, we took it on the chin, like every Winstonian would, and held our heads up high!

The house competition games gave us the opportunities to win more points and have more fun with the different houses. A huge effort was required from everyone through the year and to see everyone give it their best was a good feeling to know that you're not the only one trying to do the best for the house. Ay William! Haha

Big thanks go to the seven formers for the contribution towards the house! Thanks Boys! Ohh and girls! "Mean Winstone Mean"

To the rest of the house, thank you for everything you've done and making things easier for the house leaders, make sure that next year, you bring the Cup home!

Sweet! Winstone Leavers rolling out! Peace out Champs!

MOLSI-POEWI-MAKTI-FINPE-UHIMI-RATJE-TAGEL-VAISI-TOSME-RIMJO-NAISH-MULBL-and our beautiful ladies-MEKA aka FOBILICIOUS-JANAH aka ROOTSOJANAH-PIPIENA aka FO'I LOLE.
